WELCOME BACK

Welcome back to the 2020 School Year! We hope you have all had a lovely Christmas and school holidays.

In the last couple of weeks teachers have been preparing for the new year - planning their program and organising and decorating their classrooms to engage your children as they walk through the door on their first day. I think our teachers are just as excited to start the new year with their new grades as the children!

Today is day one for grades 1-6 with our preps starting on Monday and receiving a copy of this newsletter on their first day. I would like to take this opportunity to send out a special welcome to our new prep students and their families and wish them many happy years ahead with us. I would also like to welcome our other new students and their families. I am sure the whole school community joins me in welcoming you all to our fabulous school and I trust that your time with us will be positive and enjoyable.

NEW STAFF

It is a pleasure to welcome two new staff to Tyabb Primary School.

This year we have a new classroom teacher joining us and teaching 2B. Carli Hunter is an experienced teacher, having worked for a few years at Eastbourne Primary School. Carli joins us as a Learning Specialist who will be teaching grade 2 and working with our staff to further develop their knowledge and skills

in the teaching of English.

We also welcome Miriam Giles who has been employed as an Education Support staff member. Miriam will be working as an aide, supporting students with additional learning needs.

Welcome to Team Tyabb Carli and Miriam!

STAFF NEWS

Congratulations to our fabulous PE teacher Cobi Davies for his engagement to Maddie over the school holidays.

Cobi surprised his partner Maddie while on a trip to America at Disneyland! We wish Cobi and Maddie all the best for their wedding preparations and for an exciting future ahead. We are all very happy for you both!

THE EXCITING YEAR AHEAD

As we start a new year we reflect on our achievements and set goals for the year to come.

In 2020 we will focus on the following:

- Continued professional development for teachers with a focus on building teacher knowledge, skills and strategies when teaching reading, writing and spelling.
- Purchase of new take home books and guided reading material.
- A continued community commitment to increase home reading.
- Continued focus on building resilience.
- Resurfacing of the oval and building of a new running track.
- Resurfacing of the hall.
- Redevelopment of the area between the Junior School and BER with the building of a ramp or stairs with additional landscaping.
- Just to name a few!!

Note: Schools are not provided with extra funds for grounds projects and rely on the generous support from parents and fundraising. Please support us in 2020!

NEWSLETTER IS PAPERLESS!

Just a reminder that our newsletter is paperless. We have provided a paper copy for the first edition of the year to ensure all families, including our new preps know how to access this important communication document. After the first newsletter, this will only be available in the following ways:

- On our website www.tyabbps.vic.edu.au
- Via Flexibuzz Please install this APP
- **Please note: we will no longer be emailing out our newsletter, unless there are exceptional circumstances, as it is readily available on our website and flexibuzz.**

FLEXIBUZZ

In 2020 Tyabb Primary School will continue to use FLEXIBUZZ as an important communication tool to send out the school newsletter, general updates, reminders, events and much, much more! We encourage all parents to download the APP.

PARENT/TEACHER MEET AND GREET

We can not emphasise enough the importance of the partnership and positive relationship between school and home. Our beginning of year parent/teacher interviews will take place after school on Wednesday 12th and Thursday 13th February. These are a 'meet and greet' session and are an opportunity to meet your child/children's teacher, build that important

partnership between school and home and exchange any background information that may assist teachers at the start of the year. A note will be sent home at the end of this week explaining the online booking process and code.

Whilst optional we do recommend that you take this opportunity to start this important parent /teacher partnership by meeting your child's teacher on this night. Students are not expected to attend these interviews as it is an information session between parents and teachers.

Prep parents will also be given an opportunity to meet and greet teachers on these dates with notes going home on Monday.

CURRICULUM DAYS (PUPIL FREE)

Each year schools receive student-free days for professional development, school planning and administration, curriculum development and student assessment and reporting. The first day of Term 1 is a student-free day in all government schools to allow for appropriate planning. Schools have the flexibility to set the remaining days each year to meet school needs.

Please note these in your diary

Tuesday 28th January

Teachers start pupil free

Wednesday 29th January

Curriculum Day - Reading

Tuesday 10th March (after Labour Day Monday)

Curriculum Day – Student Welfare & Wellbeing

Friday 29th May

Curriculum Day - Assessment & Reporting

We also hold student led conferences on **Friday 17th July** with students and parents only attending for their 20 minute conference. Evening sessions are provided for parents who are unable to attend during the day.

We will provide further information in regards to student led conferences as the date approaches but please mark this into your diary as students do not attend on this day.

Novel coronavirus (2019-nCoV)

Factsheet

Last updated 29 January 2020

An outbreak of novel coronavirus (2019-nCoV) was detected in Wuhan, China in late December 2019. Cases have been reported predominantly in the city of Wuhan, in the Hubei province of China, as well as some other Chinese cities and countries, including two confirmed cases in Victoria, Australia.

What is this virus?

Coronaviruses can make humans and animals sick. Some coronaviruses can cause illness similar to the common cold and others can cause more serious diseases, including Severe Acute Respiratory Syndrome (SARS) and Middle East Respiratory Syndrome (MERS).

The virus seen in Hubei Province, China is called 'novel' because it is new. It has not been detected before this outbreak. Most people infected live in, or travelled to, Hubei Province, China. There have been cases of 2019-nCoV reported in other Chinese provinces and other countries. It is likely that the virus originally came from an animal, and there is now evidence that it can spread from person-to-person.

What are the symptoms?

Symptoms can include fever, cough, sore throat, or shortness of breath. Symptoms can take up to 14 days to develop.

What if my child is well, and returning to school after being in Hubei province, China or other countries with cases in the last 14 days?

All students and staff members who have travelled to Hubei Province, China, are advised to stay at home and avoid public settings, including attendance at schools and early learning centres, until 14 days after last being in Hubei province, China.

Children and staff who are well and have travelled to other provinces in China, or any other areas where there have been reported cases, are NOT recommended to be excluded from schools and child care services unless the following applies:

- The person is a confirmed case of novel coronavirus
- The person is a close contact with a confirmed case of novel coronavirus in the past 14 days

What if my child feels sick now or within 14 days of being in Hubei Province, China or another part of China?

- If your child has a cough, sore throat or shortness of breath, they must be excluded from school and be reviewed by a doctor.
- Seek medical attention but first place a mask on the student if you have one and call the doctor or hospital before you attend. Tell them your child has been in Hubei province, China, or the location of travel within China.
- When you get to the hospital or doctor's clinic, tell them where your child has travelled in China and whether this included Hubei Province. Ensure a mask is placed on your child before or as soon as you arrive at the medical facility.

If your child has severe symptoms, such as shortness of breath:

- Call 000 and request an ambulance, and
- Inform the paramedics where your child has been in China.

How can I help prevent the spread of 2019-nCoV?

Practising good hand and sneeze/cough hygiene is the best defence. The most important actions are:

- Wash your hands often with soap and water
- Cough and sneeze into your elbow

BELL TIMES:

Students are asked to arrive at school for an 8.50am bell. This first bell is a signal for teachers and students to enter their classrooms and prepare for the day (changing readers, handing in notices, taking down chairs etc) so they are ready to begin instruction time at 9.00am. It is important to note that there is a teacher on yard duty from 8.45am. Students are not supervised outside prior to this time and should be dropped off close to this time. We ask that parents make arrangements for their children or use the before and after school service Camp Australia if they can not work to these times. We should not see any students in the yard prior to 8.30am as they should be in before school care where they are properly supervised. The final school bell rings at 3.30pm with teachers on duty until 3.50pm. Students still in our grounds after this 3.50pm bell will be taken to the office and parents contacted. We ask that you make every effort to pick up your child between 3.30pm and 3.50pm.

ANAPHYLAXIS:

It is important to note that we have many children at Tyabb Primary School who have anaphylaxis. Anaphylaxis is the most severe form of allergic reaction and is potentially life threatening. These children are severely allergic to the following foods – nuts (including peanut butter and nutella), eggs (raw and boiled), tuna, food colourings and cow's milk.

We have asked that the children in these grades and the grades next door avoid bringing these foods to school as the smallest trace can trigger a severe, life threatening reaction requiring immediate treatment and urgent medical attention. We understand that this can limit the lunch choices for other children in these grades but know you will appreciate how special children are and that protecting their health should be a priority.

HATS:

Tyabb Primary School is a 'Sunsmart' school. It is compulsory for all children to wear hats when outside until the end of April. Please ensure that your child has an official school hat that is a broad-brimmed Trigger hat. Baseball caps or fashion hats do not properly protect the children from the sun and are not acceptable. Children who do not have hats will be asked to stay in a set undercover area and after repeated occasions a reminder note will be sent home. It is important to label this hat with your child's name so it can be returned when it is left outside.

UNIFORM:

It has been terrific to see our students start the school year dressed smartly and wearing the correct school uniform. We thank parents and students for making a real effort to follow our school uniform policy and maintain a real sense of pride. The wearing of school uniform is compulsory at Tyabb Primary School. We continue to ask that students wear the correct school shoes (black or white school shoes or runners) and **do not** wear brightly coloured or fluoro shoes, fluoro laces, and fashion shoes. Thank you for your support with this.

DISABLED PARKING:

We currently have two parking spots at the front of our school designated for disabled parking. These are clearly marked with both a painted symbol and sign. A disabled parking space can only be used by someone who has been issued with a blue / white disabled parking permit displayed prominently in the vehicle. Parking in these spaces without a permit is illegal and can lead to an on the spot fine. We appreciate that parking spots are limited at our school but need to ask that you be considerate of our parents and visitors with disabilities that limit their access in to our school.

QUICK PICK UP ZONE

Last year we installed new signage at the front of the school to improve the flow of traffic by limiting the length of time parents and visitors can park during pick up times. **Parents and visitors will only be permitted to park for 5 minutes between 3.30pm and 4.00pm** and are encouraged to wait in their cars for children to come to them. We understand that parents with younger children may want to leave the

vehicle to support their child and this is permitted for the 5 minute period. Parents and visitors will not be permitted to leave cars at the front of the school during this 30 minute period, blocking valuable spaces during these busy times. **ALL** spaces must be free and available for the quick pick up of children.

To assist with this change, children will be instructed to go straight to the 'Quick Pickup' zone and watch and wait for parents. There will be no playing at this time as children are expected to watch for parents pulling in and go straight to the car. We ask that parents reinforce these instructions to their children.

STUDENT ACCIDENT INSURANCE

I consider Tyabb Primary School to be an extremely safe and secure environment but when young children are out playing or even during a supervised activity they can have accidents. We have in place strict guidelines as to how activities are conducted and document all possible risks. The best laid plans can always go astray with unforeseen or unavoidable events.

The Department of Education does not cover children for medical and accident insurance. In the event of a serious accident staff are instructed to take all reasonable action to ensure the welfare of students. This includes the calling of an ambulance. The cost for an ambulance can be considerable, ranging from \$600 - \$3000. This cost is not compensated by the school and it is the legal responsibility of guardians to make good any payments.

I urge you to take out ambulance cover to safe guard you from any possible financial hardship. Student accident insurance policies are also available from some commercial insurers.

CHILDREN'S CROSSING RULES

At Tyabb Primary School **ALL** students are expected to cross the road using the supervised school crossings. This also includes our students with older siblings who go to Flinders College. With major roads on our borders, it is extremely dangerous for young children to cross without assistance. The children's crossing is there to help keep your children safe coming to and from school. There are a few simple crossing rules to ensure everyone's safety. Please go through these rules with your children:

1. Stop at the yellow line painted on the path
2. Dismount bikes, scooters and skateboards
3. Wait for the crossing supervisor to enter the road and stop the traffic
4. You may cross after the whistle is blown three times
5. Always listen to the crossing supervisor as sometimes they may give verbal commands such as STOP or WAIT

Did you know?

The speed zones around most schools are reduced to 40km between 8.00-9.30 and 2.30-4.00.

There is no stopping within 10 metres on the departure side of the crossing.

There is no stopping within 20 metres on the approach side of a crossing.

There is 'no standing' on a children's crossing

The crossing must be completely vacated of all pedestrians including the crossing supervisor before motorists can proceed.

PROCEDURES FOR THE BUSHFIRE SEASON

Fire danger ratings and warnings have been introduced in Victoria to provide clear direction on the safest options for preserving life. Schools – and children’s services – identified as being at highest bushfire risk will be closed on days declared by fire authorities to be Code Red.

Our school has been identified as a school at highest bushfire risk and we will close on days rated as CODE RED.

Where possible, we will provide parents with up to three days notice of a planned closure. We will contact you directly by letter with advice on planned closures and will confirm the decision to close by 12 noon the day before the planned closure. The communication process at our school will be:

- A notice will be sent to all families as soon as we have notification of a Code Red Day. This may be up to 3 days in advance.
- **The notice will have a return slip that we request be returned THE FOLLOWING DAY.**
- All families with absent children or those who do not send back the notification will be phoned directly to ensure they are aware of the closure.
- Signs will be erected at several locations around the school announcing the possible closure.
- On the day prior, a notice will be sent to all families with confirmation of the Code Red closure or with notification withdrawing the Code Red. We will phone families whose children are not in attendance on that day.

We ask that all families cooperate in this process. The communication logistics are huge for us and will be made far more difficult if families do not return the acknowledgement slip.

Please note that, on Code Red days, NOBODY will be in attendance at the school.

Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast. This is to avoid confusion and help your family plan alternative care arrangements for your child. No staff will remain on site when the school is closed by the threat of fire. We will also cancel any offsite activities (such as school camps and excursions) and out-of-school care if the activities are at risk.

What can parents do?

Make sure your family’s Bushfire Survival Plan is up-to-date and includes alternative care arrangements in the event that our school is closed. Make sure we have your current contact details, including your mobile phone numbers. Keep in touch with us by reading our newsletters and by talking to your child’s teacher or any other member of the teaching staff. If your child is old enough, talk to them about bushfires and your family’s Bushfire Survival Plan.

You can access more information about school closures on the Department of Education and Training website – see www.education.vic.gov.au/bushfires.

For up-to-date information on this year’s fire season, visit the CFA website at www.cfa.vic.gov.au or call the 24-hour Victorian Bushfires Information Line on 1800 240 667.

OUR SCHOOL VALUES

In the last few years we conducted a review of our school values to ensure that our values reflected the current beliefs, behaviours and expectations of our whole school community. These values and behaviours are explicitly taught to our students during the first two weeks of school and reinforced throughout the year through classroom lessons, stories and through our daily interactions with each other. These values are directly linked to our whole school approach to student engagement, welfare and discipline.

During the first two weeks of school the children are taught the meaning of each value and the importance of showing these positive behaviours. Classrooms use these values to form agreed classroom rules and negotiate positive rewards for showing these behaviours and negative consequences if they are not followed. We ask parents to reinforce these values at home and support us in implementing this values approach to managing behaviours. We must work together to maintain the positive school culture that exists at our school!

Camps, Sports, Excursions Funding (CSEF):

Every Victorian child should have access to the learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund (CSEF) is provided by the Victorian Government to ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. School camps provide children with inspiring experiences in the outdoors; excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum. The Department of Education and Training administers the CSEF to assist eligible families to cover the costs of school trips, camps and sporting activities. Although administratively the fund is received through the school, the full amount is intended for the benefit of the eligible student.

On the first day of term one (28 January 2020) or the first day of term two (14 April 2020), a parent or legal guardian of a student must be an eligible beneficiary of one of these cards:

- Veterans Affairs Gold Card; Centrelink Health Care Card; Pensioner Concession Card

If you applied for the CSEF at your child's school in 2019, you do not need to complete an application form in 2020 unless there has been a change in your family circumstances. Your child's school will apply for the CSEF on your behalf. You will only need to submit an application form in 2020 if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools in 2020 or you did not apply at the same school in 2019
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2020.

Schools are able to accept and process applications up until the end of term two each year.

In 2020 the CSEF will be allocated to the camp for students in grades 3-6 and excursions/incursion for students in P-2.

Prep Uniform Pack

Parents of Prep students who are receiving the CSEF in 2020 are invited to contact the office for a Prep Uniform Pack application form to be sent home. **You must have applied for and be approved to receive CSEF before you apply for the Prep Uniform Pack.**

Absences:

Parents are asked to contact the school by 9.30 each morning if their child/ren will not be attending school on the day by:

- phone (leaving a message on the voicemail)
- completing an Absence Form through Flexibuzz

Future absences can be sent to the school in a note eg holiday

If the school has not been contacted by 9.30, your child will be marked 'absent unexplained' and the school will follow up by phone or text. To avoid unnecessary follow up, please let the office know of your child/ren's absence by 9.30am on the day.

Centrepay:

Families who receive a Centrelink benefit can pay their account by instalment through Centrepay. Please contact the office if you are interested in discussing your instalment plan by Centrepay and an application will be sent home for you to complete and return. There is no cost to the family.

Camps/Excursion/Incursion Payments & Permission Forms

Please return and pay for activities by the due date on the permission form or your child will not be able to attend. If your child is not attending a particular event please write on the permission form 'Not Attending' and return to the school immediately.

Personal and Contact Details:

It is crucial that the school has your up to date information on file at all times. If you change your personal or contact details please let the school know immediately (preferably in writing) by letter or email. In the following weeks your personal details report will be sent home. Please write and highlight any changes which need to be updated. If there are no changes we would appreciate the report to be returned to the school with 'No Changes' written on the front page. We thank you for your help in this very important process to ensure all children are safe.

Welcome back to the new school year. Just a couple of reminders/housekeeping re uniform and art smocks.

Could you please send an art smock, labelled with your child's name and current grade for this year, along to the classroom to be placed into the smock tub, ready for messy fun in the art room as soon as possible. If your child's smock did not come home at the end of last year then feel free to pop into the art room to check through the large tub of leftovers.

A reminder too to label all your child's school uniform and belongings with their name so if it is lost or misplaced it is easily returned to them. Many jumpers, windcheaters, vests, lunch boxes, drink bottles, sports equipment and rugby jumpers appear in lost property and sit idle for a long time because they are not named. We endeavour to look through the lost property on a regular basis but cannot possibly return items that are not named.

Please Save yellow and orange plastic lids for the art room to complete a beautiful art piece for our school grounds. We began this project last year and are nearing completion but are short of these two colours. It doesn't matter about the size- vegemite lids, peanut butter lids, Gatorade lids etc as well as milk carton lids are all perfectly fine. Any leftover lids will be donated to the drive to create prosthetic limbs.

Blow out the candles,
 wish away,
 you are the
 superstar of the day.
HAPPY BIRTHDAY!
