

END OF TERM ONE!

We would like to congratulate our students for a fabulous term 1. After the challenges of last year we have all been extremely grateful to be at school each day and making the most of getting back to some normality. Whilst we have still been unable to hold large school events with parents we have still managed a term full of exciting programs and a few extra curricula activities. We had two camps— grade 4 camp to Phillip Island and grade 6 Camp Woorabinda at Yallourn North. We also had an inter school tennis tournament, district swimming, lightning prem and today we had our end of term Easter bonnet parade. We thank our students, teachers and parents for an extremely positive first term.

EASTER BONNET PARADE

Sincere apologies for not being able to have parents at our Easter Bonnet Parade. As a mum myself, I know how special and important these events are for parents and would never stop or limit access to such events unless we were forced to do so. I also know how special it is to our students to have their parents or grandparents at special events like this. My own children loved having me at special events and assemblies and the smiles on their faces were priceless. We want you to see your child's smiling faces at these events and give parents every opportunity to be a part of their child's schooling.

I know that we have received some criticism for excluding parents and that it seems unfair when tens of thousands of people can go to the footy. But we do not make the rules or set the guidelines. We follow the Department of Education Guidelines as stated below:

"There continues to be no requirement to limit the number or type of visitors to school premises, however the density limit of 1 person per 2 square metres should be applied to any spaces and activities being attended by parent/carers and other visitors. The density limit applies to all persons in the space, including students."

This made having parents in the hall impossible. We were also unable to hold the event outside as we did not have the sound system and technology to support this and every parent would have needed to sign in—also a requirement as anyone on the site for more than 15 minutes must sign in and register their details. Please know that we want parents at these events and truly hope that these restrictions change and that we are able to open up our doors during term 2.

PROCESS / SCHOOL TOURS

At the beginning of next term, we start to open up the school to prospective new parents by inviting them to a school tour. If you know of interested prep parents for 2022 please encourage them to ring the office to book a tour. For parents with siblings starting in 2022 we encourage you to enrol your children early in the term to give us an early indication of our enrolments for the New Year. Enrolment forms will be available in the office at the start of the term.

Splash of Purple Day – Epilepsy Australia – Friday 26th of March

On Friday staff and students wore a splash of purple to raise an awareness of epilepsy. Thank you to our students for wearing a splash of purple and to parents for their gold coin donation. We raised \$318.50 to go towards supporting those affected by epilepsy.

HAPPY EASTER!

ANZAC DAY 2021

Sunday 25th APRIL

ANZAC Day is an important part of our historical and cultural understanding. It is a celebration of the freedom that we enjoy and a recognition of the sacrifices made in the name of that freedom.

An invitation has been extended to Tyabb Primary School and the Tyabb community to attend the dawn service being held in Tyabb this year at the war memorial at 5.50am. Our school will also lay a wreath at the Cenotaph to show our respect on behalf of the Tyabb Primary School community.

I hope that, once again, we can have strong representation from the Tyabb school community. We will provide further information when we return next term.

National Day Against Bullying 2021

Our grades celebrated National Day Against Bullying on Friday 19th March. Grades discussed a range of topics including what a bully is, what a bystander is, the steps to take if you are feeling uncomfortable in a situation and also how to be kind and the importance of being a kind friend.

Acorns, Acorns, Acorns

The last couple of weeks each Tuesday we have been collecting acorns from under our beautiful oak trees. There have been some extremely enthusiastic acorn gatherers and we have collected many, many acorns from the ground. These acorns were then delivered to The Big Goose on Mornington-Tyabb Rd, Moorooduc for the deer and pigs to eat. The acorns were a real treat for the animals. Thankyou very much to all my acorn gatherers.

Jo from The Big Goose sent us a video showing us all how excited the animals were to have the special treat delivered to them by Tyabb. Below are some pictures of the animals enjoying their feast.

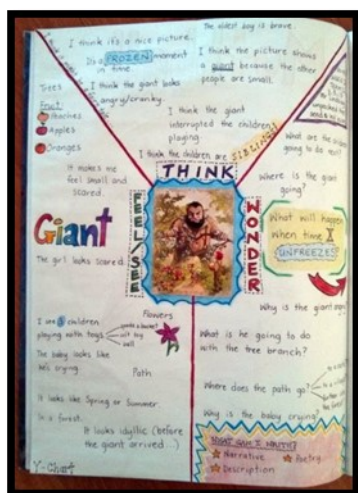

- Writing at Tyabb Primary School -

Writing is a complex process which is fundamental to constructing and communicating knowledge in all learning areas. Every child can be a successful writer and we make it a priority to teach our students to write imaginative, informative and persuasive texts.

Our writing workshops are designed to offer a simple and predictable learning environment which involves students in the active process of conceiving, planning, composing, editing and publishing a range of texts. Writing involves using appropriate language for particular purposes or occasions, both formal and informal, to express and represent ideas and experiences, and to reflect on these aspects.

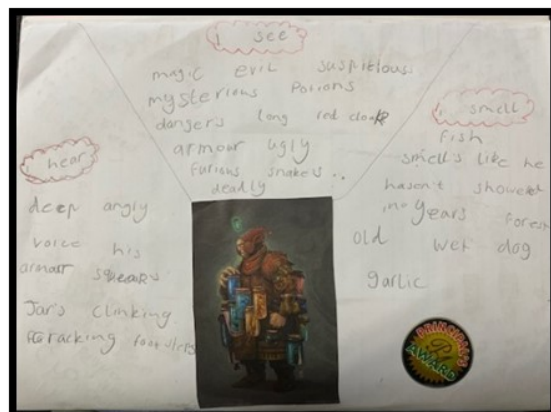

Students are offered explicit teaching opportunities where key writing skills are taught using valuable resources including VCOP and Seven Steps. Our aim is to promote a love of learning in our classrooms and provide students with opportunities to select writing topics that interest and challenge them.

Writer's notebooks are provided as a tool for our students to support their writing and assist them when generating ideas. Children write best about the things that are important to them. It is writing that comes from what they know and what they have experienced. A writer's notebook is a blank book where a writer can engage in the fun, often messy job of being a writer – practising, listing, playing with language, gathering images and ideas.

Students engage in individual writing conferences and are provided with small group practice to ensure all students achieve their writing goals. During this time, students are encouraged to set individual writing goals and reflect on their learning.

At certain points throughout the year, students will complete a 'Cold Write'. Students are given their writing stimulus immediately before writing which allows them to show what they know without external help. It also enables teachers to assess and moderate writing and establish individual writing goals for each student.

How can you support your child's writing at home?

READ, READ, READ!

Regular reading is a stepping stone to better writing and helps kids' strengthen their writing skills. It helps expand children's vocabulary and shows them different ways of using words. This also makes it easier for them to use these words in their own writing.

With younger children, make sure you're reading together every day and encouraging their love of reading as they grow. Start reading early—many children who devour books grow up to become strong writers themselves.

MAKE IT FUN!

Play games and activities that encourage writing. Crossword puzzles and word games are great for everyone. Little ones will especially like the "write the word" game: where they search for items and write down the word when they find each item.

WRITE LETTERS

Today, writing letters is a bit of a lost art. Encourage your child to write letters to friends or family members. Distant family members will especially love receiving handwritten letters and it's a great way to work on improving writing skills for kids.

Pen-pals are also a fun idea, or you can even write letters to each other and leave them around the house to find!

ENCOURAGE JOURNALLING

Keeping a journal is a great way to express thoughts and ideas while also working on improving children's writing skills. Plan an outing to pick a fun journal with your child and encourage them to write in it as much as possible. Make it a part of his or her daily routine.

CREATE A WRITING SPACE

Set aside a little corner in your house that is completely devoted to writing. Having an area dedicated solely to writing will help free your child from distractions so he or she can focus on practicing writing skills.

CONNECT THEIR INTERESTS

Think about your child's favourite book series. Or maybe they're obsessed with dinosaurs. Whatever their interests, connect them to writing. Have your child write a new short story about his or her favourite characters, or let them create a story all about dinosaurs.

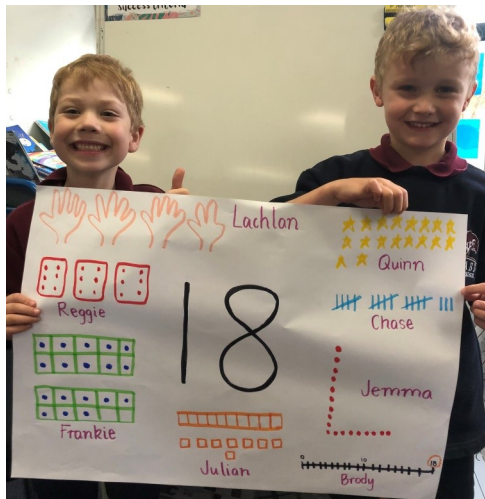

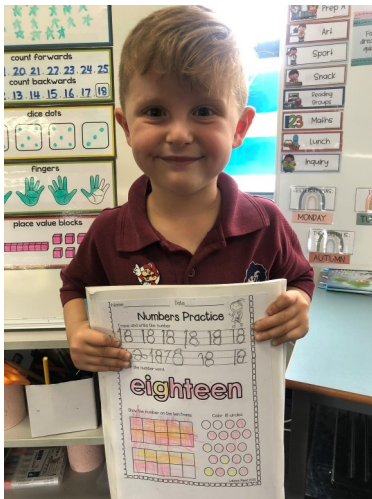

USE TECHNOLOGY TO YOUR ADVANTAGE

There's no getting around the fact that technology plays a huge part in our lives. Use it to your advantage by having your child search some wonderful online websites including 'Once Upon a Picture' where they will find various images to inspire creative story writing.

Term one is going by so quickly and the preps have had an amazing start to their first school year. They've been learning many sounds of the alphabet as well as the actions for each sound, counting and even subitising!

Number of the day!

Each week we have a number of the day, this week we looked at the number 18.

We had circle time and a number talk, looking at the different ways we can show the number 18.

Number talks have been a great way for the preps to visualise collections and build on their number sense. The preps were given some thinking time and then shared their ideas to make a number 18 poster.

Well done preps for an excellent start to the year!

ANZAC Day Appeal – 2021

We are currently selling ANZAC Day badges, pens, bracelets and key chains to raise money to support veterans and their families in times of need. If you would like to buy something to support the appeal, they will be in the office until ANZAC Day on the 25th of April.

Green Team Competition Winner

It is with great excitement Millie A and the Green Team wish to announce, the winner of the Earth Hour/ Sustainability Competition, is Jack of 3C. Jack and his family produced a wonderful poster showing how they celebrated Earth Hour and support Sustainability at home. Enjoy your \$50 Bunnings voucher Jack. Thank you to all the amazing students and their families who supported Earth Hour and spread the word about the importance of living sustainably. A big shout out to Ms Wright and Ms Woff for their fabulous posters too. Both teachers will be awarded a special prize for their efforts. (Hint - it's not the pony!)

Physical Education

Summer Lightning Premiership

Today was summer lightning premiership, we had been training for 3 weeks. We caught a bus to Bittern oval. We arrived and our first game was a bye. In our 2nd game we played against Moorooduc and won by 2 runs. In the 3rd game we played Flinders and we drew against them. We finished in 1st place and had a bye. Moorooduc and Flinders played against each other to see who would get in the grand final against us. Flinders won so it was us against Flinders in the Grand Final. We won against Flinders and sprinted over to the boys and interrupted their game and bragged about how good we are. Tyabb Primary School finished in 1st place, Flinders in 2nd and Moorooduc in 3rd place. Congratulations everyone.

By Rubi

The rounds were exhilarating. In the first round the adrenalin kicked in and I was so nervous but in the end we did great. We were tied for 2nd with Flinders but we had a great time at volleyball.

By Alexis

Winning 1 game, drawing 1 game and having 1 bye meant we were in 1st place. The 2nd last girl game was 2nd place Flinders and 3rd place Moorooduc playing against each other. This meant we had a bye before the Grand Final. In the Grand Final we played against Flinders. We batted first and at the end of the innings we got 9 runs. We were now fielders and I was picked as pitcher. The last batter for flinders looked me dead in the eye. I pitched.... She hit it straight to me, I grabbed it and chucked it back to our catcher Ruby K and we got a girl from Flinders out. We all cheer and wait for them to calculate the scores. We all played well, all of us were nervous. They announced the scores, 9 runs to 4 runs. WE WON! The girl's softball team won, we were so excited and rushed over to tell the boys softball team that we got to the next level.

By Misha

I came out of the bus with a rush of air swooping into my face, I turn left and there are little to no schools here. I'm confused if we are actually playing 4 games or not. Five minute go past and now everyone is here, I see some recognisable faces but chose to ignore them. A voice yells to get everyones attention, turns out it's Mr Davies about to explain the rules but they are pretty straight forward, all I really heard was win and that's what I was there to do. The first game starts so I walk over, my nerves begin to climb up my body. We were fielding first so I grabbed a glove and got ready to catch. No balls came my way so it was a pretty boring game. I got caught out on my first and only hit of that game. We lost by 3 or 4 runs. Then we played a mixed team, we played really well and won by 18 runs. Then we played flinders, coming into that game they had beat the team we lost to. We tied the first innings and won the second innings. From Tye

BOOK FAIR.

A huge thankyou to all the families who came and supported our recent book fair. It was lovely to see so many excited children choosing books to love at home. Many thanks to mums, dads and grandparents who came along and waited patiently for their children to select the book they loved the most and how lovely it was to hear the heartfelt “Thanks” from the kids and watch their smiling faces head home or off to school for the day.

Through your generosity we were able to raise about \$1000 that will go to buying school equipment and resources.

Keep your eyes peeled for the next book fair announcement for term two.

Sharon Wright.
