## PRINCIPAL'S REPORT

### STORM DAMAGE AND REPAIRS

As mentioned in a previous newsletter, parts of our school received damage as a result of a storm during the last school holidays. The Education Department is gradually repairing this damage, currently working on the roof in the art room and the foyer to our hall. These repairs involve fixing skylights, repairing damaged roof panels, drying the building and spraying for potential mould. As a result of these works we have had to completely clean out the art room and move these lessons in to the hall. This has led to the cancellation of assembly until further notice. We hope to have everything back in its place within the next couple of weeks but will keep you informed.

### STAFF NEWS

Congratulations to Sara, Chris and daughter Sophie Hyde for the birth of baby Jack Michael John Hyde. Jack was born ten days late, on Saturday 12<sup>th</sup> November, at 11.30am weighing 8.1 pounds. Mum and baby are doing very well. We look forward to seeing baby Jack when he comes for his first visit.

Congratulations to our fabulous prep teacher Hannah Nelson for picking up an ongoing position at Tulliallan Primary School. Hannah has been in a contract position at Tyabb Primary School for the past 2 years and is well respected by parents and teachers and loved by her grade! We will all miss you Hannah but are extremely happy that you have been given this permanent opportunity. Well deserved!

## TRANSITION

It is always an exciting time of the year when we begin to prepare our children for the following year, this includes our new 2018 preps. Our new preps have had three visits so far and we look forward to seeing them again on the state wide orientation day on Tuesday 12th of December. This is the day that our Grade 6's visit their prospective secondary colleges.

Our Grade 5's have already started their transition into grade 6 with a leadership inquiry unit which involved a number of leadership workshops focused on public speaking, organisation, team work and responsibility. We are also about to begin the process of selecting our Grade 6 student leaders for next year. Our Grade 5 students have written letters or speeches to apply for positions that are available. We are going to have a very difficult task ahead as there are many worthy students.

For our students to have a better transition into 2018 we will once again be running two sessions in December for all students to meet their new teacher and have some time with their new class including new students coming to the school for 2018. These transition sessions will take place for one session during the day on the 5th and 12th of December. The aim of these sessions is to meet their new teacher and students and learn more about the year ahead.

## WELL DONE JACKSON!

Jackson form 6A participated in the Arthurs Seat Challenge on Sunday 12th. He not only participated in the Arthurs Seat Challenge but he smashed it! He finished the race 128th out of 1166 competitors, 119th of 603 males, and 26th of 123 in the boys under 15 category, all in a time of 38:49! Well done Jackson – you are a star!

## PARENT HELPER MORNING TEA

Invitations are now being sent home to invite all parents who have helped during the year to a special thank you morning tea. Without the fabulous support of our parents throughout the year our school would not function as effectively. Our parents help in a variety of ways including School Council, PFA, classroom helpers, excursions, camps, concerts, electives, HPV just to name a few. All of this support is greatly appreciated. **If you have helped in any way throughout the year no matter how big or small we would like you to join us for morning tea in the grade 5&6 area (BER) building on Friday 8th December.** Your help is very much appreciated and an integral part of the smooth running of our fabulous school. Hoping you can find the time to come along and join us for a cuppa and a bit of morning tea.

## 2018 BULLETIN GOES PAPERLESS!

In an effort to be more environmentally friendly and lower our paper/photocopying costs, our newsletters are going paperless from 2018! As from 2018 our newsletter will be available;

- On our website [www.tyabpps.vic.edu.au](http://www.tyabpps.vic.edu.au)
- Via Flexibuzz

We will provide further information in future newsletters and on our website and flexibuzz.
