

PRINCIPAL'S REPORT

Reminder

Just a reminder to parents who were randomly selected to do the parent opinion survey. The online Parent Opinion Survey has been extended to **Sunday 18th August 2019**. At this stage 41 of the 120 selected parents have completed the survey. This is not enough to reflect the feedback and opinion of the whole school community. If you received the invitation can you please help us and complete the survey. Thank you in anticipation!

2019 IS OUR YEAR OF REVIEW

As part of the Department of Education's commitment to continuous improvement and providing the best possible education for our students, each Victorian government school undertakes a formal review every four years. Our review will take place in term 4.

In preparation for this we are currently completing a comprehensive self-evaluation which will involve gathering feedback from students, teachers and community members. The focus of this assessment and school reflection is to help identify:

- what is working well
- what needs to continue
- which areas of the school's work may need to be improved or further developed.

An independent reviewer will analyse our school's performance against the goals and targets in our last four year strategic plan. They will reflect on the feedback we receive from the community and support us in setting our new goals for our new four-year school strategic plan.

We are seeking your help and feedback. Some of this feedback will come from formal assessments such as NAPLAN and our staff, student and parent opinion surveys. We will also be sending out a link to all families to complete a short survey monkey. All of this information will help us to make improvements to provide the best possible education for your children. Please note that you can give us feedback at any time using the feedback tab on Flexibuzz.

ATTITUDES TO SCHOOL SURVEY

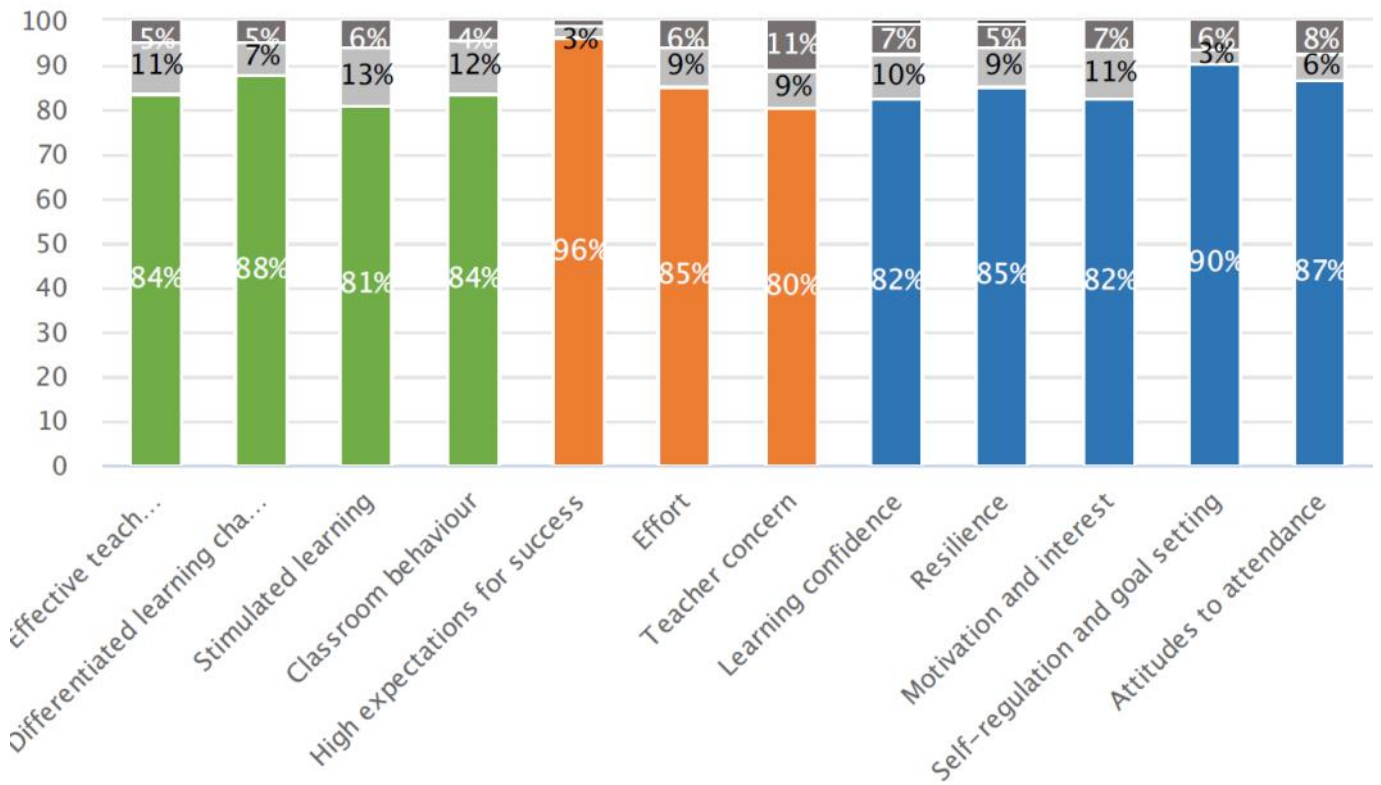

Each year our students in years 4, 5 and 6 complete an online survey to tell us how they feel about their experience at school. This survey provides us with valuable data on our students' views of their wellbeing, engagement, learning and relationships with teachers and peers. We analyse these results and use the information to reflect on our performance, identify areas for improvement and plan programs and activities to improve your child's experience at school.

As displayed in the tables below our overall results are extremely positive (coloured bars on the graph), showing that students are engaged and have a positive attitude towards most aspects of their schooling. Over 80% of students gave positive feedback in most areas. These results are a credit to all of our staff who have worked with our students over the years but especially our year 4, 5 & 6 team and our specialist teachers. It is also a credit to the students themselves - we are so lucky to have such wonderful students and a supportive school community!

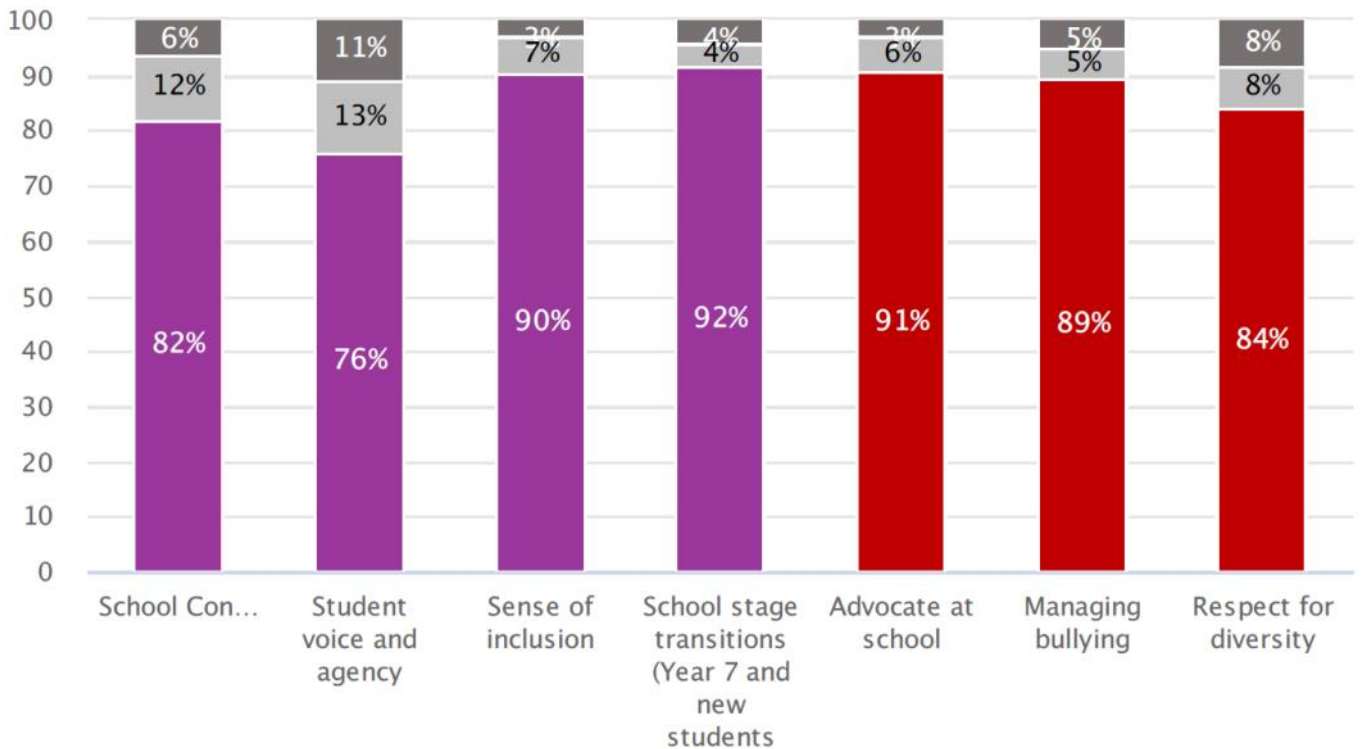

Whilst we celebrate the positives, we also look for areas for improvement. Teachers will analyse these results and the more detailed reports we receive in the following weeks to set goals for the rest of this year and for 2020. These results will also be used during our formal review process.

A SNAPSHOT OF OUR SURVEY RESULTS

FISO: Excellence in teaching and learning

FISO: Positive climate for learning

SPECIAL ASSEMBLIES

You may have heard from your children that last week we had two special assemblies, held at the beginning of lunchtime on both Tuesday and Wednesday. The reason for these assemblies was to address a few issues and send the same message out to all of the students. As Welfare coordinator it is my role to ensure the safety of all students in our school and manage any issues that occur. Over the past few weeks it has come to my attention that the following issues needed to be addressed.

1. Road Safety

The Crossing Supervisor has reported that some of our students who are riding and/or walking to school are not using the crossing correctly. This includes crossing at the roundabout rather than making their way to the supervised crossing on Boes Road. This is extremely dangerous during the busy pick up and drop off times. Yes, it may be a bit of a walk to the crossing, but the road rules stipulate that crossings must be used when the flags are on display and the crossing is supervised.

2. Using sticks inappropriately

We are very fortunate to work and learn in such a lovely natural environment each day. However, having a range of trees leads to quite a number of sticks/branches dropping to the ground. Some of our students are utilising these for digging implements, however there have been other times when these sticks have been used inappropriately, resulting in students being scratched and/or hurt by others making poor choices. Students were told that they were NOT to pick up or use sticks in any way due to the poor choices that have been made.

3. 'Hands Off'

The students that attend Tyabb Primary school are very kind and caring. However, there are times when games get out of hand and there is rough play that takes place. Tyabb Primary School does not

allow students to tackle when playing football and this is a rule well known by the students. We also encourage students to keep their 'hands off' other students as we have zero tolerance to inappropriate physical contact – hitting, kicking and pushing.

4. Arriving late to class after recess/ lunch breaks

At the end of both recess and lunch there is music played for approximately 3 minutes followed by the bell. Students know and are encouraged to be standing in line outside their classroom by the time the bell has rung. There are some students who are ignoring the music and then wandering to their classrooms when they hear the bell ring. It is expected that students start to make a move towards their classroom and/or specialist when the music plays so that they can receive their full amount of time in the classroom and learning is not impacted.

5. Indecent language

Unfortunately in our society children can be exposed to a range of indecent language, and as parents there are times it is difficult to monitor this 100%. However, even if children are exposed to this type of language it is very important that they know that school is NOT the place for this language to be used. This generally applies to our middle and senior year levels. If younger students hear this language they are going to repeat it, often being unaware of the offensiveness. It is an expectation that students do not use indecent language at our school.

I would appreciate you, as parents, following up on these issues and discussing them with your child/children in light of supporting our values and discipline at Tyabb Primary School.

Please note that this page will be updated each newsletter as new events are scheduled

TERM 3	
Friday 16th August	STOMP Lesson 5
Monday 19th August	Grade 6 Sexuality Education
Monday 19th - 22nd August	Scholastic Book Fair
Monday 19th - 23rd August	Book Week

DAFFODIL DAY APPEAL

The school will be holding a fundraiser for Daffodil Day on Friday 23rd August. Children are asked to wear a splash of yellow eg yellow ribbon, socks etc and bring a gold coin donation. Merchandise can also be purchased from the office. Prices range from \$1 to \$15.

See page 7 for more information.

BOOK WEEK

August 19th-23rd

Dear Parents,

Our annual Book Week Parade will be taking place on Tuesday 20th August at 9:15a.m with the theme of this year's Book Week being "Reading is my Secret Power."

We would love for your child to dress up as their favourite book character.

You are welcome to come and watch the parade.

Kind Regards The Book Week Committee

FATHER'S DAY STALL

Our annual Father's Day Stall will be held on Tuesday 27th August. Extra gifts can be purchased Wednesday 28th August from 8:45am. Each child is asked to bring along **\$5 IN A NAMED ENVELOPE** prior to the day of the stall if they wish to purchase a gift for Dad or someone special.

We are kindly asking for donations. Suitable Donations:

- New Socks
 - Key rings
 - Small Tools
 - Car cleaning bits
 - Grooming
 - Books
- Cool gadgets
 - Sports equipment
 - Mugs and Travel Mugs
 - Small individually wrapped chocolates

Please leave any donations at the office by Friday 23rd of August. Thank you for your support – The PFA

FATHER'S DAY BREAKFAST

The PFA Committee is inviting Fathers, Guardians and Grandfathers to share a breakfast with their child/children, in the school hall on Thursday 29th of August from **7:30am – 8:45am**.

We will be providing a hot breakfast of one egg and bacon roll per person or toast with your choice of juice, tea or coffee.

We are kindly asking for a gold coin donation from each adult and child to be paid on the day.

Please let us know if you are coming so we can cater for everyone.
Please return the attached slip to the office by Monday 26th August.

Thank you

PFA Fundraising Committee.

Father's Day Breakfast 2019

Yes, we will be attending the Father's Day Breakfast on Thursday 29th August

Adults Qty

Children Qty

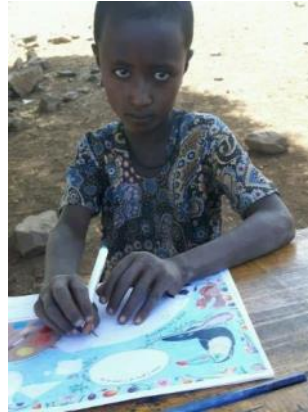

Junior School Council

World Vision Sponsorship

On Thursday the 1st of August we had a free dress day to raise money for our World Vision child Rishan.

Thank you to everyone that participated and made a gold coin donation. Together, we raised \$492.10 for Rishan and her

community. Rishan is from Ethiopia and is 10 years old. She is currently in grade 4 and enjoys playing hide and seek.

Daffodil Day - Splash of Yellow – Friday 23rd of August

Friday the 23rd of August is Daffodil Day! Daffodil Day is Cancer Council's most iconic and much-loved annual campaign that raises life-saving funds for world-class cancer research. It's a time of hope;

where we come together to show our support for the 145,000 Australians diagnosed with cancer each year.

If you would like to support this wonderful cause, we encourage you to wear a splash of yellow and bring a gold coin donation. You might want to wear a yellow ribbon in your hair or some yellow socks.

There will be some Cancer Council Daffodil Day merchandise for sale in the office to raise funds for cancer research.

We can't wait to see some splashes of yellow!

CONCERT: SEPTEMBER 16TH AND 17TH

KEEP THE DATE FREE BATTLE OF THE BANDS AUGUST UPDATE.

We are entering Week 5 of the term and our production 'Battle of the Bands' is moving along with rehearsals and STOMP dances.

Dances: STOMP dances are still timetabled for Fridays and this Friday will be the fifth session. Sarah started work with the A and B groupings last week.

Grade 3 will have their make-up class on Monday 26th August, week 7 after recess due to the missed session because of camp.

Also as Sarah was unwell last Friday **Preps** are also having a make- up lesson on Monday 26th after recess.

Tickets: Go on sale on Monday 2nd September 10.00am via our online booking system. Please refer to the next page.

Grade Groupings: Students are in their grade groupings now and a small note was sent home last week to let you know of your child/rens grouping. This will be important when it comes to purchasing your tickets and selecting the correct performances for you and your family.

If there is any anomalies please leave a message at the office so we can assist with rectifying any mistakes or concerns. We thank Sue Weymouth for all of her hours of work on this long process.

Assistance: The props team have had several working bees to create props. Thank you to these parents. We still need **ushers** to show people to their seats on the nights. You only need to be there ½ hour before the show to assist with showing people to their seats. Please let the office know if you would be willing to assist with this.

Costumes: Grade teachers are sending out notices re costumes. Leads are also receiving notices and getting their costumes together. Please check bags diligently for notices for the production

It is an exciting time for everyone.

Thank you Merran Wyatt.

Battle of the Bands – Tyabb Primary School Production

TICKETS – 2019

The online ticket booking system will open on Monday 2nd September at 10.00am.

Due to the student numbers and to ensure that each performer's family has the opportunity to see the production, tickets will be limited to **THREE per family per** performance.

On September the 2nd at 10am you will be able to follow the link below to the website to purchase Production Tickets. Please ensure you buy for the correct performance. Please note that **performing** students **DO NOT** need a ticket.

<https://www.trybooking.com/BEMZJ>

Alternatively, you can go to the webpage www.trybooking.com and click on 'buy tickets'. If you type 'Tyabb' into the search box, our production will come up. Just click on our production, and you are able to purchase seats that way. Only available from the 2nd September.

Tickets must be purchased online and payment is to be made by VISA, Mastercard or AMEX. All tickets are \$12.00 each **plus** a \$0.50c booking fee.

Please select the performance that your child is performing in.

A Grouping – Monday 16th September @ 6pm & Tuesday 17th September @ 8pm

B Grouping – Monday 16th September @ 8pm & Tuesday 17th September @ 6pm

PLEASE NOTE; Due to safety restrictions set by the venue, children over 12 months of age must have their own seat.

When the tickets go on sale, you will have a choice of selecting your own seats. We ask that you **DO NOT LEAVE** any vacant seats in between bookings. Parents in a split family situation are strongly encouraged to communicate between both parties to ensure only **THREE** tickets per performance are purchased. Failure to follow this process could result in tickets being reallocated or cancelled.

Floor seating is available in rows AA-EE (there are no stairs to navigate).

Two wheelchair spaces have been allocated and there are 2 seats next to each space to allow families to sit together. Please contact the school ASAP to reserve the wheelchair spaces and the adjoining seats. If these seats are not booked by Wednesday 11th September, they will be opened up for general seating.

In the event that not all families take up their full offer of three tickets per performance, we will open ticket sales for unlimited / additional purchases on Wednesday 11th September. You will be notified via **FlexiBuzz** should more tickets become available.

We are looking forward to a wonderful 2019 Production.

This year, the theme for National Science Week (10th-17th August) is 'Destination Moon: more missions, more science'. It focuses on the combination of scientists, engineers, mathematicians, flight directors, aerospace technicians, and the technologies they used, that contributed to the success of the NASA Apollo 11 mission, 50 years ago. The celebration of this momentous achievement extends to further space technologies and designs that have made further missions into space and also future capabilities that are being prototyped today.

During this week, the students at Tyabb have continued to enjoy all sorts of science discoveries. Preps did a scavenger hunt to look for everyday materials that they could find around our school. Grade two children looked at the properties of materials and investigated how far they could stretch lolly snakes. The grade 3 and 4 students observed the effect of heat on solids and learnt about reversible and irreversible changes to matter.

As well as our weekly science lessons, we also ran some lunch-time classes this week to engage the children in science using hands on activities. There was a lot of enthusiasm towards our 'Slime making' lab this week, particularly from our keen junior scientists. We hope to extend this activity in to next week to accommodate those disappointed students who missed out on Wednesday's session.

Grade 4-6 students had a chance to explore our fantastic Lego Wedo kits. This is such an amazing resource for those interested in beginner robotics and simple drag and drop programming.

There were many students new to this but they soon managed to get the hang of it. They built projects such as moon rovers, cars and robotic arms.

The Preps were super excited to make 'Moon Dough' in honour of the Science Week theme this year. They enjoyed this simple yet fun sensory experience and were extremely helpful in packing up the mess at the end of the session.

A big thank you to my Science Captains for helping me to organise the sessions and for assisting students on the day. Also, thank you to all of the students who participated in the sessions this week. It's wonderful to see so many budding scientists at Tyabb Primary School. Your curiosity and enthusiasm for Science is so inspiring. Don't forget to drag your family along and check out some of the wonderful Science Week activities, talks and movie screenings being held on the Mornington Peninsula this week, particularly @Mornington library.

Happy Science Week everybody!

Miranda Dummett

Real Life Maths Challenges @ Tyabb

Students have been taking their Maths knowledge and using it in real life situations.

Check out some of our students and how they use Maths in the real world!

Harriet (Grade 3)

It was a wet windy Wednesday afternoon so we had to hang the washing inside. I had one basket of washing with 24 pieces of clothing in it but two washing racks!

How could I evenly divide the washing between the two washing racks?

$$24 \div 2 = 12$$

Jolie (Grade 1)

I got 5 goals in the first half of my basketball game.

Each goal was worth 2 points so I scored 10 points in the first half of my basketball game.

$$5 \times 2 = 10$$

Ryder (Grade 5)

BOOK FAIR IS COMING NEXT WEEK!!!!

Scholastic Book fair will run from Monday August 19th until Thursday August 22nd in the BER. Book sales will be from 8.30-9.00am, and from 3.30-4.00 pm each day.

The children will be visiting the fair on Friday August 16 and completing a wish list of items they would like to buy. Sales will then commence on Monday August 19th.

Cash and credit card are welcomed, but debit is not available.

Encourage a love of reading within your child and support our school by coming along and spending a few dollars. This is a fundraising event for our school library and will provide us with special incentives for outstanding readers throughout the year

Sharon Wright- book fair co-ordinator

HPV HASTINGS BBQ

The HPV Team would like to say a huge thank you to those that donated items for the BBQ. We had the following items kindly donated, bread, sausages, soft drink, water, napkins, sauce & mustard . We would like to thank the following people:

Jodie Hateley, Erin Machar, Danielle Peers, Joss Irvin, Lisa Davies, Dani Paley, Kyra Johnson, Jenny Brown, Melissa Bargon, Rebecca Morris, Megan Flakemore, Verity Williams, Kylie McLeod & Tamara Wallington.

By having these items supplied we were able to raise \$1300 for the team.

Blow out the candles,
 wish away,
 you are the
 superstar of the day.
HAPPY BIRTHDAY!

WE NEED YOUR BOTTLE TOPS PLEASE!!

We will be collecting bottle tops to be transformed into prosthetic hands, arms and mobility aids. There will be a box in the office to put your bottle tops into. Thank you.

Envision Hands

We'll turn plastic bottle caps collected by our local community into 100 Hands and arms.

How you can help?

'Children helping Children'

100 hands is our goal, with our partners at Rotary and your support we can do it!

Plastic bottle caps, essentially a non-recyclable waste product, has the ability to be turned into recycled plastic hands, arms and mobility aids. We have made the hands, we have volunteer school children

bringing us bottle caps, but we want to do more!

Share our story now!

ADVENTUROUS MINDS SCHOLARSHIPS

At Woodleigh, we are searching for the next generation of Adventurous Minds – curious students who constantly question, searching for knowledge and understanding.

We seek students with a love of learning, students who try their best every day, whose application, effort and engagement mean that they will find success in almost everything they do.

Creative thinkers, who strive for excellence and are dedicated to their community, are encouraged to apply.

SCHOLARSHIP APPLICATIONS FOR entry into Years 5 and 7 in 2021 OPEN ON MONDAY 15 JULY and will CLOSE ON THURSDAY 5 SEPTEMBER.

WOODLEIGHschool

CHEAP CAT DESEXING - \$20 for male cats, \$50 for female cats.
OPTIONAL- \$35 microchip Microchips can be done on their own providing you have a health care/pension card. For example, if you wish to have your male cat desexed and microchipped it will cost you \$55, or for a female it will be \$85.

A program, for financially disadvantaged residents of Mornington Peninsula has been set up to have cats desexed at the above rates. This has been funded by an Animal Welfare Society, not the council. To be eligible for this program you need to hold a health care card or a pension card and live in the Mornington Peninsula Shire.

To take advantage of this offer please contact Julie on 5156 1296 or 0423 682 158 Mon-Frid 10am-12pm & 4-6pm & Sunday 10am-1pm **ONLY**. Alternatively you can text your name and phone number to Julie's mobile and she will call you back. Julie will send you a desexing voucher and then you need to ring either Rye Veterinary Clinic on 5985 6644 (2261 Point Nepean Rd, Rye) or Mt Eliza Village Vet on 5955 2440 (85 Canadian Bay Rd, Mt Eliza) to book your cat in, and state you have a desexing voucher. Please also advise them if you wish to have a microchip done as well. When bringing your cat into the clinic please provide the voucher, show health care/pension card, photo identification and pay either \$20 or \$50 at admission time. If you are also getting your cat microchipped, then you will need to pay the extra \$35 at time of admission. For kittens to be desexed they need to weigh 1 kilo or more.

Please take a screen shot of this post so that you have all the information at hand. We are very grateful to the animal charity, the volunteers, and the Rye and Mt Eliza vet clinics for providing this service.

Some councils, such as Frankston & Dandenong provide desexing vouchers for dogs/cats to health care/pension card holders, so please ring your council to find out if they offer this service. PLS SHARE.
