SILLY SOCK DAY!!! TOMORROW

Wear silly socks and bring a gold coin donation to encourage people to be inclusive and show that people can be different but deserve to be treated the same as everyone else.

All money raised will be sent to Down Syndrome Australia.

You should still wear school uniform but can wear odd, fluffy, long, patterned or CRAZY socks!

END OF TERM 2!

As this is the final newsletter for term 2 and we approach the school holidays I would like to thank everyone for a fabulous term and wish our students all the best for the holidays. This term has been full of many exciting activities including camps, excursions, Education Week activities, Alpha Productions, sporting activities, Mothers Day Stall and breakfast and the many other activities that occur within grade levels and classrooms. Thank you to our students for a fabulous term and to the parents and teachers who support them in making the most of the opportunities that we provide.

ALPHA PRODUCTION

On Friday the 16th June, Alpha productions returned to Tyabb Primary School to perform their latest production - Hercules. Our students in grades prep—6 really enjoyed the performance and were fully engaged and actively involved.

- Aug 28th –Sept 1st Literacy Numeracy Week
- Aug 30th Father's day stall
- Sept 1st Fathers Day Breakfast
- And lots more to come!!!

REPORTS

I have enjoyed reading many of our student reports over the last couple of weeks to see all of the wonderful achievements our students have made this half year – not only academically but emotionally and socially. It was terrific to read in the student comments how much students enjoy school. Reports were issued via the Sentral App on Wednesday to give you a picture of where your child sits academically and their future learning goals.

Please take the time to celebrate your child's accomplishments focusing on their positive attitude and achievements. If you have any questions in regards to these reports please ask them at the end of the student led conference or contact your child's class teacher via email. There is no doubt that the best outcomes for children happen when teachers and parents work positively together to support children's learning.

STUDENT LED CONFERENCES

Please note this date in your diaries as students do not attend for the whole day.
Week 1 Term 3—Friday 14th July.

Students will not attend a usual school day on this date but will be invited to attend a 20 minute student led conference during that day or after school on Thursday 13th July from 4pm until 7.40pm. Further information regarding this process and our online booking system via Sentral was sent out last week.

What is a student led conference?

Research tells us that students should be actively involved in their learning and assume responsibility of the learning process. Student Led Conferences motivate students to be accountable for their learning, encourage reflection and help them evaluate their academic progress.

At Tyabb Primary School we use the Student's Learning Journals to help facilitate and guide the discussion during the conference. These Learning Journals will display results and work samples that will demonstrate your child's achievements and growth in a particular skill or subject and provide your child with the opportunity to discuss their learning journey with you. The conference places the child at the centre of the process and allows the student to develop ownership over their learning.

Before the conference:

- ♦ Read your child's school report and discuss it with them
- ♦ Celebrate their achievements from throughout the first semester.

On the day:

- ♦ Plan on spending 20 minutes in your child's classroom.
- ♦ The first 10 minutes will be led by your child.
- ♦ The second 10 minutes will be for any questions about your child's report, their progress and future learning goals.
- ♦ Be prepared to talk with your child about his/her strengths and areas for growth.

During the conference:

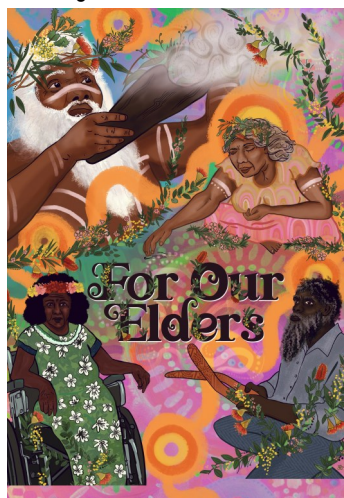

- ♦ Please be supportive of the work and the results that your child has achieved.
- ♦ Use language that your child understands.
- ♦ Please give positive feedback to your child.
- ♦ Use sentence starters such as "I like how you..." or "What did you learn from?"

After the conference:

- ♦ Talk with your child about the conference and their learning goals.
- ♦ Remember the student led conference is a great opportunity to celebrate learning and be proud of their achievements.

NAIDOC WEEK

NAIDOC Week (National Aborigines and Islanders Day Observance Committee) occurs annually in July. NAIDOC is celebrated not only in Indigenous communities, but by Australians all over the country and overseas. At Tyabb Primary School we will recognise NAIDOC week in the first week of term 3 and continue to learn about the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.

"Where there is knowledge there are our Elders. Our Elders paved the pathways for us, taught us our knowledge, our history, they passed down their art, stories and wisdom. Our Elders are the foundation of our communities and role models for our children. With this poster I wanted to showcase how important our Elders are in passing down traditions and culture to our children and future." said Bobbi.

Bobbi Lockyer, a proud Ngarluma, Kariyarra, Nyulnyul and Yawuru artist, born and based on Kariyarra Country in Port Hedland, is the winner of the prestigious National NAIDOC Week Poster Competition for 2023 with her entry, For Our Elders..

Star Citizen

The Star Citizen Award is presented to students who display the school values of respect, responsibility, safety, integrity and optimism to a high standard all the time. They speak politely to staff and other students. Show care for themselves and others. Help students and teachers who are in need of assistance. Treat others and themselves with respect and give all activities their best effort. Students are selected through a nomination process conducted within their year levels with student and teacher input. Congratulations to the following students for term 2:

Dear School Community

School Building Fund – Tax Deductible Donations

School Council is inviting donations to a Deductible Gift Recipient Fund through the Tyabb Primary School Building Fund.

The Building Fund was approved by the ATO in 2002 to allow Tax Deductible donations be given to the school in accordance with the Department of Education and Training (DET) DGR funds Guidelines, updated January 2018.

During this time donations to the school's Building Fund has raised funds to complete upgrading the music room, library, multi-purpose hall, split systems installed in all BER classrooms, carpeting most of the classrooms and the shelter between the portables.

To be eligible to claim your donation on your 2022/23 tax return please send your donation in an envelope to the school before 30th June 2023 including the name you would like the receipt made out to for taxation purposes and Building Fund as the detail. Please include your child's name and grade so we receipt to the correct family.

Payment can be made by: cash, EFT, Bpay (please contact the office for reference number) or direct deposit BSB 063-093 a/c 10000917 with name & building fund as the description. All donations will be given a receipt in accordance with ATO guidelines.

Our future projects include continuing the carpeting of school classrooms and administration areas, painting, general maintenance of school buildings and new decking between the portables.

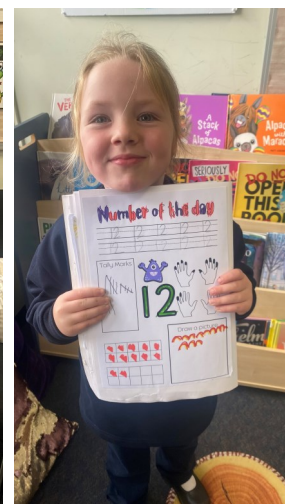

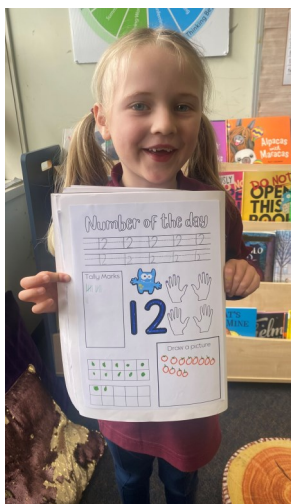

We thank you for your support of our school and your kind donation. Please contact the school office on 5977 4584 if you have any questions.

Shelly Bellinger—School Council President

Carole Howden—Principal

The year is going by so quickly and the Preps have had an amazing start to their first school year. They've been learning many sounds of the alphabet as well as the actions for each sound, counting and even subitising.

Number of the day!

Each week we have a number of the day, this week we looked at the number 12.

We had circle time and a number talk, looking at the different ways we can show the number 12.

Number talks have been a great way for the Preps to visualise collections and build on their number sense. The Preps were given some thinking time and then shared their ideas to make a number 12 poster.

Well done preps for an excellent first half of the year!

MAKING MUSIC

What a wonderful semester it has been in Music with our junior grades!

On Monday mornings, our preps have had the benefit of having two Music teachers with a visiting Music Specialist Mentor coming to teach a variety of music games, songs and activities. Together, Mrs B and Ms Sison had so much fun with PA, PB and PC.

Grades 1 & 2 have enjoyed instrument rotations this term, learning how to recognise notes and some symbols using graphic notation. Playing an instrument with a group requires the ability to hear the beat, find the pitch and melody, and play the correct part at the right time. That is a lot of multi-tasking for a young mind! I am so proud of our students for being up for the challenge and understanding that making mistakes is all part of the process of making music.

Physical Education

Division Cross Country

On Wednesday 31st of May, Tyabb Primary School had 9 students attend Division Cross Country at Hastings Foreshore. Congratulations to Kayla, Asiani, Jaden, Paige, Addi, Isaac, Matilda, Alana and Sophie on an out of this world effort during this event. All students did a great job finishing between 16th and 32nd position.

You should all be very proud of your efforts. Well done.

Winter Lightning Premiership

On Thursday 15th of June all Grade 5 and 6 students participated in the Winter Lightning Premiership against other schools in our district. Students chose a sport from the choices of AFL, soccer, netball or tee-ball at the beginning of the term and practised every Friday afternoon against each other in preparation for this day.

All students did an amazing job with some great results across the day. Some results included a win by the grade 5 AFL team, 3 wins by the boys soccer team and both netball teams going undefeated throughout the day.

Congratulations to all students on your efforts and a big good luck to the netball team who will be progressing to Division level which is held early next term.

Thank you to all parents who came to help our teams on the day and to cheer the students on. Your help and support is always greatly appreciated.

Tyabb PS had 2 teams of netballers travel to Somerville Recreation Centre to compete in the Winter Lightning Premiership. Both teams played extremely well, showing amazing progress as the day went on. They competed in short, 8 minute games against students from the local area. The B Team won every game and went on to be the undefeated winners of their pool. The A team also went undefeated the entire day, and won their pool. They now go on to District Netball in Term 3. We wish them the very best of luck at the next level. Thank you to Rebecca Colley and Mrs Monea for coaching and helping the teams on the day.

Green Team - Chickens

Many thanks to our families who have helped to look after the chickens on the weekends throughout Term 2. If any families would like to lend a hand to care for the girls over the Term 2 holidays, it is super easy.

All that is involved is to let the chickens out sometime in the morning and put back in before dark each day and their food and water topped up. All food is provided but if you have any kitchen scraps, they enjoy a special treat (except for onion, garlic or citrus). Because it is winter, the girls are off the lay, but they still enjoy a gentle cuddle.

Any help would be greatly appreciated. Please email Ms Hewitt (formally Bartlett)

AE TUTORING

ARE YOU LOOKING FOR SOMEONE TO HELP WITH YOUR CHILD'S LEARNING?

WOULD YOUR CHILD LIKE TO FEEL MORE CONFIDENT AT SCHOOL?

DOES YOUR CHILD REQUIRE EXTENSION IN A CURRICULUM AREA?

I am a qualified primary school teacher, who has been working in the field for more than 20 years. I am extremely familiar with the Victorian curriculum.

If your child needs some additional support in their learning, I would love to help.

Through an initial assessment, I will find the curriculum gaps and tailor a program specific to their individual learning needs.

Please contact me if you would like to discuss this further.

Contact – Amber 0408 058 893 or you can message me through Facebook.

FAMILY FUN – Winter 2023

Cold Winter days and sparkling clean air provide us with the opportunity to focus with intention. Gain perspective and ground yourself in nature by taking a breath with *Breathe in the Briars* – a mindfulness guide. Join local artist Caroline Graley in our *Chechingurk Birdhide* for an adult painting class, focus on the fauna in the Wildlife Sanctuary by joining a ranger-led night walk or celebrate our all-important native garden bees by creating your very own insect village!

Mini Ecologist*
Our wildlife need our help to ensure their habitats are safe and have all the resources they need. We're calling all mini ecologists to join our Rangers in learning about the ecosystems our wildlife call home. Encounter some native animals face to face and help us keep habitats safe for all our wildlife.

26 and 27 June
10am – 12noon
\$29.90 per child.
Suitable for kids 6 to 10 years old.

Night walk: Spotlight on conservation*
A new world emerges in the Wildlife Sanctuary after dark. Join our Rangers on a night walk as they tell the story of how The Briars is managed to contribute to the growing need to protect our biodiversity. Learn how to spotlight like a wildlife researcher and meet some native animals up close while hearing about their stories of survival and the important roles they play in their habitats.

Suitable for all ages. If you have accessibility questions, please give us a call on 5974 3686

26 and 27 June
6 - 8pm
\$32 adult, \$25.90 concession/child

Native Insect Village*
Encourage beneficial bees to call your garden home by making an insect village. As the cold days continue from winter into early spring, our garden insects, arachnids and other small friends need a safe place to call home. Enjoy learning about the important role beetles, millipedes, spiders, centipedes and many more play in keeping your garden thriving.

July 1 and July 15, 2-4pm
\$25.00 adult, \$21.00 concession/child.
Suitable for 8 years and older.

Walk on Country and Yidaki led meditation*
Be guided through the Wildlife Sanctuary by Lionel Lauch and Hudson Fraser from Living Culture. Experience an in-depth connection with country by learning about the land and indigenous culture and traditions. Then join Lionel in the Chechingurk Birdhide for a special Yidaki led meditation. Numbers are strictly limited.

July 9 and August 27
11am to 1pm
Cost: \$46.50 adult, \$36.50 concession/child

Painting Nature for Beginners*
Begin your creative process by gathering inspiration on an hour-long Ranger led stroll. Let our Rangers guide you to the hidden gems of beauty throughout the Wildlife Sanctuary as you prepare yourself to create. Then join local artist, Caroline Graley in the Chechingurk Birdhide for a 2-hour painting workshop. Be surrounded by the wetlands as you learn and practice various painting techniques.

August 5 and 12
1 to 4pm
Cost: \$31.90

FAMILY FUN – Winter 2023

Experience the clarity of cold mornings with the sanctuary animals. Embrace the crisp air and clear your mind by going for a winter walk in the Briars Wildlife Sanctuary. Open from 9.00am to 4.30pm every day of the week. To keep you safe the Wildlife Sanctuary will not open on days of extreme weather.

Games by the Fire
Escape the cold weather and warm up by the fire in the Visitors Centre! You may choose to join your mates in a game of chess or Uno or tap into your creative side and make your very own spider web! Available every day during the school holidays or on weekends.

10am – 4.30pm
June, July, August
Visitor Centre

Wetland Wonders
Look out through the glass of our Wetland window and what can you see? A purple swamp hen foraging for food or a water reed swaying in the wind... As you observe, you'll notice the environment teeming with life all around you. Pick up a Wetland Wonders Seek and Find activity sheet at the Visitors Centre and see what you can spot.

Briars Geocaching
Want to take treasure hunting to the next level? Then the Briars site wide geocaching is for you! We're putting a Briars spin on traditional geocaching with themed caches or boxes hidden onsite. You'll get a clue to where each cache is hidden, but that doesn't mean they'll be easy to find. See our Rangers in the Visitors centre to begin your Briars Geocaching adventure. (Note: our geocaches do not require exchanges of items).

Breathe in the Briars
Daily mindfulness is often aided by a strong connection to place. Find that connection at the Briars by immersing yourself in nature and reflecting on the natural world. Choose to wander our Wetland or Woodland Walk. Pick up a *Breathe in the Briars* mindfulness guide from outside the front of the Visitor Centre or make your own way. Make some time for yourself after dropping the kids at school or on your lunch break. Use this amazing local resource to help you ground and immerse yourself in the healing power of nature.
