

PUPIL FREE DAYS TERM TWO

Curriculum Day
Friday 31st May

TERM THREE

Student Led Conferences
Friday 19th July

MOTHER'S DAY

We hope that our mums, grandmas, great grandmas and special carers had a lovely mother's day, received some well-deserved pampering and enjoyed the gifts chosen at our annual mothers day stall. Thank you to the many parents who donated gifts and to our PFA for wrapping and running the stall on the day.

Thank you to our fabulous art teacher, Sharon Wright who helped the children to make calico mother's day bags (over 400) to take to the stall for their gifts. The children felt very proud of their creations which added to the excitement of buying a special gift.

Our Mother's Day breakfast was another huge success. It was lovely to see the proud and smiling faces of our children having breakfast with a special person in their life. We served over 400 breakfasts to students and their siblings, mums, grandmas and great grandmas! A huge effort!

Special thanks to Jantina Forecast, Jessica Flower and Isabelle Petrie for organising both events and thank you to the staff and parent helpers who cooked up a storm on the barbecues—Shane Forecast, Jess Flower, Sarah Pludra, Kris Grinsted and Tania Matthews. Thank you to the parents and students who helped to serve food, drinks and stayed back to pack up. We couldn't serve over 400 breakfasts without you!

Lots more photos throughout the newsletter

SCHOOL SAVING BONUS

You may have seen the recent announcement of the School Saving Bonus, as part of the Victorian Budget 2024/25. This one-off support will include \$400 for each eligible student to help families cover the costs of school uniforms and activities in 2025. It will be available to parents and carers of every child enrolled in a Victorian government school in 2025.

Cash will not be paid directly to individuals or families. Instead, families will receive the bonus as credits on their school accounts that will help meet the costs of your children's activities and uniforms. There will be more information and guidance about the School Saving Bonus in Term 3, 2024, ahead of its implementation in 2025.

NATIONAL RECONCILIATION WEEK 27TH MAY–3RD JUNE

National Reconciliation Week (NRW) is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

The theme for National Reconciliation Week 2024, **Now More Than Ever**, is a reminder to all of us that no matter what, the fight for justice and the rights of Aboriginal and Torres Strait Islander people will —and must —continue.

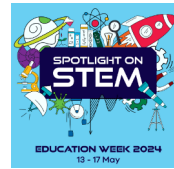

Now more than ever, the work continues. In treaty making, in truth-telling, in understanding our history, in education, and in tackling racism. We need connection. We need respect. We need action. And we need change. Now more than ever, we need reconciliation.

What's the significance of 27 May and 3 June?

27th May marks the anniversary of the 1967 referendum when Australians voted to remove clauses in the Australian Constitution that discriminated against Aboriginal and Torres Strait Islander peoples. 3rd June marks the historic 1992 Mabo decision in which the High Court of Australia recognised native title—the recognition that Aboriginal and Torres Strait Islander peoples' rights over their lands did survive British colonisation. The day before National Reconciliation Week, 26th May, is National Sorry Day, which was first held in Sydney in 1998 and is now commemorated nationally to remember and honour the Stolen Generations.

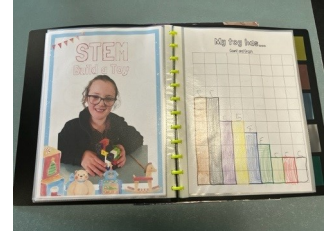

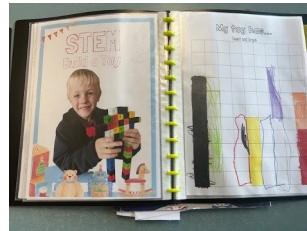

During National Reconciliation Week each of our classes will be learning about the history and cultures of our Aboriginal and Torres Strait Islander peoples. We will share some of the work we have been doing in our following newsletters.

EDUCATION WEEK

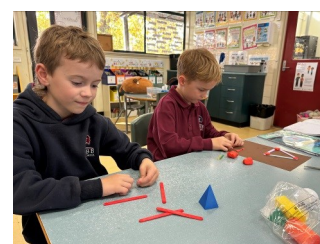

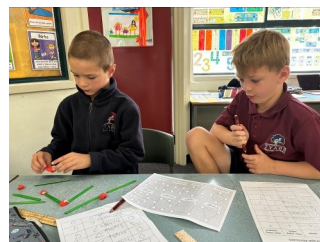

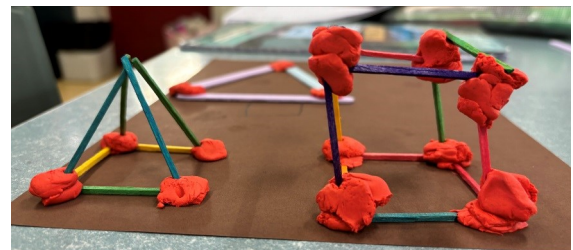

This week was Education Week with a spotlight on STEM and the importance of Science, Technology, Engineering, and Mathematics (STEM) in our everyday lives.

During the week children participate in many activities that celebrate this year's theme. Our preps built a toy and graphed the number of coloured cubes to make it.

Our grade 1's made paper towers with the challenge to build the tallest free standing tower they could! The students gathered their construction team and collected some materials. We needed some sticky tape, scissors and something to measure how tall our finished tower was. The grade 1s explored mathematical concepts and language such as shape, height, vertical and measurement. Lots of great learning and fun in grade 1!

Our grade 2's made 2D and 3D shapes using modelling clay and toothpicks - they also made spaghetti towers.

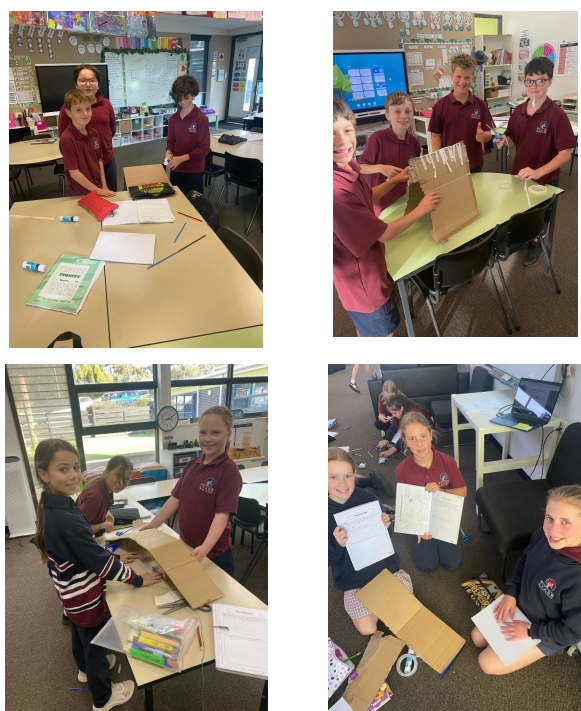

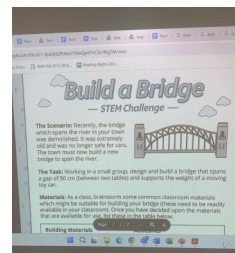

The grade 3's and 4s did a STEM session with teachers and students from Westernport Secondary College which was a science experiment to create a rainbow of colours. The grade 4's also did a M.A.T.H Mummy Mayhem in Minecraft Education. It involved solving 10 shape / geometry based problems / riddles within a world of Minecraft.

Thank you to staff and students from Westernport Secondary College for running STEM classes for our students in grade 3 & 4.

Our kid had lots of fun!!

The grade 5's did a bridge building challenge. Students were posed with the challenge of building a bridge to span 50cm that would successfully hold a matchbox toy car. We explored beam, arch, suspension & cantilever designs. Students designed and built on Wednesday. Thursday we hope to test the bridges. Most students have gone with a beam, arch or suspension design as we all agree that cantilever would be over engineering for our purpose.

During Education Week, year 6 students engaged in Minecraft Education tasks in which they applied their mathematic and technology skills. They participated in an engineering task which involved creating a pair of shoes out of newspaper. Students were critiqued on the style, comfort and durability of their shoes.

Thank you to all of the families that attended our open night. It was terrific to see the smiling faces of our children as they showed off their special work and classrooms to their parents.

Thank you to Mr Davies and Ms Grinsted for organising and running a sausage sizzle to raise funds for our school and give our parents and children an easy dinner for the night!!!!

Mother's Day Breakfast

Attitude to School Survey—2024

Each parent of students in years 4, 5, 6 will receive a letter shortly outlining this survey further. Please keep an eye out for this letter.

How is my child's confidentiality protected?

Your child will be provided with a unique login to complete the survey from their teacher. The student login is an assigned identifier that may be used to link data for statistical and research purposes only. Personally identifiable data will not be recorded in the survey response file to ensure the confidentiality of your child's responses is protected at all times.

How will results be reported?

The survey results will be reported back to the school in aggregate form throughout the survey period. All survey data that is made available in reports are for groups of students only so that no individual student can be identified. Data suppression rules are used for schools with low student numbers per year level.

Your school may share the results of the survey with parents, in documents such as the School Annual Report.

Options for participation

Participation in this survey is **voluntary**. If you **do not** wish for your child to do the survey, please opt out via email to your school: kristine.grinsted@education.vic.gov.au. Please do so before **Monday 24th May 2024**, stating that you wish to opt out of your child's participation, along with their name and year level.

If your school does not receive a Refusal of Consent email from yourself before the survey commencement date mentioned within this letter, it means that you give your consent for your child to participate in the 2024 Attitudes to School Survey.

A copy of the survey that we are asking your child to complete is available from your child's school. Please contact the administration office if you would like to see the survey before making your decision about whether you would like your child to participate.

What's Happening

Term 2

Please note that this page will be updated each newsletter as new events are scheduled

Term 2	
Monday 20th May	School Assembly
Monday 20th May	School Council Meeting
Friday 24th May	Crazy Hair Day—Gold Coin Donation
Wednesday 29th May	Division Cross Country—Selected Students
Friday 31st May	Curriculum Day—No students attend school
Monday 3rd June	School Assembly
Friday 7th June	Prep Chesterfield Farm Excursion
Monday 10th June	King's Birthday Holiday
Wednesday 12th June	Prep 2025 Information Night
Monday June 17th	School Assembly
Monday June 17th	School Council Meeting
Friday 21st June	Alpha Show Whole School Incursion
Saturday 22nd June	HPV Bunnings Fundraiser
Wednesday 26th June	Reports Published on Sentral
Friday 28th June	Last Day of Term 2—Dismissal time 2.30pm
Friday 28th June	PFA Sausage Sizzle

School Photos 2024 - Reminder

Our annual school photos have been taken and are now ready to order.

Arthur Reed Photos uses an online ordering system where you can view your photos prior to ordering.

On photo day all students received a flyer which includes a code unique to them.

You will require this 2024 code to register online and view your photos.

If you have already registered, you will receive an email or SMS from Arthur Reed Photos with a link to view your photos.

If you have not yet registered, please go to order.arphotos.com.au and enter your code to complete your order.

If you have misplaced your registration code, please contact the school office or the Arthur Reed Photos customer service team directly on 5243 4390 (option 1) or customerservice@arphotos.com.au

*Please note that you will need to register online with your **2024 photo code** to gain access to this year's images.*

All photo packages will be sent directly to your nominated address, so please ensure that you enter the correct details and nominated shipping address upon checkout.

If you require any assistance ordering your photos, please contact Arthur Reed Photos directly on 5243 4390 (option 1) or email customerservice@arphotos.com.au

Junior School Council

On Friday 24th May, the Junior School Council will be running a Crazy Hair Day to raise money for kids with cancer. All money raised will be donated to the Ronald McDonald House charity.

All our wonderful Tyabb Primary School students are encouraged to come to school with the most crazy, outrageous hairstyle they can think of. They can colour it, curl it, back comb it, gel it up or even wear a wig. Please bring a gold coin donation to help us support this very worthy cause.

**Let your hair down & go crazy on
Friday 24th May, 2024**

We Need You!

Tyabb Primary School's HPV team are looking for new sponsors for the 2024 season. If you or somebody you know runs a business, please let them know that their support can mean that the HPV program continues to operate and thrive at Tyabb PS.

Past sponsors have assisted us financially to purchase new equipment, make modifications to our vehicles and help send our riders to Energy Breakthrough in Maryborough each November.

For further information, please contact Amy Monea:

District Cross Country

On Thursday the 9th of May, Tyabb Primary School had 48 students compete at the District Cross Country held at the Hastings Foreshore. Students competing in the 11 and 12/13 year old age group ran 3km and the 10 and under students ran 2km.

The weather was perfect for running with the sun shining for the majority of the day with minimal wind which the runners would have been thankful for.

Students needed to finish in the top 10 to make it to the Division level which will be held on Wednesday, 29th May at Hastings Foreshore.

Tyabb Primary had a lot of students finish between 11-20 with 15 students finishing in the top 10. Well done to Asiani for finishing 2nd for the 10 and under girls, Jy for finishing 3rd for the 10 and under boys, Kayla for finishing 2nd and Freya for finishing 3rd for the 11 year old girls and Paige for finishing 2nd for the 12/13 girls. We would like to wish those 15 students the best of luck at the next level.

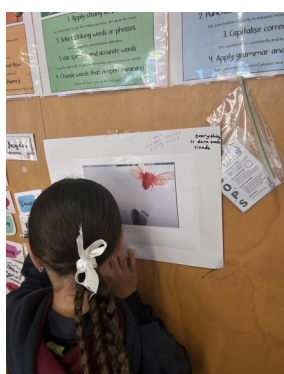

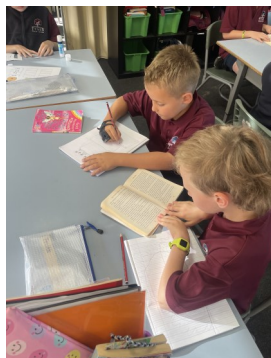

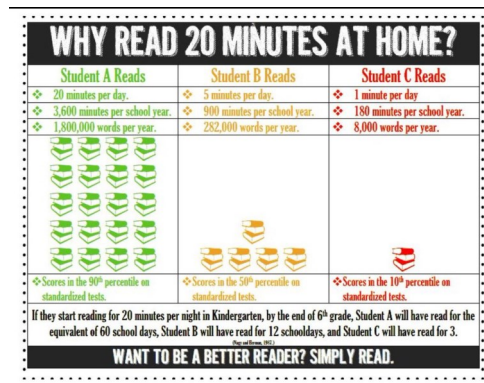

Reading @ Tyabb PS

Reading time at Tyabb Primary School is a chance for students to listen to their teacher read aloud, select their own 'best fit' book, share in wonderful texts as a class and practise valuable reading skills in small group settings.

Here are some of our students in action during Reading sessions...

The Importance of Nightly Reading at home

The graphic above really does speak for itself. But did you know that students who are regular readers are also more likely to find writing enjoyable and fulfilling? Reading and writing are so closely linked, that we cannot do one without the other. In particular, the reading of non-fiction texts, covering a wide range of topics can boost your child's knowledge of the world. This gives them better access to a range of writing topics to choose from.

Interview with a Reader... Kiahna 5A

What are you currently reading? *Dork Diaries. The first one.*

What do you love about it so far? *I like how the characters are all different in a way. I like Chloe and Zoe because they are funny.*

What reading skill are you working on? *I'm practising my reading stamina and how long I can read. I'm up to 20 – 30 mins now. I feel better than at the start of the year.*

Prep Mother's Day

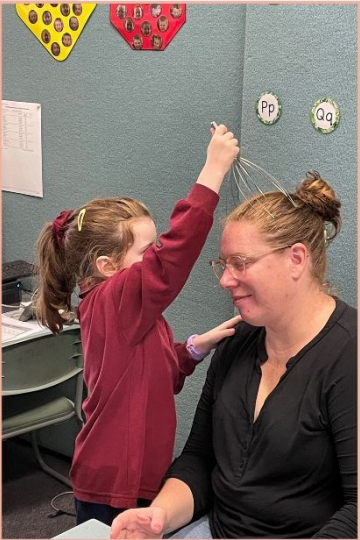

Prep Mother's Day Celebration

The Preps were very excited to invite their beautiful mums into the classroom for a morning of pampering! The children came up with a range of activities to spoil their mums, they became Jewellers, Hairdressers and very talented MakeUp artists! We hope everyone had a special morning and a wonderful Mother's Day.

Hello Families,

We hope our Mum's had a fantastic Mother's Day and were spoilt.

This past fortnight at OSHC we have been very busy making handmade Mother's Day gifts for our lovely Mum's. The children especially enjoyed baking cookies and decorating them ready for Mother's Day.

Just a reminder that our Lego competition is coming to an end. Please make sure your entry is signed by a parent and returned to the service so we can enter your Lego drawing before the close date on the 24th of May.

Have a great week,

Emma, Jacquie and Jackson.

Activities coming up

- Reconciliation week
- Cooking lemon myrtle damper

Compact roundabouts – tell us your views!

Do you drive in the Mornington area? We're looking for drivers of cars, trucks and heavy vehicles, as well as riders of motorcycles and bicycles, to tell us about their experience using the Merricks Road/Stanleys Road roundabout.

We are holding a focus group at Balnarring Community Hall on May 21 from 11:45 a.m. to 1:15 p.m.

The focus group will last up to 90 minutes, and places are limited.

Your feedback and views will feed into understanding the safety and function of compact roundabouts and what this means to road users in Victoria.

If you are interested in participating, please visit our Focus Group page (<https://landing.abley.com/compact-roundabout-focus-group>) or email (victoria.sleegers@abley.com). To ensure a range of representatives, all respondents are required to complete a short two-minute, pre-qualification survey.

Further information will be provided closer to the date, and attendees who complete the focus group will receive an incentive.

This focus group is being carried out on behalf of the Department of Transport and Planning (DTP).
