

PRINCIPAL'S REPORT

GROUNDWORKS

Nearly finished!! Thank you for your patience over the past few weeks while we have had a new path and stair case built. What an improvement this will make to the appearance of this area and the overall movement of students and visitors from the BER to the rest of the school. Just waiting for railings and a final clean up and then the fences will come down.

ENROLMENTS AND GRADES FOR 2023

Enrolments for 2023 have been very strong with 65 new preps and several new students going to other grades. We will begin next year with approximately 420 students which is fabulous. If you will not be returning to Tyabb next year, please let us know as we will soon begin working out grades.

Please know that it is our policy **not to take requests for particular teachers or students** unless there are exceptional circumstances. The placement of children

into grades is a complex task and one that teachers put great thought into. Teachers take in to account the academic and social characteristics of each child, friendship groups and special circumstances. These decisions are well thought out and will not be changed once allocated. I must stress again that once grades have been worked out and students are informed, we will be consistent and not make any changes.

PARENT HELPER MORNING TEA

Friday 2nd December—save the date!

Invitations have been sent home to invite all parents who have helped during the year to a special thank you morning tea. Without the fabulous support of our parents throughout the year our school would not function as effectively. Our parents help in a variety of ways including School Council, PFA, classroom helpers, excursions, camps, electives, HPV just to name a few!

All of this support is greatly appreciated. If you have helped in any way throughout the year no matter how big or small we would like you to join us for morning tea in the grade 5 and 6 area (BER Building) on **Friday 2nd December from 11am**. Your help is very much appreciated, and an integral part of the smooth running of our fabulous school. Hoping you can find the time to come along and join us for a cuppa and a bite to eat.

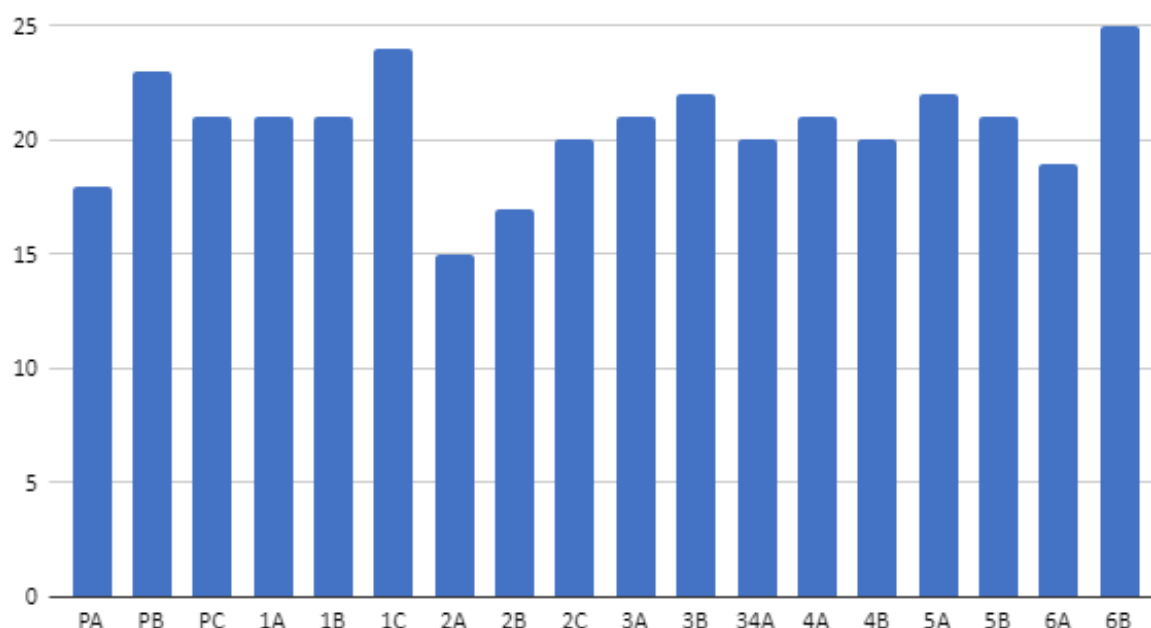

BOOKLISTS

You will have already received information about book packs 2023. For your convenience we have set up an arrangement with our preferred supplier, Paper Chase (Office National), who can organise a complete pack for you based on the items requested by classroom teachers. As the company creates completed packs and buys in bulk, prices are competitive. Please follow the instructions on the note provided to go online to purchase directly from the supplier.

Orders due in by Sunday 27th November.

371 students reach 100 nights !

100 Nights of Reading

158 students reach 200 nights!

23 students reach 300 nights !!!!!

We still have seven weeks for our students to reach one of these milestones and receive a certificate and reward. Keep reading everyone!

Please note that grade sizes vary significantly which will have affected the results shown in the graph.

PFA BUNNINGS BBQ

The PFA will be holding a BBQ at Bunnings Hastings on **Saturday 5th November**. We would love some volunteers to help on the day. If you are able to help, please email jantina.forecast@education.vic.gov.au Or come along on the day and purchase a sausage and a drink. Thank you PFA Team

Walk To School 2022

Join Mr Davies, Ms Grinsted and other teachers on Tuesday Morning, November 8th at 8:15am.

Get Mum or Dad to drop you off at the front grassed area of the Tyabb Fly Inn and walk to school with us.

Mums and Dads are welcome to join us as well.

***** please note if the weather is poor on the morning of this walk, Mr Davies will be there but will be directing people to head to school.***

Walk to School is back for 2022 and we can't wait to get walking, riding and scooting to and from school!

Every October (please note due to weather this is now happening in November) Walk to School encourages Victorian primary school kids to walk, ride or scoot to and from school. It's a great way to help students learn healthy habits and achieve the recommended 60 minutes of physical activity, every day.

Along with the health benefits, walking to school has benefits for the whole community. It reduces traffic congestion, saves on parking, helps us connect with family and friends and even saves the environment!

There are so many great reasons to participate in Walk to School this October/November.

Due to COVID the last 2 years, we have been unable to host this event and are looking forward to hosting it again this year.

On Tuesday 8th November a number of staff members will be meeting any students who want to participate in the Walk To School program at the front of the Tyabb Fly Inn. It is very important that students who are participating in this event arrive at the meeting point **AT 8:15am**. If you arrive any later than this we will be gone and you will need to be driven to school.

By walking to school with us your name will go into a draw to possibly win one of the 3 prizes that will be on offer. The winners will be announced at the next assembly.

WALK TO
SCHOOL

 an initiative of
VicHealth™

Dear Parents and Guardians,

Thank you so much for supporting our school, especially through fundraising. This term, we are hosting a **Colour Explosion School Fun Run** to help us fundraise for a bike shelter and landscaping.

When is the Colour Explosion School Fun Run? We will be hosting our Colour Explosion School Fun Run on 11th Nov.

Make sure students bring a WHITE shirt to wear during the Fun Run. They will be covered in non-toxic, biodegradable colour powder from head to toe! Students can choose to participate but not be splashed with powder but will need to wear school uniform so that we can identify this.

Is the powder safe? The non-toxic colour powder is made of high-quality corn starch and permitted food colours, so it's safe for skin and eyes.

How does my child fundraise? Fundraising for our bike shelter and landscaping is easy – simply follow the instructions outlined in your child's sponsorship booklet. Your child can accept donations online by creating a cybersafe fundraising profile at www.australianfundraising.com.au. You can also collect cash donations with your sponsorship booklet. Please return your donations before 18/11/2022.

Raise more! Earn more! Students automatically achieve incentive prizes as they fundraise, starting from \$10. Each prize is ordered automatically, so you don't need to worry about prize ordering! You can see what the incentive prizes are in the attached sponsorship booklet.

Share in \$200,000 worth of extra prize credit! Achieve bigger prizes by helping your child earn bonus credit on their online profile. By creating an avatar, sharing your page with friends and reaching milestone donations, you can share in \$200,000 of extra prize credit!

Monstar Madness. There are heaps of prizes you can win when you fun-raise with Monty! Create your fundraising page in the next 7 days, and you will receive a Holographic Monty Sticker! Check out your sponsorship booklet for more awesome Monty prizes up for grabs, like a Monty Plush toy, a bag tag or a high-bounce handball!

Win a \$10,000 JB Hi-Fi Shopping Spree. Do you think you can top our school's leader board? The highest fundraising student in our school will go into the draw to win a \$10,000 JB Hi-Fi Shopping Spree, including your choice of televisions, laptops, phones, home accessories and more! Start fundraising at www.australianfundraising.com.au for your chance to win.

Fund-Razor of the Year Award. Do you think you can top the national leader board? Australia's highest fundraising student in Australia will win a Razor Prize Pack, worth \$3,000!

Thanks in advance for your support, and happy fundraising!

PFA – Tyabb Primary School

LATE ARRIVAL TO SCHOOL

Thankyou to those families who are regularly on time to school. This gives your child/children a smooth start to the day and a chance to socialise with their friends in the yard prior to settling down for their day of learning.

Below is information regarding the impact of late arrival to school.

What impact does being late have on the student?

Students who are late miss a lot of instructions and information about what is happening, not to mention important learning sessions. This means that they have to catch up somehow. Students also miss out on catching up with their friends in the playground before school. Students can feel unsettled, disorganized and unhappy for the rest of the day and it can take them some time to complete and understand the work that they have missed. It's similar to being late to see a movie and not being able to understand what's happening because you have missed out on who the characters are and what the plot is.

How does it affect the other students in the class?

Students who are late have an unsettling effect on the rest of the class. Because not all late students arrive at once, the interruptions go on until the last student is settled. Students who are late often have things that need to be done prior to them joining the class and this causes even more disruption. Sometimes other students have to wait to get the teachers' attention and important issues can be forgotten.

Why does student lateness cause difficulties for the teacher?

The teacher has a certain amount of material and activities to cover each lesson. Also, organizational issues are usually dealt with at the beginning of the day. Teachers can become increasingly frustrated when late students continually and repeatedly interrupt their planned routines, as they have to stop teaching to deal with the issues involved.

We are all human. Cars can break down and unexpected situations can occur. We know that family morning routines are not always straightforward. If you are experiencing problems, speak to us, as we may be able to offer suggestions to help.

We are happy to accept that students will be late on the odd occasion because of unforeseen circumstances. However, arriving late on a regular basis is not acceptable

Remember

A student who is half an hour late each day misses the equivalent of 16.6 days of learning each year.

Classroom Capers

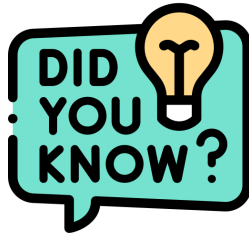

FUN WITH FRACTIONS

Over the past few weeks Grade 3 have been learning all things fractions and how to identify fractions as part of a whole. We also learnt the terminology including numerator, denominator, halves, thirds, quarters and improper. Students used chalk to draw their fractions outside and dominoes and whiteboards to practice writing fractions. The most fun was had when students worked in groups to complete great investigations with smarties. Colourful posters were made which showed their learning with tally marks, dot and bar graphs, tens frames and fractions.

MUSIC

Music education has physical, mental and cross-curricular learning benefits for young learners.

Music ignites all areas of child development. Listening to music, responding to music and creating music helps students in areas of numeracy, literacy and social-emotional skills.

Music stimulates the brain and helps the body and mind work together.

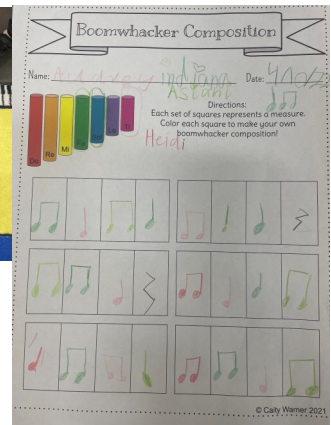

Simply singing a new song exposes a student to a large variety of vocabulary in a short period of time.

What happens when you sing?

- ⇒ Increased levels of oxytocin and endorphins, helping to ease fear and anxiety
- ⇒ Decreased levels of cortisol, helping to reduce stress
- ⇒ Improved blood flow throughout the body, promoting mental clarity and concentration

Happy Faces at Choir Rehearsals

Bright and colourful

Boomwhackers helping grade 2 and 3 students understand pitch and composition.

**“What I have in my heart and soul must find its way out.
That’s the reason for music.”**

BOOK FAIR IS COMING AGAIN

♥ Buy one- get one free for the library ♥

**Term Four. Monday November 28th - Thursday
December 1st**

Scholastic Book fair will run from Monday 28th November until Thursday 1st December in the BER.

Book sales will be from 8.30am until 9.00am and from 3.30pm until 4.00pm each day.

Children will have a chance to preview the books available on Friday November the 25th and may bring home a wish list sheet.

Encourage a love of reading within your child and support our school by coming along and spending a few dollars. This is a fundraising event for our school library, this time when you buy a book you can get a free book of equal or lesser value to donate to our library. Children can bring cash to purchase or alternatively you can come along with your child and we can take credit card payments at the office.

Sharon Wright- book fair co-ordinator.

Blow out the candles,
wish away,
you are the
superstar of the day.
HAPPY BIRTHDAY!
