

SCHOOL COUNCIL ELECTIONS

I would like to take this opportunity to thank our School Councillors of 2019 for their commitment and contribution to our school. Parents on School Council help to shape the direction of the school and have a direct influence on the quality of education provided for our students. It is time for our annual School Council elections. Information regarding the role of School Council and the process involved in becoming a member has been sent home with the children today.

We are currently calling for nominations for 4 parent positions and 2 DET positions. Please refer to the additional information sent home today if you are thinking of nominating and would like to become a part of our School Council for 2020.

Nomination forms are available at the office on request and are due in by 4 pm Thursday 20th February.

CHANGES TO ASSEMBLY

As a result of feedback from students and teachers, along with an increase in school numbers, we have made the decision to trial a change to assembly. We will be alternating each Monday between a Junior (P-2) and Senior (3-6) assembly with the final assembly at the end of each term for the whole school. The aim of this change is to provide greater space for our increase in numbers and provide our students with additional learning time. We are hoping that assembly will become more relevant to the age of the students and that we can have additional student items to keep them engaged. Please refer to the assembly timetable on the calendar page of this newsletter. We will also flexibuzz an assembly reminder each week.

ROAD WORK ON MORNINGTON TYABB ROAD

We have been notified by the Shire that there will be road works on Mornington Tyabb Road during February and March. These road works may lead to a part closure and detour. We have expressed our concerns to the Shire that this is our main access, drive through and carpark and have been told that they will provide us with greater detail closer to the time. At this stage we are unsure of the impact of this and will keep you up to date as we are provided with further information.

SCHOOL LEADERS

Our Year Six students have had a great start to the year. During the 'start up' program it is reinforced that all of our Year 6 students are leaders of the school and role models to the younger year levels. The beginning of the year also brings with it an opportunity for our senior students to take on leadership positions across the school. I congratulate the following students who have been appointed leadership positions for 2020:

YEAR 6 CAMP

Last week Ms Grinsted and Mrs Howden visited the grade 6 students at Camp Woorabinda. The children enjoyed hiking, flying fox, high ropes, canoeing, raft and hut building and a visit to the farm. Our students had a fabulous time and are to be congratulated for their excellent attitude and for making the most of every opportunity. Well done grade 6!

READING ROCKS AND SO DO YOU!!

It was terrific to hear that many students continued their love for reading over the holidays. Sophie, Emily and Hannah from 3A proudly showed me that they read most nights during the holidays. Now that we are back at school we will start to count our nights of reading ready for our 100, 200 and 300 nights of reading.

CANTEEN

The canteen is looking for more volunteers. If you are able to assist at all, can you please let the office know or contact the Canteen Manager, Jantina Forecast. Canteen helpers are required on Tuesday mornings, Wednesday mornings and afternoon and Friday afternoon. Volunteers will require a Working with Children's check. These are free for volunteers.

REBEL SPORTS MORNINGTON

By shopping at REBEL sport, Tyabb Primary School receives a 5% commission on sales. Just mention Tyabb Primary School when you make your purchase.

RITCHIES SOMERVILLE

Ritchies Community Benefit Program donates 0.5% of the money you spend on groceries to our school. All you need to do is scan your Community Benefit Card in any Ritchies store. If you do not have a Community Benefit Card, forms and cards are available from the office.

BELEZA UNIFORMS

By shopping at Beleza Uniforms the Tyabb Primary School receives 5% commission that goes back to the school.

RUGBY JUMPER UPDATE

At the end of last year, the company that provides us with our rugby jumpers informed us that there will be a substantial increase in price, due to the small number of jumpers that we order each year. As the price for these jumpers was already \$75 we have decided to go with our current uniform company Beleza who can provide us with a very similar rugby jumper with school logo for approximately \$50. These will be stocked at Beleza and parents will be able to buy them directly from the store. Parents who paid for their jumpers last year will be refunded so they can purchase directly from Beleza. These may not be available until June/July. Students will be able to wear old jumpers until they gradually phase out.

PARKING/TRAFFIC ISSUES

Warning: Parents that enter the driveway through the middle exit on Mornington Tyabb Road by ignoring the NO ENTRY sign are posing a real risk and threat to the safety of our students and parents. Please obey all signs!!!

We appreciate that we have parking and traffic issues at drop off and pick up time, especially at 3.30pm due to the high volume of students leaving both Tyabb PS and Flinders College. With patience the traffic is always clear by 3.50pm. We would fix these problems if we could but are restricted by a lack of funds, lack of land owned by the school and the fact that we do not own the land that the drive through sits on .

Our School Council has been in constant discussions with both the Local Council and Vic Roads to see what can be done to improve some of the parking issues. There have been many ideas put forward over these years including a turning lane on Mornington Tyabb Road, extending the drive through in to the reserve, widening the drive through to include a path and angle parking, carpark in the old tennis court of the reserve and a carpark at end of the oval. The problem is that significant projects like these need approval from various authorities and cost thousands of dollars. Funds which are well out of our reach.

In the meantime our School Council have implemented small measures to improve the flow. These have included pushing for new paths and the parking lane on McLaurin Drive. We worked with the Local Council to implement the 5 minute pick-up zone out the front of the school which has significantly helped with the flow of traffic.

We share the concern of our community and urge you to consider your children's safety and the safety of others when you are dropping off and picking up from the school by being patient and considerate. Please consider some of the following:

- Please do not stop and wait in the middle of Jones Road for a spot.
- If there is not a parking spot please keep moving along to see if there are spots further on. Parents often stop when there are spots further on.
- If there is not a spot continue along Jones Road, turn around and come back for another attempt. To turn around you must drive around McLaurin Drive and turn back on to Jones Road or continue to the Bungower Road roundabout.
- Obey all parking restrictions and signage including NO STANDING zones. Parents are not permitted to park opposite the school and crossing this road is extremely dangerous for both you and your child. NO STANDING zones are there to keep people safe and are fully enforced .
- Obey the NO ENTRY sign on Mornington Tyabb Road as entering this may lead to a collision with vehicles using the drive through correctly and threaten the safety of students and parents.
- Obey the 5 minute parking rule at the front of our school between 3.30 – 4.00pm. Stress to your child to 'watch and wait' so you do not need to get out of the car to look for your child. A speedy changeover of cars improves the flow of traffic.

Police patrol local schools to improve the flow of traffic. The Mornington Peninsula Shire also send out officers to enforce the rules listed on the following document. All of these rules are aimed at improving the flow of traffic and ensuring the safety of our students, drivers and pedestrians. Please note that infringements are from last year and may be higher in 2020.

Parking Awareness Program

Many schools on the Mornington Peninsula face challenges in relation to the amount of available parking close to school entrances and this limited parking leads to problems with traffic flow and safety during drop off and pick up times.

The School Parking Awareness Program aims to reduce the congestion and improve the safety of pedestrians and drivers specifically during these times by ensuring drivers are aware and observe road rules and signage which is in place.

Council Officers will be attending schools on a random basis across the year. Officers will identify drivers committing offences, drivers may be verbally cautioned, or issued with an infringement notice.

The types of offences relating to the *Road Safety Road Rules 2017*;

Rule 171 – Stopping on or near a children’s crossing:

‘A driver must not stop on a children’s crossing, or on the road within 20 metres before the crossing and 10 metres after the crossing’.

Infringement notice: \$161.00

Rule 167 – No stopping signs:

‘A driver must not stop on a length of road or in an area to which a *no stopping sign* applies’.

Infringement notice: \$161.00

Rule 183 – Stopping in a bus zone:

‘A driver must not stop in a bus zone unless the driver is driving a public bus’.

Infringement notice: \$97.00

Rule 197 – Stopping on a path, dividing strip, nature strip, painted island or traffic island:

A driver must not stop on a bicycle path, footpath, shared path or dividing strip, or a nature strip adjacent to a length of road in a built-up area:

Infringement notice: \$97.00

Rule 189 – Double parking:

‘A driver must not stop on a road if to do so would put any part of the vehicle that the driver is driving between a vehicle that is parked on the road and the centre of the road’.

Infringement notice: \$97.00

Rule 203 – Stopping in a parking area for people with disabilities:

A driver must not stop in a parking area for people with disabilities unless:
the driver’s vehicle displays a current parking permit for people with disabilities; and
the driver complies with the conditions of the use of the permit.

Infringement notice: \$161.00

Rule 169 – No stopping on a road with a yellow edge line:

A driver must not stop at the side of a road marked with a continuous yellow edge line.

Infringement notice: \$97.00

Rule 205 – Parking for longer than indicated:

A driver must not park continuously on a length of road, or in an area, to which a *permissive parking sign* applies for longer than the period indicated by information on or with the sign or, if rule 206 applies to the driver, the period allowed under the rule.

Infringement notice: \$81.00

Drivers should be aware that at times Officers will take notes or photographs of drivers parking in contravention of the road rules. Any notes or photographs taken are used for the sole purpose of proving evidence that an offence has taken place.

The Shire works directly with many schools to improve the traffic flow and availability of parking. However, the reality is such that there will never be enough parking during the high demand periods.

Other options to reduce congestion may include walking to and from school, carpooling or arriving earlier or later to the main peak which often lasts only a short time.

Introduction to our 2020 School Leaders

SCHOOL CAPTAINS—Bethany and Tadhg

Bethany is in 6B and was very interested in having a leadership role because she wants to positively influence Tyabb PS so it can be the best it can be. She wants to try her best to be a good role model. Bethany is looking forward to looking after the community of Tyabb PS and helping in every way possible.

Tadhg is in 6B. He wanted a leadership position in 2020 so that he could talk in front of as many people as possible. His dream has been to be School Captain. Tadhg is looking forward to events that leaders go to and is also looking forward to speaking at assembly.

JSC REPRESENTATIVES—Emma and Alex

Emma is in 6A. She was excited to receive a leadership position in 2020 because she was looking forward to speaking at assembly and setting a good example for younger students. Emma is looking forward to speaking at assembly and having more responsibility.

Alex is in 6A. He applied for a leadership position so that he could assist new students at the school and help them when they need it. He also wants to get better at public speaking. Alex is looking forward to leading the school and speaking in front of the assembly audience.

BENTON HOUSE CAPTAINS—Georgia and Lukas

Georgia is in 6A. She was keen to be a leader in grade 6 so that she could speak at assembly, show younger students how to be a leader and also how to do the right thing. Georgia is looking forward to having special jobs to do. She is looking forward to the house sports events and helping with assembly.

Lukas is in 6A. He has always wanted to do a captaincy role and thought that he would suit a house captain role at Tyabb PS. Lukas is looking forward to presenting at assembly and the junior sports day.

JONES HOUSE CAPTAINS—Emma and Ryder

Ryder is in 6C and was interested in a leadership position in 2020 because he wants to be a role model for the younger students and wants to also lead Jones House to success. Ryder is really looking forward to helping teachers and students and will stand at assembly with pride.

Emma is in 6A. She has always wanted a position as a leader because she wants to help others and see everyone smile. Emma is looking forward to making people smile, seeing them happy and talking at assembly. She loves the idea of being a bigger part of Tyabb PS.

BAXTER HOUSE CAPTAINS—Amelia and Tom

Amelia is in 6C. She wanted to have a leadership position because it's a responsibility that she knew she could take on and do. She loves working as a team, making friends and helping people. Being her last year at Tyabb PS Amelia wants to make it a successful year, hoping to achieve one of her life goals. She is looking forward to working with her fellow Baxter members and wants to make a difference for Baxter.

Tom is in 6A. He was keen to be a leader in 2020 because he knows it is important to help people. Tom is looking forward to speaking at assembly and any other speaking roles that come his way.

COOLART HOUSE CAPTAINS—Layla and Jye

Layla is in 6A. She was keen to be a leader in 2020 so that she could show her leadership skills and to be a good role model for the younger students. Layla is looking forward to speaking at assembly and all of the house sport events. She is looking forward to helping the preps at the school.

Jye is in 6C and is very keen to be Coolart house captain. He wanted to have a leadership position so that he gets experience in leadership as his future might lead to starting a business and he will then have leadership experience. Jye is looking forward to helping out where he needs to and is happy knowing that he is a leader.

ICT CAPTAINS—Taylah and Charlie

Taylah is in 6C. She was happy to be selected as ICT captain because she was wanting to work with someone new and have the opportunity to get to know them better. She is also keen to learn more about technology so that she can use it in her future. Taylah is looking forward to learning new things, getting to know people and feeling like a grown up.

Charlie is in 6A. He has wanted to have a leadership position for a while and is keen to help where he can and also help lead the school. He is looking forward to taking on any responsibilities as a captain.

SPORTS CAPTAINS—Grace and Colin

Grace is in 6A. She wanted a leadership position so that she could have a go at building her confidence by speaking at assembly and helping the staff where she can. Grace is looking forward to helping Mr Davies run all the sports events.

Colin is in 6B. He wanted to be sports captain to be a good influence to the younger year levels and also to his peers. Colin is looking forward to congratulating everyone during sporting events and also cheering his house on when the sporting events are happening.

GREEN TEAM CAPTAINS—Ashlyn and Ruby

Ashlyn is in 6C. She was wanting a leadership position in grade 6 and is happy that she has been selected as a Green team leader. She loves nature and is keen to work hard so that no one disrespects nature.

Ashlyn is looking forward to presenting at assembly and will take time to make sure that nobody is littering our school.

Ruby is in 6B. Leadership is an honour for her and she is another lover of helping nature. Ruby is looking forward to helping run Green Team meetings, talking on stage and helping the Tyabb PS community.

SCIENCE CAPTAINS—Tilly and Rohan

Tilly is in 6C. She was keen to pursue a leadership position so that she could help around more and be able to work with the teachers. Tilly is looking forward to working with Mrs Toft in the Science room and also working with the other captain, Rohan.

Rohan is in 6B. He is very happy to be Science captain as he has always wanted to be a leader. He has always loved doing experiments in Science and feels it will be an honour to be a leader.

Rohan is looking forward to helping Mrs Toft, doing research, talking on stage and being a part of the leadership in the Tyabb community.

STUDIES OF ASIA CAPTAINS—Mae and Benny

Mae is in 6A. She has always enjoyed Studies of Asia and really wanted this role for a number of years. She is that keen on Studies of Asia that she thinks she will apply for the captaincy of this subject in Secondary college.

Mae is looking forward to helping Bu Day and seeing where she can make a difference.

Benny is in 6B. He was keen to have a leadership position this year. He is wanting to lead the school in Studies of Asia which he knows will involve fundraising and helping the school to be the best that it can be.

MUSIC CAPTAINS—Shaya and Phoenix

Shaya is in 6B. She has always wanted a leadership role because she really loves Tyabb PS and wants to contribute more to it.

Shaya is looking forward to playing the piano at assembly and practising her music while she completes the jobs Mrs Wyatt has for her.

Phoenix is in 6C. She wanted a leadership position to feel more responsible and to help assist the teacher.

Phoenix is looking forward to HPV (human powered vehicle) and graduation! I'm looking forward to reading music stuff out at assembly with Shaya!

FIRE CAPTAIN—Jacob

Jacob is in 6C and is our inaugural Fire Warden / Captain. This role will be developing throughout the year as it is a new initiative between the Department of Education and the CFA.

Jacob has been wanting to have a leadership role at the school for a long time and was very happy to be given this role. His Dad was a firefighter so he is hoping to further develop his knowledge of fires and how to help. He is looking forward to fund raising for the local CFA to hopefully help them get some new equipment.

Reminder to return your forms with any changes clearly marked & signed on first page. Please ensure forms are returned and signed even if there are no changes required.

Thank you.

CSEF (CAMPS, SPORTS, EXCURSION FUND)

If you have a Centrelink Health Care Card or Pensioner Concession Card you may be eligible for CSEF for your child. Please come to the office to fill out a form.

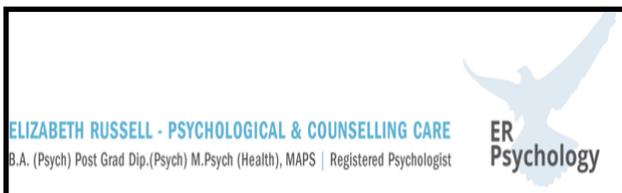

If you have previously applied through Tyabb Primary we will reapply on your behalf for this year.

VISITING PSYCHOLOGIST / COUNSELLOR

In 2018 we secured the services of ER Psychology for the students requiring assistance with their mental health.

Liz will be offering her services on a fortnightly basis at Tyabb. The students accessing this service at the school require an up to date Mental Health Plan to access up to 10 sessions with Liz. Some students require less than 10 sessions. These sessions are held at the school during school hours.

If you feel that your child would benefit from the services of a psychologist/counsellor, please do not hesitate to make contact with Kris Grinsted (Acting Assistant Principal) / Welfare co-ordinator. Please read the information below as to the services that are offered.

Liz Russell

B.A., Post Grad Dip. (Psych), M. Psych (Health), MAPS

Registered Psychologist & Director at ER Psychology

Fully registered as a psychologist with the Australian Health Practitioner Registration Association (AHPRA) since 2008, Liz has completed a Master's degree in Health Psychology at Monash University, and also a Supervised Practice Plan in Darwin and Melbourne.

Liz has 18 years of counselling experience, and has worked with adults, adolescents and children in individual and group settings. In addition to seeing private patients at **ER Psychology** located at the

Humphries Road Medical Centre, Liz provides on-site psychological therapeutic care to children ranging in age from 5 – 11 years, at several Peninsula based primary schools.

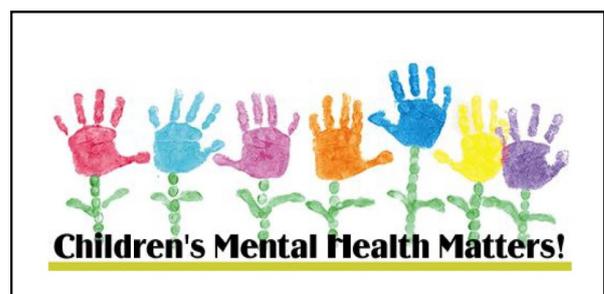

Liz has worked with a range of presenting problems including health related concerns, chronic pain, depression, anxiety, stress; loss of confidence, poor self-esteem, adjustment disorders, grief and loss, and behavioural disorders.

Liz's approach to presenting problems is to examine the biological, psychological, and social components that underpin the issues presented by clients. She takes an integrative approach to counselling, and mainly uses client-centred, cognitive behavioural, and strength based therapies.

Liz and Dominique visit the school on a regular basis and have been very proactive in helping a number of students at Tyabb PS over the past 12 months. Sessions are held at the school during school hours.

They have a passion for helping children and their professional approach to a range of requests from parents has been outstanding.

I highly recommend their services for any children who are experiencing stress, anxiety, school refusal or personal issues in their life.

Mathletics

At the beginning of the year, all parents paid for a Mathletics account as part of their booklist payments. We encourage your students to use Mathletics at home as well as it is an online program. Students will be able to challenge students from all around the world and increase their knowledge of concepts they have been learning at school.

To use Mathletics at home students need to visit www.mathletics.com and enter their username and password. Please contact your child's teacher if you do not have the username and password at home.

Maths Workshops

Students from grades one through to six will be learning about Number and Place Value in Term One this year. This will help build the foundational knowledge of number that is integral to understanding harder concepts.

Students will be completing pre-tests to show what they already know. They will then visit a variety of teachers to learn with other students at their point of need. This helps to target the needs of students and ensures students are learning the next steps in their Mathematical journey.

Prep

Our prep students have begun learning their numbers and basic counting. When they aren't counting, they are learning about location, including under, beside and next to.

Grade 5

Students in grade five have been learning about measurement and the many different formal and informal ways to measure objects. They have been focusing on estimating how many objects make one metre.

Grade 6 students visit Woorabinda

Camp Woorabinda is located in Yallourn North, on the beautiful Lake Narracan. It was the perfect setting for our Grade 6 week long camp, which focuses on building cooperation, courtesy and consideration for others. Over the course of the week, the students cooked their own lunch on a campfire, built rafts, went canoeing, fed alpacas at the farm, balanced on the High Ropes, zoomed down the zip line and shot arrows at the targets during archery. The week ended with The Quest but “ssshhhhhhhh”... The secrets of the Quest will be kept for future students who attend this camp. Mr Emmett, Mrs Monea, Mr Davies, Yashmin and Jaye were so impressed with the students’ behaviour and attitudes throughout the entire week. Thanks go to Jenny Johnson and Simone Kingston for volunteering their time to help our students during camp. We all left camp feeling exhausted but completely thrilled and grateful for all of the fun that we had.

Music

Instrumental Program: Our Instrumental program has begun so if you would like your children to learn an instrument please obtain a form from the office to fill out and hand in. We are offering guitar, vocals, piano, violin, drums and some woodwind instruments.

On a sad note one of our long time teachers is stepping back from teaching piano at Tyabb. Julia Furneaux, now Johnson, has been at Tyabb for 18 years and taught many of our students successfully, some doing exams and passing well. Her contribution to the music program has been outstanding. Thank you Julia.

At this point Nathanael Furneaux is teaching piano on Tuesday mornings and hopefully will be able to take on some of Julia's students.

Band: Monday lunchtime beginning 1:30. There has been a lot of students joining band from Grades 5 and 6 as evident at the whole school assembly. Well done to the band for their first performance playing the anthem. Great job. Keep practising.

Choir: Tuesday Lunchtime 1:30 – 2:00. This has also started. Students in grades 3-6 are welcome.

Merran Wyatt.

Dear families,

The best gift any parent can give a child is the love of books and the joy and benefits of independent reading for fun. Children who read at home, or are read to, have a head start on reading success in school.

Our school is participating in Scholastic Book Club this year. Up to twice a term, during the school year, the Book Club catalogue will come home with a different selection of books offered for all ages. You'll find award-winning books and bestsellers, as well as old and new favourites. I recommend them because the books span a wide range of children's reading levels and interests and are inexpensive (some books cost as little as \$2).

It is easy to order. The Book Club LOOP platform for parents allows you to pay by credit card. Your child's order is submitted directly to school and the books will be delivered to class. You can place your child's order at scholastic.com.au/loop or by using the LOOP app, which can be downloaded from the App Store or Google Play.

Owning your own books is something special! I hope that you will encourage your child to order books this year. Each order helps earn free books and teaching materials for our classroom, however there is never any obligation to order. I know of no better way to encourage reading than to allow children to choose the books they want to read.

Book Club

The **Gift Function** enables you to tag **Book Club** orders on **LOOP** that are intended as a surprise gift. This feature can be used throughout the year, providing your **Book Club Organiser** has enabled the gift function for your school. **LOOP** orders tagged as a gift will be delivered to school and marked accordingly, for the **Book Club Organiser** to set aside at the school office for you to collect.

How to use the **Gift Function** on **Book Club LOOP**
scholastic.com.au/LOOP

Follow these **easy** steps!

1 LOG-IN

2 Select the **ORDER** tab

3 Select your **ISSUE**

4 Check the box **GIFT ORDER**

NOTE: ALL ITEMS ON THIS ORDER WILL BE MARKED AS A GIFT.

5 Enter the book number shown on the Catalogue

6 Select **NEXT** to finalise your order

PLEASE NOTE, THE ITEMS DO NOT COME GIFT WRAPPED.

For books that can be delivered directly to your child, please submit a separate order.

Book Club LOOP

The **EASIEST** way for parents to order and pay for Book Club!

Parents: Are you registered for **LOOP**?

LOOP is the easiest way for you to order and pay online for your child's Book Club order, if you wish to pay by credit card.

Parents who are registered for **LOOP** receive exclusive sneak peeks, downloads and offers throughout the school year—don't miss out!

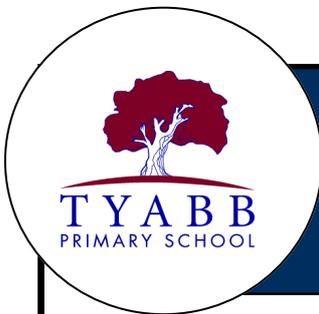

Head to scholastic.com.au/LOOP and register today!
