#### PUPIL FREE DAYS

Term 4 **MONDAY 6th November**

Common Practice Day (Monday before Melbourne Cup)

Term 4 **WEDNESDAY 20th December**

Curriculum Day (last day for students on Tuesday 19th December)

**Please mark these into your diaries as students do not attend on these days**

### WE WOULD LOVE YOUR FEEDBACK

As part of the Department of Education's commitment to continuous improvement and providing the best possible education for our students, each Victorian government school undertakes a formal review every four years. Our review will take place in term 4.

In preparation for this we are currently completing a comprehensive self-evaluation which will involve gathering feedback from students, teachers and community members. The focus of this assessment and school reflection is to help identify:

- what is working well
- what needs to continue
- which areas of the school's work may need to be improved or further developed.

An independent reviewer will analyse our school's performance against the goals and targets in our last four year strategic plan. They will reflect on the feedback we receive from the community and support us in setting our new goals for our new four-year school strategic plan.

**We are seeking your help and feedback and are asking you to complete a short 5 minute survey with the link issued via SENTRAL.**

### National Tree Day

**Friday 28<sup>th</sup> July**

**On Friday 28th July we will celebrate National Tree Day by encouraging students to wear a splash of green and donate a gold coin to go towards planting in our environment centre. Keep it simple. Students should still wear school uniform but could wear something green eg socks, hair tie, head band, wrist band, green beanie, green scarf. Our students will do activities in their classrooms, walk through Oliver's Creek and our preps will also get to plant 100 trees with the support of their grade 5 buddies. Plants donated by Mornington Peninsula Shire.**

### CHECK OUT OUR NEW ARTWORK

Thank you to Ms Wright for working with our students to create this fabulous new artwork in our school grounds. During National Reconciliation Week students were read the story Finding Our Heart written by Torres Strait Islander author Thomas Mayor.

Thomas Mayor presents an Aboriginal perspective of Australia's history and entrusts the children with creating a shared future. The focus of this story was to find our collective heart. Each student painted a heart for our mural.

## MOBILE PHONE REMINDER TO PARENTS AND STUDENTS

It has come to our attention that several students in our upper grades have been taking their mobile phones in to the playground at playtimes and lunchtimes, which is against our school rules and mobile phone policy. Our classroom teachers have been asked to remind the students of our policy and the governments reasons for making this mandatory across all Victorian Government Schools. The following summary comes directly from our policy. You can access a full version of our policy on our school website by clicking on the following link—[Mobile Phone Policy](#)

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Tyabb Primary School during school hours, including lunchtime and recess, unless an exception has been granted. Where a student has been granted an exception eg for medical reasons, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

### Secure storage

Mobile phones owned by students at Tyabb Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Tyabb Primary School does not have accident insurance for accidental property damage or theft.

### Where students bring a mobile phone to school:

Once on school grounds students are not permitted to use their phones. This applies to before and after school while in the school grounds. (The use of a mobile phone includes calls, SMS messages, recording audio, photographs or video, listening to music, games and accessing the internet and all other features.) If a child needs to use their mobile phone before or after school while they wait for parents, they must ask permission and be supervised by a teacher.

Mobile phones are to be given to the class teacher on arrival in the morning for safe storage until the end of the day when they will be returned. Mobile phones must be labelled with the student's name or recognisable identification.

Tyabb Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. In most cases this will be a lockable cupboard, drawer or classroom safe.

### Enforcement

Students who use their personal mobile phones inappropriately at Tyabb Primary School may be issued with consequences consistent with our school's existing student engagement policies e.g. Student Wellbeing and Engagement Policy, Welfare and Discipline Policy or Bullying Prevention policies.

If a student uses a mobile phone contrary to this policy, it will be confiscated and held by the Office until a student's parents/carers come to collect the device. Parents will be contacted to inform them of the phone's confiscation.

At Tyabb Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others,
- to send inappropriate, harassing or threatening messages or phone calls,
- to engage in inappropriate social media use including cyber bullying,
- to capture video or images of people, including students, teachers and members of the school community without their permission,
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms,
- during exams and assessments.

### Camps, excursions and extracurricular activities

Tyabb Primary School does not permit the use of mobile phones or personal devices on camps, excursions and extracurricular activities unless there are exceptional circumstances such as those listed above and approval by the Principal/Assistant Principal has been granted.

Tyabb Primary School does not permit the use of mobile phones or personal devices on camps, excursions and extracurricular activities unless there are exceptional circumstances such as those listed above and approval by the Principal/Assistant Principal has been granted.

## NATIONAL DAY OF ACTION AGAINST BULLYING

### FRIDAY 18<sup>TH</sup> AUGUST 2023

The National Day Against Bullying is on Friday 18th August 2023. This year the focus is 'Growing Connections'. This theme supports research findings that strong school community connections and social skills are protective factors in the prevention of bullying and help enable positive, help-seeking behaviours in students.

The National Day of Action will serve as an important platform to raise awareness of bullying and its impact on individuals and communities.

***On Friday 18<sup>th</sup> August, Tyabb Primary School will show their support for the National Day Against Bullying by providing the opportunity for students to engage in activities and class discussions related to bullying and respectful relationships. Students from Prep to Grade 6 will be working in their classrooms on activities that promote kindness, friendship, conflict resolution, resilience, respect for others and the consequences of behaviour.***

To further promote the importance of saying no to bullying, **we are encouraging students to wear a splash of orange on the day. This could include a ribbon, a piece of orange clothing, orange socks etc.** By channelling our collective power, through shared efforts and shared ambitions, we can reduce bullying together. We all have a part to play in coming together to make a difference.

### **I'M FUNDRAISING FOR CANCER COUNCIL VICTORIA TO HELP STOP CANCER.**

Steph wanted to donate her hair to help raise money for cancer research. As Steph has had family and friends, who have had cancer treatment over the years. Steph felt passionate about doing something to help others. Steph thought this was a good option, as she could raise money for research, plus make a wig for someone that has lost their hair due to cancer treatment.

Every year more than 35,000 Victorians hear the words 'you have cancer'.

Thanks in part to generous Victorians, 7 in 10 of them will survive five years after a cancer diagnosis, but there's still so much work to be done.

Cancer Council needs our support more than ever this year. Every dollar raised gives hope for a cancer free future. By supporting my event, you're funding life-saving cancer treatments, prevention programs, and support services that ensure no one has to face cancer alone.

## HUMAN POWERED VEHICLE NEWS!

Training is well underway for this year's Energy Breakthrough Challenge! This year we have 19 Grade 5/6 students who are preparing mentally and physically for the enormous challenge ahead. Some training they have completed so far have been Casey Fields Sunday sessions and Recess Hill Runs.

### Team Sponsorship

Do you know of or are you a business owner in our community? We are seeking financial sponsors of our 2 Human Powered Vehicle Teams. Each year, we rely on sponsors to assist in preparing our teams to race in Maryborough in the Energy Breakthrough. If you are interested, please keep your eye out for a message on Sentral, or email [amy.monea@education.vic.gov.au](mailto:amy.monea@education.vic.gov.au). Final confirmation of Sponsors needs to be received by the End of August to be featured on our T-Shirts and Trikes.

### Hastings Bunnings BBQ

A key aspect of the Energy Breakthrough is fundraising and one way the team achieves this is by running a Bunnings BBQ. This year it will be on Sunday, August the 13<sup>th</sup> at the Hastings Bunnings. We would really appreciate donations to help us raise as much money as possible. Storing lots of donated snags at school is quite tricky, so if you would like to support us you can donate money to help us buy all the goods we need. Any contribution is appreciated and can be made directly to the school account:

Tyabb Primary School

### RAFFLE Donations

Another amazing way you can support our teams is to donate any items you feel would make great Raffle Prizes. In the past we have had sports equipment, scooters, basketball hoops, vouchers for local businesses and toys. Our Raffle is usually drawn around September and donations can be left at the Front Reception.

## LET'S GO TYABB TURBO & TYABB FIREBOLT!

# Classroom Capers

This Term, Grade 1 have been learning about procedure writing. This week, we wrote a procedure on how to make a jam sandwich. Grade 1A put our writing skills to the test! We followed our instructions to make (and eat) the yummiest jam sandwich!

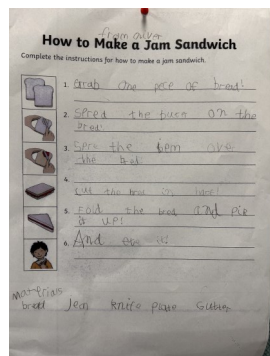

## Writing at Tyabb PS

Students in all year levels have been busily writing and learning about a whole range of texts. From recount to persuasive to procedural texts...Tyabb students just love to WRITE!

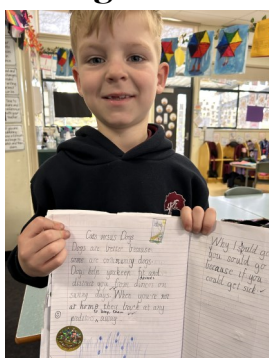

**In Foundation, we are learning to write RECOUNTS and to use CVC words.**

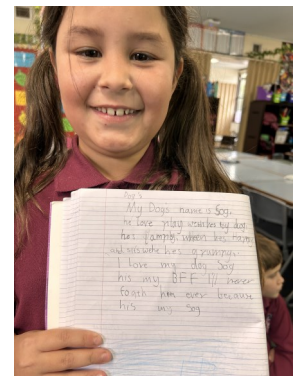

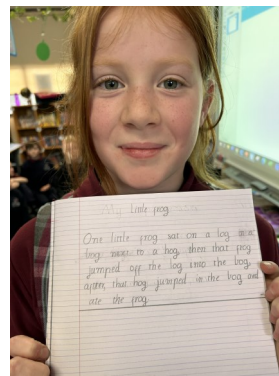

**In Year 1 we are learning to write Procedural texts and we made Jam Sandwiches!**

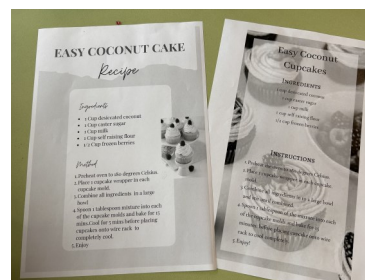

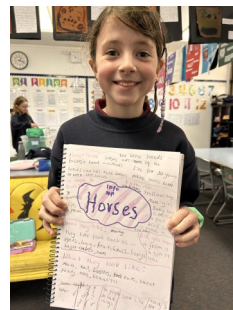

**The Year 2s have been learning to use strong arguments in Persuasive writing.**

**The Year 3 Students have been working on Poetry and rhyme.**

**In Year 4 students are using their Writer's Notebooks to get ideas for Information Reports.**

**It smelled delicious in Grade 5 last week, when they made cupcakes and wrote procedural texts.**

**The Year 6 students created Short Read cards when they learnt about Information Texts.**

## AE TUTORING

ARE YOU LOOKING FOR SOMEONE TO HELP WITH YOUR CHILD'S LEARNING?

WOULD YOUR CHILD LIKE TO FEEL MORE CONFIDENT AT SCHOOL?

DOES YOUR CHILD REQUIRE EXTENSION IN A CURRICULUM AREA?

*I am a qualified primary school teacher, who has been working in the field for more than 20 years. I am extremely familiar with the Victorian Curriculum.*

*If your child needs some additional support in their learning, I would love to help.*

Through an initial assessment, I will find the curriculum gaps and tailor a program specific to their individual learning needs.

Please contact me if you would like to discuss this further.

Contact – Amber 0408 058 893 or you can message me through Facebook.
