Permission forms and  
payments are now due.  
Please return ASAP**

**BOOKFAIR TO BOOST OUR  
LIBRARY IS ON  
20<sup>TH</sup> - 23<sup>RD</sup> NOVEMBER**

## PRINCIPAL'S REPORT

### WORLD TEACHER'S DAY

Last week we celebrated World Teacher's Day with a lovely morning tea. This was our opportunity to thank the fabulous teachers at Tyabb Primary School for the time and effort they put in to providing the best possible learning opportunities for our students. We are fortunate at Tyabb Primary School to have such a wonderful staff and dedicated, committed and conscientious team of educators. Thank you to our teachers! Our children are very lucky! Thank you also to our fabulous parents for baking and making our lovely morning tea.

### OUR SPONSOR CHILD

We currently sponsor a child in Medebay Zana in Ethiopia. Her name is Rishan Shushay and she is now 8 years old and in grade 2. The funds we raise go towards providing fresh water close to her home and food. Funds raised by World Vision also go towards providing Rishan with an education and the supply of school books and equipment. Each year we are provided with an update on Rishan's progress and well-being. Our latest report included a note written by Rishan to let us know that she is in good health and attending Primary School in Grade 2. She told us that she is learning about different vegetables and how to grow them to improve her family's diet. She also mentioned that her favourite things to do are drawing and swimming. We will keep you updated as we hear more about Rishan's progress. Thank you for your continued support in raising funds for World Vision and our Sponsor Child.

## FORWARD DATES

NOVEMBER	
Saturday 11 <sup>th</sup>	Remembrance Day
Monday 13 <sup>th</sup>	Grade 5 Discovery Day
Tuesday 14 <sup>th</sup>	Prep 2018 Superheroes Day 10.00am – 11.00am

Tuesday 12 <sup>th</sup>	State Orientation Day
Tuesday 19 <sup>th</sup>	Grade 6 Graduation
Wednesday 20 <sup>th</sup>	Reports to go home
Thursday 21 <sup>st</sup>	Grade 6 End of Year Excursion
Friday 22 <sup>nd</sup>	Last day of Term 4 – Dismissal time 1.30pm

## GARDEN ART

When conducting school tours I always proudly show off the art work on display throughout our school grounds. Sharon Wright, our very talented art teacher, works with students during the year to create a variety of artwork to enhance our school grounds. Next time you are at school take a look at our latest piece on display near the art room and double doors to the multipurpose room. This street art was created by students in years 5 & 6 as a part of the electives program.

Principal*

## THE GAME I GOT KNOCKED OUT!

Suddenly, I felt a pain in my head. I went into a beautiful world of other people knocked out. It was awesome. Moment by moment people got sucked up. They went back to their normal body - well I think. You could do anything - if I could think it, I could do it... that's it! Skydive. I got harnessed up and made my dreadful dream.

I got back to the ground of this fantasy world. There on my wrist was a watch. It said 13:04 minutes till I go back to my normal body. I ate ice-cream while trying to think of what I did to get knocked out. I looked down at my watch and it said 2:00 minutes left till I go back to my body. THAT'S IT I REMEMBER! I was playing...

SWOOOOSHHH I was being sucked up into my normal body. YEAAAAAAHHHH. The crowd was roaring as it surrounded me. There were sticks with banana on them and a pancake on the floor. A shiver ran down my spine, it was freezing. I remember I was playing... HOCKEY. A stretcher came and got me and carried me away. That's all I remember because I was knocked out. THE END

Literacy Recount from Kade 5B

COMPLETION.**

We will remember them...

Make sure you continue to encourage your children to access Mathletics throughout the school year to further enhance their number skills. Each child has a unique log in username and password that was supplied to students at the beginning of the year. If your child has misplaced their log in details, get them to ask their teacher for the details again.

The learning journey with Maths is fully supported with Mathletics. It is a targeted, rewarding and highly captivating online learning resource that will support maths learning from Kindergarten through to Year 6.

Your child is using Mathletics as part of their mathematics program at school. Mathletics is a targeted, rewarding and captivating online program. Your child has take-home access to Mathletics – they simply sign in with their school username and password. The extra Mathletics practice at home can make all the difference to your child's progress in this area of the curriculum. Encourage them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Go for gold!

Mathletics is designed to provide students with a captivating and safe learning experience. The program is inline with the Victorian Curriculum. It is a structured program that has interactive games and activities for all students. There is support for both parents and students available at all times.

Mathletics empowers learners to feel confident and motivated to think critically, make learning choices, seek help when they need it. They are given the opportunity to regularly reflect on their learning by being able to visually track their progress.

Mathletics also has a range of problem solving activities that students can access. This section of the online program can be utilised and used to support Problem Solving Friday at Tyabb. The Problem Solving Games are an excellent platform for discussion, collaboration or illustration of mathematical concepts. They are designed to support learning through play, each year group has access to a different set of games.

In another part of the program, students can challenge each other to a real-time race that tests the speed and accuracy of their maths skills. Points are awarded for correct answers and beating their own high score. We all know the thought of winning is a powerful tool for students – they absolutely love challenging each other and relish in the delight of 'winning' the race against their peers.

Get online together and enjoy the challenges provided by the Mathletics program. What a wonderful way to enjoy watching and supporting your child's mathematical journey. Don't hesitate to speak to your child's teacher if you have any queries with regards to the Mathletics program we are using at Tyabb ☺

# Let's Celebrate !!

*Congratulations to our Student of the Week award recipients for the week beginning 30<sup>th</sup> October.*

## ENVIROMENT CENTRE

Spring has finally sprung and the Grade 5 students are excited to be out working in the Environment Centre again. After a disastrous Winter crop (our cabbages, celery and herbs all devoured by grubs) the students are determined to have a successful Summer harvest. They planted tomatoes, cucumbers, lettuce, strawberries and some lavender and daisies – to attract bees to our garden bed. We tried some different methods to keep the pests away this time too... grit around the plants as a barrier and some pea straw.

Keep your fingers crossed for us this time! We hope to have some yummy salad vegetables soon.

## MUSIC PROGRAM

**Music Reminder:** Please return forms for the **Instrumental Concert** on Wednesday 29<sup>th</sup> November by Monday 27<sup>th</sup> so the program can be finalised. The teachers would love as many students learning an instrument at Tyabb to return their form and showcase the great work they have done this year.

Notices for the **Elderly Excursion (Dec 1<sup>st</sup>)** have gone out. So keep the return forms coming in.

**Carols By Candlelight (Dec 15<sup>th</sup>)** notice will be out this week to let those participating know the details. Carols practice is on Tuesday lunchtime with the choir time.

Thank you

Merran Wyatt

### Bring out the best in your child with performing arts education!

The Australian Youth Choir programme helps young people discover their vocal talent. Students learn to sing, develop their musicianship and performance skills, make new friends and become part of a wide circle of performers. Visit us at [www.niypaa.com.au](http://www.niypaa.com.au)

Australian Youth Choir will be visiting Tyabb Primary School soon on **Friday, 10 November 2017 at 11:30am.**

## Flute and Tin Whistle Lessons with Catherine King

\$15 shared or \$25 private half hour lessons

Lessons are offered at Tyabb Primary school during school hours, so no extra driving commitments for mum and dad! Emphasis on having fun while learning to read music, play music and increase confidence.

Lessons will be arranged to avoid important classes and can begin at any point during the term. Get in now for lessons in 2018!

Email: [catherine248@live.com](mailto:catherine248@live.com)

Call: 0412 425 558

Instrumental lessons forms can be found at the front desk

## PIANO & GUITAR LESSONS ONLY \$12 per 45 MIN

Our classes, renowned for our focus on 'music theory' (reading & writing music), makes us the 1st choice in children's music tuition. Amazing teachers, comprehensive, structured curriculum, we teach students how to read music as well as play their instrument.

\*private lessons also available in singing, piano, guitar & drums

For all info including available times, days, cost, etc. please visit

[www.dsemusic.com.au](http://www.dsemusic.com.au)

or phone 0416 586 483

## 30 YEAR ANNIVERSARY & 20 YEAR TIME CAPSULE OPENING

AT BLACKS CAMP PRESCHOOL

Join us to celebrate 30 years of Blacks Camp Pre-School and be there when we open our 20 year old time capsule...

Sausage Sizzle

Cake Stall

Jumping castle!!

When: Saturday 18<sup>th</sup> November 2017

Time: 11.00am – 1.00pm

Where: Blacks Camp Pre-School  
23 Blacks Camp Road,  
Somerville

We hope to see you there!

## FRANKSTON BOMBERS SPORTS CLUB

Frankston Bombers Sports Club is seeking expressions of interest for **Netball Coaches** in the 2018 netball season. We will be playing in the Peninsula Football Netball League and have 4 senior Netball teams. Last year 3 of our 4 teams participated in finals. We are looking to build our netball program through the development of current and new players, ensuring they reach their full potential and maintain a love of all things Netball. If you have a passion for Netball and feel you are qualified for any of the below positions, please contact us for a confidential discussion.

### A grade / Head Coach / Playing Coach

Attend, plan and manage A grade/Squad training

Attend games

Involvement in team selections – all grades

Liaise with other coaching staff to aid in the development and training of all girls

Remuneration offered, & negotiable based on qualifications & experience

For all enquiries please email: [Treasurer@frankstonbombers.com.au](mailto:Treasurer@frankstonbombers.com.au)
