PARENT OPINION SURVEY REMINDER

We recently sent out an email via Sentral asking parents to complete a short survey to find out what parents/caregivers/guardians think of our school. This survey will be conducted from **Monday 7 August to Friday 8 September 2023** and is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. We encourage all families to participate in this survey. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

The survey results will be reported back to our school in term 4 and information passed on to parents via the newsletter and through our annual report. For further information, please speak to your child's teacher or contact the office on 5977 4584.

National Day of Action against Bullying and Violence

The NDA is Australia's key bullying prevention initiative, encouraging whole-school communities to work together to implement evidence-informed positive and proactive solutions to prevent and address bullying. The NDA theme for 2023 was 'growing connections'. This theme supports research findings that strong school community connections and social skills are protective factors in the prevention of bullying.

At Tyabb Primary we promote positive behaviours through the teaching and regular reinforcement of our values and our involvement in the Respectful Relationships Program. On Friday each classroom conducted social skills sessions, bullying prevention activities, stories and conversations about positive behaviours. Classes made a pledge to each other to show respect and a zero tolerance to bullying behaviour. We met on the basketball court in the shape of the words NO BULLYING and made a pledge to show respect for each other and have a united zero tolerance towards bullying.

is it

BULLYING?

When someone says or does something
unintentionally hurtful
and they do it once, that's
RUDE.

When someone says or does something
intentionally hurtful
and they do it once, that's
MEAN.

When someone says or does something
intentionally hurtful and they *keep doing it*—
even when you tell them to stop or show
them that you're upset—that's
BULLYING.

COUNSELLING AT TYABB PRIMARY SCHOOL

For the last five years we have been fortunate enough to have utilised the services of Elizabeth Russell (ER Psychology) to assist students who are having difficulty with a range of emotions/situations in their lives. At present, Liz has availability for a few more students. If you feel that your child would benefit from a counselling service, please contact Kris Grinsted at the office.

Liz Russell

B.A., Post Grad Dip. (Psych), M. Psych (Health), MAPS Registered Psychologist
& Director at **ER Psychology**

Fully registered as a psychologist with the Australian Health Practitioner Registration Association (AHPRA) since 2008, Liz has completed a Master's degree in Health Psychology at Monash University, and also a Supervised Practice Plan in Darwin and Melbourne.

Liz has 18 years of counselling experience, and has worked with adults, adolescents and children in individual and group settings. In addition to seeing private patients at **ER Psychology** located at the Humphries Road Medical Centre, Liz provides on-site psychological therapeutic care to children ranging in age from 5 – 11 years, at several Peninsula based primary schools.

Liz has worked with a range of presenting problems including health related concerns, chronic pain, depression, anxiety, stress; loss of confidence, poor self-esteem, adjustment disorders, grief and loss, and behavioural disorders.

Liz's approach to presenting problems is to examine the biological, psychological, and social components that underpin the issues presented by clients. She takes an integrative approach to counselling, and mainly uses client-centred, cognitive behavioural, and strength based therapies.

Liz has a strong interest in positive psychology, particularly the way in which individuals can learn to recognize and utilize their character strengths to overcome challenges.

HPV Bunnings BBQ

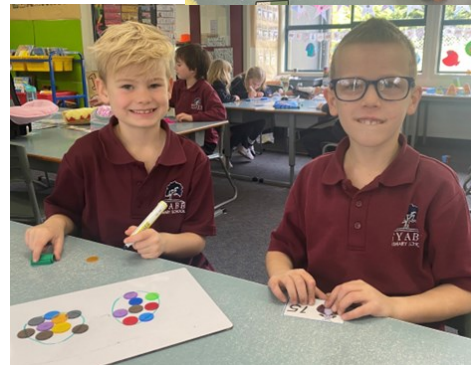

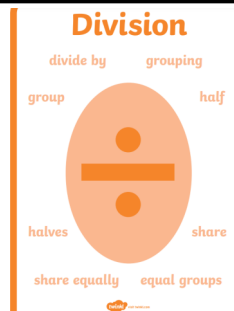

All the students in the Grades 5 and 6 Human Powered Vehicle teams, would like to say an enormous 'THANK YOU' to all the families who helped us to have such a successful Sausage Sizzle at Bunnings, Hastings on Sunday 13h August. Many families came down to support us by buying a sausage or donating some money. Special thanks to all the helpers who volunteered their time to cook or serve customers. We raised an impressive amount to help get our teams to Maryborough in November. Thank you to the entire Tyabb Primary School community for your support with this event. A huge thanks to our BBQ Sponsor, Seeder Finance, who generously donated the funds to purchase all of our sausages, bread and condiments. Lastly, Thanks to Mrs Bronwyn Rogers for her amazing organisation of this fundraising event!

It was an amazing team effort!

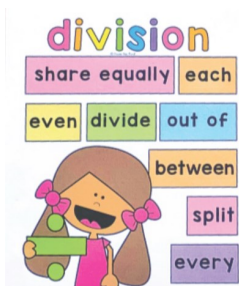

Grade One Fun!

In Grade One, we have just started learning about Division in our Maths lessons. We are learning about sharing objects into equal groups and working out if we have any remainders/leftovers.

This week we enjoyed playing 'The Sharing Game'. In this game, students need to pick up a number card and roll a dice to see how many counters they need and how many groups they need to share the counters between. For example- the number card may be 18 and if they roll a 3 they need to share the counters between 3 groups and determine how many each group gets. Can you work out how many each group gets?

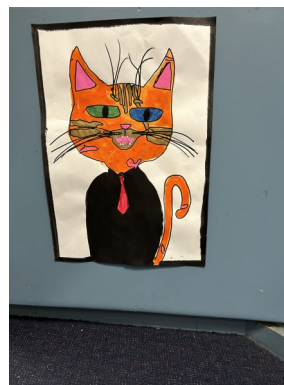

Art room,

Term three has seen a strong focus on art relating to literature. We have read lots of the shortlisted books and created some fabulous art.

The start of term was spent making portraits of someone we admire in line with the upcoming exhibition of the Archibald prize at The Mornington Peninsula Art Gallery.

Grade 5 and 6 created art work after studying the style of an American artist named Basquiat.

Grade three and four looked at a book called "Dirt by Sea"

And explored Australia in their Combi Vans!

The junior grades have had lots of fun making different turtles inspired by the book "To The Sea."

Melbourne Puppet Kerfuffle

Rob and Chris from the Melbourne Puppet Kerfuffle came to visit our grade 2 classes. Our children (and teachers) were entertained by a show titled "The Prank Factory." They loved the hilarious skits, interactive games and cool activities featuring the characters Bruce and Calvin. Along the way they learnt about problem solving, resilience and bouncing back. Important life lessons for now and into the future.

Chickens

We still have some available weekends (and don't forget the holidays that are fast approaching) for any families who would like to lend a hand to care for our school chooks. If you have never done it before, it is super easy. It just involves letting the girls out sometime in the morning and putting them back in before dark each day and topping up their food and water. All food is provided but if you have any kitchen scraps, they enjoy a special treat (except for onion, garlic or citrus). The girls are laying again, so you can collect and keep the eggs.

If you can help out, please email Ms Karina Hewitt (formally Bartlett)

ARE YOU LOOKING FOR SOMEONE TO HELP WITH YOUR CHILD'S LEARNING?
WOULD YOUR CHILD LIKE TO FEEL MORE CONFIDENT AT SCHOOL?
DOES YOUR CHILD REQUIRE EXTENSION IN A CURRICULUM AREA?

I am a qualified primary school teacher, who has been working in the field for more than 20 years. I am extremely familiar with the Victorian Curriculum.

If your child needs some additional support in their learning, I would love to help.

Through an initial assessment, I will find the curriculum gaps and tailor a program specific to their individual learning needs.

Please contact me if you would like to discuss this further.

Contact – Amber 0408 058 893 or you can message me through Facebook.
