WELCOME BACK TO TERM 2!

I hope everyone had a lovely Easter and that the children have enjoyed the school holidays. It was terrific to visit classrooms this week and see how beautifully everyone has settled back in. Well done everyone!

After an extremely positive term 1 we look forward to an action packed term 2. Term 2 is often one of our busiest terms with camps, excursions, incursions and all of the wonderful activities that happen in our classrooms every day. We will keep you updated through Sentral posts for whole school events but recommend regularly keeping your eye on the Sentral calendar. **Some of our significant events for this term include :**

- Grade 5 Camp Rumbug 26th—28th April
- Mother's Day Stall Wednesday 10th May
- Mother's Day Breakfast Friday 12th May
- Mother's Day Sunday 14th May
- Education Week 15th—19th May
- Open night Tuesday 16th May—4.30—6.30pm
- Just to name a few in May —keep your eyes on our calendar for further events

TERM TWO PUPIL FREE DAY FRIDAY 26th MAY

In 2023 schools receive 5 student-free days for professional development, planning, curriculum development and student assessment / reporting. We appreciate that it can be difficult for parents to make arrangements for their children on these days and will always try to give you as much notice as possible. Please pencil in the student free date for term 2. We will notify you soon of dates in terms 3 and 4 once they have been confirmed.

After working at Tyabb Primary School for over 20 years we are sad to say farewell to one of our amazing Education Support Staff —Yashmin Beaumont. Yas started her journey at Tyabb Primary School in 1992 when her first child, Hayden started at our school, followed by Koren who started in 1994. With both children at our school, Yas actively became involved in our school as a parent helper and by doing 'odd jobs' in our office. Her commitment and love for the school led to her employment two days per week as our library tech managing our library and resources for over 20 years. Yas loved books and was passionate about providing a library full of quality reading material to encourage our students to also have a love for reading.

During this time Yas also worked for a short period of time at Patterson Lakes and Devon Meadows Primary Schools where she moved in to an administration role. In 2012, while still managing the Tyabb Library, Yas became an integration aid, providing additional support to students and teachers. Yas loved working with students who needed a little extra assistance and played a key role in helping these students reach their personal learning goals. As an integration aide she still managed the library and often provided support in the office when others were on leave. With such a love for the school Yas put her hand up to help wherever needed to make our school the best it could be, often volunteering her time behind the scenes to make a difference.

We sincerely thank Yas for everything that she has done for Tyabb Primary School and wish her every success for the next phase of her life and future adventures.

ANZAC DAY

On Tuesday the 25th April, our School Captains attended the Anzac Day dawn service at the Cenotaph in Tyabb. Our School Captains, Henry and Savannah were proud to be given the opportunity to read out the names of soldiers who fought in the First World War and served our country. They laid a wreath at the Tyabb memorial on behalf of Tyabb Primary School to show our respect for the men and women who served in the First World War and subsequent wars.

Thank you Balin for laying a wreath at the Crib Point service on behalf of Tyabb Primary School.

ANNUAL REPORT

All schools prepare an Annual Report to inform parents and the wider school community of the school's successes, activities and achievements throughout the year. Our 2022 Annual report shows amazing results and is available for viewing on our website at [Annual Report 2022](#). These results help us to celebrate our successes and guide future improvement initiatives. We are extremely pleased with our results but will continue to strive to make improvements to provide the best for our students.

ENROLMENT PROCESS / SCHOOL TOURS

Next week we have our first school tour for potential new preps and their parents for 2024. If you know of interested prep parents for 2024 please encourage them to ring the office to book a tour. They can also access further information on our website for the new statewide Foundation enrolment timeline and process that applies for children starting Foundation (Prep) in 2024.

For parents with prep siblings starting in 2024, we encourage you to enrol your children early this term to give us an early indication of our enrolments for the new year. We will let you know via Sentral when enrolment forms are ready to pick up from the office (early next week).

Late Arrival at School

Thankyou to all the families who work hard at home to get their children to school on time each day. This is so important for the students as it starts their day calmly and without frustration. When your child arrives late to school it does not only impact their learning, but it also can have a big impact on the whole classroom. Below outlines a small few of the impacts that can become of late arrivals at school.

What impact does being late have on the student?

Students who are late miss a lot of instructions and information about what is happening, not to mention important learning sessions. This means that they have to catch up somehow. Students also miss out on catching up with their friends in the playground before school. Students can feel unsettled, disorganized and unhappy for the rest of the day and it can take them some time to complete and understand the work that they have missed. It's similar to being late to see a movie and not being able to understand what's happening because you have missed out on who the characters are and what the plot is.

How does it affect the other students in the class?

Students who are late have an unsettling effect on the rest of the class. Because not all late students arrive at once, the interruptions go on until the last student is settled. Students who are late often have things that need to be done prior to them joining the class and this causes even more disruption. Sometimes other students have to wait to get the teachers attention and important issues can be forgotten.

Why does student lateness cause difficulties for the teacher?

The teacher has a certain amount of material and activities to cover each lesson. Also, organizational issues are usually dealt with at the beginning of the day. Teachers can become increasingly frustrated when late students continually and repeatedly interrupt their planned routines, as they have to stop teaching to deal with the issues involved.

We are all human. Cars can beak down and unexpected situations can occur. We know that family morning routines are not always straightforward. If you are experiencing problems, speak to us, as we may be able to offer suggestions to help.

We are happy to accept that students will be late on the odd occasion because of unforeseen circumstances. However, arriving late on a regular basis is not acceptable

Remember

A student who is half an hour late each day misses the equivalent of 16.6 days of learning each year.

Grade 5

STEM PROGRAM at WESTERNPORT SECONDARY

The grade 5's ventured off to Westernport Secondary for 3 intensive sessions learning all about STEM. We created and built a city of our own and then learnt how to use technology and coding to make robots follow our instructions and move. We had such an amazing time doing this and learning all about technology.

Auslan

What is Auslan? Auslan is Australian Sign Language, the native language of the Australian Deaf community, and it is a visual spatial, natural language with its own grammar and vocabulary. Auslan has linguistic elements, such as hand shapes (including orientation, location and movement), non-manual features (including eye gaze, facial expressions, arm, head and body postures) and fingerspelling. Auslan also has its own grammar, which is different from English. Auslan grammar is composed of precise hand shapes, facial expressions and body movements that convey concrete and abstract information.

Benefits of learning Auslan Sign language can:

- enhance children's educational and personal development
- increase memory retention and processing
- stimulate brain development and mental flexibility

Grades 3-6 have been learning Auslan in Term 1 and will continue to do so this Term too.

In Term 1 we learnt about fingerspelling, the alphabet, numbers, colours and animals.

This Term we will revisit fingerspelling, the alphabet, numbers and we will also look at emotions, the weather and family.

Can you fingerspell your name?

What about the members in your family?

Now try to fingerspell your Street name!

Active April

We are very excited to be a part of Active April this year, where we are encouraging children to be active for 1 hour each day for the month of April!

During the last week of Term 1 and first week of Term 2 we will be running lunch time physical activities including yoga, skipping, dance, ball games, basketball and more! We would love to see all children get involved.

The other 2 weeks in April are during the school holidays, we have included some fun ideas to keep Active April alive during the break. Visit '[Peninsula Kids School Holiday Guide](#)' for more info.

We would love to see how the children are participating in Active April at home, please send photos through to tyabb.ps@education.vic.gov.au

CHAMPS Club

Have a fun afternoon with other children whilst learning about looking after yourself and mental health!

CHAMPS is a peer support group for young people who have a parent, carer or family member with mental health challenges either in the home or in their family network. The group is facilitated by Family Life practitioners in partnership with Families where a Parent has a Mental Illness (FaPMI).

The program aims to give children opportunities to:

- meet others with similar experiences
- receive information and support
- learn about healthy coping strategies
- talk about mental health
- have fun with games and activities

Where: Jimmy's Youth Wellbeing Sanctuary, 827-829 Point Nepean Rd, Rosebud VIC 3939

When: 6 sessions, Tuesdays, 2nd May to 6th June 2023.

Time: 3.45pm - 5.00pm

Cost: FREE

Suitable for: 8-12 year olds with an adult family member who experiences mental health challenges (such as a parent, carer, adult sibling etc.)

Optional: Dinner afterwards for CHAMPS participants with Parent/Guardian's consent.

Access to the Group Work Registration Form: If you would like to attend click [here](#) or scan the QR Code

CHAMPS is a free program. Facilitators are accredited and trained by the FaPMI Program.

Families where a parent has a Mental Illness

Blended/step family workshop

Blended/stepfamilies can be wonderful, loving and happy for lots of people. But some find the complexity of blended families challenging.

Ongoing negotiation with ex-partners, co-parenting with new partners, adults and children having different expectations, building a connection with step-children, helping biological children adjust to a new life, dealing with your children's new step-parent...the complexities are many.

This workshop will cover topics and concepts in a manner that allows you to apply learning to your situation. Participants will be able to safely discuss their challenges and most importantly, learn how to identify strength-based approaches that can support your family.

During the 3.5 hour session you will:

- Develop skills and understanding to support you as you navigate complex relation dynamics
- Explore positive approaches to conflict minimisation and resolution
- Discuss blended family communication: why it can be tough, examining solutions
- Discuss agreeing on and setting boundaries, and working collaboratively with partners, ex-partners, and children.

This in-person workshop is suitable for adults on either:

Sat 20 May 9.30am – 1pm
or Friday 2 June 9.30am – 1pm

Cost: \$35 per participant (usually \$400!)
Location: Morrongton
