PRINCIPAL REPORT

PUPIL FREE DAYS

Term 4 **MONDAY 6th November**

Common Practice Day (Monday before Melbourne Cup)

Students do not attend

Term 4 **WEDNESDAY 20th December**

CANTEEN CLOSED NEXT WEEK

6TH—10TH NOVEMBER

NO LUNCH ORDERS OR TUCK SHOP!

ENROLMENTS FOR 2024

Enrolments for 2024 are fairly stable and we will begin next year with approximately 400 students. If you will not be returning to Tyabb next year, please let us know as this may have an impact on the grade structures we have planned. We have planned the same 18 grade structure for 2024 but this may change if enrolments in certain year levels change.

Model 1	18 classes
Prep	2 classes
One	3 classes
Two	3 classes
Three	3 classes
Four	2 classes
Five	3 classes
Six	2 classes

During November we will start to work out classes for 2024. The placement of children in grades is a complex task, taking into account the academic and social characteristics of each child, friendship groups and special circumstances. These decisions are well thought out and will not be changed once allocated. Please know that we do not to take requests for particular teachers unless there are exceptional circumstances or the student has specific learning or behavioural needs.

PARENT HELPER MORNING TEA

Friday 1st December—save the date!

Invitations will be sent out soon to invite all parents who have helped during the year to a special thank you morning tea. Without the fabulous support of our parents our school would not function as effectively. Our parents help in a variety of ways including School Council, PFA, classroom helpers, excursions, camps, electives, HPV just to name a few! If you have helped in any way throughout the year we would like you to join us for morning tea in the grade 5 and 6 area (BER Building) on **Friday 1st December from 11.00am**. Your help is very much appreciated, and an integral part of the smooth running of our fabulous school. Hoping you can join us for a cuppa and a bite to eat.

BOOKLISTS

You will have already received information about book packs 2024. We have set up an arrangement with Paper Chase (Office National), who can organise a complete pack for you based on the items requested by classroom teachers. As the company creates completed packs and buys in bulk, prices are competitive. Please follow the instructions on the note provided to go online to purchase directly from the supplier **due by Monday 27th November**.

CURRICULUM CONTRIBUTIONS

Schools provide students with instruction to fulfil the standard Victorian curriculum but we rely on the ongoing support of our families to ensure that our school can offer the best for our students. Whilst we are provided with the funds to employ staff and manage the costs associated with school operations, we rely upon the support of parents to pay for equipment, resources and ground projects. Please consider helping us by making a curriculum contribution for 2024.

Colour Run Preparation!

On Friday afternoon the whole school assembled to rev up some excitement for this year's Colour Run. Children who had registered online for the event had the opportunity to be in the draw to slime a teacher. Four students— Maddi , Logan, Elise and Kiahna were drawn out of a hat and had the pleasure of sliming four teachers! Fun was had by all, including the teachers covered in green, oozy slime!

Before and After

CONGRATULATIONS!!!!!!

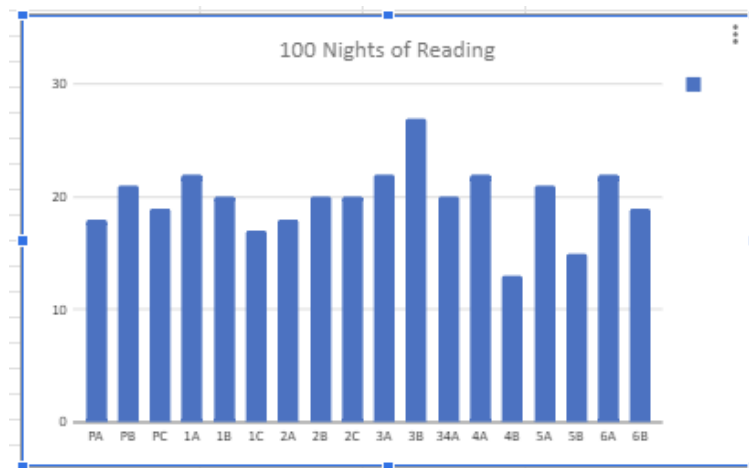

Congratulations to Jess and Brad for the birth of their fourth child—a baby boy called Byron born on the 18th August weighing 4.25 kilos. Fabulous news! We wish Byron and his new family all the best!

Congratulations to Meg and Chris who were recently married. A 30th birthday party turned in to a beautiful wedding at a Mornington Peninsula Vineyard. It was the perfect day for a beautiful couple! Miss Huther will now be Mrs Nelson!

356 students reach 100 nights !

152 students reach 200 nights!

18 students reach 300 nights !!!!!

We still have seven weeks for our students to reach one of these milestones and receive a certificate and reward. Keep reading everyone! **Please note that grade sizes vary significantly which will have affected the results shown in the graph.**

Last chance to make a difference! This is your LAST week to collect donations for our Colour Explosion School Run 4 Fun 🏃‍♂️

There is still time to score some fantastic incentive prizes and raise more to help our school build a new Grade 3 / 4 playground!

Don't forget by raising \$10 or more your child will go into the draw to slime a teacher or raise \$30 or more to go in the draw to slime a teacher and to win a Lenovo Tablet!!

Don't give up just yet! 🏃‍♂️ Do you think you can top our leader board? 🤖

Fundraising closes at 11:59pm on Friday 10th of November.

What's Happening

GRADE 3B'S BRIARS CAMP EXPERIENCE!

We have been writing persuasive pieces about the best activity on camp!

Hut building is the best activity because it's like crafting but with logs! - Sadie

The giant swing is the most amazing activity because you can challenge yourself by going out of your comfort zone! - Heidi

The flying fox is way better than the rest because you get to go whooshing through the trees! - Lochie

Grade 2 Inquiry - How Living Things Grow and Change

For the past few weeks, our grade 2s have enjoyed learning about 'How Living Things Grow and Change'. Last Tuesday, students and teachers alike were captivated by zoologist and world renown animal behaviour expert Dr Andrew McLean when he shared his experience about training elephants. We learnt that elephants are extremely smart, have an excellent memory and can pick up a 10 cent piece with their trunk. Dr Andrew also happens to be the grandfather of Cooper McLean in Prep. View this clip for more interesting information about elephants and how they use their trunks.

Robotics

Grade 5/6 Science Elective

This term, a number of Grade 5 and 6 students, who have opted in for the Science elective, have been working closely with Edison Robots.

"I like being able to program it to move the way I want it to move" - Tyson, 5B

"The Mars Rover, Oppy, inspires us to make cool robots" - Arthur, 5B

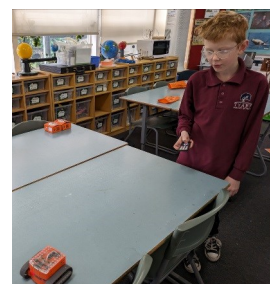

The students have learned about coding and have programmed the robots to play a tune which they have composed.

"It's basically like a huge lego session but with remote controls"

-Elise, 6B

The Robotics Elective has provided numerous opportunities for students to problem solve, develop their patience and resilience and get creative in a rewarding and fun environment.

Willum Warrain Excursion

A couple of weeks ago, our Koori students had the unique opportunity to join other Indigenous students across the Peninsula for a special celebration of culture and connection at the Willum Warrain Aboriginal Association in Hastings.

The day began with a Welcome to Country and a smoking ceremony followed by a bonding exercise where they used coloured balls of wool to show the connection between all mobs. We had the joy to watch and participate in a special dance performance by Natarsha Bamblett, highlighting Australian animals and the connection to land.

Our very own Ava led us on a cultural tour of the grounds, and we then watched a performance by the Small Ant Brothers (Bandoktati) which showcased various Indigenous stories. Students enjoyed making their own bag tags from feathers, gumnuts, and leaves and at the end of the event, each student got a gift bag and native plant to take home. It was a very special day and a lovely way to celebrate their culture, connection to each other and to Country.

Blow out the candles,
wish away,
you are the
superstar of the day.
HAPPY BIRTHDAY!

Outside School Hours Care

Newsletter

02/11/2023

Tyabb Primary School

Camp Australia
Guiding Children's Growth

Your OSHC. 

BEFORE SCHOOL CARE IS NOW OPEN FROM 8:30 AM

A message from your Coordinator.

It has been a busy time in OSHC celebrating Halloween with lots of fun and engaging activities. The children have enjoyed outside play, lego challenges, and Spring craft activities.

Recently at OSHC we have seen a lot of the children using their time playing group games together in all different age groups. This has been a real inspiration for the program. Seeing children playing together and building relationships is what we love to see at OSHC.

Have a great week.

Emma

Activities coming up

- Cooking Singapore noodles
- Horse masks for Melbourne Cup

Make a booking

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.

Could you be a Foster Carer?

Scan me!

Find out more about foster care and how you can make a difference.

We want to work with you to make a positive and lasting difference to the lives of children in your community.

As a Key Assets foster carer we'll provide you with 24/7 support, a dedicated social worker and on-going training. If you're looking to provide love, safety and care for a child we'd love to hear from you.

Are you over 25 with a spare bedroom?

If you answered yes then you're already on your way to becoming a foster carer.

Victorian children and young people in your local community need a safe space to call home

Our carers Emma and Adam say...

There are so many children in need and so few people willing to take the risk.

I thank Key Assets for making a difference; the financial support means we can go beyond boundaries to give these children every opportunity to grow, develop and reach their potential.
