SPRING IS IN THE AIR

This Monday was the first day of Spring and hopefully the start of some sunshine and warmer weather. The start of Spring is also the time that students need to start wearing hats again.

HATS! HATS! HATS!

Please ensure that your child has a hat at school. They will be asked to wear them playtimes, lunchtimes and during outdoor activities. Students who do not have a hat will be required to play undercover in a designated area.

The sunshine and warmer weather is just what the grass on our oval needs to reestablish and be ready for our oval to reopen in term 4. Fingers crossed!!!

FATHERS DAY BREAKFAST

TOMORROW 7.30AM—8.45AM

We are inviting Fathers & Guardians to share a breakfast with their child/children, in the school hall, on **Friday 5th September** from **7:30am – 8:45am**. We will be providing a hot breakfast of one egg and bacon roll per person or toast with your choice of juice, tea or coffee. We are kindly asking for a gold coin donation from each adult and child to be paid on the day. See you there!

We have been lucky enough that one of our parents has sourced and funded a coffee van for the morning. It is estimated that in 1.5 hrs about 70 coffees will be able to be made for Dads. This is a trial for 2025 and depending on the success we may be able to do this for both Mothers and Fathers Day breakfasts. For 2025 coffees will be no charge, however this could change if the trial is successful as it is quite expensive for this treat. Thanks to Alex Spasovski for his kind donation towards the day.

PARENT OPINION SURVEY WE NEED YOUR HELP!

Term 3 – 18 August to 19 September

A couple of weeks ago we sent parents an invitation to participate in the annual parent opinion survey. There is still time to give us your feedback. As we have only had a 14% response rate we are asking again for your feedback. The survey is being conducted until the 19th September and assists us in gaining an understanding of families' perceptions of our school climate, student behavior, and student engagement. We encourage all families to participate in this survey. Our school will use the survey results to help inform and direct future school planning and improvement strategies. Please refer to our recent email with the link to complete the survey or contact our school office for support on 5977 4584. Your time will be very much appreciated.

**FOOTY FEVER—PARADE AND SAUSAGE
SIZZLE LAST DAY OF TERM**

To celebrate the end of the footy season and upcoming grand final we will be holding our annual footy parade on the last day of this term—Friday 19th September, 9.15am in the hall. Children are encouraged to wear their favourite football gear or colours from the AFL,VFL or local sporting club.

To build the footy spirit we will also be holding a sausage sizzle fundraiser. A note and order form will come home soon to parents/students interested in purchasing a sausage on that day.

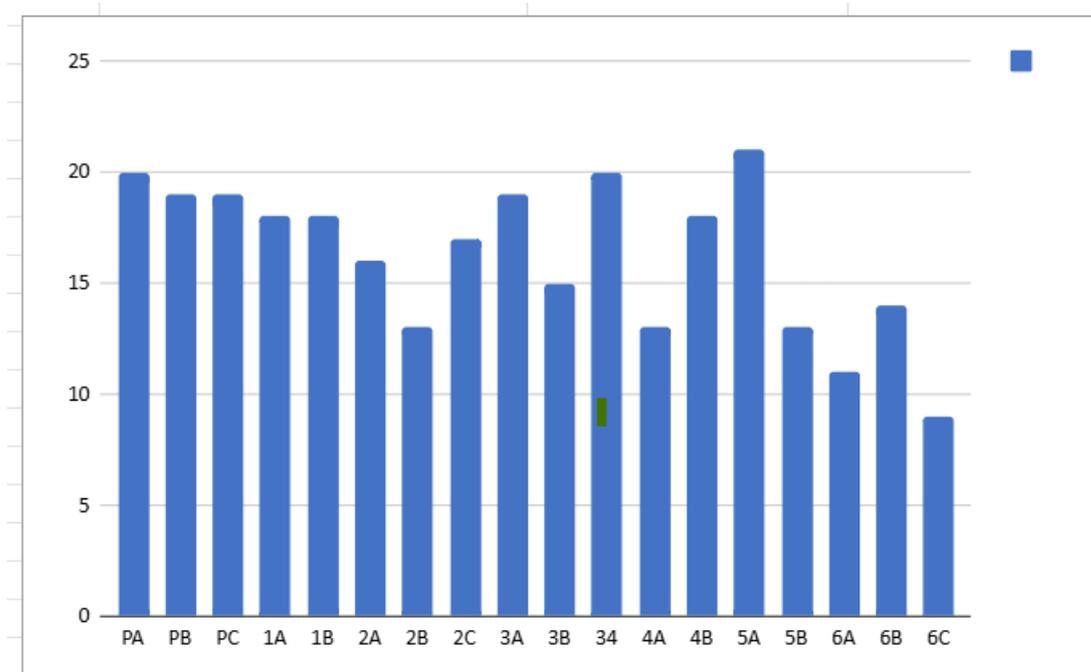

BOOK WEEK 2025

What a fabulous book week parade! It was terrific to see our students dress up as their favourite book week character. We had wizards, dinosaurs, princesses, Spiderman, Mr Sleepy, Thing 1&2, Wally, The Grinch, Bananas in Pyjamas and many more. Thank you to our students and staff for getting in to the spirit of things and dressing up and to the parents/grandparents who helped to make costumes. Special thanks to Mrs Monea and Mrs Watson for hosting the event and helping to entertain the audience. What a lot of fun!

This week we celebrated book week through a range of activities in classrooms and specialist areas. Children studied this years book week winners in art enjoying many related art activities. Children brought in their favourite books to share with the class and visited other teachers classrooms to hear a favourite story and do a related activity.

**CONGRATULATIONS TO ALL OF THE STUDENTS WHO HAVE REACHED 100 AND 200 NIGHTS
OF READING—WELL DONE!!!!**

Congratulations to the 293 children who have reached 100 nights and the 85 children who have reached 200 nights.

This Asthma Week (September 1st -7th) Asthma Australia is asking parents to help flip the script and Attack Asthma for their child.

It's time we Attack Asthma before the symptoms start! Asthma is one of the leading causes of children ending up in hospital. New research by Asthma Australia shows that while most parents feel like they are confident in managing their child's asthma, nearly two thirds live in constant fear of an asthma attack.

But it doesn't have to be this way.

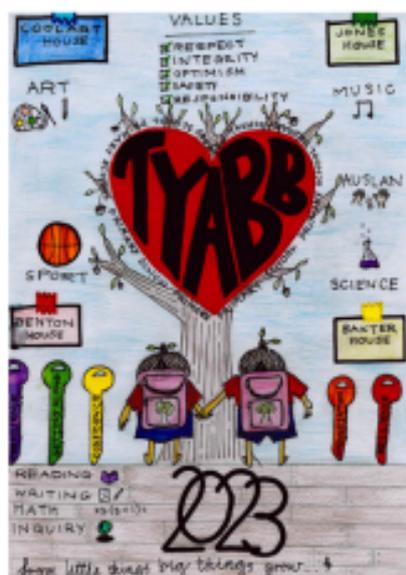

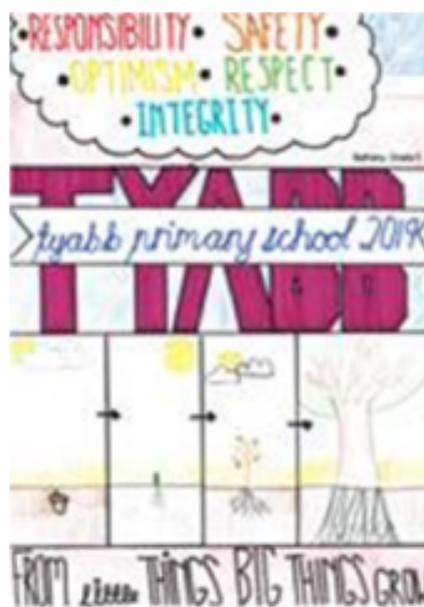

A daily preventer can help keep your child's asthma under control, reducing the chance of an attack. This means less time feeling sick or in the hospital and more time for them to just be a kid. Instead of waiting for symptoms like wheezing or difficulty breathing, use a preventer every day to help your child breathe normally.

Learn more about how to Attack Asthma here: www.asthma.org.au/attack

Classroom Capers 3B

This week in Grade 3B, we have been learning about Australia's Neighbours during our Inquiry lessons. Every student has picked one of the following countries to investigate and learn more about; Vanuatu, Fiji, The Soloman Islands, New Zealand, New Caledonia, Timor-Leste, Indonesia and Papua New Guinea.

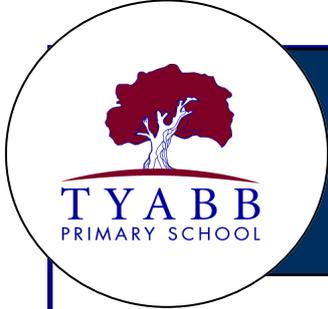

We have started creating PowerPoints which show all of the information we have researched and collected. This is the first time this year we have done a PowerPoint, so we are learning all the skills, such as; making new slides, adding photos, transitions, animations and so much more.

We would like to invite all of our parents from 3A and 3B to come and see our work in the last week of Term 3, more details below...

PARENTS ARE INVITED TO VISIT OUR CLASSROOMS TO VIEW OUR PROJECTS ON COUNTRIES WHO ARE NEIGHBOURS TO AUSTRALIA. PLEASE PARK ON MCLAURIN DRIVE, SO THAT SCHOOL TRAFFIC DOES NOT GET INTERRUPTED

Curriculum Corner

Throughout term three students have looked at shortlisted books and created art work about them. From fairies to creepy spiders, and everything in between. They have drawn, painted, made models and all sorts of amazing art.

TYABB CHICKEN EGGCELLENT DOZEN EGGS

Congratulations to Zahli of 2C. You've been awarded the Eggcellent Dozen Eggs from our Tyabb Chickens in term three. Zahli is a quiet achiever who consistently starts her classwork promptly and independently. She is always focused and quick to settle with her work when, directed.

Congratulations, Eliza!

A big well done to **Eliza of Grade 1A** for winning our **Tyabb Chickens dozen eggs!** Eliza was selected for this special reward because of her **hard work in the classroom** and her **resilience**. Keep up the amazing effort, Eliza – we're all very proud of you!

Congratulations, Sophie!

A huge shoutout to **Sophie of 2A** for **always doing her best**. Your dedication and positive attitude have not gone unnoticed — **Eggsellent work**, Sophie! Keep it up!

Blow out the candles,
 wish away,
 you are the
 superstar of the day.
HAPPY BIRTHDAY!

Ocean week and Father's day

We had a truly magical time last week during Ocean Week, where imagination and creativity came alive under the sea! The children had a blast designing their own bejewelled mermaid tails, sparkling with sequins and vibrant colours. They also crafted adorable seahorse designs, each one unique and full of personality. One of the highlights was our hanging jellyfish, made with flowing tentacles and bright hues. The room was full of ocean vibes, laughter, and a whole lot of glue and glitter!

This week, we shifted gears to celebrate the special men in our lives for Father's Day. The kids put their hearts into making thoughtful, handmade gifts. They created fabric tie keychains, made with love, along with personalised Father's Day cards. We also made colourful coasters and decorated money boxes, perfect for keeping spare change or small treasures! It was a week full of gratitude, creativity, and fun as we honoured all the amazing dads and father figures.

Have a great week,

Emma, Jacque and Jackson.

R U OK? Day is a great opportunity for all of us to remind kids that it's okay to talk about how you are feeling and that simply asking "Are you okay?" can make a big difference.

To support this important message, we've put together a collection of thoughtful, age-appropriate books to help children understand emotions, start conversations and be kind supportive friends.
