PUPIL FREE DAYS

Term 4 **MONDAY 6th November**

Common Practice Day (Monday before Melbourne Cup)

Term 4 **WEDNESDAY 20th December**

Curriculum Day (last day for students on Tuesday 19th December)

We hope that our dads, step dads, grandads and carers had a lovely Father's Day on Sunday. Last week we had our annual Father's Day Stall and breakfast. Thank you to the PFA for another fantastic Father's Day stall with an amazing array of beautifully wrapped presents. The children were so excited to shop at the stall and buy something special for their dad or special person in their lives. Thanks to all of the parents who donated, wrapped gifts and ran the stall on the day.

We also had our annual Father's Day Breakfast, serving bacon and egg rolls and toast to over 400 people. It was terrific to see the smiling faces of children having breakfast with their dads or another special person in their lives.

Thank you to Jantina Forecast for organising this event and to all of the parents, teachers and students who helped to set up, cook and serve on the day!

STOMP INVITATION TO PARENTS

Next Tuesday (12th September) is your child's last STOMP lesson and we would like to invite you to come and watch their final session. This is not a concert but a chance to see a lesson in action and for your child to show off their dance moves. We appreciate that this is short notice and that these times are difficult for parents, especially with several children (we will explain this to our students) but if you are free you are welcome to come. **To celebrate our final session students are able to come in free dress for the day!**

BOOK WEEK 2023

What a fabulous book week parade! It was terrific to see our students dress up as their favourite book week character. We had Barbies, Wally from Where's Wally, Thing 1&2, The Grinch, Mr Men Characters and many more. Thank you to our students and staff for getting in to the spirit of things and dressing up and to the parents/grandparents who helped to make costumes. Special thanks to Mrs Matthews and Mrs Rogers for hosting the event and helping us to entertain the audience. What a lot of fun!

This fortnight we celebrated book week and Literacy/ Numeracy week through a range of activities in classrooms and specialist areas. Children studied this years book week winners in art enjoying many related art activities. Children brought in their favourite books to share with the class and visited other teachers classrooms to hear a favourite story and do a related activity. We had a visit from author Andrea Rowe, who wrote Jetty Jumping and Sunday Skating. Andrea met with each year level to describe her journey as an author and inspire a love for reading and writing.

Literacy & Numeracy Week with Andrea Rowe

This week, we had the privilege of hosting Andrea Rowe, Mornington Peninsula local and author of 'Jetty Jumping' and 'Sunday Skating'. All year levels got to spend an hour with Andrea, learning about her own personal story of being a writer and finding out tips and strategies to write amazing stories. They also got to listen and participate in a live reading of her book 'Sunday Skating', with some students becoming characters from the story!

All students showed amazing respect to Andrea, by listening intently and asked phenomenal questions about being an author. We hope students enjoyed the experience, and perhaps it has inspired a few budding authors to write their own books!

2023 R U OK? DAY

R U OK? Day is the national day of action dedicated to reminding everyone that...

**EVERY DAY IS THE DAY IS THE DAY TO ASK
'ARE YOU OK?'**

To show our support, students will engage in a range of activities and class discussions to learn how they can support their peers and the importance of talking about how you feel.

"We're never too young to learn that asking the question 'are you ok?' can make a big difference. It's the message that R U OK? wants us to take in to our classrooms everyday of the year."

For the Year 2 Inquiry 'What is in Australia and what is beyond our shores?' students of 2A developed their research skills. They enjoyed using the kid friendly DK Findout website to research about Australian animals, landmarks, capital cities and our neighbouring countries.

We Love Instruments!

This term in Music has been full of hands-on fun with pitched instruments.

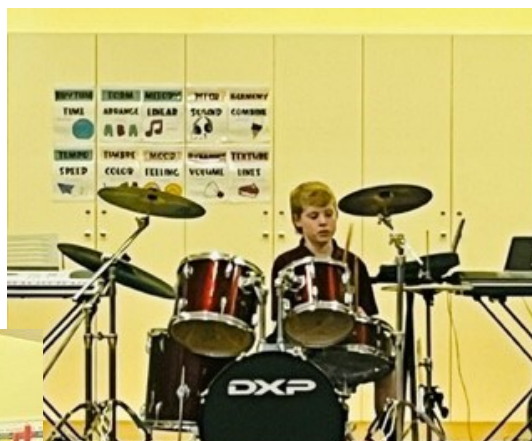

Grades 3 and 4 have been enjoying a levelled unit called

“Keyboard Karate” - students start on the red belt song and work their way up through the levels which gradually increase in difficulty. This has been a big hit and the students are seeing great success as they go.

Grades 5 and 6 have been exploring Music Genres, learning the history and the key components of musical styles including Rock, Blues, Country and Pop. Students have sung vocals and played songs on ukulele and keyboard.

On Tuesday 5th September, we hosted an Instrumental Concert in the hall for all students learning an instrument. For many, this was their first time performing to a large audience!

Congratulations to all of our musicians, you are superstars!
