

PUPIL FREE DAYS

Term 2

WEDNESDAY 15th JUNE

We apologise that we have been unable to join this pupil free curriculum day to the Queen's Birthday long weekend but unfortunately guest speakers presenting at the teachers professional development were only available on this date.

Term 3

FRIDAY 15th July

Student led conferences

MONDAY 1st August

Curriculum Day

Term 4

MONDAY 31st October

Curriculum Day (Monday before Melbourne Cup)

Please mark these into your diaries as students do not attend on these days

STUDENT HEALTH—COVID UPDATE

After a couple of cold and wintery weeks with several covid cases and up to 90 students away per day, it is a timely reminder that we must remain vigilant in terms of current covid safety measures to look after the health of students and staff and avoid an outbreak of both covid and the flu.

A couple of key points to remember:

- If your child is unwell please keep them at home and RAT test if displaying symptoms.
- You now only need to RAT test if your child shows symptoms or is a household contact and is returning to school.
- Parents must continue to notify the school if their child tests positive for covid and the child must isolate for 7 days.
- Parents must notify the school if their child is a household contact. A household contact is a person that spends more than 4 hours in a house with someone that has Covid 19. Household contacts are no longer required to quarantine as long as they take additional safety measures.
- Household contacts who are over 8 years of age are required to wear face masks indoors at school unless they have a valid exemption. They must also RAT test each day for 5 days.
- All staff, students and visitors should continue to practise good hand hygiene.
- Schools are encouraged to run extra curricular activities but must conduct a risk assessment and modify where necessary.
- We will continue to let you know when we have a positive case so that you can monitor for symptoms.
- Thank you for your continued support !!!!!

STAFF NEWS

Exciting staff news! We would like to wish Miss Riley and her partner Brad all the best for their wedding tomorrow and for a wonderful future together. We look forward to hearing all about their special day and welcoming Mrs McDonald back to school next week.

When we took this photo Mr Fitt was excited but anxiously waiting for the arrival of his first child. Since the photo we are happy to announce that the baby has arrived and that Mr Fitt and his wife Emily now have a beautiful daughter Eliza Fitt. Congratulations Mr Fitt and Emily!!!!

NEW BANK ACCOUNT—HEADS UP

As a requirement of the Department of Education, our school has had to change banks and we are now gradually transitioning to the Commonwealth Bank of Australia (CBA). The Bendigo Bank account will close on the 1st October 2022. We can now accept transactions and are encouraging you to start using our new bank account. Please update the details in your bank account for direct deposit transfers as listed below.

There is no change for families who pay using Centrepay or BPAY.

New Bank Account:

BSB: 063093 Account Number: 10000917

Account Name: TYABB PRIMARY SCHOOL OFFICIAL ACCOUNT

SENTRAL REPORT FORMAT

Do you have the Sentral App? This is the only way to access your child/children's reports. Reports will be available on the Sentral App in the last week of term—Wednesday 22nd June.

At the end of each semester we provide parents with a copy of their child/children's reports through our Sentral App. This report provides parents with an update on their child's progress and achievements against the standards of the Victorian Curriculum.

Key features of the report

We have a values checklist and personal comment that will show your child's personal strengths and possible areas for improvement.

Tyabb Values

Tyabb Primary School has a strong commitment to a set of core values—Respect, Safety, Responsibility, Integrity and Optimism. These values underpin all decisions made in the school and provide a framework for behavioural expectations of all community members. They are the basis for our expectations of behaviour in both the classroom and the playground. Our school values are interrelated amongst all of the curriculum areas that are taught at Tyabb Primary School. They are the foundation for a safe and caring school committed to working and learning together.

Respect	Always	Usually	Sometimes	Needs Attention
Uses good manners			✓	
Listens and follows instructions	✓			
Shows care and consideration of others				
Safety	Always	Usually	Sometimes	Needs Attention
Allows others personal space	✓			
Plays safely in the playground	✓			
Follows playground rules	✓			
Responsibility	Always	Usually	Sometimes	Needs Attention
Is organised and ready to learn		✓		
Makes good choices		✓		
Accepts consequences for their actions		✓		
Optimism	Always	Usually	Sometimes	Needs Attention
Strives to be their best	✓			
Displays a positive attitude	✓			
Bounces back and displays resilience	✓			
Integrity	Always	Usually	Sometimes	Needs Attention
Displays honesty	✓			
Is kind, caring and helpful	✓			
Accepts and includes others	✓			

Your child will also receive a progression point (dot) that shows your child's achievement level against the standards of the Victorian Curriculum for English, Mathematics and the other learning areas relevant to your child's year level. There are also checklists for English and Mathematics that show the skills taught during Semester 1 and your child's progress in these areas.

English

Learning Area	Rating	Level 3	Level 4	Level 5	Level 6	Level 7
Reading and Viewing	Above			●		
Writing	Above			●		
Speaking and Listening	At Level			●		
Skills Reported To This Semester						
	Beginning	Developing	At Level	Extending	Advanced	
Reading and Viewing						
Reads and navigates a variety of texts by interpreting their structural features.					✓	
Understands how text varies in purpose, structure, topic and the degree of formality.					✓	
Understands how to use banks of known words, spelling patterns, base words, prefixes and suffixes, to spell new words.			✓			
Recognises that ideas in texts can be conveyed from different viewpoints.			✓			
Reads imaginative, informative and persuasive texts using text processing strategies, such as monitoring meaning, skimming, scanning and reviewing.		✓				
Uses comprehension strategies to analyse information, integrating and linking ideas from a variety of texts.					✓	
Describes how events, characters and settings in texts are depicted and explain their own responses to them.				✓		
Writing						
Plans, drafts and publishes texts across a range of genres that are appropriate to purpose and audience.			✓			
Revises and edits own and others' work for cohesive structure and meaning.		✓				
Adds description and detail to texts by combining related nouns and adjectives.			✓			
Uses complex sentences that make connections between ideas, such as independent and dependent clauses.			✓			
Understands how to use apostrophes with common and proper nouns to show possession.				✓		
Uses high level vocabulary to express greater precision of meaning.				✓		
Accurately spells words that share common letter patterns but have different pronunciations.		✓				
Has developed a handwriting style that is legible and fluent.			✓			
Speaking and Listening						
Contributes actively to class and group discussions, taking into account other perspectives.			✓			
Listens and asks questions to clarify content.		✓				
Plans, rehearses and delivers presentations.			✓			
Develops and explains a point of view about a text selecting information, ideas and images from a range of resources.				✓		

There will also be an opportunity to discuss these reports and your child's progress at our Student Led Conferences in the first week of next term. A note has been sent home this week inviting you to book a time for this conference via the Sentral App.

STUDENT LED CONFERENCES

Please note this date in your diaries as students do not attend for the whole day.
Week 1 Term 3—Friday 15th July.

Students will not attend a usual school day on this date but will be invited to attend a 20 minute student led conference during that day or after school on Thursday 14th July from 4pm until 7.40pm. Further information regarding this process and our online booking system via Sentral was sent home this week.

What is a student led conference?

Research tells us that students should be actively involved in their learning and assume responsibility of the learning process. Student Led Conferences motivate students to be accountable for their learning, encourage reflection and help them evaluate their academic progress.

At Tyabb Primary School we use the Student's Learning Journals to help facilitate and guide the discussion during the conference. These Learning Journals will display results and work samples that will demonstrate your child's achievements and growth in a particular skill or subject and provide your child with the opportunity to discuss their learning journey with you. The conference places the child at the centre of the process and allows the student to develop ownership over their learning.

Before the conference:

- ◆ Read your child's school report and discuss it with them
- ◆ Celebrate their achievements from throughout the first semester.

On the day:

- ◆ Plan on spending 20 minutes in your child's classroom.
- ◆ The first 10 minutes will be led by your child.
- ◆ The second 10 minutes will be for any questions about your child's report, their progress and future learning goals.
- ◆ Be prepared to talk with your child about his/her strengths and areas for growth.

During the conference:

- ◆ Please be supportive of the work and the results that your child has achieved.
- ◆ Use language that your child understands.
- ◆ Please give positive feedback to your child.
- ◆ Use sentence starters such as "I like how you..." or "What did you learn from?"

After the conference:

- ◆ Talk with your child about the conference and their learning goals.
- ◆ Remember the student led conference is a great opportunity to celebrate learning and be proud of their achievements.

GRADE 6

Our grade 6 students recently studied the colourful and creative art and architecture of Austrian artist Friedrich Stowasser.

These pot plants were inspired by both his buildings and paintings.

Lunchtime Activities

This term we have introduced Lunchtime activities for students to have a change to the whole hour in the yard. These activities are optional and this week we had some very enthusiastic participants. We look forward to continuing these activities and also adding to them as the term progresses. This will continue into term three.

What's Happening

Term 2 & 3

Please note that this page will be updated each newsletter as new events are scheduled

TERM 2	
Monday 13th June	Queens Birthday Holiday
Wednesday 15th June	Student Free Curriculum Day
Thursday 16th June	Winter Lightning Premiership
Monday 20th June	School Council Meeting
Wednesday 22nd June	Reports Sent Home Via Sentral
Wednesday 22nd June	Southern Metro Cross Country
Friday 24th June	Silly Sock Day - Gold Coin Donation for World Vision Child
Friday 24th June	Last Day Term 2 - Dismissal time 2.30pm
TERM 2	
Monday 11th July	Start Term 3
Thursday 14th	Student LED Conferences
Friday 15th July	Student LED Conferences - Students only attend interviews

LUNCH ORDERS NEXT WEEK

Due to the Curriculum Day on Wednesday 15th June, Lunch Orders will be served on Thursday 16th June. Orders will close as usual on Tuesday 14th June at 9.15am.

LUNCH ORDERS

Just a reminder that if your child has ordered a lunch order and is away sick on the Wednesday, please call the office as soon as possible so the canteen can cancel your order so as not to waste food. Orders can be rolled over to the following week. If your order is rolled over to the next week due to cancellation, you do not have to put another order through for the following week, it will automatically be placed for you. Thank you

CSEF (CAMPS, SPORTS, EXCURSION FUND)

If you have a Centrelink Health Care Card or Pensioner Concession Card you may be eligible for CSEF for your child. Please come to the office to fill out a form.

If you have previously applied through Tyabb Primary we will reapply on your behalf for this year.

Applications for this year close on 24th June 2022.

Silly Sock Day

Friday the 24th of June 2022

On the last day of term we will be holding a
Silly Sock Day!

Please bring a gold coin
donation on the day to raise
money for Tyabb Primary
School's World Vision
sponsor child, Ashim!

You could wear odd, fluffy,
long, patterned or CRAZY
socks!

IN THE SCIENCE LAB.

Semester 1 has been busy in the Science Lab! Prep A started our school year learning about what science is. It is the study of everything around us- the oceans, the forests, space and everything in them. They also learnt about their 5 senses and how they help different types of scientists discover and invent things.

Prep students also painted pictures with jelly crystals and tested materials to see if they are waterproof.

Grades 1A and 2A made colours dance in milk and combined materials to discover what substances dissolve in water. They also looked at the differences between physical and chemical changes of matter, discovering when they made lava lamps, that in a chemical change, a new substance is created.

Grade 3 students carried out experiments that investigated dissolving the dye on skittles and bicarb soda in different solutions. They also made milk plastic, looking at chemical changes in materials.

During term 1, the senior students were focused on light and how it helps us to see. They learnt how we see objects, colour and how water can distort an image. Then they designed and made periscopes that showed how light can bend around corners. Students also investigated the colour of light, making a model of Newton's colour wheel to demonstrate how we see colour. At the end of the term, they had fun working with our little Edison Robots.

Mrs. Toft

Classroom Capers

The preps have had a delightful term learning all about pets and farm animals in our 'Living Things' Inquiry unit.

We have explored the way farm animals live and survive and how they are different to pets. We have also learnt that living things have a variety of external features and live in different places where their basic needs, including food, water and shelter, are met.

Last week we visited Chesterfield Farm in Scoresby. The preps had a wet but wonderful day! They enjoyed seeing, patting and feeding many different animals. They also had a tractor ride, visited the baby animal nursery and saw a cattle dog rounding up some sheep.

Such a fun and educational day, which consolidated our 'Living Things' learning this term.

Green Team News

Soft Plastic Collection

Thank you to all our wonderful Tyabb families for supporting our push 'Nude Food' lunch boxes. As many of you would be aware, we are now working to recycle any soft plastics rubbish that does make its way to school. Each classroom has a soft plastic collection that is handed in each week to 'Green Team Central' (Mrs Bartlett's room 6) and this is then taken up to the collection point at Coles in Somerville. Many students and staff are reporting they are doing this with their soft plastics at home as well. Fantastic effort Tyabb!

Chicken Holiday and Term 3 Roster

The 'girls' are looking for families who would be willing to care for them over the Term 2 holidays. This involves checking their water is topped up and clean, feeding them (feed supplied) and letting them out in the morning and returning them to their hen house before it gets dark each afternoon. If you can help out or are interested in a weekend in Term 3 please send Mrs Bartlett an email karina.bartlett@education.vic.gov.au Thank you so much to the Masterson, Thiele, Carlson, Kirkpatrick and Pludra families who have already helped out this year.

National Tree Day

Last year National Tree Day was a resounding success at TPS with over 700 trees planted by all our students in Oliver's Creek. It's on again this year with the support of our wonderful Yashmin Beaumont and the Mornington Council, so stay tuned for the date to be confirmed in Term 3.

Register and Pay \$60.

School Photos 2022 – Tyabb Primary School

Annual school photos have been taken by Arthur Reed Photos.

To view the images of your child and order photos, you will need to first register online.

1. Go to <https://order.arphotos.com.au> and enter the 2022 image code for your child (*from their personalized flyer*)
2. Tap on 'Add another child' to enter the image codes of any siblings
3. Fill in your email and mobile details and then review all details before confirming your registration

That's it! When 2022 photos are ready, you will be notified by email and SMS.

Even if you registered last year, it's important that you do it again each year using your child's new image code to link their photos for the current year with your contact details.

To ensure you are ordering school photos for the current year, please wait for notifications that 2022 images are online before placing orders.

In the webshop you can view photos and customize your photo package; Choose ANY layout, ANY image and purchase multiple digital image downloads.

All photo orders will be sent directly to the address you provide when ordering.

REGISTER ONLINE NOW to be notified when 2022 school photos can be viewed and ordered.

Register online now to be notified when images are ready to view!

School Photos - easy as 1 2 3

1 Go to order.arphotos.com.au and enter your child's 2022 image code

2 Tap on 'Add another child' to enter the image codes of any siblings

3 Fill in your contact details & review before confirming your registration*

*This information will only be used for distribution of personal image codes and ordering details.

That's it! You'll receive an email and/or SMS when images are ready to view in our secure webshop
Registration is required each year to link student images for the current year with your contact details.

• View photos online & customise your photo package • Any layout, pose or image • Multi Image Digital Downloads

TO ENSURE YOU ARE ORDERING 2022 PHOTO PACKAGES, please wait to receive notifications to view 2022 images before placing orders
