

PRINCIPAL REPORT

PUPIL FREE DAYS

Term 4 **MONDAY 6th November**

Common Practice Day (Monday before Melbourne Cup)

Term 4 **WEDNESDAY 20th December**

Curriculum Day (last day for students on Tuesday 19th December)

Please mark these into your diaries as students do not attend on these days

THANK YOU!

Thank you to parents who took the time to complete the online survey monkey (issued via Sentral) to give us feedback for our Whole School Review. Staff thank you for your kind words and appreciation. We will also take on board the feedback you have given us to continue to make our school the best it can be!

DEPARTMENT OF EDUCATION PARENT OPINION SURVEY

(A different survey to the school based survey monkey)

WE WANT OUR PARENTS / CAREGIVERS / GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. The survey is optional but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

All families are invited to participate in the survey which will be issued via email over the next few days.

The Parent / Caregiver / Guardian Opinion Survey will be open from **Monday 7 August to Friday 8 September 2023.**

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones.

Survey results will be communicated to parents / caregivers / guardians through a future school newsletter and in our Annual Report. We will also let you know of the improvements we have made as a result of the survey. Thank you in anticipation.

NATIONAL TREE DAY

On Friday 28th July we celebrated National Tree Day by wearing a splash of green and doing classroom activities to reinforce the importance of trees and protecting the environment. Our preps planted 100 trees with the support of their grade 5 buddies. Thank you to Ms Hewitt with the support of Mornington Peninsula Shire for organising the day. Any funds raised will go towards planting in our environment centre and throughout the school.

BUSHFIRE PREPAREDNESS

Central Highlands Environmental Consultancy

Bushfire Preparedness (Vegetation) Program
Tyabb Primary School – SIP Building

As our school is on the Bushfire at Risk Register (BARR) and it is predicted to be a hot, dry summer the Department of Education has conducted several audits of our 'Shelter in Place' building which is rooms 1-8, highlighted in yellow. As a part of this audit they assess the following requirements.

Fuel Reduction requirements—rooms 1-8 include:

Grass, leaves and debris:

- Grass must be short cropped
- All leaves and debris must be removed at regular intervals
- Rooves and gutters are clear of leaves, twigs and branches.
- Flammable objects must not be within 10 metres of a building,
- Plants greater than 10 centimetres in height must not be placed within 3 metres of a window or glass of the building.

Shrubs and Trees:

- Shrubs must not be under the canopy of trees.
- Thick vegetation contacting building walls or directly under windows be removed.
- Large trees that are taller than 10m be situated at greater distance than their height from the (SIP)
- Trees or branches over-hanging or touching buildings be removed or trimmed to a height of 2 metres from building rooflines and 2 metres clear of buildings.
- The canopy of trees must be separated by at least 5 metres.

What does this mean for Tyabb Primary School?

During our next school holidays the Department of Education will send contractors in to do the following works:

- Remove all mulch from garden beds and replace with gravel or stone mulch. Replace garden edging with a non-flammable edging.
- Remove all grasses from around the building and replace with a low growing native plant, preferably either a prostrate or low flammable shrub that does not exceed 50 cm in height
- Remove all trees on the corner and along Mornington Tyabb Rd.
- Install or replace screens for openable windows with non-corrosive heavy-duty gauge metal mesh.
- All tall woody shrubs should be removed (such as Tea tree). These could be replaced with shrubs that mature less than 2m with a lower flammability.
- As there is no certification for the artificial turf near this building, it will be replaced with a non-flammable material probably a rubber matting.
- Wooden tables near the building will be painted with a Fire-Resistant Paint (FRP).
- Due to the low risk posed by the Oak Trees in terms of flammability, a trim of 2m would be acceptable.

100 DAYS OF PREP

Prep A

Congratulations to
our 2023 Preps
for reaching their
100th day of
school!

The preps had an
exciting day,
dressed up as 100
year olds and took
part in several
'100 days of
school' themed
activities.

Well done preps!

Prep B

Prep C

Father's Day Stall

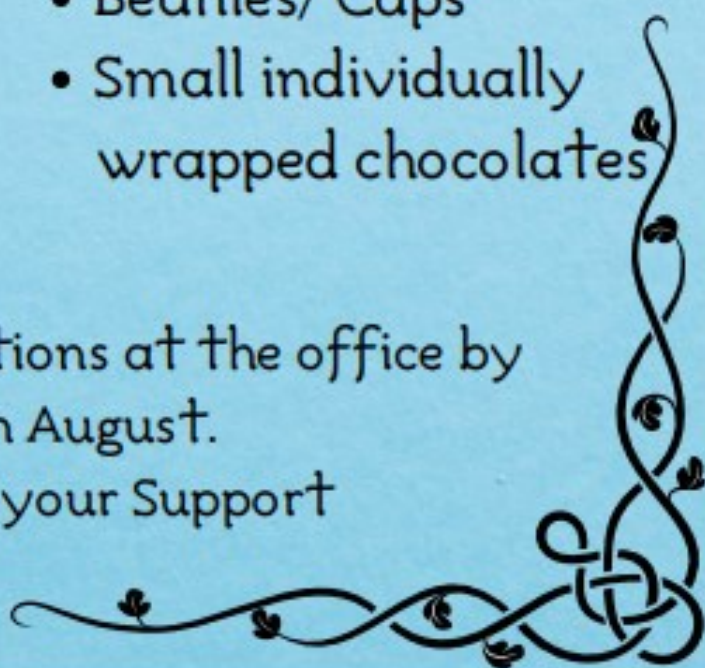

We will be holding our annual Father's Day Stall in late August and are kindly asking for donations.

- Stationery
- Candles
- Cool Gadgets
- Sports Equipment
- Mugs/ Travel Mugs
- Slippers
- Gardening Tools
- Beanies/ Caps
- Small individually wrapped chocolates

Please leave any donations at the office by Friday 25th August.

Thank you for your Support

NATIONAL DAY OF ACTION AGAINST BULLYING

FRIDAY 18TH AUGUST 2023

The National Day Against Bullying is on Friday 18th August 2023. This year the focus is 'Growing Connections'. This theme supports research findings that strong school community connections and social skills are protective factors in the prevention of bullying and help enable positive, help-seeking behaviours in students.

The National Day of Action will serve as an important platform to raise awareness of bullying and its impact on individuals and communities.

On Friday 18th August, Tyabb Primary School will show their support for the National Day Against Bullying by providing the opportunity for students to engage in activities and class discussions related to bullying and respectful relationships. Students from Prep to Grade 6 will be working in their classrooms on activities that promote kindness, friendship, conflict resolution, resilience, respect for others and the consequences of behaviour.

To further promote the importance of saying no to bullying, **we are encouraging students to wear a splash of orange on the day. This could include a ribbon, a piece of orange clothing, orange socks etc.** By channelling our collective power, through shared efforts and shared ambitions, we can reduce bullying together. We all have a part to play in coming together to make a difference.

National Day
of Action against
Bullying and Violence

18 August 2023

BULLYING. NO WAY!

bullyingnoway.gov.au

We're all a piece in the puzzle, and together, we're united against bullying.

Book Week Dress Up Parade

Friday 25th August 2023 – 9:15am start in Hall

Come dressed up as your favourite Book Character and bring your favourite book from home to share 😊

LUNCH TIME STORIES...

During Book Week, teachers will be opening their classroom doors during lunch times to read a story. Listen out during lunch time announcements to hear where you can go to enjoy a great book!

TEACHER SWAP...

On Tuesday and Thursday afternoon, each class will get a visit from a new teacher!

Enjoy listening to an amazing book, complete a fun activity and learn from one of our brilliant Tyabb Teachers.

Monday 11th September	School Assembly
Tuesday 12th September	Stomp Dance Lessons—Whole School
Friday 15th September	Footy Parade & Sausage Sizzle
Friday 15th September	Last Day Term 3 - Dismissal Time 2.30pm

HPV Bunnings BBQ Hastings

On Sunday the 13th August the HPV Team will be running a BBQ at Bunnings in Hastings, to raise funds for their teams to race at Maryborough later in the year. They would really appreciate your support. If you are in the area on Sunday, please come and grab a sausage and drink. Thank you from the HPV Team

HUMAN POWERED VEHICLE NEWS!

Training is well underway for this year's Energy Breakthrough Challenge! This year we have 19 Grade 5/6 students who are preparing mentally and physically for the enormous challenge ahead. Some training they have completed so far have been Casey Fields Sunday sessions and Recess Hill Runs.

Team Sponsorship

Do you know of or are you a business owner in our community? We are seeking financial sponsors of our 2 Human Powered Vehicle Teams. Each year, we rely on sponsors to assist in preparing our teams to race in Maryborough in the Energy Breakthrough. If you are interested, please keep your eye out for a message on Sentral, or email amy.monea@education.vic.gov.au. Final confirmation of Sponsors needs to be received by the End of August to be featured on our T-Shirts and Trikes.

Hastings Bunnings BBQ

A key aspect of the Energy Breakthrough is fundraising and one way the team achieves this is by running a Bunnings BBQ. This year it will be on Sunday, August the 13th at the Hastings Bunnings. We would really appreciate donations to help us raise as much money as possible. Storing lots of donated snags at school is quite tricky, so if you would like to support us you can donate money to help us buy all the goods we need. Any contribution is appreciated and can be made directly to the school account:

Tyabb Primary School

BSB: 063-093 Account: 10000917

Ref: HPV BBQ

RAFFLE Donations

Another amazing way you can support our teams is to donate any items you feel would make great Raffle Prizes. In the past we have had sports equipment, scooters, basketball hoops, vouchers for local businesses and toys. Our Raffle is usually drawn around September and donations can be left at the Front Reception.

LET'S GO TYABB TURBO & TYABB FIREBOLT!

Indigenous incursion

This Term the Grade 1's have been participating in Indigenous Studies. We have been exploring how traditional Indigenous people live, all about their culture and their connection to country.

On Thursday Skyla from Living Culture came to Tyabb Primary School to show us traditional artefacts, Aboriginal art and traditional bush tucker.

Skyla took us around Oliver's Creek to learn more about the medicinal benefits of the nature around us.

We even got to try some bush tucker!

Physical Education

House Athletics

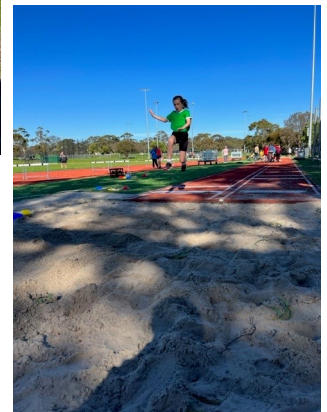

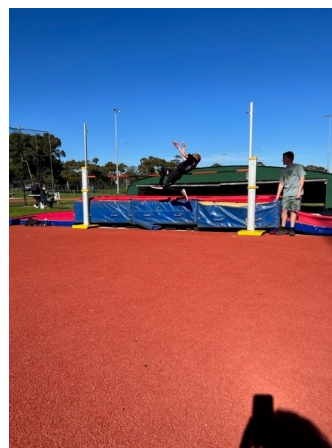

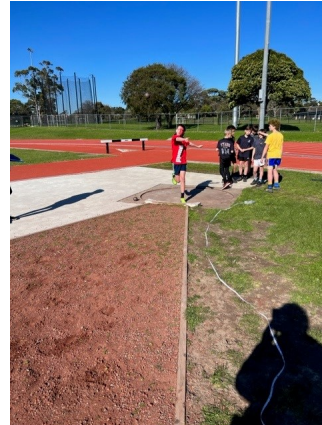

On Thursday 27th of July, Grade 4,5 and 6 students attended our annual House Athletics held at Ballam Park. We were really fortunate with the weather and the sun was shining all day which was amazing.

Students competed in their age groups in hurdles, 100m, 200m, high jump, long jump, triple jump, discus and shot put.

All students did an amazing job competing and cheering on their peers throughout the day which is what these house events are about.

I would like to say a huge thank you to all the teachers and parents who came along on the day and assisted in timing, measuring and organising the students. Without you all these events don't go ahead.

For students who finished in 1st place and in some cases 2nd place, they will attend the District Athletics which will be held on August 31st at Ballam Park. Good luck to everyone attending.

Green Team

In the second half of the term, we have some available weekends for any families who would like to lend a hand to care for our school chooks - it is super easy. All that is involved is to let the girls out sometime in the morning and put them back in before dark each day and top up their food and water. All food is provided but if you have any kitchen scraps, they enjoy a special treat (except for onion, garlic or citrus). The girls are laying again, and you get to collect and keep the eggs.

Weekend Dates

Sat/Sun 19-20 August

Sat/Sun 26-27 August

Sat/Sun 2-3 September

Sat/Sun 9-10 September

Sat/Sun 16-17 September

If you can help out, please email Ms Karina Hewitt (formally Bartlett)

karina.bartlett@education.vic.gov.au

Sadly, we lost one of our favourite members of the Tyabb family. Beautiful Bok Bok, champion layer, dearly beloved by Brownie, Regina, Luna and all the children of Tyabb Primary, passed peacefully in late July. She was a good chook but an old chook, and in the end, she was a crook chook. Ms Hewitt and the Green Team wish to thank all the children, parents and staff who have taken the time to pass on their condolences, reminisce and remember all the good times spent with Bok Bok.

National Tree Planting Day

The school again was awash with a splash of green for National Tree Day on Friday the 28th of July. Whilst the weather was on the cooler side, the rain held off and our Prep and Grade 5 buddies planted approximately 200 native trees in the Oliver's Creek Reserve.

Blow out the candles,
wish away,
you are the
superstar of the day.
HAPPY BIRTHDAY!

August

Outside School Hours Care Newsletter

11/08/2023

Tyabb Primary School

A message from your Coordinator

HI OSHC FAMILIES, its half way through term 3 and OSHC is cruising along very nicely. The children have been busy; painting, making origami cranes, Playdough, ooblick chalk drawing, playing tennis, footy, gymnastics, shops, music games, science experiments, drawing, playing card games, and of course so much more...

Next week is our Science week and below is our programmed activities we have on offer.

Activities coming up

- Lava lamp in a jar
- Elephant toothpaste
- Making yummy sherbert

What's coming up at your OSHC this week:

14/8/2023 - 18/8/2023

Monday	Tuesday	Wednesday	Thursday	Friday
Crash High 100 Children are encouraged to think about the importance of the brain and how it works. They will be learning about the brain and how it works.	Learn to be a hero A fun and exciting activity where children will learn about the importance of being a hero and how to be a hero.	Growing your crystal Children will learn about the importance of growing a crystal and how to grow a crystal.	Planet Toothpaste Children will learn about the importance of planet toothpaste and how to use planet toothpaste.	Ice cream in a jar Children will learn about the importance of ice cream in a jar and how to make ice cream in a jar.

Make a booking

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.

AE TUTORING

ARE YOU LOOKING FOR SOMEONE TO HELP WITH YOUR CHILD'S LEARNING?

WOULD YOUR CHILD LIKE TO FEEL MORE CONFIDENT AT SCHOOL?

DOES YOUR CHILD REQUIRE EXTENSION IN A CURRICULUM AREA?

I am a qualified primary school teacher, who has been working in the field for more than 20 years. I am extremely familiar with the Victorian Curriculum.

If your child needs some additional support in their learning, I would love to help.

Through an initial assessment, I will find the curriculum gaps and tailor a program specific to their individual learning needs.

Please contact me if you would like to discuss this further.

Contact – Amber 0408 058 893 or you can message me through Facebook.

Girl's 5-A-Side Proudly Sponsored By

Peninsula Health Dental Services

Is your child due to see the dentist? You now have a few options!

Smile Squad

Our *Smile Squad* van is visiting local schools. Our bright orange van may have already visited your school. If you have seen them, that's great! If not, hopefully they will be coming to your school soon.

Peninsula Health Community Dental

Our Community Dental program operates from 3 locations **Frankston, Hastings and Rosebud**. Your child will be offered the next available appointment and most of them are seen for free.

Please contact 9784 8184 to make an appointment.

Medicare Child Dental Benefits

Your child may be entitled to **Medicare Child Dental Benefits**. This is a Medicare program that pays up to **\$1026** towards your child's dental care every **2 years**. You can use this at participating dental clinics both private and community.

Please check with Medicare to see if your child is eligible.
