

### PRINCIPAL'S REPORT

#### 2020 PREPARATION

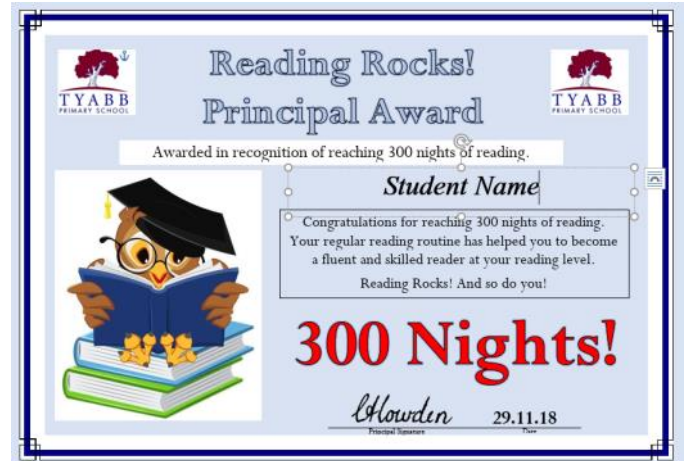

It is hard to believe that we only have 2 more weeks left and 20 days until Christmas!! During the next couple of weeks we will have many events to celebrate the fabulous year we have had with the students. While we celebrate we will also start preparing for the new year and would like to assist parents with the following information.

#### 2020 GRADES / STAFFING

As we have had our first internal transition, your child now knows their teacher and classroom for 2020. As some children may have forgotten this information we have included a copy and map of our grades, rooms and teachers. As mentioned in our previous newsletter a significant amount of time and thought goes in to this complex process and we will not change students in to different grades.

## **PREPARE FOR 2020 PAYING BY INSTALMENTS THROUGH CENTREPAY**

Families who receive Centrelink benefits can start paying their 2020 Book Pack, Essential and Optional Items by instalment through Centrepay.

### **What is Centrepay?**

Centrepay is a voluntary bill-paying service that is free for Centrelink customers. Through Centrepay, a Customer can authorise Centrelink to deduct regular amounts from their Centrelink payments to pay their bills and expenses to a School or Business.

### **Centrepay deductions can be used to pay for:**

Fees and charges for Book packs and Essential Items and any related educational expenses including equipment, incursions and excursions, camps and swimming.

### **Benefit to parents:**

The money is debited from their Centrelink payments and sent to the school *before* being deposited into their bank account. The school receipts and allocates to outstanding charges in consultation with the parent. This eliminates the need for parents to 'put money aside' or use a credit card and there is no requirement for them to come to the school to pay their account.

\$20 per fortnight per child in **years P-2** and \$30 per fortnight per child in **years 3-6** for a full year may cover Essential Items and together with the Government's Camps, Sport & Excursion Funding (CSEF) should also cover the cost of camps/excursions/incursions. Parents can include an end date, a target amount or keep it open-ended. The deduction can be amended or cancelled at any time by contacting the school and completing a new form.

### **What next?:**

Please contact the school office (phone or email [tyabb.ps@edumail.vic.gov.au](mailto:tyabb.ps@edumail.vic.gov.au)) for a form to be sent home or to answer any questions you may have. Please return the completed form to the office and your application will be processed through Centrepay. Your deductions can start immediately or a date of your choosing.

*Please don't send your application directly to Centrelink as your **unique account number** is required for identification when the school receives the fortnightly reports from Centrepay.*

## Student Voice and Agency

In education, **student voice** refers to the values, opinions, beliefs, perspectives, and cultural backgrounds of individual **students** and groups of **students** in a school, and to instructional approaches and techniques that are based on **student** choices, interests, passions, and ambitions.

**Student agency** refers to learning through activities that are meaningful and relevant to learners, driven by their interests, and often self-initiated with appropriate guidance from teachers. To put it simply, **student agency** gives **students** voice and often, choice, in how they learn.

Student Voice and Agency is a real focus in education. At Tyabb Primary School we always value the input and ideas of our students in their learning and their everyday experiences at school.

As you would know, our sporting houses are:

Benton (represented by the colour white)

Coolart (represented by the colour blue)

Baxter (represented by the colour gold)

Jones (represented by the colour green)

These sport house names have history behind them, having been named for specific reasons.

### BENTON

Mrs Harriet Barton was the first sewing mistress at Tyabb PS. Mr Benton helped compose the first letter re the establishment of Tyabb PS.

### COOLART

Main road dividing Tyabb from Moorooduc.

### BAXTER

Mr Baxter, a local land owner, donated the land for the first Tyabb school. The school opened on 6th July 1891.

### JONES

Eva and Mary Jones attended Tyabb PS in 1917. The school now borders Jones Road.

Below is a letter received from a grade 5 student with regards to our sporting house Benton.

Dear Mrs Howden and Ms Grinsted,

*It's ridiculous that Benton has to wear white. White doesn't make you feel great, imagining having to wear it at sport events. White isn't even a colour! Every sport event my white top goes from clean to mean. I believe that Benton should change to red immediately.*

*White, how does it make you feel? Because from my perspective white makes me feel calm, relaxed, bored and lazy. When I think of white I think of a white fluffy cloud that I want to snuggle up in and take a nap in because you would be snug as a bug, although that sounds really nice it's no way to feel in sport events.*

*The colour red makes you feel fired up, ready to go, energised, and pumped to get out there, have a go and beat the other houses. In my opinion red would really suit Benton and Benton would really suit red.*

*You're lying on a breath-taking, exquisite rainbow all the colours fill you up with joy and happiness, it makes you think of your house colours but then ..... you realise one of the houses isn't a colour and it's yours! That's disgraceful and unacceptable, Benton needs to be changed to red!*

*Have you ever realised that white mixes into all of the colours? That means Benton is sort of mixed into all of the other houses colours. White isn't even a colour, it's shade and it's a bit disappointing that it's Bentons' shade. In my opinion and other's opinions we think it's fair that Benton can change to red so Benton can actually have a bright, happy colour just like the other houses.*

*"Georgia! Why does your white top always get dirty when you have sport events, I'm spending a fortune on naps trying to get the grub out of your white top" yelled Georgia's mum (Melissa) from the laundry. "Sorry Mum" replied Georgia, "well tell me then ... why does it get dirty?" questioned Melissa.*

*Because we sit on the dirty oval while other kids run, dirty in athletics because we have to jump into wet, yucky sand and stinky in swimming because it gets wet" Georgia answered.*

*I'm not a grubby kid and at sport events my white top still gets dirty so imagine how dirty the kids who play soccer or footy or in the sandpit they get real dirty, on the other hand red wouldn't get too dirty. Ever since prep my white top has gotten dirty constantly, it's very annoying especially when your Mum yells at you about it. Dirt loves the colour white, it's the most annoying thing in the world. I wish I could have red.*

*SPLAT! A kid stomps in mud as he runs past, it lands all over you, your mum is going to get real angry. You think about how you did terrible at cross country and how white made you feel.*

*I know parents will be reluctant to buy new red costumes for their kids, but they are already wasting money buying napsan or cleaning products to clean their kids top.*

*I have a solution! We can ask Benton students if they already have red tops or are willing to buy them, and for a couple of year Benton can be a mix between red and white. After those couple of years, Benton can be just red. I really think you should consider this.*

Sincerely,

Georgia K (5B)

So Georgia we have listened to you.....

Tomorrow Mr Davies and Ms Grinsted will be meeting with the Benton house members and talk to them about the idea presented by Georgia.

We have looked into the history of the houses and there is no historical reasoning for the colour choice of the houses. In the past, our school uniform has been maroon pants and a light blue top. We think that red wasn't a chosen colour due to the clash with the uniform. Now that we have changed our uniform to navy blue pants there will be no clash!!

We are pretty confident that the students will be fine with this change of colour and are asking parents to also consider this change.

As mentioned by Georgia in her persuasive piece, this would be a slow process over a year so that parents don't have to go out and buy a new top immediately.

If agreed to by our current Benton members, 2020 Prep students will start the move with wearing red to represent Benton. The other students in Benton house can wear white or red for 2020 /2021 and then we will implement the colour red fully.

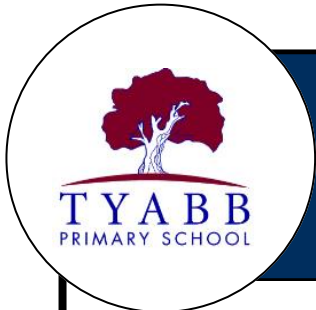

Thanks Georgia for bringing this to our attention.

Have you seen our Sporting house display in the hall?

Each student and staff member have been allotted to a sporting house.

In 2020 there will be a revamp of the sporting house system, with the purchase of new representative flags and banners so that when we have sporting events there will hopefully be more spirit with our students. We encourage students to wear their sporting house colours for any sporting event that they participate in during their time with us at Tyabb Primary School.

**Elderly Excursion:** On Tuesday 26th November the Choir and Band visited two elderly villages to spread some Christmas cheer to older members of our community.

Accompanying us were Kym Barker, Sharon Hibbett and Brooke Hamilton. Many thanks to these ladies who helped with pack up and set up of equipment and general supervision.

We firstly headed off to Craigcare in Mt Martha where we were very well received. The students performed superbly and did us proud in all aspects. The weather was chilly but the rain held off as we had a short break at the Mt Eliza Regional Park where we had our lunch before heading off. Our second stop was at St John's Retirement Village in Somerville. Again the senior citizens loved to see the children and the performance went well. The students were given

some afternoon tea which was well earned and a lovely thought by the residents there.

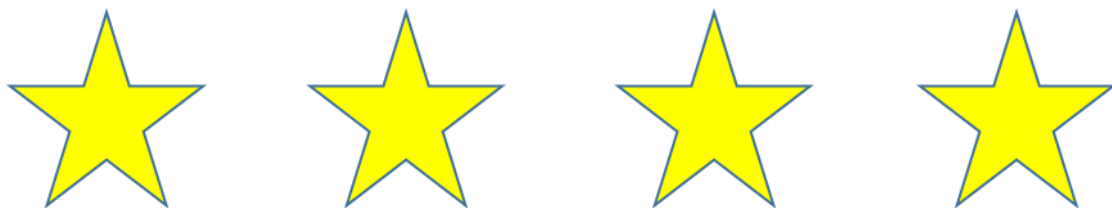

We had a lovely time with both groups of senior citizens and the children enjoyed meeting them, singing and children were complimented on their behaviour. Special thanks to the Music helped with set up and assisting the to the Band and Choir for their stellar equipment to and from the bus, their

having a chat. The performances and Captains who students. Thank you efforts in carrying organisation and great behaviour. Great work everyone.

**COMING UP: Carols By Candlelight:** On Friday 13th December the Carols Choir comprising students from grades 2 to 6 will sing at the Somerville Carols which will be held at the Fruit Growers Reserve, Jones Road, Somerville. This evening will begin with a Fire Safety Show at 6:50pm and then the Carols at 7:30pm. This is a family event and all are invited to attend. Those performing please be dressed in your finest "Christmassy" clothing and accessories. We are singing 3 songs and have practise on Tuesday and other selected lunchtimes. Thanks to all those students and families who are coming along and to support the Carols and Tyabb Primary School.

A huge note of thanks to all the families who came along and supported our most recent “**Boost The Library**” Book Fair. We now have, thanks to your generous purchases, four very heavy bags full of books, ready to be covered and put into the library. As soon as these are processed your child will be called to borrow them first.

Thankyou too, to the families who purchased books from other book fairs throughout the year. The other fairs work on a commission basis, so those funds raised purchased books for the library, for take home readers and for classroom use.

I’m sure Yas Beaumont would appreciate helpers for covering these new books. Please let her know ( or the office) if you are able to fling some contact onto a book or five!
