TYABB’S GOT TALENT GRAND FINAL

2023 IS OUR YEAR OF REVIEW

As part of the Department of Education's commitment to continuous improvement and providing the best possible education for our students, each Victorian government school undertakes a formal review every four years. Our review will take place in term 4.

In preparation for this we are currently completing a comprehensive self-evaluation which will involve gathering feedback from students, teachers and community members. The focus of this assessment and school reflection is to help identify:

- what is working well
- what needs to continue
- which areas of the school's work may need to be improved or further developed.

An independent reviewer will analyse our school's performance against the goals and targets in our last four year strategic plan. They will reflect on the feedback we receive from the community and support us in setting our new goals for our new four-year school strategic plan.

We are seeking your help and feedback. Some of this feedback will come from formal assessments such as NAPLAN and our staff, student and parent opinion surveys. **We will also be sending out a link in the next couple of weeks to all families to complete a short survey monkey.** All of this information will help us to make improvements to provide the best possible education for your children.

TYABB'S GOT TALENT

Last term we brought back Tyabb's Got Talent. Students from all year levels formed an amazing 37 acts ranging from dancing, singing, cheerleading, joke telling, calisthenics, Elvis impersonating—just to name a few of the huge variety. I would firstly like to congratulate all of the students who gave this opportunity a go and put time and effort in to rehearsing their act and putting together props and costumes. You should all be extremely proud of yourselves! I would like to thank all of the students who became the audience each lunchtime with over 100 children watching and applauding each individual act. And to the following finalists who performed at the grand final to the whole school one afternoon—you were all amazing!! It was very difficult to decide a winner from such a talented group of students.

Winner of Tyabb's Got Talent 2023 Isla 4C

Isla amazed the audience with a calisthenics routine to the Adam's Family theme song. She is to be congratulated for her costume, choreography, timing, flexibility and calisthenic routine. Congratulations Isla!

Congratulations to the following students for being in the Tyabb's Got Talent grand final

Kayla, Emily, Kiahna Amalie, Emeline and Madi from 4C did a cheerleading routine showing great skill and team work. The audience loved the performance!

Mason from 4C amazed us all with his whip cracking performance showing his skills cracking not just one whip but two at the same time. Well done!

Tahni from 5B performed a beautiful dance which she choreographed and performed by herself, showing her talents as a dancer. Super effort Tahni!

Lachlan from 4A amazed us with his Elvis impersonation miming the song 'Hound Dog' and performing with dance moves just like the real Elvis. You are a star Lachlan!

STUDENT LED CONFERENCES

Student led conferences start tonight from 4—7.30pm and all day tomorrow. Please note that students do not attend tomorrow Friday 14th July and only attend for their 20 minute conference. This conference is a chance to share your child's achievements and show how proud you are of them. We hope you all enjoy the experience.

At Tyabb Primary School we use the Student's Learning Journals to help facilitate and guide the discussion during the conference. These Learning Journals will display results and work samples that will demonstrate your child's achievements and growth in a particular skill or subject and provide your child with the opportunity to discuss their learning journey with you. The conference places the child at the centre of the process and allows the student to develop ownership over their learning.

Before the conference:

- Read your child's school report and discuss it with them
- Celebrate their achievements from throughout the first semester.

On the day:

- Plan on spending 20 minutes in your child's classroom.
- The first 10 minutes will be led by your child.
- The second 10 minutes will be for any questions about your child's report, their progress and future learning goals.
- Be prepared to talk with your child about his/her strengths and areas for growth.

During the conference:

- Please be supportive of the work and the results that your child has achieved.
- Use language that your child understands.
- Please give positive feedback to your child.
- Use sentence starters such as "I like how you..." or "What did you learn from?"

After the conference:

- Talk with your child about the conference and their learning goals.
- Remember the student led conference is a great opportunity to celebrate learning and be proud of their achievements.

READING ROCKS! PLEASE SUPPORT YOUR CHILD WITH THEIR READING TO MAKE THEM THE BEST THEY CAN BE. HELP US TO ACHIEVE OUR WHOLE SCHOOL GOAL TO HAVE 100% OF OUR STUDENTS REACH AT LEAST 100 NIGHTS OF READING!

239 students at 100 nights 174 to go!

Congratulations to all of the students who have reached 100 nights of reading this year so far you rock!!! We are aiming to have all of our 413 students reach at least 100 nights of reading this year so please support your student by hearing them read most nights. We are keeping a record of every child's reading routine to provide certificates and graph our progress. Take a look at how we are going. (Please note that grade sizes differ and that the prep grades started home reading a little later than other grades) This graph is accurate as of the 12.7.23

Please note that this page will be updated each newsletter as new events are scheduled

I'M FUNDRAISING FOR CANCER COUNCIL VICTORIA TO HELP STOP CANCER.

Steph wanted to donate her hair to help raise money for cancer research. As Steph has had family and friends, who have had cancer treatment over the years. Steph felt passionate about doing something to help others. Steph thought this was a good option, as she could raise money for research, plus make a wig for someone that has lost their hair due to cancer treatment.

Every year more than 35,000 Victorians hear the words 'you have cancer'.

Thanks in part to generous Victorians, 7 in 10 of them will survive five years after a cancer diagnosis, but there's still so much work to be done.

Cancer Council needs our support more than ever this year. Every dollar raised gives hope for a cancer free future. By supporting my event, you're funding life-saving cancer treatments, prevention programs, and support services that ensure no one has to face cancer alone.

SEEKING DONATIONS

Tyabb Primary School
Bunnings Barbecue
Sunday 13th August

Come along to buy a sausage or show your support by donating to help us get organised for the barbecue. You can donate your time on the grill, some money to help purchase supplies for the cook up or maybe you know a business who is willing to donate to our cause.

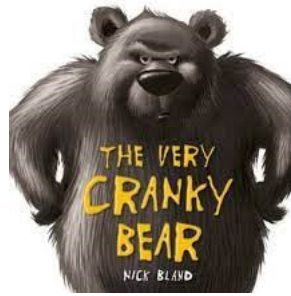

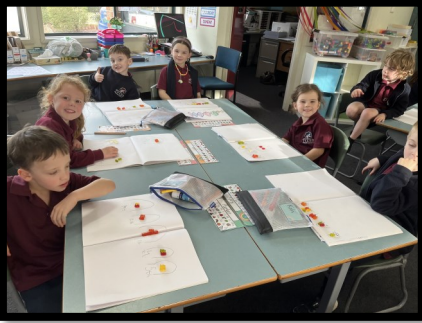

All money raised on Sunday 13th August will be going towards sending our two teams of energetic grade five and six students to the RACV Energy Breakthrough Human Powered Vehicle Challenge, an annual event held in Maryborough, Victoria every November.

Please contact:

Bronwyn Rogers on bronwyn.rogers@education.vic.gov.au or

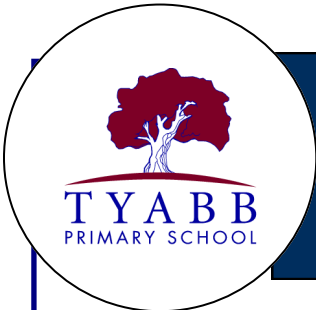

Miranda Dummett on miranda.dummett@education.vic.gov.au if you can support the teams in anyway.

Prep C put bears in caves

Prep C love doing maths - especially when there are gummy bears involved! This week we have been learning all about ordinal numbers. That means numbers that put things in order - first, second, third, etc. We started off with one of our favourite stories 'The Very Cranky Bear'. Next we drew caves in our maths books and labelled them 1st to 5th. Next comes the yummy part, everyone had to count out 12 gummy bears and put them in the caves. We then practised using the language of ordinal numbers to describe our bears. For example, 'How many bears are in your third cave?' 'Which cave has the most/least bears?' 'Put all of your red bears in the fifth cave.' Finally, the best part of all - eating our gummy bears - yum!

Maths is always fun at Tyabb! Come and NumeraSEE some of the great work that our students are doing at Tyabb Primary School.

Green Team

A huge thank you to the amazing **Kirkpatrick** and **Parsons** families for caring for our chickens over the Term 2 holidays. Your assistance was truly appreciated.

If any families would like to lend a hand to care for the girls over the Term 3, it is super easy. All that is involved is to let the chickens out sometime in the morning and put back in before dark each day and their food and water topped up. All food is provided but if you have any kitchen scraps, they enjoy a special treat (except for onion, garlic or citrus). Because it is winter, the girls are off the lay, but they still enjoy a gentle cuddle.

If you can help out, please email Ms Karina Hewitt (formally Bartlett)

National Tree Planting Day

On Friday the 28th of July we are celebrating National Tree Day with the Shire of Mornington. To celebrate we invite all students and staff to wear a splash of green and bring a gold coin donation to purchase plants for the school. That morning our Prep and Grade 5 buddies will be planting approximately 200 native trees in the Oliver's Creek Reserve. Let's hope the weather is kind!

- ARE YOU LOOKING FOR SOMEONE TO HELP WITH YOUR CHILD'S LEARNING?
- WOULD YOUR CHILD LIKE TO FEEL MORE CONFIDENT AT SCHOOL?
- DOES YOUR CHILD REQUIRE EXTENSION IN A CURRICULUM AREA?

I am a qualified primary school teacher, who has been working in the field for more than 20 years. I am extremely familiar with the Victorian curriculum.

If your child needs some additional support in their learning, I would love to help.

Through an initial assessment, I will find the curriculum gaps and tailor a program specific to their individual learning needs.

Please contact me if you would like to discuss this further.
