

WELCOME BACK TO TERM 2!

I hope everyone had a lovely Easter and that the children have enjoyed the beautiful weather of the school holidays. It was terrific to visit classrooms this week and see how beautifully everyone has settled back in. Well done everyone!

After an extremely positive term 1 we look forward to an action packed term 2. Term 2 is often one of our busiest terms with camps, excursions, incursions and all of the wonderful activities that happen in our classrooms every day. We will keep you updated through Sentral posts for whole school events but recommend regularly keeping your eye on the Sentral calendar. **Some of our significant events for this term include :**

- House Cross Country 3-6, 9-11am Friday 19th
- Book Fair Mon 22nd—Wed 24th
- Parent evening Michael Carr-Gregg Mon 22nd 6.30-8.30
- Grade 5 Camp Rumbug 1st—3rd May
- Mother's Day Stall Tuesday 7th May
- Mother's Day Breakfast Friday 10th May
- Mother's Day Sunday 12th May
- Education Week 13th—17th May
- Open night Tuesday 14th May—4.30—6.30pm
- Just to name a few in May —keep your eyes on our calendar for further events

TERM TWO PUPIL FREE DAY FRIDAY 31st MAY

In 2024 schools receive 5 student-free days for professional development, planning, curriculum development and student assessment / reporting. We appreciate that it can be difficult for parents to make arrangements for their children on these days and will always try to give you as much notice as possible. Please pencil in the student free date for term 2. Dates to note for term 3 & 4:

- Student Led Conferences Friday 19th July. Students only attend for their 20 minute conference.
- Pupil Free—Common Practice Day Monday 4th November (Day before Melbourne Cup Day)

ANNUAL REPORT

Each year schools prepare an Annual Report to inform parents and the wider school community of the school's successes, activities and achievements throughout the year. Please check out the amazing results shown in our 2023 Annual report. Our Naplan Results, Teacher Assessments, Staff, Student and Parent surveys and attendance data are all above the results for the state and similar schools. We have a lot to celebrate at Tyabb Primary School. It is a team effort and I would like to congratulate our students, staff and parents for achieving these amazing results. Our Annual Report Draft is available for viewing on our website at [Annual Report 2023](#). These results help us to celebrate our successes and guide future improvement initiatives. We are extremely pleased with our results but will continue to strive to make improvements to provide the best for our students.

ENROLMENT PROCESS / SCHOOL TOURS

This week we started our school tours for potential new preps and their parents for 2025 and have many dates available throughout the term. If you know of interested prep parents for 2025 please encourage them to ring the office to book a tour. They can also access further information on our website for the new statewide Foundation enrolment timeline and process that applies for children starting Foundation (Prep) in 2025.

For parents with prep siblings starting in 2025, we encourage you to enrol your children early this term to give us an indication of our enrolments for the new year. This really helps us to work out how many classes we will have for 2025. Enrolment forms are now available from the office.

OUR RECENT CURRICULUM DAY

During our Whole School Review of 2023 we celebrated our excellent results and looked for possible areas for improvement. While our writing results were very good, it was felt that we should revisit our assessment and teaching of this area to extend our students even further. To do this we are running several writing professional development sessions for our teachers.

On Tuesday the 12th March we had a staff professional development day. The focus for the day was on the 6+1 Traits of writing. It was an inspiring and thought provoking day. We learnt lots of new ways to share our love of writing with our students especially through the use of high quality literature to mentor and model good quality writing.

The 6+1 Traits of Writing outlines a set of characteristics which are inherent in high quality writing of all text types. Knowing and recognising the Traits supports teachers to analyse student drafts to plan meaningful and relevant lessons. The Traits assist educators to identify the skills and content students must acquire to develop proficiency as writers.

We will continue to take the children through the writing process (i.e. pre-write, first draft, revise, edit, and publish) and will now explicitly focus on the 6+1 traits using high quality mentor texts.

What are the 6+1 Traits?

- **Ideas**—the meaning and development of the message
- **Organisation**—the internal structure of the piece
- **Voice**—the personal tone and flavour of the author's message
- **Word Choice**—the vocabulary a writer chooses to convey meaning
- **Sentence Fluency**—the rhythm and flow of the text
- **Conventions**—the mechanical correctness of the piece
- **Presentation**—the overall appearance of the author's work

HEADS UP

WE ARE HAVING A CONCERT!

THURSDAY 12TH SEPTEMBER

During our parent surveys last year parents were asked what we could do to improve and one of the suggestions was to go back to having a whole school production. Our Christmas concert was a huge success but to avoid the novelty of this wearing off we have decided to alternate between having a Christmas concert one year and a whole school production the next. **This will be our year of the whole school production.**

During term 3 children will have a STOMP dance lesson each Friday as they did during 2023. This time lessons will work towards a dance item that your child/children will perform as a part of a story told during the concert. The story will be told by selected senior school students who have auditioned for main parts. We are in the early stages of preparation and there will be more information to come but thought we should give you the heads up to save the date!!!

Thursday 12th September
5pm onwards —specific times to be confirmed
New Peninsula Baptist Church

22ND APRIL 2024

**AN EVENING WITH
DR. MICHAEL CARR-GREGG**

A MUST FOR ALL PARENTS!

Dr. Michael Carr-Gregg will be discussing a range of topics, including developing resilience in our children.

The focus of the evening is:

***BUILDING HAPPY AND RESILIENT
CHILDREN, INCLUDING HINTS & TIPS
FOR ONLINE SCREEN USE.***

He will offer practical parenting advice.

**TICKETS ARE \$15 AND CAN BE
PURCHASED USING THE QR CODE OR
LINK ON THIS FLYER.**

Dear School Community,

Store Closure for ANZAC Day Public Holiday

Please be advised that due to the ANZAC Day public holiday, **your local Beleza store will be closed on Thursday 25th of April.** We'll reopen to our usual trading hours from Friday 26th of April.

To confirm your local store's trading hours, please refer to our Google Business listing for your local store.

We'd like to apologise for any inconvenience that this closure may cause, and wish you all the best for the public holiday. We look forward to seeing you in-store again when we return!

All the best,
Beleza School Uniforms

School Photos 2024 - Tyabb Primary School

Our annual school photos have been taken and are now ready to order.

Arthur Reed Photos uses an online ordering system where you can view your photos prior to ordering.

On photo day all students received a flyer which includes a code unique to them.

You will require this 2024 code to register online and view your photos.

If you have already registered, you will receive an email or SMS from Arthur Reed Photos with a link to view your photos.

If you have not yet registered, please go to order.arphotos.com.au and enter your code to complete your order.

If you have misplaced your registration code, please contact the school office or the Arthur Reed Photos customer service team directly on 5243 4390 (option 1) or customerservice@arphotos.com.au

*Please note that you will need to register online with your **2024 photo code** to gain access to this year's images.*

All photo packages will be sent directly to your nominated address, so please ensure that you enter the correct details and nominated shipping address upon checkout.

If you require any assistance ordering your photos, please contact Arthur Reed Photos directly on 5243 4390 (option 1) or email customerservice@arphotos.com.au

Join us for the Tyabb Primary School

BOOK FAIR

Starts Monday 22nd April

LOCATED IN THE MIDDLE AREA
OF THE BER BUILDING

Monday, Tuesday, Wednesday
8.20-8.50am and 3.30-4.00pm

All books purchased earn points for our school to buy new titles for our library and classrooms.

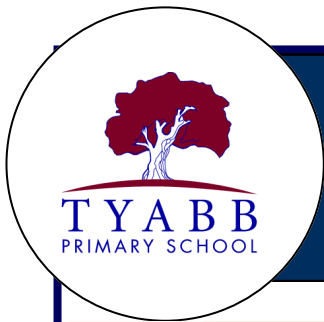

EFTPOS AVAILABLE AT THE FAIR

Active April

We are very excited to be a part of Active April this year, where we are encouraging children to be active for 1 hour each day for the month of April!

We will be running daily lunch time activities to encourage participation, such as; Cosmic Yoga, dance, ball games, skipping, dodgeball, basketball and MORE!

To keep Active April alive during the school holidays, we have also included some fun ideas below. Visit 'Peninsula Kids School Holiday Guide' for more information on school holiday programs.

We would love to see how the children are participating in Active April at home, please send photos through to tyabb.ps@education.vic.gov.au

At home activity ideas

- Cosmic Yoga for kids (YouTube)
- Go Noodle
- Nature walks
- Bike rides
- Ball games

School Holiday Programs

- Dino Parc (PARC Frankston)
- Sk8house (Carrum Downs)
- Acro House (Mornington)

Please visit the [School Holiday Guide](#) for more details.

Step Challenge

To coincide with Active April we are encouraging everyone to get their steps up!

Record your steps each day on the Step Challenge Calendar. At the end of April, calculate your total number of steps for the month. The student with the most steps from each grade will receive a **PRIZE!**

NAME: _____ GRADE: _____

Coming soon via Sentral.

Classroom Capers

The first term went by so quickly and the Grade 1's have had an amazing start to the year. They've been learning about the structure of narrative stories and have been writing their very own picture story books!

1B are authors and illustrators!

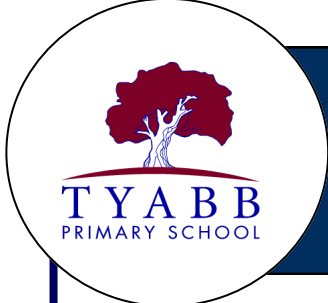

Each day this week we have been writing a new page of our picture story books.

We started our stories with 'At the end of the rainbow there was ...' and the children have written some amazingly creative narratives. They have included the setting of the story and the characters involved. They have also included a beginning, middle (which includes a problem) and an ending!

Well done Grade 1's for being successful authors and illustrators!

Curriculum Corner

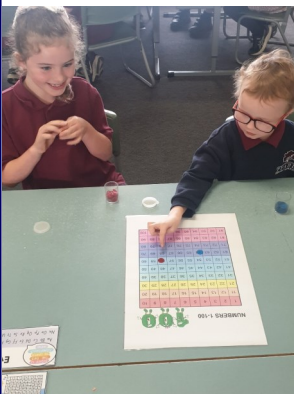

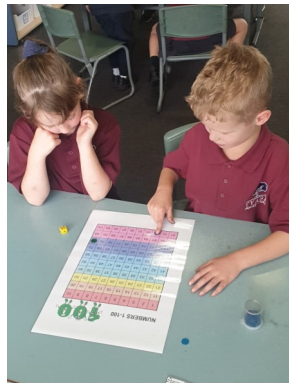

MATHEMATICS

Tyabb students are back for Term 2 and are ADDING more knowledge about Maths! Students and teachers are really enjoying playing Maths Games to improve their fluency and doing rich learning tasks. Here are some grades showing some of the Mathematical learning that they have been doing over the past few weeks.

GRADE PREP

Our wonderful prep students are learning lots every week. They have been focusing on making patterns in many different ways, just like the photo above. They have also been focusing on using numbers in patterns and are practising to count by 2s, 5s and 10s.

GRADE 1

Students in grade 1 are counting champions! Their addition unit is coming up and they have been practising by playing one of their favourite games called Race to 100. Here are some photos of them in action!

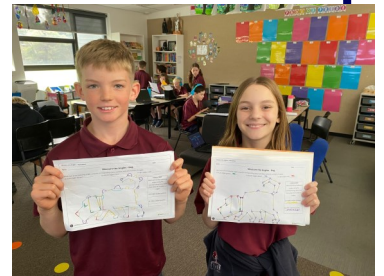

GRADE 3

Grade 3's have been looking at a variety of strategies for solving addition problems in many different contexts. They find complementary numbers to make 100 using MAB such as 52 and 48. After counting collections of coins, they can work out how

much change to the nearest dollar and can regroup numbers to make addition easier!

GRADE 4

Our brilliant grade 4 students have been learning different strategies for multiplication facts like doubling and shifting place value. They recently did a rich learning task where they had to find a variety of right angles and acute angles on a clock. In the next few weeks they will work on time related problems and efficient addition strategies.

GRADE 5

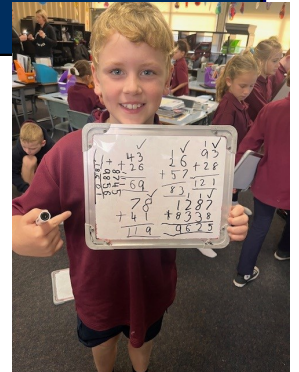

We are in multiplication mode in grade 5! Students have been learning multiplication facts as well as different written methods for multiplying very large numbers including the box method, lattice method and vertical method. Just ask these legends how to do it and they will show you!

GRADE 6

The grade 6 leaders have been playing a new game called Multo. It's just like Bingo but using multiplication facts. They've discovered that some numbers show up more than others! For example 24 could be 8×3 2×12 or 6×4 . That's a great number to have on your board. 81 isn't as good because you can only get it one way!

GRADE 2

Addition is the theme of the week where our grade 2 students have been using doubles and doubles plus one. They have learned which words mean adding and which words mean taking away. Get ready for a lot of different strategies at home, including jump strategy, split strategy and building to the nearest 10.

Blow out the candles,
 wish away,
 you are the
 superstar of the day.
HAPPY BIRTHDAY!

Win 1 of 8 \$200 SHOUTA Vouchers!*

Attention all Camp Australia families, complete our annual feedback survey via your email now for your chance to win!

*Terms and conditions apply

Hello Families,

Welcome back to term 2, we are well and truly back into the swing of things with new and exciting programmed activities on offer this term.

This week the children have enjoyed going out to the playground and playing basketball in the gym. The children have been seeing how long they can Houla Hoop for by throwing them to each other and catching them with their arms.

Inside the OSHC room the children have enjoyed role playing and using the home corner equipment to extend their play. At the craft table the children have been painting collected pine cones in Autumn colours and turning them into hedgehogs.

Have a great week,

Emma, Jacque Jackson and the Camp Australia Team, Tyabb.

Activities coming up

- Anzac Biscuits
- Poppies
- Making Oobleck
