

PRINCIPAL'S REPORT

Since our last newsletter we have had our annual Fathers Day Stall and breakfast. Thank you to the PFA for another fantastic Father's Day stall with an amazing array of beautifully wrapped presents. The children were so excited to shop at the stall and buy something special for their dad or special person in their lives. Thanks to all of the parents who donated, wrapped gifts and ran the stall on the day.

During that week we also had our annual Father's Day Breakfast with many Dads, Grandads, Uncles, brothers and sisters joining us for breakfast. We cooked and served approximately 500 breakfasts—which was a huge effort and a huge success.

We apologise to parents who had to wait a long time and may have been late for work. We only received back notes to say that 200 would be attending and were surprised by the numbers. We also had great difficulty getting parent helpers to set up, cook and serve which lead to a delay in getting the food out quickly, With only 6 people cooking and serving it was a real struggle to get the food out on time and we thank everyone for their patience.

Thank you to Jantina Forecast for organising this event and to parents and teachers who helped to set up and serve. Special thank you to Jantina, Jantina's husband—Shane, Jantina's father—Mel, Ysra Sebode, Kym Barker and Tania Matthews for cooking up a storm. You were amazing!

NAPLAN

NAPLAN RESULTS FOR GRADES 3 & 5 STUDENTS CAN BE COLLECTED FROM THE OFFICE. Please remember that Naplan results only reflect a snapshot of your child's ability on one day. If you would like further information on your child's progress, please contact the office to make a time to see your child's classroom teacher.

CAMPS 2020

PUT IN TO YOUR DIARY

As families begin to budget and plan for the New Year we thought it would be worthwhile giving parents advance notice of the dates and approximate costs for camps in 2020. **Please note that these are approximate costs as this can vary according to the number of children attending and the buses required.**

Camp Name	Cost 2018	Nos	Dates
Grade 3 Somers Camp	\$220	60	Wed 24 th – Fri 26 ^h July
Grade 4 Phillip Island	\$240	62	Wed 20 th – Fri 22 nd March
Grade 5 Camp Rumberg	\$275	51	Wed 1 st – Fri 3 rd May
Grade 6 Camp Wooraabinda	\$220	51	Mon 4 th – Fri 8 th February

2020 PREP PARENT / TEACHER INTERVIEWS

Last week Mrs Baker enjoyed meeting our new preps and their parents at our parent/teacher interviews. This was the first stage to our transition program with the next stages and dates set out below.

Friday 11th October 2019 10am—11am

Teddy Bears Picnic—bring your teddy.

Thursday 24th October 2019 12.00—1.00 pm

'Colour Day'— wear your favourite colour.

Friday 15th November 2019 10am—11am

'Superhero Day' - come dressed as your favourite super hero or book character.

Prep & Statewide Orientation Day – Tuesday 10th December 9.15am – 10.45 Students meet their new teachers and grades.

FATHER'S DAY 2019

YEAR BOOK WINNERS 2019

Congratulations to our grade 5 students, Bethany and Amelia, for being the winners of our 2019 Year Book competition. Their amazing artwork has been selected for the front and back cover of our year book. We would like to thank all of the other children who made the effort to design a front cover. With over 100 entries, it was extremely difficult for our staff to decide on just 2. You can all be very proud of your efforts!

All entries will be on display on the windows of our hall. If you have the time, please pop in to have a look and admire the talent at Tyabb PS.

Please note that this page will be updated each newsletter as new events are scheduled

AUGUST ARRIVE ON TIME SUCCESS

The month of August saw a big focus on increasing student attendance and on time arrival at school which was promoted through prizes in the classroom for being at school prior to 9am. A whole grade award was presented at assembly for classes who had all students in the class on time from Monday to Friday.

The results for the 'On Time All the Time' month were extremely positive with almost every grade receiving at least one award which was presented at assembly each Monday, with some grades even receiving two.

Students in the classroom had a maximum of 5 opportunities to win a prize by being on time throughout the week, receiving a clock token to place in their class bucket with a winner drawn every Friday morning.

Grade winners for arriving on time were:

Week one: Prep C and 5C

Week two: 6B, 6A, 4A, 4B, 2A

Week three: 3B, 3A, 4B

Week four: Prep A, Prep C, 1B, 3B, 4A, 5A, 6B

Week five: 1B, 1C, 5A, 5B, 5C, 2A

We would like to congratulate all the students and grades who were successful in receiving an award or prize over the course of the month and a job well done to all the students who made an effort to come to school on time.

WHY IS IT IMPORTANT TO ARRIVE ON TIME?

A very BIG THANKYOU to the parents who are ensuring that their children arrive on time to school ready to learn.

What impact does being late have on the student?

Students who are late miss a lot of instructions and information about what is happening, not to mention important learning sessions. This means that they have to catch up somehow. Students also miss out on catching up with their friends in the playground before school. Students can feel unsettled, disorganised and unhappy for the rest of the day and it can take them some time to complete and understand the work that they have missed. It's similar to being late to see a movie and not being able to understand what's happening because you have missed out on who the characters are and what the plot is.

How does it affect the other students in the class?

Students who are late have an unsettling effect on the rest of the class. Because not all late students arrive at once, the interruptions go on until the last student is settled. Students who are late often have things that need to be done prior to them joining the class and this causes even more disruption. Sometimes other students have to wait to get the teacher's attention and important issues can be forgotten.

A student who is half an hour late each day misses the equivalent of 16.6 days of learning each year.

Battle of the Bands – Tyabb Primary School Production

TICKETS – 2019

The online ticket booking system will open on Monday 2nd September at 10.00am.

Due to the student numbers and to ensure that each performer's family has the opportunity to see the production, tickets will be limited to **THREE per family per** performance.

On September the 2nd at 10am you will be able to follow the link below to the website to purchase Production Tickets. Please ensure you buy for the correct performance. Please note that **performing** students **DO NOT** need a ticket.

<https://www.trybooking.com/BEMZJ>

Alternatively, you can go to the webpage www.trybooking.com and click on 'buy tickets'. If you type 'Tyabb' into the search box, our production will come up. Just click on our production, and you are able to purchase seats that way. Only available from the 2nd September.

Tickets must be purchased online and payment is to be made by VISA, Mastercard or AMEX. All tickets are \$12.00 each **plus** a \$0.50c booking fee.

Please select the performance that your child is performing in.

A Grouping – Monday 16th September @ 6pm & Tuesday 17th September @ 8pm

B Grouping – Monday 16th September @ 8pm & Tuesday 17th September @ 6pm

PLEASE NOTE; Due to safety restrictions set by the venue, children over 12 months of age must have their own seat.

When the tickets go on sale, you will have a choice of selecting your own seats. We ask that you **DO NOT LEAVE** any vacant seats in between bookings. Parents in a split family situation are strongly encouraged to communicate between both parties to ensure only **THREE** tickets per performance are purchased. Failure to follow this process could result in tickets being reallocated or cancelled.

Floor seating is available in rows AA-EE (there are no stairs to navigate).

Two wheelchair spaces have been allocated and there are 2 seats next to each space to allow families to sit together. Please contact the school ASAP to reserve the wheelchair spaces and the adjoining seats. If these seats are not booked by Wednesday 11th September, they will be opened up for general seating.

In the event that not all families take up their full offer of three tickets per performance, we will open ticket sales for unlimited / additional purchases on Wednesday 11th September. You will be notified via **FlexiBuzz** should more tickets become available.

We are looking forward to a wonderful 2019 Production.

Concert Notice – Last minute details

Dear Parents,

This is a reminder that our school production is on Monday 16th September and Tuesday 17th September, 2019. The excitement is building with staff and students' busy learning their dance moves and preparing for their item. It is shaping up to be another wonderful concert. The concert is run over two nights to allow more parents to watch and purchase tickets. Your child will perform the same dance routine/concert item twice. One night at 6pm and on the other night at 8pm depending on their grouping (Group A or Group B).

Here are some important details to assist with the arrangements on the days of the performance.

Arrival Time: We ask that students arrive 30 minutes before each performance so that they can be marked off, dressed in the appropriate costume as instructed by their classroom teacher and ready for the start of the concert.

(5:30pm drop off for the 6:00pm performance, 7:30pm drop off for the 8:00pm performance.) **Leads** please come earlier - at 5:00pm speaking roles – 5.15pm non- speaking roles.

Drop Off: For students in grades prep, 1, 2, 3, 4 the drop off is at the Elizabeth Murdoch Centre on the left hand side of the basketball centre, around the back of the theatre. There will be a sign and a teacher to direct you. All grade 5s to enter via the main entry to the basketball centre and go to the glass panelled room in the foyer

(A grade 5 teacher will be at the door to mark students off). All grade 6s, including leads, are to enter via the stage door (a grade 6 teacher will be at the door to mark students off).

Parents with tickets are then asked to wait in the basketball foyer and/or nearby outdoor areas until auditorium doors open. The Langwarrin Performing Arts Centre is a small theatre with labelled seats, there will be 2 parents as ushers to help you find your chairs.

What to bring: Children can bring a small back pack with a water bottle that is clearly named (no sweet drinks or juices). They can bring something small to do during the performance (while they wait to go on stage) e.g. colouring book and pencils, cards, reading book etc.

Note: Leads are to refer to their specific notice for details pertaining to them.

**** NO MOBILE PHONES or ELECTRONIC DEVICES permitted back stage****

DVD: There will be a videographer on the Monday night taking a video of both performances. For privacy reasons and copyright issues we ask that you do not take photos or record any of the performances. This DVD is available for purchase.

Pick Up: Pick up from the same area that you dropped off your child. Children need to be marked off a grade list and handed over to you. If a child is being picked up by any other adult (grandparent, relative or friend) please fill out the slip below and return to school as soon as possible.

If there are any last minute changes to these pick arrangements please contact your child's teacher as soon as you can. **The approximate pick up times are - first performance 7:15pm second performance 9:15pm.**

If a child is being picked up by someone other than a parent, please complete the form below and return to school ASAP.

PREPARE FOR 2020 PAYING BY INSTALMENTS THROUGH CENTREPAY

Families who receive Centrelink benefits can start paying their 2020 Book Pack, Essential and Optional Items by instalment through Centrepay.

What is Centrepay?

Centrepay is a voluntary bill-paying service that is free for Centrelink customers. Through Centrepay, a Customer can authorise Centrelink to deduct regular amounts from their Centrelink payments to pay their bills and expenses to a School or Business.

Centrepay deductions can be used to pay for:

Fees and charges for Book packs and Essential Items and any related educational expenses including equipment, incursions and excursions, camps and swimming.

Benefit to parents:

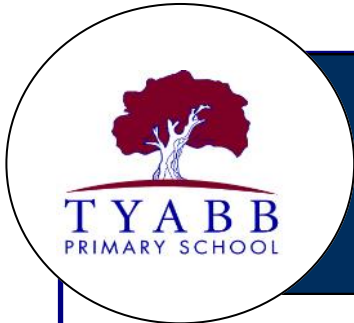

The money is debited from their Centrelink payments and sent to the school *before* being deposited into their bank account. The school receipts and allocates to outstanding charges in consultation with the parent. This eliminates the need for parents to 'put money aside' or use a credit card and there is no requirement for them to come to the school to pay their account.

\$20 per fortnight per child in **years P-2** and \$30 per fortnight per child in **years 3-6** for a full year may cover Essential Items and together with the Government's Camps, Sport & Excursion Funding (CSEF) should also cover the cost of camps/excursions/incursions. Parents can include an end date, a target amount or keep it open-ended. The deduction can be amended or cancelled at any time by contacting the school and completing a new form.

What next?:

Please contact the school office (phone or email tyabb.ps@edumail.vic.gov.au) for a form to be sent home or to answer any questions you may have. Please return the completed form to the office and your application will be processed through Centrepay. Your deductions can start immediately or a date of your choosing.

*Please don't send your application directly to Centrelink as your **unique account number** is required for identification when the school receives the fortnightly reports from Centrepay.*

Curriculum Corner

At Tyabb Primary School our aim is to provide every student with the best learning opportunities. To this end, we provide a well planned curriculum with a strong focus on developing the whole child. Our curriculum is based on the Victorian Curriculum, incorporating Literacy, Numeracy and Inquiry Learning.

Teachers are provided planning time together. During planning time teachers use student data, curriculum documents and appropriate resources to plan for the learning needs of all our students. It ensures consistency and excellence in teaching and learning across the school, while catering for different learning styles and supporting students in making links in their learning and to the world in which they live.

Teachers undertake planned and meaningful assessment by using a variety of assessment tools to assist them in planning for and providing students with the highest quality learning opportunities. With our school review coming up in October we have been auditing our curriculum and how we deliver this to our students to provide the best learning opportunities and outcomes possible.

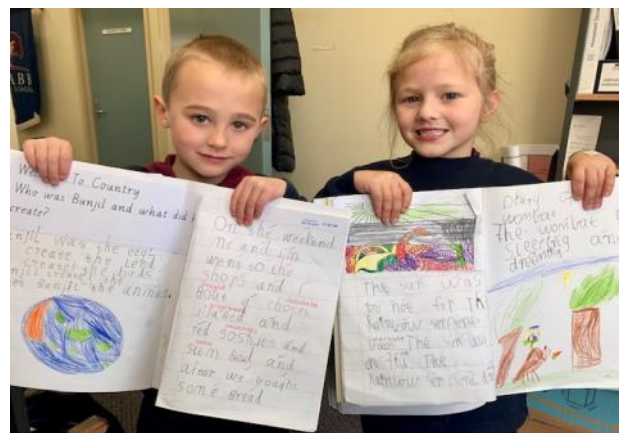

An integral component of our planning across all areas of the school involves the following critical questions:

FOUR CRITICAL QUESTIONS

- What do we want students to learn?
- How do we know they have learned it?
- What do we do if they don't learn it?
- What do we do if they already know it?

We use these questions to help us plan, teach, review and assess student learning. These questions are integral to the way we work and are a strong focus in all areas of the curriculum.

This week I have been lucky enough to view some excellent prep writing. It is amazing the amount of learning that takes place in prep in just 12 months. Already, 9 months in, our preps are beginning to be fantastic little writers. These two little authors came down to show me some writing they had been doing about the picture story book Mr. B read them in class. It was lovely to have them read their writing to me and then we had a big discussion about the book.

Mrs Earl
Assistant Principal

Classroom Capers

Map Explorers

In grade 2A, we have been busy exploring maps in maths!

This week, we have been learning how to read maps and identify the different positions of key features.

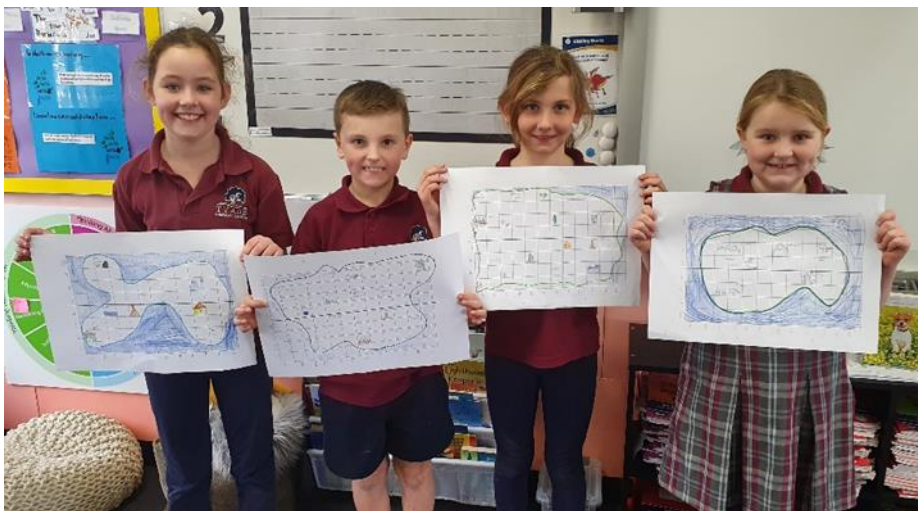

We have enjoyed describing the different positions of our classmates in our warm up games and interpreting key features on a range of different maps.

We have also learnt how to make our very own maps and enjoyed asking our classmates to identify the coordinates of key features on our maps, such as mountains, schools, parks and volcanoes!

When we read a map, we remember to first read the letter across and then look to find the number!

STUDIES OF ASIA

'Wear it Wild'

Fundraising day for Asian Elephants

Thank you to all our Tyabb Primary School families for supporting our 'Wear it Wild' by wearing wild animal print clothing and/or donating a gold coin for our fundraising to help save Asian elephants from extinction. As part of the Studies of Asia elective group, senior students researched these highly intelligent and self aware beings. One part of this research project was for students to think of ideas which Tyabb Primary School could do to make a difference. These students organised a fundraising event to raise money in hope of adopting Asian elephants from Indonesia. We are very proud to announce that we raised \$313.05 which will allow us to adopt and support four Asian elephants from the International Elephant Project which is founded by an Australian zoologist called Leif Cocks.

By adopting four female elephants we will be helping with habitat protections, anti-poaching patrols, elephant monitoring, human elephant conflict mitigation and ranger training for an entire herd as females elephants live in family groups. We would like you to meet our elephants which Tyabb P.S have adopted.

Anna is a female elephant living in a herd of about 30 elephants. Her herd lives in a challenging area and they need our protection. Their area provides excellent feeding grounds but does not include large connected natural forests. As a consequence of the fragmented habitat, Anna and her herd frequently come into conflicts with people, especially with farmer's planting palm oil crops which are attractive to elephants.

Freda also lives within a herd of around 30 elephants but has struggled with large scale clear cutting and widespread forest fires which have destroyed most of Freda's original habitat. Her herd has been relocated now.

Cinta, meaning 'love' in Bahasa Indonesia. She is a beautiful adult female Sumatran elephant, living in the Bukit Tigapuluh ecosystem.

Ginting is a beautiful Sumatran elephant living in a herd of over 20 elephants in the Bukit Tigapuluh ecosystem. At over 30 years of age, she had her male calf Chrisna with her when she was first collared. Chrisna was only a few weeks old at the time but the baby bull has developed into a buffalo sized healthy youngster, always up for trouble and play!

Thank you for helping Tyabb P.S keep elephants wild and free!

A heartfelt message from Bu Day and the Studies of Asia elective group.

Blow out the candles,
 wish away,
 you are the
 superstar of the day.
HAPPY BIRTHDAY!
