

### PUPIL FREE DAYS

Please mark these into your diaries as students do not attend on these days

Term 4

**MONDAY 31st October**

(Common Practice Day) - pupil free  
Day before Melbourne Cup

**TUESDAY 20th December**

Our final Curriculum Day is the last day of the school year. Teachers will plan and prepare for the following year. No students in attendance.

### WHATS ON NEXT WEEK

- **Monday assembly 2.40pm**
- **Friday 16th Footy Parade, sausage sizzle and 2.30pm dismissal**

### PRINCIPAL'S REPORT

Last week we had our annual Father's Day Stall and breakfast. Thank you to the PFA for another fantastic Father's Day stall with an amazing array of beautifully wrapped presents. The children were so excited to shop at the stall and buy something special for their dad or special person in their lives. Thanks to all of the parents who donated, wrapped gifts and ran the stall on the day.

We also had our annual Father's Day Breakfast, serving bacon and egg rolls and toast to over 400 people. It was terrific to see the smiling faces of children having breakfast with their dads or another special person in their lives.

Thank you to Jantina Forecast for organising this event and to parents and teachers who helped to set up, cook and serve on the day. After the last couple of years of disruption it is really nice to be having community events again.

### NAPLAN

**NAPLAN RESULTS FOR GRADES 3 & 5 STUDENTS CAN BE COLLECTED FROM THE OFFICE.** Please

remember that Naplan results only reflect a snapshot of your child's ability on one day. If you would like further information on your child's progress, please contact the office to make a time to see your child's classroom teacher.

### 2023 PREP PARENT / TEACHER INTERVIEWS

This week our prep teachers have enjoyed meeting our new preps and their parents at our parent / teacher interviews. This was the first stage to our transition program with the next stages and dates set out below.

**Thursday 10th or Friday 11th November**  
**Small group session – times to be confirmed**

Bring your favourite teddy friend

**Thursday 17th November at 9.30am – 10.30am**

Colour Day – wear your favourite colour

**Wednesday 23rd November at 9.30am – 10.30am**  
**Children will be in their actual grades/teacher for this session**

Super Hero's Day – dress up as your favourite super hero or book character

**State Orientation Day - Tuesday 13th December**

**from 9:15-10:45am.** Children will once again be in their grades with their actual teacher during this session. (Grade lists will be on display outside of classrooms).

### START OF SCHOOL 2023

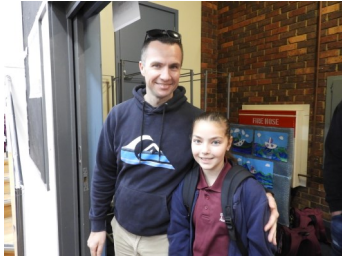

- Friday 27<sup>th</sup> January – Teachers start – **no students**
- Monday 30<sup>th</sup> January – Grades 1 – 6 start ( **no preps**)
- **Please note: Preps do not begin until Tuesday 31st January 9.00am**

*We hope that our dads, grandads and the other special people that care for our children had a lovely Father's Day and were all spoilt in some way and thanked for everything that you do!*

# 2022 Year Book Front Cover Competition!

We are currently putting together our 2022 Tyabb Primary School yearbook. We are once again running a competition for this years front cover.

## Your Entry Needs

- To be on an A4 page (portrait orientation only)
- The title 'Tyabb Primary School 2022'
- Colourful illustrations filling the entire page
- Please make sure that there are no spelling mistakes
- Name and grade in grey lead pencil on the back

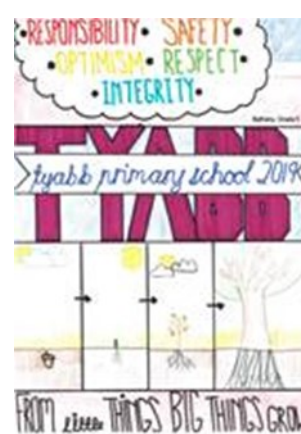

## You might like to include

- our school houses (Benton, Baxter, Coolart and Jones)
- our school motto 'From Little Things, Big Things Grow'
- our values (respect, safety, responsibility, integrity, optimism)

There will be two winners as we need a front and a back cover illustration. If you would like to enter, please put your entry into the box in the office by **Monday 12<sup>th</sup> of September.**

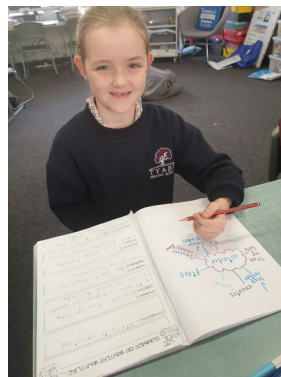

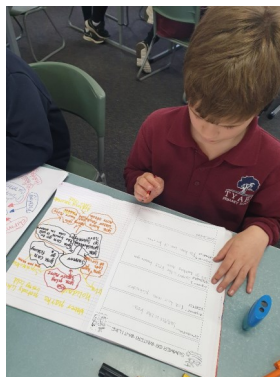

We can't wait to see some amazing designs! ☺

Here are a few of our previous designs

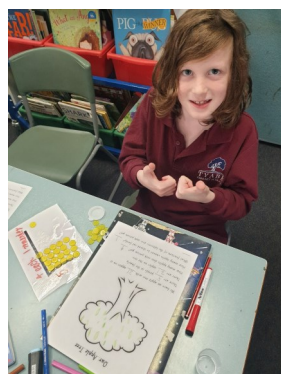

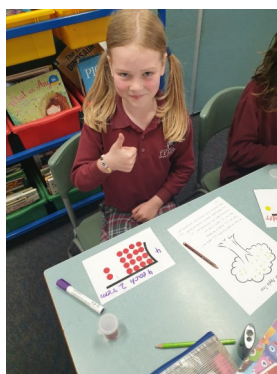

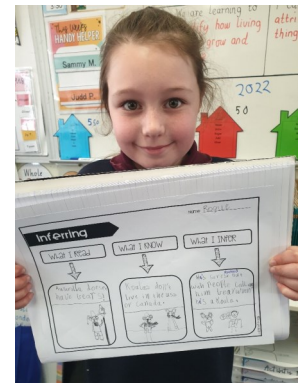

# Classroom Capers 2B

In 2B we loved celebrating Book Week and coming as our favourite book characters. We had some awesome costumes which we enjoyed showing off on stage at our Book Week Parade!

In Writing, we have focused on persuasive writing. There have been many interesting topics to write about and we have used persuasive language devices to make our opinions more appealing. We are not sure that having pets at school will be approved but we thought we were very convincing!

In Reading, we have used our mentor texts to analyse and make inferences about characters. We have taken on the roles of "book detectives" to learn these skills. When we pay attention to what the characters do, say, think and feel, it makes analysing and inferring easier.

In Maths we are learning to divide numbers and share into equal groups. We have been solving real-life problems involving our families and friends. We know that remainders are a normal part of sharing so nobody will miss out when we share in 2B!

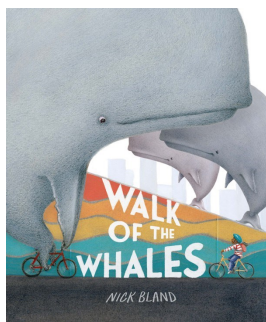

**Art** for term three has focussed on art in relation to literature, more specifically the titles in this year's

Children's Book Council of Australia. New books from this list were purchased for our library and have been our starting point in art.

This book showed the importance of keeping our environment clean. Grade 5 made 3d whales and prep printed backgrounds and drew whales

"The Inheritance" is a picture book for older children and also deals with the effect humans have on the planet dealing with topics such as climate change, pollution and corporate greed. Grade 5 and six created some amazingly insightful work using charcoal and coloured chalk pastels. ( messy but so very effective.)

"Stellarphant" is a book about dreaming big and never giving up, especially if someone says no based on gender, race or just because you might be the first of your kind. Grade 1,2,3 and four had fun exploring proportion, position of foreground, middle and backgrounds in this fun activity.

The Theme for this year's Book Week was "dreaming with eyes open". It meant looking at the world and

dreaming big.

Grade five and six explored pattern and line to envision their dreams for the future and filled their heads with ideas. Other grades created stars that they could wish on for their dreams to come true.

"Winston and the Indoor Cat" celebrates our differences and getting along.

## Finally....

A huge thankyou to all who bought from our recent bookfair. A fabulous \$900 !!!! was raised for our library.

## Grade 6 Golden Valleys Camp

Our Grade 6 students departed from Tyabb Primary School on Tuesday the 30<sup>th</sup> August and were headed for a new camp destination... Golden Valleys Camp in Flinders. On the way we stopped for a hike at Cape Schanck, before arriving at a camp perched on top of some green rolling hills. Over the 4-day camp, students climbed the vertical obstacle course and rock-climbing walls, soared down the Flying Fox, tested their aim at archery, cooked damper and s'mores, used team work on a range of games and learned a new favourite sport... Ga Ga Ball! There was plenty of mud, laughter, great food and stronger bonds were made between students. The staff at Golden Valleys were thrilled at how the students respected their dorms and kept them clean, used wonderful manners and got into the spirit of camp life!

# Golden Valley Camp 2022

## Activities

There are lots of fun, interesting and breath-taking activities. With scorching views, the flying fox is one of the best activities to do. Getting to go upside down was even better. If you are lucky you will also get to do a super tall rock wall. Just make sure that you don't look down because it is very high. All of the activities are filled with things that are very unexpected. You also got to go through an obstacle course. While doing the course you had to either take a bucket of water or a heavy person like bag called 'Dead Man Bill'. He was not fun to carry. But the course was fun.

There was lots of team work was involved

Getting ready for camp the grade 6's started the day of with a walk to a beautiful view!

## FOOD

At camp you get fed lots of food. It is all delicious and you get something different everyday. If it is a nice day you get to eat you Morning Tea, Lunch and Afternoon Tea outside. It is surely nice getting to eat your food while chatting and watching the kangaroos hopping around. One of my favorite meals we had was the Chicken Parma and for dessert we had Brownies and Ice-Cream. It was absolutely delicious!

## FREE TIME

After each activity we got 30 minutes of free time and after your last activity you got until dinner to do what you want. You were able to play chess or volley ball, hang out in your cabin or just do whatever you want. This is definitely a big privilege because you don't often get free time at the other camps.

## Night Time Activities:

For our night time activities, we did a different activity each night. On the first night we watch a movie. It was Zootopia. After the movie we all went to bed because we were exhausted. On the second night we went on a bush walk down a hill. It was not fun to walk back up. After the walk we then made S'mores around the fire. On the last night because we were so tired we did a little Trivia. Sadly, my team did not win. Ruby said her favorite night time activity was 'The movie because it was nice and calming.

Over all camp was very enjoyable and I had a great time. Olivia thought camp was 'It was really fun there was so many amazing views and activities'. If we had a choice I would go again.

# THE GOLDEN REPORT

## The climbing challenges

BY LOGAN 5/09/2022

The stunning 20m high rock wall had some climbers stumped though many got to the top. The high climbers needed to rely on their fellow classmates to belay or else a splat would be in site. The wall helped build trust between each other. Another climbing activity was the vertical challenge which we needed to climb up with various objects to use to climb. Overall most people said that the vertical challenge and the rock wall wasn't too hard but was enjoyable. Rock climber Abby said "even though I may not have gotten that high, it was still fun."

Hike to the year 6 bus to camp

## Hiking and Food

BY LOGAN AND GRACE

### Hiking

The hikes we did were all in the bush and we did a night hike which we saw a cool river. Most people had lanterns or torches for the night hike and everyone had a partner which was the person that you needed to stay with. Even though people were tired from the days we had already spent at camp, everyone acted as though it was the first day while on the hikes because they wouldn't stop talking. Well I guess that's just normal for them.

### The Food

The food at this camp made the hungry campers mouths water when they entered the kitchen! The dinners we had were chicken drumsticks, soft shell tacos and Chicken Parmas. Mrs Monea said "the food was delicious and tasted like a home cooked meal and it was good to get a week off cooking." The food wasn't just breakfast lunch and dinner - this camp also provided morning and afternoon tea unlike other camps.

## Getting Around The Puddle

---

On the way to camp TPS stopped to go on a hike next to the beach. But they didn't expect this problem coming their way. Carefully all 48 students crossed the skinny muddy path trying not to fall in the muddy water. Students tried to see how deep it was, and it was pretty deep. You definitely don't want to be falling in that puddle.

## Activities

---

The activities at Golden Valleys Camp were thrilling and exciting. The students from Tyabb Primary School (TPS) were able to do most of them. Most people say that their favorite activity was the rock climbing wall. The rock climbing was twelve meters high and most brave students went all the way to the top. As you got higher some people say that the colored rocks got smaller and was more difficult to climb. There perched perfectly at the top of a hill was a small platform where the start of the flying fox was, you had to get a harness and helmet and there you went flying down the hill trying to hit the chess pieces with a ball. Low ropes... Fun and difficult. It was a team challenge and was fun to give it a go. There was much more activities. Some of the activities that were just around the camp were some peoples' favorite such as Ga Ga ball and volleyball.

## Holiday Chicken Roster

With the school holidays fast approaching, we require families who are able to help us look after the chooks. It's super easy!

All that is required is for the girls to be let out in the morning and returned to their hen house later in the afternoon (before Mr Fox strolls by). All feed is supplied and you are welcome to feed them any of your kitchen scraps (except for raw potatoes, garlic and any citrus foods). You get to keep any eggs they lay!

If this is something you would be able to help us with, please email Mrs Bartlett [karina.bartlett@education.vic.gov.au](mailto:karina.bartlett@education.vic.gov.au) and let her know the dates that work for you.

## Peninsula Health Dental Services

### Is your child due to see the dentist? You now have a few options!

#### Smile Squad

Our *Smile Squad* van is visiting local schools. Our bright orange van may have already visited your school. If you have seen them, that's great! If not, hopefully they will be coming to your school soon.

#### Peninsula Health Community Dental

Our Community Dental program operates from 3 locations **Frankston, Hastings and Rosebud**. Your child will be offered the next available appointment and most of them are seen for free.

**Please contact 9784 8184 to make an appointment.**

#### Medicare Child Dental Benefits

Your child may be entitled to **Medicare Child Dental Benefits**. This is a Medicare program that pays up to **\$1026** towards your child's dental care every **2 years**. You can use this at participating dental clinics both private and community.

**Please check with Medicare to see if your child is eligible.**
