

### END OF TERM ONE!

Just one more week to go until the end of term 1. What a fabulous term full of exciting programs and extra curricula activities. We had two camps— grade 4 camp to Phillip Island and grade 6 Camp Woorabinda at Yallourn North. We also had an inter school tennis tournament, district swimming, house cross country, Harmony Day and our end of term Easter bonnet parade. We thank our students, teachers and parents for an extremely positive start and look forward to the activities of term 2.

### ENROLMENT PROCESS / SCHOOL TOURS

At the beginning of next term, we start to open up the school to prospective new parents by inviting them to a school tour and our open night for Education Week. If you know of interested prep parents for 2019 please encourage them to ring the office to book a tour or let them know of our whole school open night on Tuesday 21st May 4.30 – 6.30pm. This open night is an informal opportunity for new parents to walk around the school, see our classrooms, meet teachers and see the fabulous work being completed by our students. For parents with siblings starting in 2020 we encourage you to enrol your children early in the term to give us an early indication of our enrolments for the New Year. Enrolment forms will be available in the office at the start of the term.

#### **School Tours**

Wednesday 24th April 9.30am

Thursday 2nd May 9.30am

Wednesday 8th May 9.30am

Tuesday 14th May 5:30pm

Monday 20th May 9:30am

Wednesday 5th June 9:30am

Wednesday 12th June 9.30am

Wednesday 19th June 9.30am

Please call 03 5977 4584 to book your tour.

**Location**– Front Office, Jones Road, Tyabb

### MICHAEL CARR-GREGG

On Wednesday the 20th March we were honoured to have Dr Michael Carr-Gregg at our school to give one of his famous parenting presentations. Dr Michael Carr-Gregg is one of Australia's highest profile psychologists, author of 11 books, broadcaster and a specialist in parenting, children, adolescents and the use of technology for mental health. He provided the audience of over 200 with many handy parenting tips some of which are included in the welfare section of this newsletter.

We would like to thank Simone Kingston for initiating this idea and working with a team of parents to successfully organise this large event. Thanks also to Kris Grinsted for her work behind the scenes and our staff who helped on the night. I am sure that everyone thoroughly enjoyed the presentation and took away several ideas to use with their own children—I certainly did! What a huge success. We look forward to organising further guest speakers in the future to support our parents.

#### **IMPORTANT DATES TO NOTE IN YOUR DIARY**

**PUPIL FREE DAY**—curriculum day—Tuesday 23rd April

**PUPIL FREE DAY**— curriculum day—Friday May 31st

**STUDENT LED CONFERENCE DATE** Friday 19th July

( students only attend for their 20 minute student led conference)

#### **SCHOOL CONCERT DATES**

Monday 16th and Tuesday 17th September

Further information to be provided closer to these dates

## GRADE 4 CAMP PHILLIP ISLAND 20–22ND MARCH

Mrs Earl and I were fortunate enough to visit the grade 4 children on camp at Phillip Island. All the students were having a fantastic time, enjoying the range of activities that were available for them. The giant swing was very popular—anyone who went to the top of the swing is certainly brave!! I have been told by the teachers that the children were very well behaved, making us all very proud. I would like to thank Mrs McDonald, Ms Woff, Mr Davies, Mrs Haddad and Yas Beaumont for attending the camp. Thankyou also to the parents who assisted at camp—Chris Giacomi, Peita Gibbons and Brent Thickens. We really value your support of the camp.

## HOUSE CROSS COUNTRY

On Thursday 14th of March children in grades 3—6 participated in our annual House Cross Country event. We were fortunate to have fantastic weather and all the students that participated gave the event all their effort and energy. It was so great to see smiles on the students faces as they ran through Olivers Creek. The encouragement that was given to each individual by their peers was outstanding, making me even more proud to be Principal of such a wonderful school. Well done to Mr Davies for his outstanding organisation of this event. Thankyou also to the parents who assisted on the day.

## End of Term/ Easter parade – FRIDAY 5TH APRIL

We are amazed by the generosity of our community and thank everyone for their generous donation of Easter Eggs. These eggs will be raffled at our Easter Bonnet parade next week on Friday 5th April at 9.15am. We are encouraging students to wear an Easter hat/ costume and we invite all families to come along and watch the parade.

*As this is the last newsletter for this term, we would like to wish you all a safe and happy Easter and all the best for the school holidays.*

# ANZAC DAY 2019

## THURSDAY 25<sup>th</sup> APRIL

Dear Parents,

An invitation has been extended to Tyabb Primary School and the Tyabb community to attend the dawn service being held in Tyabb this year at the war memorial at 6.00am. Our JSC captains, Will and Brylee, will be reading the names of some of the servicemen from the Cenotaph and laying a wreath.

We have also been invited to participate in the ANZAC Day March being held in Hastings. If any students are interested in attending they can meet Amy Monea prior to 10.30 am on King Street outside of the Hastings RSL. At 10.30 am, we will march with the veterans down to the Cenotaph on the Hastings foreshore. A formal service will take place at 11.00am where our School Captains, Zali and Max, will lay a wreath on behalf of the Tyabb School Community. Children should be dressed in school uniform.

ANZAC Day is an important part of our historical and cultural understanding. It is a celebration of the freedom that we enjoy and a recognition of the sacrifices made in the name of that freedom. I hope that, once again, we can have strong representation from the Tyabb school community.

We look forward to seeing you there.

Kind Regards,

Carole Howden (Principal) and Amy Monea( Grade 6 Teacher)

Please note that this page will be updated each newsletter as new events are scheduled

Thursday 28th March	Grade 5 & 6 Summer Lightning Premiership
Tuesday 2nd April	Sustainability Incursion Grade 6 & Green Team
Wednesday 3rd April	School Photos
Friday 5th April	Easter Bonnet Parade 9.15am in the Hall
Friday 5th April	PFA Sausage Sizzle
Friday 5th April	Last Day Term 1—Dismissal Time 2.30pm
Tuesday 23rd April	Curriculum Day—No Students at school
Wednesday 24th April	First Day Term 2
Thursday 25th April	ANZAC Day
Wednesday 1st—3rd May	Grade 5 Camp Rumbug
Wednesday 1st May	Hats Off Day
Tuesday 7th May	Mother's Day Stall
Wednesday 8th May	Mother's Day Stall—Extra Presents
Sunday 12th May	Mother's Day
Thursday 9th May	Crib Point District Cross Country—Selected Students
Tuesday 21st May	Open Night—4.30—6.30pm

### ANZAC Day Merchandise

There will be badges, pens, wrist bands and bag tags to purchase from the office. Prices range from \$1 to \$10.

Thank you for supporting our ANZAC's.

### SCHOOL PHOTOS

**Reminder that school photos will be taken on Wednesday 3rd April. Forms were sent home a few weeks ago.**

**Please see further information in the newsletter in regards to ordering.**

# Welfare

## MICHAEL CARR-GREGG PRESENTATION

What a fantastic turn-out we had last Wednesday evening! Many thanks to Simone Kingston and her team for organising the night.

Almost 200 people listened to, and were entertained, by Michael Carr-Gregg. Michael is one of Australia's highest profile adolescent and child psychologists. He wrote his PhD at the University of NSW on Adolescents with Cancer and named and founded CanTeen over 30 years ago with a group of young cancer patients. He has worked as an academic, researcher, and political lobbyist. He is also the author of twelve books and is an Ambassador for Smiling Mind, Big Brothers Big Sister, and sits on the Board of the Family Peace Foundation and the National Centre Against Bullying.

For those families that weren't able to make the night, below is an outline of some of the suggested resources that were presented with regards to bringing up our children to be happy, healthy and resilient individuals.

**The BRAVE Program**  
for children and teenagers with anxiety

BRAVE is an interactive, online cognitive-behavioral therapy (CBT) program. Brave teaches kids and teens (and their parents) how to cope with their worries so they can get the most out of life.

**80%** of kids with a diagnosable anxiety disorder do not receive any help and treatment.

**80%** of kids who completed the BRAVE Program are free from anxiety.

The online Program can help thousands of BRAVE kids around the world

Results achieved by completing the BRAVE Program are the same as attending face-to-face therapy.

Children, teenagers and their parents can complete the BRAVE Program in the comfort of their own home in their own time, at their own pace.

Tips and advice on helping your child have safe and enjoyable experiences online.

### JUNIOR PRIMARY

Juniors join Buddy Bear on an adventure, learning how to take care of devices, how search and play games safely, as well as the importance of being friendly and kind.

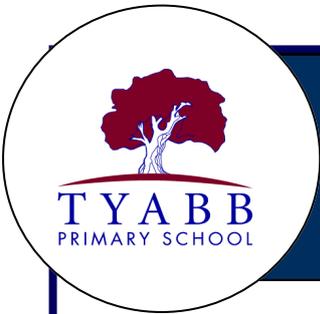

### PRIMARY

This covers the importance of digital reputation, privacy, gaming, in-app purchasing, traps, screen-time implications, as well as friends and strangers.

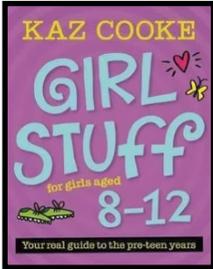

The Alannah & Madeline Foundation is one of Australia's most respected children's charities, and is dedicated to protecting children from violence and its devastating impact.

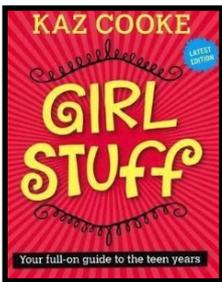

The Brave Program is an online program for the treatment of anxiety in young people. The Brave Team have recently introduced a new program designed to help young children aged 3 – 7 years who are experiencing anxiety or who are showing early signs of becoming anxious. The program is completed by the parents, who in turn can help their children. It involves 4 sessions that cover a range of strategies that parents can use to help their child to learn coping skills, and to face their fears.

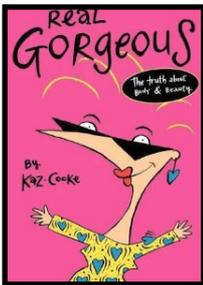

# Welfare

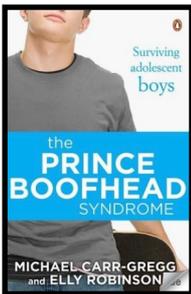

Early Girl Stuff 8–12 is the essential younger girl's guide to puberty and the pre-teen years. \* body changes \* dealing with friends & bullies \* getting confident \* first periods \* pimples \* phones & being online \* what to eat \* being fit & healthy \* the best books & movies \* how to be happy with your own true self \* & lots more!

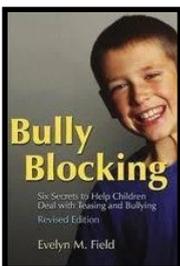

Girl Stuff has everything girls need to know about: friends, body changes, shopping, clothes, make-up, pimples (arrghh), sizes, hair, earning money, guys, embarrassment, what to eat, moods, smoking, why diets suck, handling love and heartbreak, exercise, school stress, sex, beating bullies and mean girls, drugs, drinking, how to find new friends, cheering up, how to get on with your family, and confidence.

*Real Gorgeous* is a big, funny, reassuring read about fashion fibs and diet myths—and the truth about, among other things, push-ups, push-up bras, and the great cellulite scam. It is meticulously researched and sensible, but it avoids impenetrable theory and instead embraces the fun of clothes, makeup, and life in general.

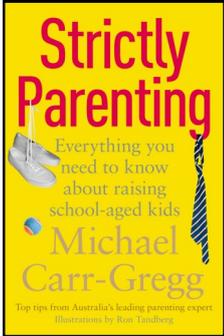

Dr Michael Carr-Gregg believes that too many Australian boys have got it too easy – and the result is a generation of ‘boofheads’: boys with huge egos who think they are too good to stack the dishwasher or turn up to school. They expect the world and give little in return. But things are about to change. This book will ask the tough questions and deliver straightforward advice so that the parents of today can take back control. It is essential reading for everyone living with a teenage boy.

This confidence-boosting book aims to help children overcome the damaging effects of teasing and bullying, and to develop practical skills and attitudes to improve their self-esteem and quality of life.

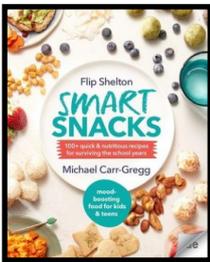

# Welfare

In *Strictly Parenting*, Michael asks parents to take a good hard look at the way they are parenting – to toughen up and stop trying to be their kids' best friends. He instead offers practical evidence-based solutions on how to take back the reins and start making the most of the precious family years.

With a user-friendly A-Z guide covering all the tricky issues that parents encounter over the years – this is an invaluable and very timely resource for parents of all school-aged kids.

Family life is busy. That's why passionate foodie Flip Shelton and renowned adolescent and child psychologist Michael Carr-Gregg have teamed up to create this collection of simple, speedy recipes to help you make the most of snacks every day without devoting hours to the process. From two-ingredient cashew balls and sweet potato chocolate brownies to egg jaffles and a whole rainbow of smoothies, whip up these recipes for (or with) your kids and you'll be packing them full of good stuff they'll actually want to eat.

Many parents are worried about the unsavoury elements of the internet finding their way to their children's devices and frustrated about getting their kids off their devices and to sleep at night. At one time, an internet filter on the home computer could do the job. Now with the widespread use of mobile devices, and with many young children using them, there's a lot more to manage. Family Zone is a box that plugs into your home gateway or router and acts as a cyber gatekeeper for all your digital devices – including phones, tablets and games consoles – along with an associated web portal and app.

If you want to have an overview of all the devices in your family, and the ability to manage and control internet access by these devices and the home Wi-Fi network, Family Zone may be an appealing solution.

As a parent, it's natural to want the best for your child – for them to be happy, healthy and confident individuals.

But that's sometimes easier said than done, especially during the teen and pre-teen years when their bodies are changing, their self-confidence is fragile and they are trying to make

that tricky transition out of childhood. How do you help your daughter or son maintain a positive body image and find their sense of self when their world is filled with unrealistic images of physical ideals; one dimensional, 'flawless' beauty, and narrow messages about the 'perfect' lifestyle? How do you help her deal with the pitfalls of teenage life such as appearance related bullying or keep them eating healthily and enjoying exercise (without getting hang-ups about food and body shape)? This website is full of lots of ideas and information.

Moodgym is like an interactive self-help book which helps you to learn and practise skills which can help to prevent and manage symptoms of depression and anxiety.

# Office Reminders

Please contact Sue, Karen, Sara or Cathie if you have any questions

## Camps, Sports, Excursions Funding (CSEF):

Every Victorian child should have access to the learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund (CSEF) is provided by the Victorian Government to ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. School camps provide children with inspiring experiences in the outdoors; excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum. The Department of Education and Training administers the CSEF to assist eligible families to cover the costs of school trips, camps and sporting activities. Although administratively the fund is received through the school, the full amount is intended for the benefit of the eligible student.

On the first day of term one (29 January 2019) or the first day of term two (23 April 2019), a parent or legal guardian of a student must be an eligible beneficiary of one of these cards:

- • Veterans Affairs Gold Card; Centrelink Health Care Card; Pensioner Concession Card

If you applied for the CSEF at your child's school in 2018, you do not need to complete an application form in 2019 unless there has been a change in your family circumstances. Your child's school will apply for the CSEF on your behalf. You will only need to submit an application form in 2019 if any of the following changes have occurred:

- • **new student enrolments:** your child has started or changed schools in 2019 or you did not apply at the same school in 2018
- • **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2019.

Schools are able to accept and process applications up until the end of term two each year.

**In 2019 the CSEF will be allocated to the camp for students in grades 3-6 and excursions/incursion for students in P-2.**

## Prep Uniform Pack

Parents of Prep students who are receiving the CSEF in 2019 are invited to contact the office for a Prep Uniform Pack application form to be sent home. **You must have applied for and be approved to receive CSEF before you apply for the Prep Uniform Pack.**

## Absences:

Parents are asked to contact the school by 9.30 each morning if their child/ren will not be attending school on the day by:

- • phone (leaving a message on the voicemail)
- • completing an Absence Form through Flexibuzz

Future absences can be sent to the school in a note eg holiday

If the school has not been contacted by 9.30, your child will be marked 'absent unexplained' and the school will follow up by phone or text. To avoid unnecessary follow up, please let the office know of your child/ren's absence by 9.30am on the day.

## Centrepay:

Families who receive a Centrelink benefit can pay their account by instalment through Centrepay. Please contact the office if you are interested in discussing your instalment plan by Centrepay and an application will be sent home for you to complete and return. There is no cost to the family.

## Camps/Excursion/Incursion Payments & Permission Forms

Please return and pay for activities by the due date on the permission form or your child will not be able to attend. If your child is not attending a particular event please write on the permission form 'Not Attending' and return to the school immediately.

## Personal and Contact Details:

It is crucial that the school has your up to date information on file at all times. If you change your personal or contact details please let the school know immediately (preferably in writing) by letter or email. In the following weeks your personal details report will be sent home. Please write and highlight any changes which need to be updated. If there are no changes we would appreciate the report to be returned to the school with 'No Changes' written on the front page. We thank you for your help in this very important process to ensure all children are safe.

# SCHOOL PHOTOS

## SCHOOL PHOTO DAY IS COMING

ARTHUR REED PHOTOS WILL BE HERE ON  
**3rd April, 2019**

### NEW IN 2019

See your child's images and customise your own package!

To be notified when images are ready to view - Register NOW

1. Go to [order.arphotos.com.au](http://order.arphotos.com.au)
2. Enter the unique **image code** for your child from their personalised flyer
3. Fill in **your** mobile number and email address - *Do this for all of your children at this school*

**That's it!** You'll receive an email and/or SMS when images are ready to view in our secure webshop

### SIBLING PHOTOS?

Register online BEFORE photo day at

<https://arphotos.typeform.com/to/wj3Bbt>

(03) 5243 4390  
[www.arphotos.com.au](http://www.arphotos.com.au)  
[customerservice@arphotos.com.au](mailto:customerservice@arphotos.com.au)

Ordering of photos has changed this year. See the information flyer on this page. Each child has a unique code that was sent out a few weeks ago. If you require the code please call the office and we can give it to you.

## SIBLING PHOTOS

Please remember sibling orders must be requested prior to photo day. See below flyer of instructions to do so.

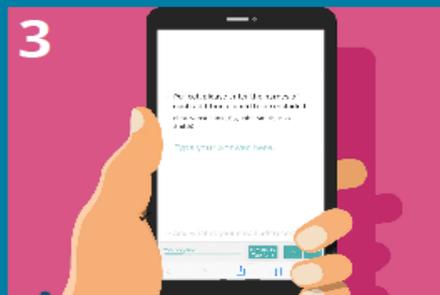

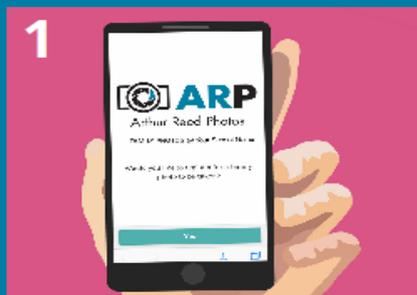

**Go online BEFORE photo day to request a sibling photograph!**

Sibling Photographs will be taken at  
**Tyabb Primary School**  
on - 3rd April, 2019

## SIBLING PHOTOGRAPHS

*requesting a sibling photo is easy....*

1. Grab your phone and go to [arphotos.typeform.com/to/wj3Bbt](http://arphotos.typeform.com/to/wj3Bbt)
2. Enter the name and class of the eldest sibling
3. Enter the names and classes of all other siblings to be included in the photo

*and ONE more thing.....*

**\*\*You'll still have to REGISTER online at [order.arphotos.com.au](http://order.arphotos.com.au) using your child's individual code to receive notifications\*\***

**That's it!** You'll receive an email and/or SMS when images are ready to view in our secure webshop

• Mix & Match the images included in your package • Any layout, pose or image • Digital Downloads (multi image)

Sibling Photograph requests close at midnight the night before photo day

Arthur Reed Photos Pty. Ltd.

Telephone: (03) 5243 4390  
Enquiries: [customerservice@arphotos.com.au](mailto:customerservice@arphotos.com.au)

## What are essential questions?

These are questions that are not answerable with finality in a single lesson or a brief sentence—and that's the point. Their aim is to stimulate thought, to provoke inquiry, and to spark more questions, including thoughtful student questions, not just pat answers. They are provocative and generative.

## What's happening in our classrooms?

### Prep:

**Essential Question:** Why are families important to us?

During Inquiry lessons in Prep we have been investigating our families and the differences between our family and that of others'. We have investigated the different roles that members of our family play in our home and looked at the differences between our family and our friends. We are also investigating the Seasons, focussing on Autumn and the changes that occur in the environment at this time.

### Grade One:

**Essential Question:** How does day/night and weather affect us?

During Inquiry in grade one, we have been learning about Earth and Space Science. We observed the changes we could see in the sky and how weather changes and affects our daily lives. We learnt how to plan for different types of weather and we explored different types of houses around the world and how they protect us from the weather.

### Grade Two:

**Essential Question:** How do living things grow and change?

In grade two this term, we have been very busy learning about the different life cycles of animals in our Inquiry unit. The grade twos have been learning about the different stages in the life cycle of butterflies, frogs and moths, and how these animals all go through a process called 'metamorphosis'.

During our inquiry, students have shared their current understandings, posed questions and discussed the similarities and differences between these life cycles. They have been developing their understandings through the use of KWL charts, Venn diagrams, videos, books and many hands on activities.

The grade twos have produced some amazing work and have been very enthusiastic with their learning. Some students have been busy at home making booklets and posters explaining the different life cycles, and bringing these to school to share with their classmates!

### Grade Three:

**Essential Question:** How is life different in different parts of Australia?

In grade three we have been investigating the characteristics and environments of our country, Australia.

We have explored our prior knowledge and what we want to know through collaborative activities with our classmates. Using Google Maps we explored the arid, mountainous and forested regions in Australia and we listened to fun songs to learn about states, territories and capital cities.

From a documentary called, 'The Magical land of Oz', we learnt new facts and observed the variety of environments within our amazing continent. We summarised information about natural landforms

and found their locations on a map of Australia.

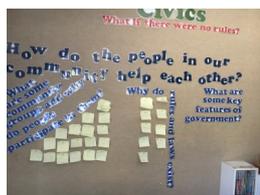

Finally, we have begun individual projects on the states and territories to investigate the land uses, population, natural landforms and capital cities in

further detail. During computer lab sessions we are being tutored by grade six students to build our skills using Microsoft PowerPoint which we will use to present our research to our parents during student led conferences.

### Grade Four:

**Essential Question:** How do the people in our community help each other?

This term, the grade fours have been inquiring about Civics and Citizenship. The students were engaged in their learning with the question ‘What if there were no rules?’ and we played a game of Octopus where the rules were suddenly changed for no apparent reason to benefit some and disadvantage others. This led a really fantastic discussion. We also looked at some weird laws and played a game of true or false.

After drawing the students in, we started to build background knowledge by brainstorming community groups, discovering the

three levels of government and the roles each plays, completing a homework task about laws and creating a T-chart about rules and laws. We watched some videos to find out the key features of government.

Finally, students were able to choose an area of investigation they wanted to know about relating to government and shared their knowledge with their peers. Students were then able to answer our guiding questions in great detail.

### Grade Five:

**Essential Question:** Disasters! Australia, Europe and North America. Do we contribute to environmental problems?

For Inquiry grade five focused on landform changes in Europe and North America and compared these to the landform changes of Australia. The big question was “How has Geography has been shaped and impacted by humans?” Students practised skills of researching, discussion, note taking, para phrasing, referencing sources, comparing and contrasting.

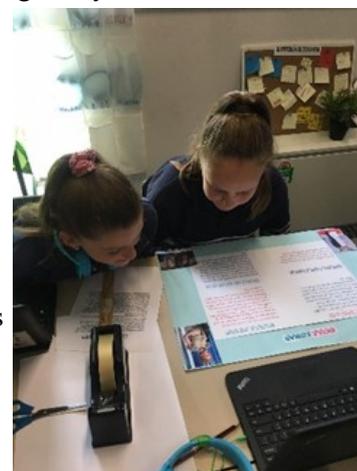

### Grade Six:

**Essential question:** How have individuals and groups, from the 1900s onwards, helped shaped Australian society?

The grade sixes chose a Famous Australian who has made an impact on Australia. They came up with 3 open-ended questions to guide their learning. They have learnt how to

enter key words into google, take notes to avoid Plagiarism and understand the information they find. The last 2 weeks they have been sorting out their data to present it in a unique and engaging way. They have learnt a range of skills in PowerPoint, Microsoft Word and setting out on a poster. This week they will be presenting their projects to their peers, as their peers ask them questions and take notes. The grade 6 students have loved this Inquiry project.

### Sustainability Fortnight

In the final two weeks of Term One, all students will be learning about the environment. Grade three and four have an exciting excursion to the Briars. All students from Prep to Grade Six will learn how to be more sustainable with resources and the impacts that occurring right now on the environment. Each year level will present an item at assembly to inform the community how to reduce the use of certain non-recyclable items. We are looking forward to the discussions and learning that will be happening school-wide.

## Inquiry Tip

Ask your child a thought provoking questions. Then sit back and enjoy the conversation that bubbles forth.

## Fantastic Fours have fun at Phillip Island!

Sun and sandcastles

Penguins and pelicans

Giant swing

Fun at the park

Hanging around at the swings

Scaling the mechanical wall

Human Foos Ball

A game of Ga Ga

What an illusion!

Amazin' Things

Getting ready for some serious sand sculpting

Low ropes at camp

## Studies of Asia

### HARMONY DAY CELEBRATIONS

Tyabb celebrated Harmony Day on the 21st March by dressing up in a splash of orange to celebrate cultural diversity within Australia.

Harmony Day is a day for all Australians to celebrate cultural diversity and everyone belonging. We all have different cultural influences within our families and we can learn and build on this knowledge and understanding to celebrate our multicultural nation.

Our students were also engaged in a whole school activities investigating the cultural heritage of their family. This was achieved through sharing stories of cultural elements which influence their family and researching the countries of origin and their flags. Grade one students created Harmony Day crowns which lots of orange.

A huge thank you to my Studies of Asia leaders, Madison and Addison for all their support in organising a successful celebration.

Sampai jumpa,  
Bu Leanne Day

#### EASTER RAFFLE 2019

## Donations Needed

*It's hard to believe Easter is just around the corner. The PFA Fundraising Committee is running an Easter Raffle and we are kindly asking families for donations of any type or size of Easter Eggs and baskets. The more Easter Eggs we receive the more raffle prizes we can put together. Please leave any donations in the basket at the office by Friday 29th of March.*

*The Major prizes will be presented at our Easter Bonnet parade on the last day of term, Friday 5th of April. The Parade will take place in the hall from 9:15am.*

*Thank you for your support.*

# Purple Day for Epilepsy

A BIG thank you for everyone's efforts in dressing up for Purple Day to raise money for the Epilepsy Foundation.

At Tyabb Primary we have a few students who have Epilepsy and as a result we are in the process of becoming a recognised "Epilepsy Smart School"

Epilepsy is a disorder of brain function that involves recurring seizures. About 4% of the population will have epilepsy at some stage of their life and it presents as unique to every person.

Founded in 2008 by then nine-year-old Cassidy Megan of Nova Scotia, Canada, Cassidy started Purple Day in an effort to get people talking about the disorder and inform those with seizures that they are not alone. Cassidy named the day 'Purple Day' after the internationally recognised colour for epilepsy – lavender.

As a school, Tyabb Primary raised \$342.30! An enormous effort...thanks everyone .

Blow out the candles,  
 wish away,  
 you are the  
 superstar of the day.  
**HAPPY BIRTHDAY!**

## The Very Big Bushwalk

Explore your local park with a Parks Victoria Ranger

Ever wanted to try a family bushwalk but don't know where to start? Keen to meet new people so you can explore your local parks and have fun together?

Why not join a Parks Victoria Ranger for an easy grade, short (<3km) bushwalk suitable for the whole family!

To celebrate Premiers Active April, Nature Play Week, and Parks Victoria's Junior Ranger program, Parks Victoria will host the Very Big Bushwalk - a selection of short bushwalks held simultaneously at numerous locations around the State.

**When:** Thursday April 18<sup>th</sup>, 10:00am – 11:00am

**Where:** A selection of parks including Mornington Peninsula National Park, Cape Schanck and Coolart Wetlands and Homestead, Somers

**Who:** Suitable for families with primary and/or preschool aged children. Some walk locations will be all abilities accessible and pram friendly.

**Bookings:** Bookings are essential and can be made via the Parks Victoria Junior Ranger website, <https://juniorrangers.com.au/whats-on/>

More Information  
Ph: 13 1963

## Coolart Wetlands & Homestead Heritage Tours

Australian Heritage Festival 18 April – 19 May 2019

**Connecting People, Place and Past** – Join our experienced volunteer guides who will share stories about early European settlement on the Mornington Peninsula as you visit the stables, shearing shed, old machinery shed and stroll around the charming garden of the historic Coolart Homestead precinct. Due to restoration works, the homestead building will not be accessible, however, visitors can still enjoy hearing about its rich history and viewing this grand residence from the outside.

**Dates:** April – Tue 23, Wed 24, Tue 30,  
May – Wed 1, Tue 7, Wed 8, Tue 14, Wed 15

**Where:** Coolart Wetlands and Homestead, Somers. (Meet at Visitor Centre)

**Times:** Two sessions per day  
10:30am – 11:30am OR 2:00pm – 3:00pm

This guided walking tour will cover 2km on relatively flat land – hard surfaces, grassed areas – over approximately 1 hour. Suitable for those in wheelchairs and with prams – some assistance may be required at hilly locations. Make a day of it and pack your own picnic lunch to enjoy in this picturesque location. Please wear suitable walking clothing and footwear, and ensure you are protected from the sun. The closest visitor parking is available adjacent to the Visitor Centre. **Tours are free, no bookings required.**

## Quarantine Station Heritage Tours

Australian Heritage Festival 18 April – 19 May 2019

**Connecting People, Place and Past** – Join a Ranger on a guided tour revealing the complex and intriguing history of the Quarantine Station in Portsea. This informative tour will explain the many uses of the site since opening in 1852, including the quarantine process. Following the tour, come and try heritage games on the Parade Ground.

**Dates:** April – Tue 23, Sun 28, Tue 30  
May – Sun 5, Sun 12, Tue 14, Sun 19

**Where:** Point Nepean National Park, Portsea. (Meet at Information Centre in Quarantine Station)

**Times:** Two sessions per day  
10:30am – 12:00pm OR 1:30pm – 3:00pm

This guided walking tour will cover 1km on relatively flat land – hard surfaces, grassed areas and inside buildings – over approximately 1.5 hours. Suitable for those in wheelchairs and with prams – some assistance may be required at hilly locations. The closest visitor parking is available at the Quarantine Station Car Park. **Tours are free, however, places are limited to 30 people per group and online bookings are essential.**

Bookings
