

PRINCIPAL'S REPORT

As you will be aware large parts of Victoria are experiencing widespread flooding, impacting many communities across the state especially in Northern and Central Victoria. These floods are some of the worst experienced in decades affecting the homes and businesses of thousands of people. Our thoughts go out to those affected by the floods and we send our best wishes to any of our families that have friends or relatives that have been affected.

ENROLMENTS FOR 2023

Enrolments for 2023 are fairly stable and we will begin next year with approximately 420 students. If you will not be returning to Tyabb next year, please let us know as this may have an impact on the grade structures we have planned. This is the planned structure for 2023 but may change if enrolments in certain year levels change.

Prep	3 classes
One	3 classes
Two	3 classes
Three	2 classes
Four	3 classes
Five	2 classes
Six	2 classes
	18 classes

CAMP DATES 2023

Please note these in your diary for next year.

Camp Name	Dates
Grade 3 Camp Briars Camp	Mon 9th —Wed 11th Oct
Grade 4 Phillip Island	Wed 22nd—24th March
Grade 5 Rumbug	Wed 26th— Fri 28th April
Grade 6 Woorabinda	Mon 6th—10th Feb

BOOKLISTS

Last week you will have received information about book packs. For your convenience we have set up an arrangement with our preferred supplier, Paper Chase (Office National), who can organise a complete pack for you based on the items requested by classroom teachers. As the company creates completed packs and buys in bulk, prices are competitive. Please follow the instructions on the note provided to go online to purchase directly from the supplier.

Please note that if you purchase a complete book pack the items in that pack will belong to your child. The pack will arrive at school with your child's name on it and be sent to your child's grade ready for them to have day 1.

On the 5th October we provided a morning tea to our teachers to celebrate the official World Teachers Day. As this date is often during school holidays Australia also celebrates this on — Friday 28th October. This is a chance for our students and the community to thank our wonderful teachers for everything they do to help our students be their personal best. It's a chance to thank teachers for their enthusiasm, hard work and commitment. It is an absolute pleasure to work with such an amazing group of teachers.

Please show our teachers how much they are appreciated on Friday 28th October!

What's Happening

Term 4

Please note that this page will be updated each newsletter as new events are scheduled

TERM 4	
Tuesday 25th October	Walk to School Day

PFA BUNNINGS BBQ

The PFA will be holding a BBQ at Bunnings Hastings on **Saturday 5th November**. We would love some volunteers to help on the day. If you are able to help, please email jantina.forecast@education.vic.gov.au Or come along on the day and purchase a sausage and a drink. Thank you PFA Team

Walk To School 2022

Join Mr Davies, Ms Grinsted and other teachers on Tuesday Morning, October 25th at 8:15am.

Get Mum or Dad to drop you off at the front grassed area of the Tyabb Fly Inn and walk to school with us.

Mums and Dads are welcome to join us as well.

***** please note if the weather is poor on the morning of this walk, Mr Davies will be there but will be directing people to head to school.***

Walk to School is back for 2022 and we can't wait to get walking, riding and scooting to and from school!

Every October, Walk to School encourages Victorian primary school kids to walk, ride or scoot to and from school. It's a great way to help students learn healthy habits and achieve the recommended 60 minutes of physical activity, every day.

Along with the health benefits, walking to school has benefits for the whole community. It reduces traffic congestion, saves on parking, helps us connect with family and friends and even saves the environment!

There are so many great reasons to participate in Walk to School this October.

Due to COVID the last 2 years, we have been unable to host this event and are looking forward to hosting it again this year.

On Tuesday 25th October a number of staff members will be meeting any students who want to participate in the Walk To School program at the front of the Tyabb Fly Inn. It is very important that students who are participating in this event arrive at the meeting point **AT 8:15am**. If you arrive any later than this we will be gone and you will need to be driven to school.

By walking to school with us your name will go into a draw to possibly win one of the 3 prizes that will be on offer. The winners will be announced at the next assembly.

Day for
Daniel

Friday 28 October, 2022

Get Red, Red, Ready!

Tyabb Primary School is one of 6000 schools across Australia who are registered with the Day for Daniel foundation. This foundation commenced in 2008 after the disappearance of Daniel Morcombe in Queensland. **Each year participating schools wear RED on the last Friday of October and bring a gold coin donation to be forwarded to the Day for Daniel Foundation.**

Due to the restrictions over the past couple of years, we have chosen not to participate, but in 2022 we are going to encourage staff and students to participate in this very important day to promote student safety in our community.

All classes will be talking about their safety on this day and students will be involved in a lesson discussing the importance of speaking to people that they know and not strangers. It is important for students to know who their 'safe' people are in their life.

If you would like to know more about this foundation please visit:

<https://danielmorcombe.com.au/>

Dear Parents and Guardians,

Thank you so much for supporting our school, especially through fundraising. This term, we are hosting a **Colour Explosion School Fun Run** to help us fundraise for a bike shelter and landscaping.

When is the Colour Explosion School Fun Run? We will be hosting our Colour Explosion School Fun Run on 11th Nov. Make sure students bring a WHITE shirt to wear during the Fun Run. They will be covered in non-toxic, biodegradable colour powder from head to toe! Students can choose to participate but not be splashed with powder but will need to wear school uniform so that we can identify this.

Is the powder safe? The non-toxic colour powder is made of high-quality corn starch and permitted food colours, so it's safe for skin and eyes.

How does my child fundraise? Fundraising for our bike shelter and landscaping is easy – simply follow the instructions outlined in your child's sponsorship booklet. Your child can accept donations online by creating a cybersafe fundraising profile at www.australianfundraising.com.au. You can also collect cash donations with your sponsorship booklet. Please return your donations before 18/11/2022.

Raise more! Earn more! Students automatically achieve incentive prizes as they fundraise, starting from \$10. Each prize is ordered automatically, so you don't need to worry about prize ordering! You can see what the incentive prizes are in the attached sponsorship booklet.

Share in \$200,000 worth of extra prize credit! Achieve bigger prizes by helping your child earn bonus credit on their online profile. By creating an avatar, sharing your page with friends and reaching milestone donations, you can share in \$200,000 of extra prize credit!

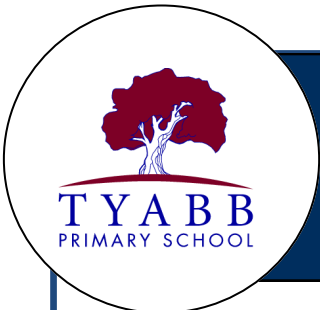

Monstar Madness. There are heaps of prizes you can win when you fun-raise with Monty! Create your fundraising page in the next 7 days, and you will receive a Holographic Monty Sticker! Check out your sponsorship booklet for more awesome Monty prizes up for grabs, like a Monty Plush toy, a bag tag or a high-bounce handball!

Win a \$10,000 JB Hi-Fi Shopping Spree. Do you think you can top our school's leader board? The highest fundraising student in our school will go into the draw to win a \$10,000 JB Hi-Fi Shopping Spree, including your choice of televisions, laptops, phones, home accessories and more! Start fundraising at www.australianfundraising.com.au for your chance to win.

Fund-Razor of the Year Award. Do you think you can top the national leader board? Australia's highest fundraising student in Australia will win a Razor Prize Pack, worth \$3,000!

Thanks in advance for your support, and happy fundraising!

PFA – Tyabb Primary School

Tuning into Kids

Emotionally Intelligent Parenting

Tuning into Kids

A six-session parenting program for parents of preschool and primary school children.

Would you like to:

- Connect and communicate better with your child?
- Support your child's ability to manage their emotions?
- Strengthen your child's resilience?

Tuning in to Kids teaches you how to help your child develop emotional intelligence.

Children with higher emotional intelligence:

- ✓ Know how to calm and manage their emotions
- ✓ Tend to have fewer childhood illnesses and better mental health
- ✓ Have greater success with making and keeping friends
- ✓ Are better able to focus and do well at school

Term Four Program

Times	Fridays 10am – 12pm

Physical Education

Regional Athletics

On Wednesday the 19th of October, Tyabb Primary School had 3 students, Khai, Murphy and Paige attend the Regional Athletics Carnival at Casey Fields Athletics Track. Khai competed in long jump, Murphy in Shot Put and Paige in Hurdles and 200m.

These 3 students did such an amazing effort and should be very proud of themselves for representing themselves and the school with such pride.

Murphy threw 8.9m in Shot Put. Khai jumped 3.94m in long jump and Paige finished 2nd in her heat for hurdles.

Well done again to Khai, Murphy and Paige.

Grade 3

2022

SPELLING

Why is spelling so important?

Spelling, the art of correctly assembling words from their letters, is one of the essential components of successful writing. Being confident at spelling leads to confidence in all aspects of literacy. The ability to recognise the links between word of the same origin and understanding word relationships has been proven to aid comprehension skills.

Research has found that spelling, reading, writing and comprehension skills are all closely linked. A research study found that spelling instruction improves reading ability, as it builds a learner's knowledge of the alphabetic system as it is used in reading.

Teaching young spellers the strategies, rules and concepts to grow their spelling and vocabulary knowledge benefits them in all aspects of their learning, as well as in their everyday life.

Learners who feel confident with letters and word patterns are able to read and comprehend more complex texts. They also have the necessary language tools to better convey their own ideas through both written and verbal communication.

The relationship between written words and sounds can seem difficult for many learners. But building a strong foundational knowledge of the links between forms, letters, sounds and meaning is essential for students to become confident communicators.

Debbie McCarthy

How can I help my child with spelling?

Learning to spell correctly is a crucial skill for life. Children begin to learn the basics of the language as soon as they start school, and their skills and knowledge build as they progress. However, the English language is one of the most difficult languages in the world to learn to spell, as there are so many different ways of spelling the same sounds, and different sounds represented by the same letter patterns! Many words in the English language follow specific rules, and children will be taught these rules at school. However, some words just have to be learnt, and the weekly spelling list can often be greeted with dread by parents!

If you and your child are looking for some new and fun ways to get the spellings of words learnt, try these:

- Use each word in a silly sentence. The sillier the sentence, the more memorable. Underline the spelling word in each sentence.
- Play hangman with a partner, using your words.
- Paint your words onto paper, write them in water with a big brush onto the outside wall of the house, or write them on the ground with coloured chalks
- Make a word search with your words and list them underneath.
- Write out the letters in the words with different coloured felt-tips or pencil crayons.
- Type out the words on the computer. Use different fonts and different colours for the different letters.

Green Team News

Green Team's Soft Plastic Recycling

A big thank you to all families who are supporting our push for 'Nude Food' at TPS. Many children are coming to school with inventive ways of how to avoid plastic wrappers in their lunch boxes.

Every classroom does have a plastic wrapper collection. Each grade's green team representative brings this to Mrs Bartlett's room on a Friday to be deposited in the Coles Supermarket recycling program. Soft plastics can be recycled in to furniture, children's playground equipment and even roads.

Keep up the great work in thinking sustainably when it comes to plastic wrappers in our students' lunches.

Term 4 Chicken Roster

A huge shout out to all those amazing families who helped look after our girls in the holidays. To the Kirkpatrick, Bowles, Flower and Leak families we are truly grateful. A special thanks to Yashmin Beaumont for being able to fill in at short notice. You are a star Yas!

If you would like to look after the chooks on the weekend in Term 4 please shoot an email to tyabb.ps@education.vic.gov.au, attention to Mrs Bartlett. It's super easy. The girls just need to be let out in the morning and returned to their hen house at night. All food is supplied and you get to keep all the eggs they lay.

Weekend	Families
Week 1 – Saturday/Sunday 8/9 th October	Yashmin Beaumont
Week 2 – Saturday/Sunday 15/16 th October	
Week 3 – Saturday/Sunday 22/23 rd October	
Week 4 – Saturday/Sunday 29/30 October	
Week 5– Tuesday 1 st November (Cup Day)	
Week 5 -Saturday/Sunday 5/6 th November	
Week 6 – Saturday/Sunday 12/13 th November	
Week 7 – Saturday/Sunday 19/20 th November	
Week 8 – Saturday/Sunday 26/27 th November	
Week 9 – Saturday/Sunday 3/4 th December	
Week 10 – Saturday/Sunday 10/11 th December	
Week 11 - Saturday/Sunday 17/18 th December	

Egg Raffle

The girls are laying again so we have plenty of eggs. If you would like to go in the draw to win a dozen fresh eggs, bring \$1 dollar to Mrs Bartlett's room 6 at the start of recess or lunch times.

Blow out the candles,
wish away,
you are the
superstar of the day.
HAPPY BIRTHDAY!

SHAPING TOMORROW TOGETHER

Community Listening Tour Mornington Peninsula

The events of the past couple of years have affected the Mornington Peninsula community deeply. It has never been more important to understand local need and design place-based solutions to support our community.

Together with local community groups, government, leaders and stakeholders, we are seeking to understand the real impact of the pandemic on our community. We'll discuss available data, collectively share our experiences and insights, and identify the community groups which require focused engagement to ensure the most vulnerable voices are heard.

Please join us for a 'data walk' and discussion. Your input is invaluable.

10am to 1pm
Thursday 3rd November 2022
Hastings Community Hub
1973 Frankston-Flinders Road, Hastings
Lunch is included

Register by 18th October at <https://bit.ly/3UC9xTf>

The data walk focuses on shared knowledge and sense-making around data. We'll review the information in small groups, interpret what it means and collaborate using our respective knowledge informed by our work in the local community. This community partner workshop represents the first phase of the project. We will then engage directly with vulnerable groups identified, in a series of community conversations to understand lived experience and impact. That data will be collated and we will invite you to a follow-up partner session to share the information, learnings and discuss opportunities to design community solutions to meet local need. A summary will be available to participants.

Contact Stephen Sparrow, Community Activation Manager, at ssparrow@familylife.com.au, if further details are required.

This initiative is supported by the Mornington Peninsula Shire Community Service Providers Grant.
familylife.com.au

HASTINGS COMMUNITY HUB Hub Happenings – Term 4 2022

4pm, Tuesday 25 October: Mornington and Hastings Libraries
4pm Wednesday 26 October: Somerville and Rosebud Libraries
Bookings essential: ourlibrary.mornpen.vic.gov.au/events

Introducing VOOKS on Kanopy Kids

These "Storybooks brought to life" offer early readers the chance to follow along with their favourite books.

www.mornpen.kanopy.com

Libraries support dyslexic readers

Mornington Peninsula Libraries' supports a love of reading and lifelong learning by making dyslexic-friendly books even easier to find on the library shelves.

Just look for the blue stickers on the spines of books in the Junior Fiction section of your library to discover a new world of books designed specifically for those with dyslexia.

These books include special fonts that make text clearer to read and assist with letter confusion. They also incorporate thicker and tinted paper with more accessible layouts, aiding with visual distress and can help readers focus on meaning instead of sounding out each letter individually.

The library's free BorrowBox app can also be adapted for easier comprehension such as changing the font, text size and background colour of the eBooks.
