

PRINCIPAL REPORT

Thanks to the efforts of all Melburnians, it has been terrific to see a significant lifting of restrictions and a return to some normality. We hope that Covid cases continue to remain low enough for further good news on the 9th November. We will keep you up to date on how these further changes affect the daily running of our school and the impact to events such as transition and graduation that are booked during term 4 once we have more information. In the meantime, enjoy the well deserved easing of restrictions.

HAPPY WORLD TEACHERS' DAY

Each year World Teachers' Day offers us an opportunity to celebrate the achievements of the teaching profession. On Friday the 30th we thanked our amazing teaching staff for the huge contribution they make to the wellbeing, engagement and academic development of the students at Tyabb Primary School.

It was even more important to acknowledge these efforts this year after the roller coaster caused by the pandemic and shifts in and out of lockdown and remote teaching and learning. Hats off to our teachers for working so hard to adapt to these constant changes and trying times—all with a smile on their faces and an unwavering commitment to our kids. On Friday the 30th we held a socially distanced morning tea which was further enhanced by the kind messages and gestures from children and parents.

Thank you to our teachers for everything you do!! You are greatly appreciated by the whole Tyabb Primary School Community! Our school and culture is amazing - thanks to the significant contribution that you make.

Every day you greet your students with a smile upon your face,
Though paper work the night before seemed like a gruelling race.

Moneys not your motivation, it's the love for what you do,
You hear that special calling to which you will always stay true.

Your students are your dedication, devotion is to them.
To you each child's unique and special, a beautiful little gem.

Some days are just demanding and frustration takes its course,
Then you see those little faces their inspiration is your force.

Each day you're in your classroom reminds you why you're there,
Making differences in children's lives with whom your heart you share.

There's a special pride in teachers and a love for what you do,
And appreciation's always shared between those little lives and you!

FOOTY DAY CELEBRATIONS!

Footy fever hit Tyabb Primary School on Thursday 22nd of October as students and teachers dressed up in the colours of their favourite football teams. Not quite the celebration that we usually have as we were unable to have a parade with parents on the school site. Teachers made the most of the day in the classrooms with their own mini parades and footy activities. We were able to provide the traditional footy day sausage sizzle thanks to the support of Jantina Forecast (canteen manager) and our assistant principal who cooked over 550 sausages. What a great day!

FREE Counselling for school aged children and young people

Thanks to funding provided by the Australian Government under the South Eastern Melbourne Primary Health Network (SEMPHN), Family Life is pleased to announce a new FREE counselling service for school aged children and young people.

This funded service is aimed at school aged children, without a mental health diagnosis, who will benefit from a brief period of therapeutic support to assist them to overcome stress or anxiety resulting from the COVID-19 pandemic.

A child or young person attending school (excluding pre-school) or living within the following local government areas, can access the service: Bayside, Glen Eira, Stonnington, Port Phillip, Dandenong, Casey, Cardinia, Kingston, Frankston and Mornington Peninsula. Priority access will be given to children aged 12 and under.

A GP referral is not required.

Anyone can make a referral to the service by contacting the SEMPHN Access and Referral Team on 1800 862 363 (8.30am-4.30pm weekdays) and asking about their “Family Life Covid-19 Program”.

Alternatively you can submit a referral to SEMPHN using their online [referral form](#). In the Presenting Issues section of the form include “Family Life Covid-19 Program” along with any presenting issues.

For more information about the SEMPHN Access and Referral team use this link www.semphn.org.au/resources/access

Free workshop - Parenting Anxious and Sensitive Children

Do you have a child who worries about the simplest of things? Do they get upset easily? Do they seem to have empathy beyond their young years? Are they concerned about the return to school or worried about being exposed to COVID-19? Maybe someone has even labelled them as "highly emotional" or "shy". Chances are you have a sensitive child. And you are not alone. Parenting an anxious or sensitive child is an immense responsibility.

Our **Parenting Anxious and Sensitive Children** workshop aims to increase your capacity to support your child affected by anxiety, worry or stress. Over three weekly sessions, you will be guided through this solutions-based program and supported to address individual concerns effectively.

When: Wednesday October 28, November 4 and 11

Time: 10am to 12pm

How: Via Zoom

Mums Supporting Families In Need Inc

To support members of our community throughout the Christmas season, we are hoping to create a food hamper in each grade. The local group, Mums Supporting Families in Need (MSFIN) have started the idea of the 'Reverse Advent Calendar'. In the lead up to Christmas, instead of receiving a treat each day, we will be collecting different items to fill a hamper. The hope is that we will eventually have 18 food hampers to give to families in need.

Your child's classroom teacher will send you an email with more information on what to bring.

Reverse Advent Calendar

This November, grab a box and instead of receiving a treat each day, add an item to create a food hamper for a family facing a tough time this Christmas.

Congratulations to the amazing winning artists from the design a mask competition. Each winner got a bag of arty goodies to use at home. Thanks to everyone who entered.

Since our return to full time onsite, the art room has focused on making art and positive happy thoughts. We have spoken about focusing on the positive rather than letting the negative burden us. We have looked at the simple things in life that bring us great joy.

2B made dream catchers using mandala art, favourite colours and tons of happy thoughts.

Art will focus on literature and celebrations for the rest of term.

Grade 5 Writing

It was Christmas Eve. Our family were all excited and the preparations were under way for the day ahead. The presents were all sparkling under the Christmas tree, the carols were playing "Deck the halls with boughs of holly". We had my grandparents staying this year, so it was going to be extra fun!

After the long sleepless night for all, it was the time for joy and celebrations. Chocolate for breakfast on this day **yippee**. The time had come to open the long awaited presents. Who was going to go first? Monty I think, a shimmering, silvery fish for him. Dad next, a book on aeroplanes. My Nanny next. As my Nanny opened the big box, she was very excited, she knew that it was the lovely pair of leather shoes she picked out three weeks ago. As she lifted the tissue paper, she immediately tried them on to see how they looked. We all watched as my Nanny paraded around the house with her new shoes that didn't match - one was navy blue and one was purple! We howled with laughter for days.

Every Christmas we are happily reminded of this story in our family.

SIZZLE SIZZLE SIZZLE!!! The bacon on the hot barby was spitting and crackling. There's no better sound, Christmas mornings are always the best but this particular morning didn't go sooo well, the one that I'm about to tell you. This is a story no Bassett will forget.

Everybody knows the amazing Aussie Pavlova cake making it and decorating. It's full of beauty you put sooo much effort into making these but then there's old butter fingers Greg.

Greg always comes around for Christmas and loves to help out, but he helps out a little tooo much. So he shoved his hand under the cake and opened the gate and old Greg trips over with the cake **IT IS ALL OVER THE DECK, IT'S EVERYWHERE!!!** We all sighed in disappointment "GRRREEEGG." So there you go, a story for Greg to tell and for you to hear.

Community News

28th October 2020

Dear School Community,

Subject: Metro Melbourne Retail Stores reopening

We are pleased to announce that we will be reopening our stores from today Wednesday the 28th of October. We will transition into our regular trading weekdays and hours this week, and the plan is to reopen regular Saturdays from next week (unless otherwise communicated).

Please be aware that we will still be operating with the following COVID safe procedures and policies in stores in the interest of everyone's health and safety:

- **People limits in-store:**
In accordance with Government rules, we will continue to limit the number of families in store at one time. Please note that unfortunately this does mean that families may need to wait outside of the premises if capacity limits are reached and we apologise in advance for any inconvenience this may cause.
- **Limited contact, Full-service approach:**
We will continue operating under a "limited contact, full-service" approach in our stores, where our in-store team will assist families with collecting garments to limit people movement whilst in our stores. Although we appreciate this does create longer wait times in store, it also allows us to operate in a safer manner and maintain better visibility on the number of people in store at one time.
- **Change rooms will reopen!**
One of the policies we are relaxing in-store is regarding our change rooms, where we'll initially have one change room per store reopened for students to try on and find their size. We do plan to eventually reopen all changing rooms in all stores, but we want to make sure we can do that safely.
- **Social distancing markers and access to parts of the store:**
Please note we'll continue to have social distancing markers in store, so please look out for "X" markers along the floor as areas for families to stand whilst they are being assisted or are waiting. Please also note that we will still be restricting access to parts of the store (please refer to warning signs and markers in store) to comply with the policies above.

Ph: (03) 9702 3218 Fax: (03) 9702 3193 | Email: beleza@beleza.com.au

Accepted payment methods:

We strongly encourage and recommend that if possible, families use card payments when in store in order to limit contact. We do understand that this is not possible for everyone, but we ask that where families can, to please do so.

Our VIP sale will begin next week with the 10% off in-store for the next 6 weeks (From Monday 2nd of November to Thursday 17th of December). We hope this extended period of the sale will give families greater opportunities to visit us in the next 6 weeks, and to help us stay within Government rules regarding social distancing and occupancy indoors.

Thank you and stay safe,

Your Beleza Team.

16/10/2020

Dear School Community,

Changes to our VIP sale approach for 2020

We are writing to advise you of the changes that we will be making for this year's VIP sale season. We're excited to offer a VIP season again this year, but have had to change our approach following the impacts of COVID-19, in order to ensure that we can hold the sale in a way that still protects the health and safety of our customers and team.

In previous years, we've offered a 20% discount over a one-week period. As we're sure you can imagine – and some of you would have experienced – this can bring a lot of traffic into the stores at one time, which we as a company felt would be too big of a risk in the current circumstance. So instead of the one-week, 20% off discount period, we will be offering customers across all our stores a 10% discount over six weeks, starting from Monday 2nd of November to Thursday 17th of December. This will give families an extended period in which to benefit from the VIP sale, which we hope will give everyone the chance to round out their end of year uniform, or prepare for the coming year, with the comfort of being able to do so safely.

We hope that you can all understand the reasoning behind our changes to the VIP sale, and appreciate your understanding and support throughout this and the many other changes that have occurred throughout this year. We hope you are all keeping safe and well and look forward to seeing you for our end-of-year VIP sale season!

All the best,
Beleza School Uniforms
