END OF TERM ONE!

What a sad and hastened end to what was an extremely positive start to the year. Who would have thought a couple of weeks ago that we would be experiencing a world health crisis that would result in the holidays being brought forward and the closure of many non-essential services. The feeling is quite surreal, anxiously waiting and preparing for the unknown when everything outside of our windows looks the same. Our anxiety levels have not been helped by the barrage of news reports and conflicting points of view on what we should do to prepare and how this will affect our children's schooling.

We have done our best to keep you up to date and provide support to your children during this challenging time. I thank our amazing teachers for their tireless efforts and huge team commitment to prepare for the unknown while continuing to support our students. This has all been done with a positive attitude and smiles on their faces throughout the day for our wonderful students. We also thank you for your patience, support and kind words of appreciation. It is times like this that can bring out the very best in people and help us to appreciate what is truly important in life.

Please know that our thoughts are with you during this difficult time. Our staff appreciate the challenges that this virus has, and will continue to cause, not only to the possible health of those around us but also to the livelihoods and lifestyles we have become use to. We really wish our students and families all the best over the school holidays and coming weeks. We will continue to be there to support our children in whatever way possible.

What will happen next term?

We do not know at this stage. Our Prime Minister has announced that he hopes that schools will return next term, though others will conflict with this thinking. The status of this health crisis changes daily so we will not be sure of this until possibly the end of the term holidays. We are unsure, and know as much as you, but will follow whatever instructions we are given by the Education Department.

Our teachers have worked tirelessly over the past couple of weeks to prepare just in case there is a closure and we need to provide online learning. Teachers have prepared work packs to support you in the first couple of weeks of term 2, just in case our school does not return. They have been learning how to provide you with further options for online learning should this continue. This is unprecedented and they have done their best to prepare given the time they have had and the resources available.

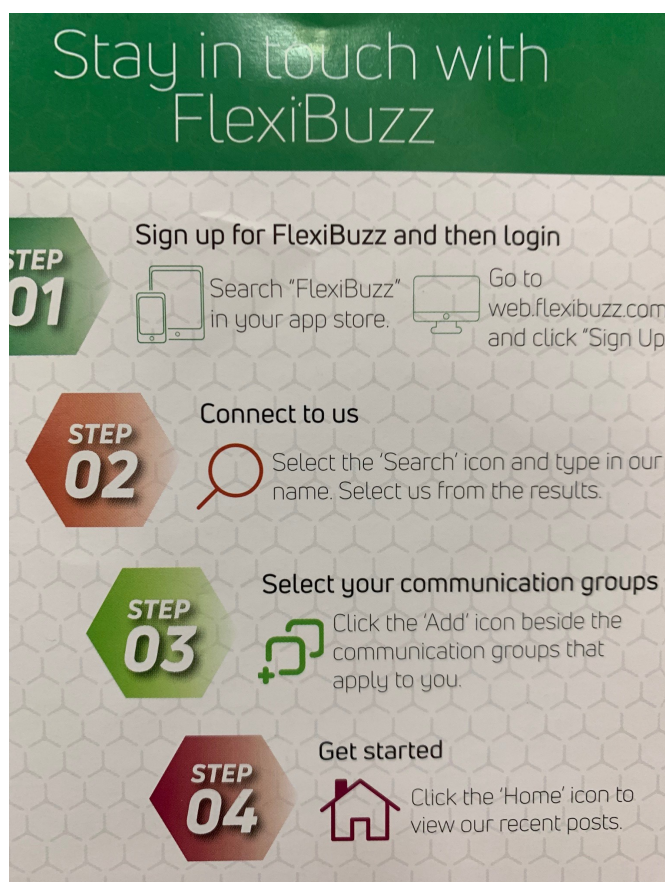

We also appreciate that, for many of you, following these learning plans at home could be a challenge. You may not have computers or ipads or enough for all of your children. You may have life challenges and other distractions that make following these work programs difficult or impossible. You may not understand how to support your child with these learning tasks. We will understand that this is challenging but will support you and your children wherever possible.

In the event that we do not return next term or you choose to keep your child / children at home we would like to provide you with the following information:

Whole School Communication

We will keep you updated via flexibuzz. This will be the main method of our whole school communication. If you do not have this App on your phone or computer, please follow the instructions below. It is through this platform that we will keep you updated and confirm when school will return.

We will still provide a brief fortnightly newsletter as we feel it is important to update you on the latest information and provide some positive information like your children's birthdays.

Communication to parents from class teachers and vice versa in the event of a closure

- After the school holidays please email your child's class teacher for any queries in regards to their online learning. Please note that teachers will only respond to these emails during working hours 9 – 4.30 after the school holidays. **This email address and communication is for teacher/parent not students.**

- You have been provided with your child/children's email addresses through the email sent to you and on the opening letter of your child's work pack.
- Please email general queries to the school's email address tyabb.ps@education.vic.gov.au
- We will be checking our school email daily and emails will be forwarded on to the appropriate person.

As you can see, we are trying to keep communication links between school and home in the event that we do not open. This may not occur and it could be business as usual. Please be patient with us and respect the fact that we have our own families, commitments and challenges during this time and may not reply straight away. We will generally read and respond during working hours. We may also prefer to ring you as it is often difficult to explain something in writing and easier to communicate over the phone.

In conclusion

I would like to wish you all the best for the holidays and coming weeks. We are thinking of you all.

Take Care

Carole Howden (Principal) and staff of Tyabb Primary School

What's Happening

Term 2

Please note that we have not included a timetable for term 2 as many camps, excursions and events have been cancelled, postponed or put on hold until school fully resumes in term 2.

SCHOOL PHOTOS

Just to let everyone know that the school photos that were booked in for Wednesday 15th April have been postponed until further notice.

We will advise you of a new date when available.

Grade 4 Camp

Phillip Island

Postponed until

Mon 14th—16th September

Grade 5 Camp

Rumbug

Postponed until

Wed 28th—Fri 30th November

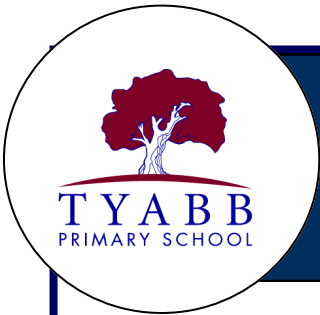

CSEF (CAMPS, SPORTS, EXCURSION FUND)

If you have a Centrelink Health Care Card or Pensioner Concession Card you may be eligible for CSEF for your child. Please come to the office to fill out a form when we return to school.

If you have previously applied through Tyabb Primary we will reapply on your behalf for this year.

Prep 2021 Enrolment Information

Unfortunately, at this stage, school tours have been postponed until further notice. We will still be taking enrolments. If you would like information on **how to enrol** please go to our website at <http://www.tyabbps.vic.edu.au/> under the parent information tab / enrolments OR email the school at tyabb.ps@education.vic.gov.au with your name, child's name, child's date of birth and contact details. We will get back to you during term 2 or when school resumes.

Welfare

I am sure that many of you have been Googling to your hearts content with regards to finding activities for your treasures to do while they have a very quiet school holiday.

There are lots of amazing activities that can be sourced from the internet, from family and from friends. Good old board games and card games are a great way to keep the family entertained, until everyone wants to win?!

Please look after yourselves and your loved ones during the school holidays. I look forward to seeing your smiley faces in term 2.

I have included some ideas that I have found, I hope they are different to yours and give you some inspiration!!

If you need to make contact with me for any welfare issues (in the event that we don't return to school at the start of term 2) please email through the school's email address at:

tyabb.ps@education.vic.gov.au

I will then give you a call and see how I can help you and your family.

Regards,

Kris Grinsted

101 Ways to Encourage a Child

Good for you 🍓 Go for it 🌟 Excellent performance 🧸
 Beautiful sharing ♥ A personal best ☆ Bravo 🧸
 Looking good 🍌 How responsible you are 🍌 Nice work 🧸
 Now you're flying 🍌 Nearly there 🍓 Just about made it 🧸
 I'm sure you can do this 🍌 Good on you 🧸
 Now you've got it 🍌 That was difficult 🧸
 You reached your goal 🌟 Wow 🧸 Really good 🌟
 Such a great effort 🌟 Outstanding ☆ You're on top of it 🧸
 🍌 Hooray 🍌 What an imagination ☆ It's okay 🍌 Top job 🧸
 Way to go 🍌 Awesome 🌟 Well done 🍌 Touchdown 🧸
 Can you do it again? 🍌 You're interest shows ☆ Neat 🧸
 Have another go 🍌 One more try 🍌 Go on 🍌
 You did so well ☆ Bingo 🍌 Remarkable 🍌 You made it 🧸
 You know the secret 🍌 Marvellous 🍌 You are such fun 🌟
 ♥ You've discovered the key 🍌 A big kiss for you 🧸
 Good listening 🍌 You're a good friend 🌟 Lovely 🧸
 Excellent 🍌 You've learned a lot 🍌 Very respectful 🧸
 What a treasure you are ♥ Nice one 🍌 You brighten my day 🧸
 Incredible 🍌 You're catching on 🍌 What a trooper ♥
 🌟 You did it 🍌 Keep on trying 🍌 Good ☆ Dynamite 🧸
 Right on track ☆ Magnificent 🍌 You'll get it this time 🍌
 🍌 Try it a little differently 🍌 Spectacular 🍌 Correct 🧸
 Cool ♥ Stay focused 🍌 That's the best one so far 🧸
 Congratulations 🍌 Persistence pays 🍌 Phenomenal 🌟
 You're so considerate 🌟 Great ☆ I think you're perfect 🍌
 🧸 You make me laugh 🍌 Splendid ☆ You're one of a kind 🧸
 What a little ace 🍌 You're okay 🍌 Perfect 🍌
 🧸 You little beauty 🍌 You're simply the best 🍌 Terrific 🧸
 You're a joy 🌟 Just the greatest ♥ You can do it 🧸
 Love you to the moon ☆ You're on your way 🍌 Amazing 🧸
 Beautiful ♥ Fantastic 🍌 I trust you 🍌 Fabulous 🧸
 🍌 Sensational 🍌 You're right on target 🍌 Super 🧸
 You mean a lot to me 🌟 You're a star 🍌 Unbelievable 🧸
 Keep going 🍌 Quite a challenge 🍌 You reached your goal 🧸
 🍌 You're very important to me ♥ I love you ♥ I'm proud of you 🧸
 P.S. Remember, a SMILE is worth 1000 words 🧸

HOME READING

What a terrific start to the year with so many students already reaching 25 nights of home reading or more! We are thrilled to see that so many families are encouraging a love of reading by offering a supportive environment at home where learning is valued.

Every child in the school also has a book to record their reading nights so please ensure that you fill this in and sign it.

When your child reads, we ask that you sit with them, offering support where required. It is important that your child also shares their knowledge of the book they read.

You can encourage this by asking simple questions such as:

Can you tell me what happened in the story?

What was the problem in the story and how was it solved?

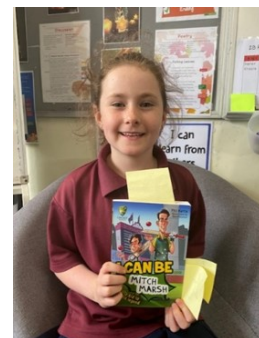

Why did the character ____?

How do you think the character was feeling when ____?

Does this book remind you of anything?

Asking questions helps readers monitor their comprehension and stay engaged and interested in their reading.

The students at Tyabb Primary School are already engaging in a variety of reading opportunities our teachers offer daily. The research is conclusive: When teachers and parents work together to support children's reading and academic success, learning outcomes for all children improve. Thank you once again for your ongoing support at home by encouraging and motivating your child to read often.

Grade 4B

In Term One, we started the year with a great time getting to know each other and setting expectations. As a grade we came up with our motto:

Our Motto

In Four B we are brilliant

We like to learn and be resilient

Kindness is our thing

We come together like bling, bling, bling.

We also love our mascot - Mr Blobby the Monster. We are looking forward to presenting our motto and mascot at assembly in Term Two.

Reading:

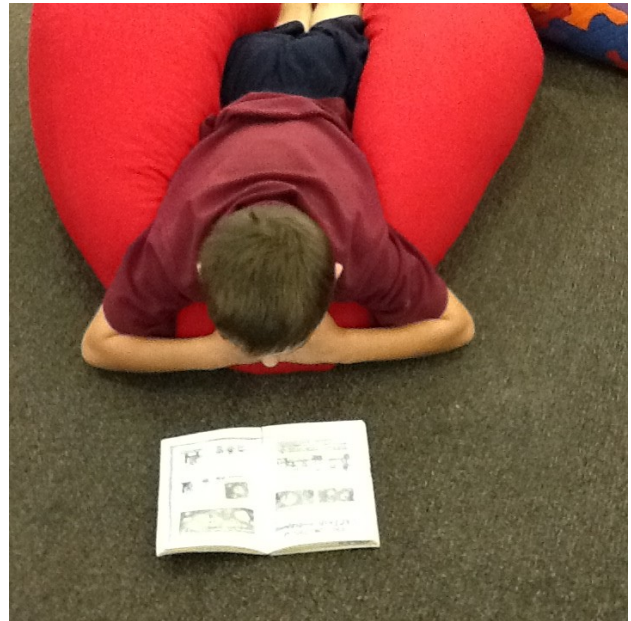

In Reading Grade 4B has shown excellent reading stamina during Independent Reading. They are making use of sticky notes to record their thinking while reading.

The students are especially skilled at writing a main event sentence (which they should be doing in their Reading Diaries as well). We have learned various reading strategies such as making connections (to self or to other texts),

using text features (such as glossaries and indexes), searching for and using information and monitoring our reading.

We have learned about syllables in spelling and how that helps us break up unknown words when we are reading too!

Students enjoy the privilege of choosing a special seat to do their reading.

Writing:

Our first text type studied was biographies. Through this text type we looked at the punctuation feature of brackets and the grammar feature of connectives. We learnt about the structure of a biography and how to write good quality texts. Using the Seven Steps strategies, we made our biographies more interesting by including a Sizzling Start (make the reader curious) and by using Show, Don't Tell to describe how great our person was/is. We also learned about quotes.

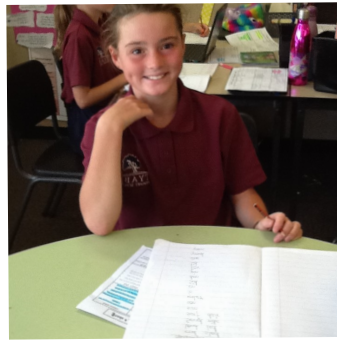

Classroom Capers

Our first biography was about our teacher. Students enjoyed finding out about the mischief that Ms Woff got up to as a child. They listened to anecdotes from her life and asked questions. The next biography was about a classmate. Students enjoyed

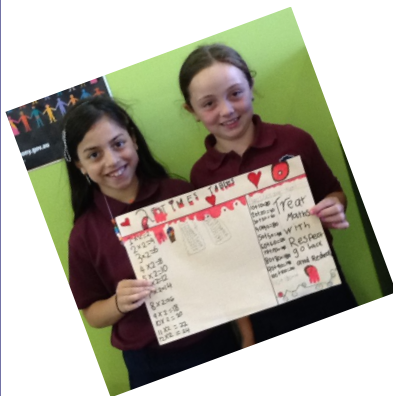

interviewing each other to find out facts which were written in keywords on a plan. Another biography was about a community member who helped which was related to our Civics Inquiry.

Our final biography was about a famous person of our own choice. Students used the internet to research, write keywords and discuss their ideas with friends/family. We completed a Big Write for this particular biography. Grade four students are really enjoying Writing! Especially when we play soft music, dim the light and get out our special writing tools - candles, writing trays and quills.

Students warm up for writing with some word building activities.

Mathematics: This Term, we had a focus on revisiting times table facts that we had learned last year. We have been looking at patterns, listening to Math Rockx and discussing the two, three, five and ten times tables. Next term, we will start learning the grade four level times tables - 4, 6, 7, 8, 9 and

this will continue to be a focus for our homework. Throughout the Math Workshop Cycle we learned a lot about place value. It was interesting being with different teachers and different students to learn what we needed to, at our point of need.

Inquiry:

Our first Inquiry was into Civics. We learned about people who help in the community, government and law. After gaining some background knowledge students chose an area of government they wanted to learn more about then imparted this knowledge to a classmate. Finally, they “designed” their own country. Made laws, and consequences, decided on a system of government as well as designing a flag or coat of arms for their country.

Reminders

Reading Diaries should be filled in every time a student reads. Parents can fill them in any way they would like. However, if a student fills in their reading diary themselves, they must write a main event sentence.

Students should be reading 5 nights per week for 20 minutes or more each time. (Ten minutes is acceptable on a busy evening). By the end of Term One, students should be up to 40 Nights of Reading. If your child is not, please consider reading 7 times per week to catch up on that valuable practice time.

Homework is given out each Friday and is due back the following Wednesday.

Studies of Asia HARMONY DAY CELEBRATIONS

Tyabb celebrated Harmony Day on the 16th March by dressing up in a splash of orange to celebrate cultural diversity within Australia.

Harmony Day is a day for all Australians to celebrate cultural diversity and everyone belonging. We all have different cultural influences within our families and we can learn and build on this knowledge and understanding to celebrate our multicultural nation.

Our students were also engaged in an activity investigating the cultural heritage of their family. This was achieved through sharing stories of cultural elements which influence their family and researching the countries of origin and their flags.

A huge thank you to my Studies of Asia leaders, Mae and Benny for all their support in organising a successful celebration.

Sampai jumpa,

Bu Leanne Day

Dear families,

The best gift any parent can give a child is the love of books and the joy and benefits of independent reading for fun. Children who read at home, or are read to, have a head start on reading success in school.

Our school is participating in Scholastic Book Club this year. Up to twice a term, during the school year, the Book Club catalogue will come home with a different selection of books offered for all ages. You'll find award-winning books and bestsellers, as well as old and new favourites. I recommend them because the books span a wide range of children's reading levels and interests and are inexpensive (some books cost as little as \$2).

It is easy to order. The Book Club LOOP platform for parents allows you to pay by credit card. Your child's order is submitted directly to school and the books will be delivered to class. You can place your child's order at scholastic.com.au/loop or by using the LOOP app, which can be downloaded from the App Store or Google Play.

Owning your own books is something special! I hope that you will encourage your child to order books this year. Each order helps earn free books and teaching materials for our classroom, however there is never any obligation to order. I know of no better way to encourage reading than to allow children to choose the books they want to read.

Book Club

The **Gift Function** enables you to tag Book Club orders on **LOOP** that are intended as a surprise gift. This feature can be used throughout the year, providing your Book Club **Organiser** has enabled the gift function for your school. **LOOP** orders tagged as a gift will be delivered to school and marked accordingly, for the Book Club **Organiser** to set aside at the school office for you to collect.

How to use the **Gift Function** on Book Club **LOOP**
scholastic.com.au/LOOP

Follow these **easy** steps!

1 LOG-IN

2 Select the **ORDER** tab

3 Select your **ISSUE**

4 Check the box **GIFT ORDER**

NOTE: ALL ITEMS ON THIS ORDER WILL BE MARKED AS A GIFT.

☐ GIFT ORDER?

5 Enter the book number shown on the Catalogue

6 Select **NEXT** to finalise your order

PLEASE NOTE, THE ITEMS DO NOT COME GIFT WRAPPED.

For books that can be delivered directly to your child, please submit a separate order.

Book Club LOOP

The **EASIEST** way for parents to order and pay for Book Club!

Parents: Are you registered for **LOOP**?

LOOP is the easiest way for you to order and pay online for your child's Book Club order, if you wish to pay by credit card.

Parents who are registered for **LOOP** receive exclusive sneak peeks, downloads and offers throughout the school year—don't miss out!

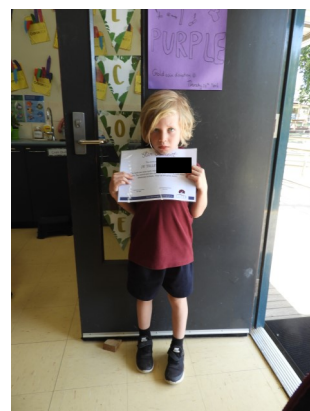

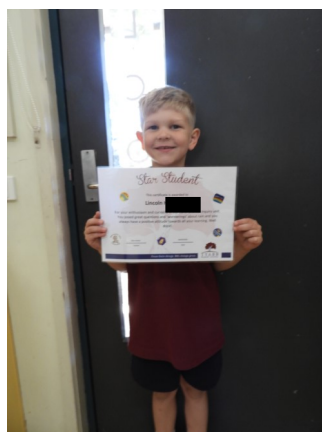

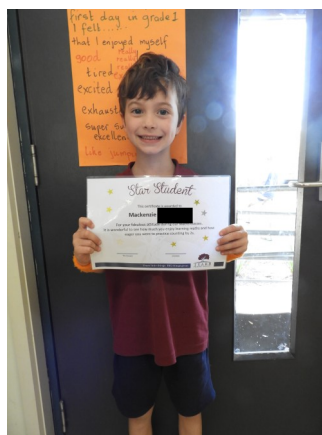

Head to scholastic.com.au/LOOP and register today!

Community News

23/3/2020

Dear School Community,

Beleza Somerville Store – Coronavirus update: Store trading hours after Government announcements

Due to updated guidance given by our state and federal governments, the Beleza team has decided to make a few changes in our plan for the School holiday period. With the guidance by the Victorian government regarding government school holidays, we have decided that Beleza stores will close for the remainder of the week, starting from tomorrow Tuesday 24th of March to Saturday 28th of March 2020.

We apologise sincerely for the abrupt and sudden nature of this decision, however we will use this time to help us better prepare our stores, as we all adapt to changes in procedures regarding hygiene, health and safety going forward to keep everyone safe.

Our plan as of now is to keep the reduced trading hours from 30/3/2020 to 4/4/2020 communicated last week, but we will keep you informed and updated of any changes as government guidance changes. For your store, the hours planned are:

Monday - 30/3	10.00am to 3.00pm
Tuesday - 31/3	10.00am to 3.00pm
Wednesday - 1/4	10.00am to 3.00pm
Thursday - 2/4	Closed
Friday - 3/4	10.00am to 3.00pm
Saturday - 4/4	10.00am to 1.00pm

The offer communicated last week regarding **50% off the cost of shipping in Victoria** for all orders placed on our online store will continue at: <https://store.beleza.com.au>

Our warehouses and online store will continue to run over this period to ensure that any online or wholesale orders received are still being processed. We apologise in advance if there are any delays or stock shortages as our supply chains are not back to full operation as yet.

We hope that everyone continues to stay healthy and safe whilst we get through this,

Your Beleza School Uniforms Team
