## COVID UPDATE

Thank you to our parents for their continued support with testing their children and informing us if their child is positive. This information is used to notify other parents in a class or year level and encourage them to monitor for symptoms and keep students home if positive. This helps us to minimise the spread across the school. In the last couple of days we have had an increase in cases across the school. Multiple cases emphasise the need to continue to maintain covid safety measures:

- Staying home if unwell
- Monitoring for symptoms
- Regular RAT testing
- Regular hand hygiene
- Face masks for staff and year 3-6
- Ventilation through open windows, doors and air purifiers

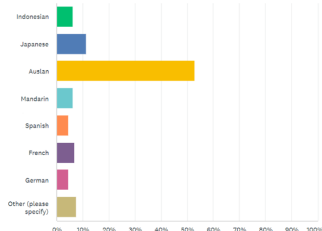

Thank you for your continued support. We hope that our students and family members who have tested positive are recovering well .

## INTRODUCTION TO AUSLAN

We recently surveyed staff and parents to ask about their preference for the language that we introduce at Tyabb Primary School. As you will see from the graphs below their was an extremely strong preference to teach Auslan. As of term 2, Meg Huther, will return from family leave and begin an introduction to Auslan to all year levels across the school. Meg is currently visiting other schools to design an introductory program for our students.

## GRADE 4 CAMP

### PHILLIP ISLAND 23RD - 25TH MARCH

Last Wednesday our grade 4 students went on camp to Phillip Island. The first day was spent settling in to their cabins and rotating around several camp activities such as the giant swing, low ropes, archery and mechanical wall. At night they went to the penguin parade and loved the opportunity to see the penguins up so closely. During the remainder of the camp the students continued their activity rotation, built sandcastles at the beach and visited A Maze'N' Things.

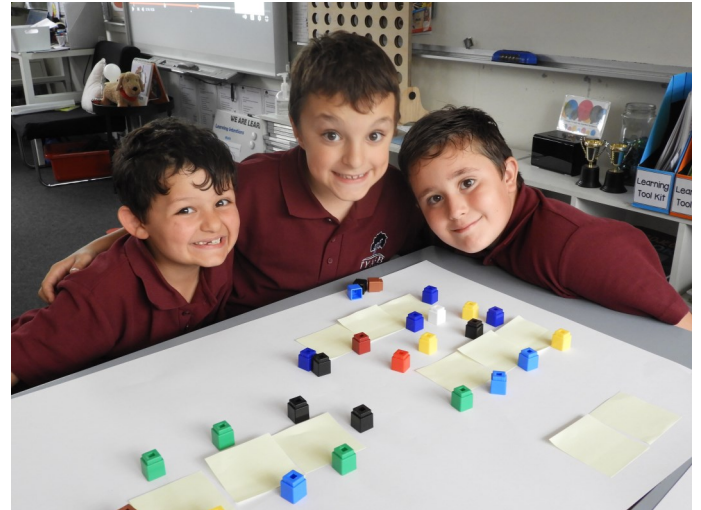

The teachers and camp staff mentioned that they were extremely proud of the students who were behaving beautifully, giving everything a go and having fun. Thank you to our staff—Miss Riley, Ms Woff, Mrs Hunter and Jantina Forecast for organising and running the camp and to our 6 parent helpers (Lachlan Alcorn, Matthew Couper, Ben Flower, Brent Thickens and Priscilla Cutting ) who took time away from their work and commitments to support our children. Thank you!

# World Maths Day 2022

World Maths Day is celebrated every year in order to encourage students around the world to sharpen their skills in arithmetic and problem solving. ## Splash of Purple Day – Epilepsy Australia

Saturday the 26<sup>th</sup> of March was Epilepsy Australia's Purple Day! Purple Day aims to encourage people to talk about epilepsy and to remind those who live with seizures, that they are not alone.

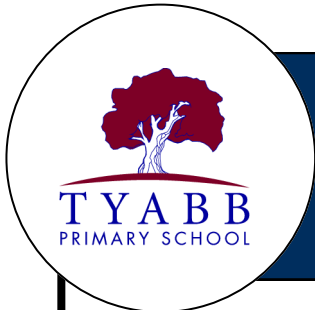

Epilepsy is a disorder of brain function that takes the form of recurring convulsive or non-convulsive seizures. Epilepsy is not just one condition; rather it is a diverse family of disorders comprising many seizure types. Over 250,000 people in Australia are currently living with epilepsy.

If you would like to support this wonderful cause, we encourage you to “**GO PURPLE**” and wear a splash of purple to school and bring a gold coin donation on **Tuesday 5<sup>th</sup> of April.**

You might wear some purple socks, or a purple hair tie or ribbon in your hair.

We can't wait to see some splashes of purple!

## “Caught Being Kind”

During the last two weeks there has been a big emphasis on the importance of Being Kind. Students caught being kind in both the classroom and the playground had their names entered into the box in the office. We had over 160 students being nominated for kindness acts. This is evidence of the kind and caring students we have at Tyabb Primary School.

Some of the reasons included:

- *helping others in class during Science*
- *Encouraging others*
- *Putting books away without being asked*
- *Mentioning to another student that their work was great*
- *Helping each other with their class work*
- *Playing so nicely with grade one students*
- *Offering to help*
- *Packing up another students stationery*
- *Helping a friend when they got hurt*
- *Holding open the door for friends*
- *Helping people when they were stuck and just being really kind*
- *Helping me with work, being very kind and making me happy. She smiled and was happy to help me*
- *Helping me when I was finding work hard*
- *Helping me pack my bag when it was full of stuff*
- *Letting people play when they asked to*
- *Taking turns during volleyball with her team without being told how to rotate*
- *Helping me when I hurt my ankle*

# Star Citizen Award

Introducing a new award for 2022

## *Star Citizen of the Term*

This award will be presented to seven students per term:

One student from each year level (Prep to Gr 6) will be selected by the teachers in that year level to receive the Star Citizen of the Term award. This award has been created to reward a student who always displays our school values on a consistent basis to a high standard.

The recipient each term will be announced at the final assembly held for the term and presented with a medallion (similar to the one below) that will have the school logo on the front and engraving on the back to recognise the student and their achievements.

We look forward to announcing our Term One inaugural winners at our final assembly for term one. Parents will be informed prior to the announcement and either sent a Webex link (if Assembly is still online) or an invitation to attend the Assembly.

Term one is going by so quickly and the preps have had an amazing start to their first school year. They've been learning many sounds of the alphabet as well as the actions for each sound, counting and even subitising!

## Number of the day!

Each week we have a number of the day, this week we looked at the number 12.

We had circle time and a number talk, looking at the different ways we can show the number 12. Number talks have been a great way for the preps to visualise collections and build on their number sense. The preps were given some thinking time and then shared their ideas to make a number 12 poster.

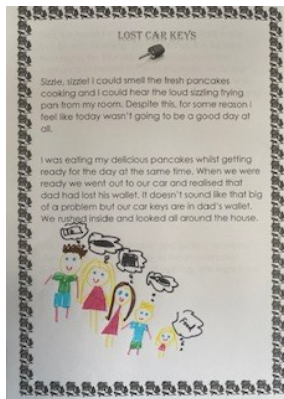

Well done preps for an excellent start to the year!

## WRITING

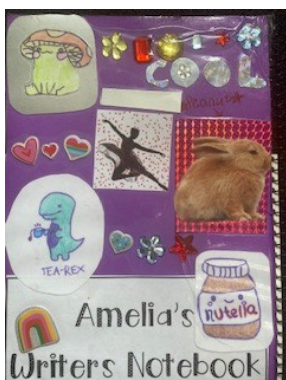

What a terrific start to the year with some incredible literacy opportunities being provided at Tyabb Primary School! It's been fantastic to see so many students buzzing about Writing and eager to share their success with teachers and friends.

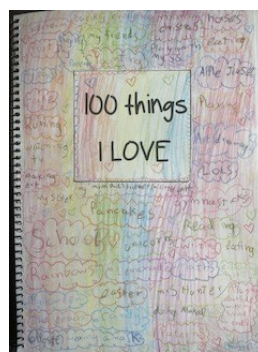

### Writer's Notebooks

The setting up of our students Writer's Notebooks has certainly been an exciting part of term one where students across all year levels have spent time decorating and personalising their very own notebook.

A Writer's Notebook encourages writing practice, nurtures creativity and supports students to generate ideas.

### The Writing Process

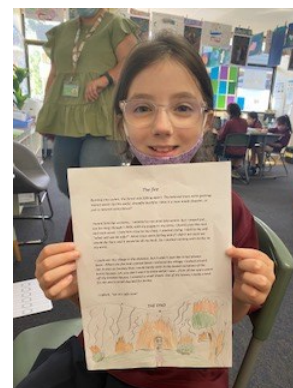

Students work through a sequential writing process where they are able to plan, draft/write, edit and publish their written work. The role of the teacher is to support and guide the student by offering constructive feedback throughout the process. The student and the teacher set achievable goals together and reflect on the progress made.

### Student Voice

"I love that I can write about what I'm interested in" Billy

"I am encouraged to use my imagination and be creative" Zane

"I love that I get to publish and type a good copy of my writing" Kiahna

**Beleza** SCHOOL UNIFORMS

Dear Beleza School Uniform Customers and Community,

### Important Update Re: Suppliers in Isolation due to Covid-19 Virus

It has been brought to our attention that all our suppliers in China have been instructed to stay at home due to the recent outbreak of Covid-19. As many are now working from home, production of garments has been halted and our suppliers are unable to track their production line and therefore are not able to provide us with updates on which orders have been affected.

We have also been notified that due to this outbreak, most suppliers will not be able to send orders to our warehouses at this time.

Please note that we are still taking new orders, but production timelines may vary due to the unpredictable nature of the Covid-19 virus and may take longer than expected. If you have currently placed an order with us, please be assured that once our suppliers can continue production, your orders will be completed and shipped to our warehouses as soon as possible. If you have placed an order of items we have available in our warehouse or stores, these have not been affected and will continue to be processed as per normal.

We will keep you updated when we have more information on the current situation. If you have any queries or concerns, please feel free to contact us at any time.

I would like to alert you to the 'Get Active Victoria' government initiative that can provide families with \$200 worth of registration fees/apparel for eligible families with a healthcare card or pension card.

See this link for more details: <https://www.getactive.vic.gov.au/vouchers/>

I believe this would assist many of our community families financially and enable our local kids to begin or continue their sporting journey's.
