WELCOME BACK!

I hope everyone had a lovely Easter and that the children enjoyed the beautiful weather of the school holidays. It was terrific to see the children bounce back through the gates this morning with beaming smiles on their faces, obviously glad to be back. I enjoyed a visit to all of the classrooms and seeing how beautifully everyone has settled back in. Well done everyone!

Term 2 is usually one of our busiest terms with camps, excursions, incursions and all of the wonderful activities that happen in our classrooms every day. Some of these may still be impacted slightly by Covid restrictions but hopefully these will lift further as the term progresses. We are happy to be able to wish our year 5 students all the best for this week when they head off to Camp Rumbug on Wednesday. After only one camp taking place in 2020 we are happy to be able to say that all of our children in years 3-6 will have an opportunity to go on camp this year. We hope to be able to gradually offer further extra curricula activities as the year continues and restrictions lift further.

ANNUAL REPORT

All schools prepare an Annual Report to inform parents and the wider school community of the school's successes, activities and achievements throughout the year. Our 2020 Annual report is available for viewing on our website at www.tyabbps.vic.edu.au.

These results help us to celebrate our successes and guide future improvement initiatives. It is important to note that due to the lockdowns during 2020 students across the state did not do Naplan which significantly reduces the information available on this report. We are still, however, happy to celebrate the results that show we are doing extremely well in most areas.

ENROLMENT PROCESS / SCHOOL TOURS

This week we had our first school tour for potential new preps and their parents for 2022. If you know of interested prep parents for 2022 please encourage them to ring the office to book a tour. [For parents with prep siblings starting in 2022, we encourage you to enrol your children early in the term to give us an early indication of our enrolments for the new year.](#) Enrolment forms are now available from our office.

ANZAC DAY

With the easing of restrictions, we are pleased to announce that there will still be a Tyabb Commemorative Dawn Service this year at the war memorial at 5.50am. The memorial is located at Tyabb Central Recreation Reserve on the corner of Mornington Tyabb Rd and Frankston Flinders Rd. There will be

a few changes due to restrictions with a larger area being used, spilling onto the oval if necessary so that social distancing requirements of 1.5 metres are met between individuals [unless you are a same household group] and between individuals and groups.

COVID rules are still in place and those not feeling well or exhibiting symptoms should not attend. Whilst masks are not mandatory it is strongly recommended to wear one especially if large numbers attend and people are not able to socially distance. Shaking hands, hugging and kissing as a greeting is discouraged under the DHHS COVID guidelines. People attending will be required to sign in using the QR code. 1st. Tyabb scouts along with Somerville/Tyabb Rotary will again be supplying limited shelter, cooking a breakfast and asking for a gold coin donation.

We look forward to seeing you at the Tyabb Service.

Please note that Tyabb Primary School will only officially participate in the Tyabb service this year. We were unsure whether the Hastings service and march would take place.

ENVIRONMENT CENTRE REVAMP

During the holidays Mrs Bartlett and the Hardy family spent a couple of days helping out in the garden. Many thanks to Zac, Liam, Jacob, Katie and Sam. What an amazing transformation! We look forward to putting the environment centre to good use by planting vegies and getting ready for a new chook shed and new fencing.

Our annual Mother's Day Stall will be held on Thursday 6th May.
Extra gifts can be purchased Friday 7th of May from 8:45am.

NAPLAN

NATIONAL ASSESSMENT PROGRAM
Literacy and Numeracy

11TH–13TH MAY 2021

NAPLAN Testing for year 3 and 5 student will take place during week 4 on Tuesday 11th May until Thursday 13th May. NAPLAN did not take place in 2020 due to the Covid pandemic and in 2019 students completed their tests online. This year all students will be completing these mandated tests on paper.

It is important to note that this is just one test that provides schools and parents with a snapshot of a student's ability and performance on a particular day at a particular time. If you are concerned about your child's academic progress and would like more detailed, diagnostic information about your child, please make an appointment with their teacher.

Please ensure that your child arrives on time to school during the NAPLAN testing time. Opportunities for catch up testing will be available but only on Friday 14th May.

TESTS TO TAKE PLACE

Tuesday 11th May—Literacy

Language conventions—to be conducted between 9:00am and 10:30am

Writing—to be conducted between 11:20am and 12:20pm

Wednesday 12th May—Literacy

Reading—to be conducted between 9:00am and 10:30am

Thursday 13th May—Numeracy

Parents of students in grade 3 and 5 will receive a letter with more in depth information regarding NAPLAN. This will be sent home early next week.

If you have any questions, please speak to your classroom teacher or see our Assistant Principal, Kris Grinsted.

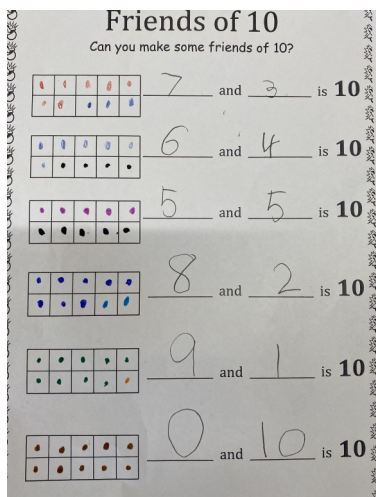

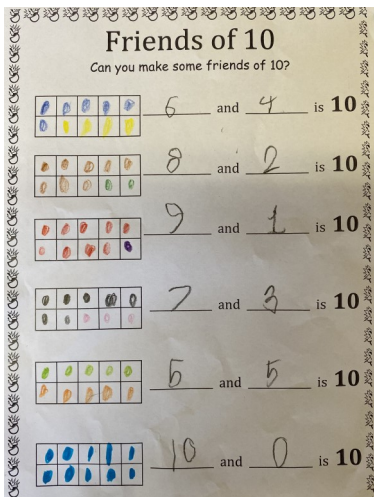

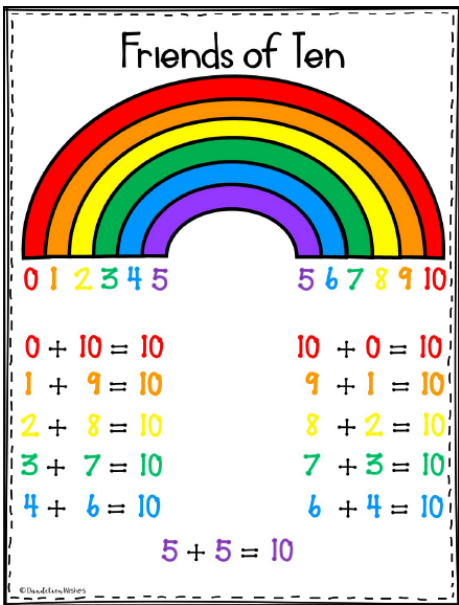

Classroom Capers
