

PRINCIPAL REPORT

LUNCH TIME ACTIVITIES

In terms 2 and 3 we offer a variety of lunch time activities. This term students have enjoyed:

- Basketball
- Lego
- Library time
- Mindful colouring
- Go Noodle and dancing
- And chess with our new chess pieces

Thank you to the teachers who support our children during lunch time and run these activities. We look forwards to offering them again in term 3. Special thanks to Mrs Toft for donating the chess pieces.

STOMP DANCE

In term 3 we are looking forward to having STOMP Dance lessons resume for our students. All students in grades Prep—6 will get a weekly dance lesson. The aim of this program is to develop fitness, coordination, gross motor skills, social interaction and gain valuable dance proficiency skills.

Stomp dance sessions will run on Tuesday through Term 3. They will begin in week 1 on Tuesday 11th July.

Please note that there will be a pause to the program for 2 weeks while swimming is on (No lessons on August 1st or 8th).

Parents and Family members will be invited to school to watch the final session and see the children perform the dance they have learnt throughout the term. Your child's classroom teacher will provide more information about this session towards the end of Term 3.

SENTRAL REPORT FORMAT

Do you have the Sentral App? This is the only way to access your child/children's reports. Reports will be available on the Sentral App in the last week of term—Wednesday 21st June.

At the end of each semester we provide parents with a copy of their child/children's reports through our Sentral App. This report provides parents with an update on their child's progress and achievements against the standards of the Victorian Curriculum.

Key features of the report

We have a values checklist and personal comment that will show your child's personal strengths and possible areas for improvement.

Tyabb Values

Tyabb Primary School has a strong commitment to a set of core values—Respect, Safety, Responsibility, Integrity and Optimism. These values underpin all decisions made in the school and provide a framework for behavioural expectations of all community members. They are the basis for our expectations of behaviour in both the classroom and the playground. Our school values are intertwined amongst all of the curriculum areas that are taught at Tyabb Primary School. They are the foundation for a safe and caring school committed to working and learning together.

There will also be an opportunity to discuss these reports and your child's progress at our Student Led Conferences in the first week of next term. A Sentral post will come out soon to invite you to book a time for this conference via the Sentral App.

STUDENT LED CONFERENCES

Please note this date in your diaries as students do not attend for the whole day. Week 1 Term 3—Friday 14th July.

Students will not attend a usual school day on this date but will be invited to attend a 20 minute Student Led Conference during that day or after school on Thursday 13th July from 4pm until 7.30pm. Further information regarding this process and our online booking system via Sentral was sent home this week.

What is a student led conference?

Research tells us that students should be actively involved in their learning and assume responsibility of the learning process. Student Led Conferences motivate students to be accountable for their learning, encourage reflection and help them evaluate their academic progress.

At Tyabb Primary School we use the Student's Learning Journals to help facilitate and guide the discussion during the conference. These Learning Journals will display results and work samples that will demonstrate your child's achievements and growth in a particular skill or subject and provide your child with the opportunity to discuss their learning journey with you and celebrate their successes. The conference places the child at the centre of the process and allows the student to develop ownership over their learning.

Child safety and wellbeing at Tyabb Primary School

Tyabb Primary School is committed to providing a child safe and child friendly environment, where students are safe and feel safe. Last year the Victorian Government announced new Child Safe Standards to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Tyabb Primary School has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available via the links below or you can access them on our school's [website](#) under the tab documents/child safe standards and available in hard copy at school's front office.

As valuable partners in promoting and maintaining child safety and wellbeing at Tyabb Primary School we welcome and encourage your feedback.

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact the principal or assistant principal on 5977 4584 or we are available at the front gate most mornings. You can also email the school tyabb.ps@education.vic.gov.au with any feedback or concerns.

KEEPING OUR CHILDREN SAFE

Each term teachers speak with students as to how it is important that they feel safe in everything that they do. Lessons take place with all grade levels, reminding students that it is important they know who their trusted adults are in their lives. The poster below is located in all classrooms.

If there is ever a time that you feel you need to talk to the school regarding issues, please do not hesitate to contact your child's classroom teacher or call the office to speak with Kris Grinsted (Welfare & Child Safety co-ordinator).

PROTECT

Everyone has the right to be safe and be protected from abuse.

No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community.

Tell a teacher or any adult at your school if you feel unsafe.

It's everyone's responsibility.

Adults at school must listen and respond to concerns about child abuse.

If you suspect abuse of any child or young person, you have a responsibility to report it, even if you are not sure.

Dear School Community

School Building Fund – Tax Deductible Donations

School Council is inviting donations to a Deductible Gift Recipient Fund through the Tyabb Primary School Building Fund.

The Building Fund was approved by the ATO in 2002 to allow Tax Deductible donations be given to the school in accordance with the Department of Education and Training (DET) DGR funds Guidelines, updated January 2018.

During this time donations to the school's Building Fund has raised funds to complete upgrading the music room, library, multi-purpose hall, split systems installed in all BER classrooms, carpeting most of the classrooms and the shelter between the portables.

To be eligible to claim your donation on your 2022/23 tax return please send your donation in an envelope to the school before 30th June 2023 including the name you would like the receipt made out to for taxation purposes and Building Fund as the detail. Please include your child's name and grade so we receipt to the correct family.

Payment can be made by: cash, EFT, Bpay (please contact the office for reference number) or direct deposit BSB 063-093 a/c 10000917 with name & building fund as the description. All donations will be given a receipt in accordance with ATO guidelines.

Our future projects include continuing the carpeting of school classrooms and administration areas, painting, general maintenance of school buildings and new decking between the portables.

We thank you for your support of our school and your kind donation. Please contact the school office on 5977 4584 if you have any questions.

Carole Howden—Principal

LOTS OF SOCKS

When: Last day of Term 2

Friday 23rd June

Why wear lots of socks?

To encourage people to be inclusive and show others that people can be different, but they deserve to be treated the same as everyone else.

Nobody likes to be excluded. So reach out and get to know the person, not their differences.

Bring a gold coin donation and join us on Friday 23rd June, wearing your most fabulous socks, to show how unique we all are and how we can work together to appreciate our differences. It's all about attitude!

You can wear colourful socks, odd socks, long socks, short socks, footy socks or striped socks.

The more unusual the better!

All money raised will be sent to Down Syndrome Australia.

CHESTERFIELD FARM

The preps have had a delightful term learning all about pets and farm animals in our 'Living Things' Inquiry unit.

We have explored the way farm animals live and survive and how they are different to pets. We have also learnt that living things have a variety of external features and live in different places where their basic needs, including food, water and shelter, are met.

Last week we visited Chesterfield Farm in Scoresby. The preps had a wonderful day! They enjoyed seeing, patting and feeding many different animals. They also had a tractor ride, visited the baby animal nursery and saw a cattle dog rounding up some sheep.

Such a fun and educational day, which consolidated our 'Living Things' learning this term.

Classroom Capers

Science

On the 18th of May, Grade 3s had an incredible opportunity to get up close and personal with some zebrafish from a Monash lab. The incursion was hosted by Jenny from Monash University. Students investigated the question ***are zebra fish an appropriate model to use for studying the human body and human health.***

"It was an incredible experience" -Keaton 3A

"My favourite part was getting an up close view of the zebrafish" - Zac 3A

"It was cool to see the older zebra fish swimming around in front of us doing circles". Jhai 3B

"I loved that we got to get the Zebrafish eggs and pipe them into a petri dish" - Jazmine 3B

Students had the opportunity to examine real adult zebrafish as well as transparent embryos in various stages of development under a microscope. They analysed research which outlined the similarities and differences that the fish have with human beings. We found that zebrafish share 73% of genes with humans and are actually quite comparable to humans in terms of their organs and development.

"My favourite part was observing the eggs under a microscope" - Olivia 3A

AE TUTORING

ARE YOU LOOKING FOR SOMEONE TO HELP WITH YOUR CHILD'S LEARNING?

WOULD YOUR CHILD LIKE TO FEEL MORE CONFIDENT AT SCHOOL?

DOES YOUR CHILD REQUIRE EXTENSION IN A CURRICULUM AREA?

I am a qualified primary school teacher, who has been working in the field for more than 20 years. I am extremely familiar with the Victorian curriculum.

If your child needs some additional support in their learning, I would love to help.

Through an initial assessment, I will find the curriculum gaps and tailor a program specific to their individual learning needs.

Please contact me if you would like to discuss this further.

Contact – Amber 0408 058 893 or you can message me through Facebook.

NAIDOC WEEK Today we acknowledge the traditional custodians of the lands on which all TeamKids conduct their care. We pay our respects and we take the time to learn some more about Australia's rich Indigenous culture.	WORLD GAMES VIA HEADPHONES Join TeamKids for a cultural adventure with music, dance and games from around the world. We will be transported to different countries and have a blast playing games, grooving to global beats, and testing our knowledge in a world trivia contest.	ABORIGINAL DOT PAINTING Let's get 'dotty'! Explore the exciting world of Aboriginal dot painting on canvas! Create a masterpiece that tells a story and have fun with these colourful works of art that celebrate Indigenous history and culture.	MOVIE - ELEMENTAL Lights down, popcorn ready! TeamKids is off to see Elemental! The story introduces Ember, a fiery young woman, whose friendship with a go-with-the-flow guy named Wade challenges her beliefs about the world they live in. "PS Film	TEAMKIDS CHALLENGE Get your running shoes on because today at TeamKids we will be competing and working in teams in a sports like carnival. The aim of the day is to collect as many points for your team as possible and of course, have fun!

FAMILY FUN – Winter 2023

Native Insect Village*
Encourage beneficial bees to call your garden home by making an insect village. As the cold days continue from winter into early spring, our garden insects, arachnids and other small friends need a safe place to call home. Enjoy learning about the important role beetles, millipedes, spiders, centipedes and many more play in keeping your garden thriving.

July 1 and July 15, 2-4pm
\$25.00 adult, \$21.00 concession/child.
Suitable for 8 years and older.

Walk on Country and Yidaki led meditation*
Be guided through the Wildlife Sanctuary by Lionel Lauch and Hudson Fraser from Living Culture. Experience an in-depth connection with country by learning about the land and indigenous culture and traditions. Then join Lionel in the Chechingurk Birdhide for a special Yidaki led meditation. Numbers are strictly limited.

July 9 and August 27
11am to 1pm
Cost: \$46.50 adult, \$36.50 concession/child

Painting Nature for Beginners*
Begin your creative process by gathering inspiration on an hour-long Ranger led stroll. Let our Rangers guide you to the hidden gems of beauty throughout the Wildlife Sanctuary as you prepare yourself to create. Then join local artist, Caroline Graley in the Chechingurk Bird Hide for a 2-hour painting workshop. Be surrounded by the wetlands as you learn and practice various painting techniques.

August 5 and 12
1 to 4pm
Cost: \$31.90

Mini Ecologist

Walk on Country

Painting Nature

Mini Ecologist*
Our wildlife need our help to ensure their habitats are safe and have all the resources they need. We're calling all mini ecologists to join our Rangers in learning about the ecosystems our wildlife call home. Encounter some native animals face to face and help us keep habitats safe for all our wildlife.

26 and 27 June
10am – 12noon
\$29.90 per child.
Suitable for kids 6 to 10 years old.

Night walk: Spotlight on conservation*
A new world emerges in the Wildlife Sanctuary after dark. Join our Rangers on a night walk as they tell the story of how The Briars is managed to contribute to the growing need to protect our biodiversity. Learn how to spotlight like a wildlife researcher and meet some native animals up close while hearing about their stories of survival and the important roles they play in their habitats.

Suitable for all ages. If you have accessibility questions, please give us a call on 5974 3686

26 and 27 June
6 - 8pm
\$32 adult, \$25.90 concession/child

FAMILY FUN – Winter 2023

Experience the clarity of cold mornings with the sanctuary animals. Embrace the crisp air and clear your mind by going for a winter walk in the Briars Wildlife Sanctuary. Open from 9.00am to 4.30pm every day of the week. To keep you safe the Wildlife Sanctuary will not open on days of extreme weather.

Games by the Fire
Escape the cold weather and warm up by the fire in the Visitors Centre! You may choose to join your mates in a game of chess or Uno or tap into your creative side and make your very own spider web! Available every day during the school holidays or on weekends.

10am – 4.30pm
June, July, August
Visitor Centre

Wetland Wonders
Look out through the glass of our Wetland window and what can you see? A purple swamp hen foraging for food or a water reed swaying in the wind... As you observe, you'll notice the environment teeming with life all around you. Pick up a Wetland Wonders Seek and Find activity sheet at the Visitors Centre and see what you can spot.

10am – 4.30pm
June, July, August
Visitor Centre

Briars Geocaching
Want to take treasure hunting to the next level? Then the Briars site wide geocaching is for you! We're putting a Briars spin on traditional geocaching with themed caches or boxes hidden onsite. You'll get a clue to where each cache is hidden, but that doesn't mean they'll be easy to find. See our Rangers in the Visitors centre to begin your Briars Geocaching adventure. (Note: our geocaches do not require exchanges of items).

10am – 4.30pm
June, July, August
Visitor Centre

Breathe in the Briars
Daily mindfulness is often aided by a strong connection to place. Find that connection at the Briars by immersing yourself in nature and reflecting on the natural world. Choose to wander our Wetland or Woodland Walk. Pick up a Breathe in the Briars mindfulness guide from outside the front of the Visitor Centre or make your own way. Make some time for yourself after dropping the kids at school or on your lunch break. Use this amazing local resource to help you ground and immerse yourself in the healing power of nature.

Document your experience by tagging us #BreatheInTheBriars

9am – 4.30pm
Start at Visitor Centre
June, July and August

Shire Nursery
