

### PRINCIPAL REPORT

#### PUPIL FREE DAYS

**Term 4 MONDAY 4th November**

Common Practice Day (Monday before Melbourne Cup Day)

**Term 4 FRIDAY 20th December**

Curriculum Day (last day for students on Thursday 19th December)

**Please mark these into your diaries as students do not attend on these days**

### SWIMMING

In the last two weeks our prep to grade 4 students have attended swimming lessons at Somerville Health and Aquatic Centre. We thank our students for making the most of this opportunity and for their beautiful behaviour and our staff for their support.

### PARENT OPINION SURVEY WE NEED YOUR HELP!

A couple of weeks ago we sent parents an invitation to participate in the annual parent opinion survey. As we have only had an 11% response rate we have sent this request out again and ask you to help us and take the time to complete the short survey to find out what parents/caregivers/guardians think of our school. This survey is being conducted from **Monday 29th July to Friday 30th August** and is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. We encourage all families to participate in this survey. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Please refer to our recent email with the link to complete the survey or contact our school office for support on 5977 4584. Your time will be very much appreciated.

### CONGRATULATIONS MRS JENKINS!

We congratulate Jaimi Jenkins, one of our grade 6 teachers for the birth of her first child. Florence was born on the 28/7/24 weighing 2.71 kg. Both mum and baby are doing well. We wish them all the best for the future and look forward to meeting Florence on her first visit to Tyabb PS in the near future.

# Concert Information

## “The Great Primary School Mystery”

Last week we sent home a paper version of the following information. This is a summary of the information

### Thursday 12<sup>th</sup> September

**Concert 1 – 5:00 to 6:15pm (Group 1 - PA, 1A, 1C, 2A, 3A, 3C, 4A, 5A, 6A)**

**Concert 2 – 7:00 to 8:15pm (Group 2 - PB, 1B, 2B, 2C, 3B, 4B, 5B, 5C, 6B )**

Students will be asked to arrive no earlier than 15 minutes prior to their performance.

Due to the number of students at our school and the limited seating available we have had to divide the school into two groups and schedule two performances on Thursday 12<sup>th</sup> September at the New Peninsula Baptist Church, 370 Craigie Road Mt Martha. This is a fabulous venue with over 600 seats and ample parking.

### Tickets—\$10 per adult, \$5 per child ( on sale soon!!!)

We recognise that splitting the school into two groups may cause some inconvenience. While some families might be able to attend just one concert, others may need to attend both if their children are in different groups.

Tickets will be limited. Each family will be able to purchase 4 tickets for the concert in which their child/children are performing. For example, if your child/children are in only one concert, you will receive 4 tickets for that event. If you have children participating in both concerts, you will be allocated 4 tickets per concert. Due to limited seating, blended families will also be allocated a maximum of 4 tickets per concert in which their child/children are performing.

### Further note:

- Families are not required to use their full allotment of tickets if they do not need them. Any remaining tickets will be sold in a second release.
- Tickets will be available through a ticketing company, and more information will be provided soon.
- We are unable to supervise students who are waiting for or have already had their concert. They will need to use one of the four tickets or be picked up.
- If you have children in both concerts, you will have 45 minutes between sessions. During that time we suggest that you bring some sandwiches/snacks and stay in the foyer /waiting area where there are tables and chairs. The 45 minutes is an estimate so we recommend staying at the venue to avoid being late for the next concert. We are hoping to have a coffee cart available during the 45 minutes.

**Whilst this may all sound complex, it is an exciting time for children and an experience that they will remember for ever! More information to come soon.**

TICKETS  
ON SALE  
SOON!

PRESENTING TYABB PRIMARY  
SCHOOL'S CONCERT...

# "THE GREAT PRIMARY SCHOOL MYSTERY"

PURCHASE TICKETS THROUGH TICKETHOST

**REMINDER:** Each family can purchase up to 4 tickets for the concert featuring their child/children. Due to limited seating, blended families are also restricted to a maximum of 4 tickets per concert in which their child/children are performing.

THURSDAY 12TH SEPTEMBER

Concert Group One:-

PA,1A,1C,2A,3A,  
3C,4A,5A,6A

Concert Group Two -

PB,1B,2B,2C,3B,  
4B,5B,5C,6B

CONCERT GROUP  
ONE 5:00-6:15

CONCERT GROUP  
TWO 7:00 - 8:15

## Book Week Dress Up Parade

**Monday 19<sup>th</sup> August 2024 – 9:15am start in Hall**

**Please Note - No afternoon assembly. Star Students awarded at Book Week Parade**

Come dressed up as your favourite Book Character and bring your favourite book from home to share

## Scholastic Book Fair – 12<sup>th</sup> – 15<sup>th</sup> August

### Short Listed Book Activities

Grades will be reading, sharing and taking part in rich tasks based on this year's CBA Short Listed Books. Students will be inspired to create artwork, craft, writing pieces, plays and take part in games... the magic of reading will be well and truly alive in our classrooms!

### Teacher Swap -

For some fun, each grade will have a visit from a new teacher for an hour!

### Writing is Magic too -

Create your own writing piece about Magic and enter it into our TPS Writing Competition for your chance to win a prize.

## Tyabb Primary School newsletter: Safe travel to school

Getting children to school safely is everyone's responsibility. Parking restrictions on Jones Road improve safety for pedestrians and traffic flow at school pick up and drop off times.

No stopping signs are in place to stop vehicles parking and creating safety concerns.

It is important not to park in the **red area below** because:

- It is not safe to stop opposite the school and ask children to cross Jones Road.
- Driving over the kerb and parking on the nature strip is illegal and unsafe.

The Shire encourages families to walk to school when possible. Parking at McLaurin Drive and walking eases congestion, promotes exercise and creates a safer space for children at school entrances.

The Shire have advised Victoria Police of safety issues at Tyabb Primary School including illegal U-Turns and speeding, and will encourage patrols. The current No Stopping areas will be enforced by our Traffic Officers to ensure these important parking exclusion areas are maintained for safety reasons.

For further information about road rules see <https://www.vicroads.vic.gov.au/safety-and-road-rules/road-rules>.

Remember, getting children to and from school safely is everyone's responsibility.

Questions are welcomed at [trafficrequests@mornpen.vic.gov.au](mailto:trafficrequests@mornpen.vic.gov.au)

# What's Happening

## Term 3

Please note that this page will be updated each newsletter as new events are scheduled

Friday 16th August	Stomp Dance Lesson
Friday 16th August	National Day Against Bullying - Wear a Splash of Orange
Monday 19th August	Book Week Dress Up Parade
Monday 19th—23rd August	Book Week
Tuesday 20th August	Grade 5 Aussie Wildlife Incursion
Friday 23rd August	Stomp Dance Lesson
Monday 26th August	School Assembly
Monday 26th August	School Council Meeting
Wednesday 28th August	Father's Day Stall
Thursday 29th August	District Athletics Ballam Park—Selected Students
Friday 30th August	Father's Day Breakfast
Friday 30th August	Stomp Dance Lesson
Sunday 1st September	Father's Day
Monday 2nd September	School Assembly
Friday 6th September	Stomp Dance Lesson
Thursday 12th September	School Concert
Monday 16th September	School Assembly
Thursday 19th September	Grade 5 Movie Excursion
Friday 20 September	Footy Day & HPV Sausage Sizzle

### National Day Against Bullying—Wear a Splash of Orange

On Friday 16th August we are encouraging students to wear a Splash of Orange for National Day Against Bullying. This can include a ribbon, hair tie, scrunchie, orange t-shirt, piece of orange clothing, orange socks etc.

Thank you

## How to nurture a child's mental health

© 2018 Mental Fills Counseling Store

## TIPS TO KEEP THEM SAFE ONLINE

### DON'T BOOKEND THE DAY WITH TECH

Waking up and diving into WhatsApp messages, or gaming chat rooms, or social media, or news sites can negatively impact a child's mood (and ours too). If young children wake up and go straight into watching fast-paced cartoons or silly YouTube channels this can over stimulate their sensory and nervous system and cause 'techno-tantrums' when they need to unplug and start the day. Social or stimulating screen activities can activate the limbic system which triggers the fight, flight or flee response. Encourage your child to delay checking social media until after breakfast in the morning and have a digital bedtime (at least 60 minutes) before they go to bed to help their brains and bodies 'log off' and wind down.

### GET THEM MOVING

Research confirms that sedentary behaviour is often linked to poor mental health outcomes. Factor in time each day for physical movement. Our kids may have significantly less physical activity if there's no longer a morning tea and lunch break in their day and spending more time on devices for both leisure and learning. Schedule in both extended periods of time for movement and also look for incidental physical movement bursts throughout the day as the transition between activities.

### HAVE A DIGITAL BEDTIME & A LANDING ZONE

Establish a time when devices need to be switched off each night and have a specific place in the house where digital devices go to be charged overnight. Sleep is vital for your child's cognitive function, immunity and mental wellbeing.

### USE TECHNOLOGY TO CONNECT WITH THEIR PEERS AND FAMILY

Video-chat technologies like FaceTime, Zoom and Google Hangouts can be a great way for the connection kids and teens crave with their peers and family members. For younger students, can they ring a family member and read to them, or interview them for their project, or play Chess online or complete an online crossword? For teenagers, social media can be a vital tool for connection during the period of social isolation.

### DISCONNECT FROM YOUR DEVICES AND CONNECT WITH YOUR KIDS

As a working parents understandably we need to be responsive to emails, phone calls and communication tools. However, our young people need us to connect to them without digital distractions vying for our attention. Are there pockets of time where you can silence your phone, or put the laptop away? Could you have lunch together, go for a run or play a game together?

## TIPS TO SUPPORT MENTAL WELLBEING

### INSTALL INTERNET-FILTERING TOOLS

It is really important to set up parental controls and restrictions on all internet enable devices your children and teens use, including Smart TVs. One that is highly recommended is Family Zone.

### KEEP DEVICES OUT OF BEDROOMS

Having access to digital devices in the bedrooms can not only compromise sleep quality and quantity, but can also increase chances of cyberbullying, exposure to sites not appropriate or predators online.

### MINIMISE SOCIAL MEDIA AND MESSAGE APPS @ NIGHT

The logical part of the brain, the prefrontal cortex, that manages our impulses switches off at night and the limbic system which helps to regulate our emotions switches on. This increases the chances that our kids may post images, videos or messages online that they may later regret, or may respond to people they do not know or click on links that they shouldn't.

### AVOID USING SCREEN TIME AS A REWARD OR PUNISHMENT TOOL

Emotions are likely to be heightened over periods of time when children are not seeing their friends (e.g weekends, school holidays) and it may be tempting to 'punish' our kids for their frustrating or inappropriate behaviour by 'banning' them from their favourite game or confiscating their beloved device. Please don't. Our kids and teens won't come to us when there's an online problem if there's any perceived threat of digital amputation.

## Writing in 4B

In Grade 4, students have been diving into the world of informative writing, using the mentor text *Big Red Kangaroo* by Claire Saxby as their guide. This unique hybrid text blends both narrative and informative styles, with each page presenting a specific fact about the big red kangaroo in two ways: a captivating story and a detailed information report. Inspired by this approach, our students selected their own animals and mimicked this dual writing style. It was wonderful to see them experiment with this hybrid writing style, understanding the differences between narrative and informative writing. They played with vocabulary, striving to engage their readers just as effectively.

Below are some examples of their impressive work!

Maya

The reindeer overlooks the ominous frozen lake. On his side, nothing but icy caverns and snowy forests and hungry predators are there. Meanwhile, on the other side, there is an approaching herd of reindeer. There is female with babies, and a recognisable male with giant antlers towering over his head and it stands proudly, leading the herd of reindeer.

Male reindeer grow up to 1.2 metres. Female are slightly smaller, and both reindeer have antlers. In herds, there are often many males – and one male that leads the group. In autumn, reindeer “fight” to get their antlers to fall off and then they regrow and the process starts again.

As the sun beats down on another blazing day, wombat snoozes in a cubic poo protected den. Finally, dusk is here. Time to search for food... Suddenly, a quoll jumps out of nowhere and chomps on wombat's bottom. Luckily, Mother Nature gifted wombat with a hard rump. He couldn't feel a thing!

Wombats mark their territory with their cubic poo. (Yes, really!) Along with cubic poo, it has a bite proof bottom. Wombats are usually nocturnal when searching for food.

Leah

The giraffes wake up, and begin their morning feed in the lushes green tree tops. Using their long blue tongues to reach the yummy leaves and twigs. Yum Yum! It takes a lot to fill their stomach. The other animals begin to stir. The birds chirp and sing happily. The giraffes keep and eye out for their natural predators the lion, and cheetahs.

If you think koalas eat a lot, then take a look at how much giraffes eat. They can guzzle up to 45kg of leaves and twigs per day. Isn't that a lot! Giraffes have long blue tongues, which help them reach the leaves on higher branches.

Abigail

It's my first dive I'm so nervous. Turtles are good swimmers but I don't think I am. Anyway, I'm going with my dad. I dive in it's so beautiful I see my first fish I turn on the jets. And catch it. Yum. I keep swimming I see my next target it's a jelly fish. I go speeding to the jelly fish and eat it

Turtles are carnivores. (Meat eaters) turtles dive into the water to get some fish or jelly fish to eat. Turtles love swimming in water because all their food is in the water

Sam

## Physical Education

### House Athletics

After an unfortunate cancellation due to weather, Tyabb Primary School held their House Athletics Carnival on Tuesday 30th of July.

Students from grades 4-6 competed against each other in their age groups to qualify for the District Athletics which will be held at Mornington Athletics Track on Thursday the 29th of August.

We had a beautiful day on the Tuesday with the sun shining and no wind which gave the students their best chance to compete at the highest level.

Students competed in track events such as 100m, 200m and Hurdles. They also competed in the field events of long jump, high jump, triple jump, shot put and discus.

The students who finished 1st, 2nd and in some cases 3rd will have qualified for those events and will compete against our local schools on the 29th of

August.

I would like to say a huge thank you to any parents, grand parents and family members who came out to help at any of these events and for spectating and cheering the students on. Your help and support is always greatly appreciated.

Good luck to our students competing at the next level.

## 100 DAYS OF PREP

Congratulations to  
our 2024 Preps  
for reaching their  
100th day of  
school!

the preps had an  
exciting day,  
dressed up as 100  
year olds and took  
part in several  
'100 days of  
school' themed  
activities.

well done preps!

# Paper Planes STEM Team

On Thursday, August 1st, 10 students in Grades 5 and 6 were selected to participate in an interschool Paper Plane competition at BlueScope Steel in Hastings.

Ruby, Emeline, Dieter and Griffin made up the **Navy Arrows** team and Alexis, Finn, Dillon and Ella were on the **Tyabb Flyers**.

Thank you as well to Mila and Isla who trained hard as our reserves and then came along to support us as cheerleaders. The students had to research and design their own paper planes which could fly the furthest as well as practice how to throw with precision and accuracy.

Out of 27 teams, our very own Navy Arrows managed to secure 3rd place in the competition after Ruby bravely won a shoot out against 2 other schools battling for the bronze position. Congratulations to all of the students involved and a big thank you to our parent volunteers and Mrs Cheers for making it all possible!

# We Need You!

Tyabb Primary School's HPV team are looking for new sponsors for the 2024 season. If you or somebody you know runs a business, please let them know that their support can mean that the HPV program continues to operate and thrive at Tyabb PS.

Past sponsors have assisted us financially to purchase new equipment, make modifications to our vehicles and help send our riders to Energy Breakthrough in Maryborough each November.

For further information, please contact Amy Monea:

[amy.monea@education.vic.gov.au](mailto:amy.monea@education.vic.gov.au)

Blow out the candles,  
wish away,  
you are the  
superstar of the day.

**Camp Australia**  
Guiding Children's Growth

Your  
**OSHC.**

**ROCKETEERS**

Hello Families,

This past fortnight we have been celebrating the Olympics in OSHC. The children participated in a variety of Olympic activities such as making gold, silver and bronze medals, playing a game of finger person soccer and they made some Olympic torches followed by a torch relay which was a lot of fun!

We had a group of children that decided to make their own interpretation of the Eiffel Tower on the French flag and created the Sacre Coeur Paris using water colours for our Big Art Friday.

We are really looking forward to celebrating book week next week with lots of fun and exciting activities on offer.

Have a great week,

Emma and Jacque

**Beleza** SCHOOL UNIFORMS

31/07/2024

Dear School Community,

### Additional Store Opening Hours

We are excited to announce that starting from next week (05/08/2024), we will be extending our Somerville store's business hours for Term 3 to now be open on Tuesdays from 10:00am to 5:00pm.

Please find below our new timetable for the Somerville Store:

<i>Monday</i>	10:00am to 5:00pm
<i>Tuesday</i>	10:00am to 5:00pm
<i>Wednesday</i>	10:00am to 5:00pm
<i>Thursday</i>	10:00am to 5:00pm
<i>Friday</i>	10:00am to 5:00pm
<i>Saturday</i>	10:00am to 1:00pm

We hope these additional hours will allow families more time and opportunities to visit our store and stock up on all their school uniform needs.

Kind regards,

Beleza School Uniforms
