Welcome back to Term 3!

I hope that everyone has had enjoyable holidays, keeping warm and filling time with a balance of adventure and rest. Term 3 is another action packed term, starting off with our Student Led Conferences this week, with a Curriculum Day Friday. We then have multiple Year 5/6 teams heading off on division sporting endeavours to represent the school at the next stage, we also have a keen group of STEM enthusiasts heading to a challenge supported by Mrs Palmer where they will compete to build a strong bridge using limited resources. Foundation to Year 4 will be heading off to swimming, Preps will head out to their first big excursion and we get to dress up for book week, footy day and the biggest bonanza of the year....STOMP our school production. There is so much more going on, but too much to write about it all! Our teachers, families and students are amazing and none of these events can be planned or happen without your help and support.

Important Stop Work Announcement

24hr
**STOP
WORK**

THURSDAY 23 JULY

To assist you with planning, we would like to advise that the Australian Education Union (AEU) has scheduled a 24-hour statewide stop-work action for Thursday, 23rd July.

At this stage, we are unable to confirm which classes will operate or if the school will be open for regular on-site supervision. Staff are not required to notify the school of their intention to participate until 8am Tuesday 21st July. We will provide you with a definitive update on how this action will impact our school operations as soon as this information is known. We appreciate your understanding and patience and hope for your support in improving the funding for schools to best support your children.

PRINCIPAL'S REPORT CONTINUED

Welcome back to Mrs Bryony Cheers

Mrs Bryony Cheers is back and straight into the Science Classroom on Monday and Tuesdays for the remainder of the year. We are so happy to welcome her after time at home with her newest addition. We can't wait to hear of all of the amazing experiments, observations and learning that both yourself and Mrs Mason will continue to bring to life.

Keep Us Safe!

We ask everyone to follow the road rules and do not block traffic out the front of the school at pick up time. Unfortunately due to parents doing this our office staff are taking phone calls from irate community members. Please play your part, if their is no park you may need to do a loop, use the drive through or plan for pick up at the top of the hill.

STOMP
Rehearsal
has
begun!

With this busy term ahead please do your best to engage with all communications especially around our School Production.

PARENT INFORMATION

Breakfast Club is Coming to Tyabb Primary School!

We're excited to announce that Breakfast Club is coming to Tyabb Primary School.

Starting Week 3 of this term – Monday 27 July!

Thanks to the generous support of Foodbank Victoria through the School Breakfast Clubs Program, we're delighted to offer a free, healthy breakfast to our students.

Breakfast Club will run every Monday and Friday from 8:30 am – 8:50 am at the Grade 5 end of the BER.

All students are warmly welcome to come along and enjoy breakfast before the school day begins. It's a wonderful opportunity to fuel up, connect with friends, and start the day ready to learn.

We're also looking for parent volunteers to help make Breakfast Club a success. If you have some time to spare on a Monday or Friday morning (even occasionally), we'd love to hear from you. Please contact the school office or Mandy Haddad if you'd like to join our wonderful volunteer team.

We would like to extend our sincere thanks to Foodbank Victoria for making this wonderful initiative possible.

We would also like to acknowledge the incredible support of Bunnings Hastings, whose generous donation of essential equipment and supplies has helped us set up our Breakfast Club and create a welcoming space for our students. We are truly grateful for their commitment to supporting our school community.

We can't wait to welcome everyone to Breakfast Club! Mrs. Haddad 😊

SCHOOL CONCERT

We are excited to announce our upcoming dance concert, The Great Australian Road Trip! This spectacular evening of dance will take audiences on a journey across Australia through an exciting narrative storyline.

The concert will be held on **Thursday 10th September**, with two performances on the night – one at 5:00pm and one at 7:00pm. Students will perform in one concert only alongside their grade, with the exception of our lead roles, who will grace the stage at both performances. Parents will be notified soon regarding which concert their child will be performing in. Tickets will be available for purchase in Term 3 – so keep an eye out for more details coming your way!

Back to School with 4A

Maths Games

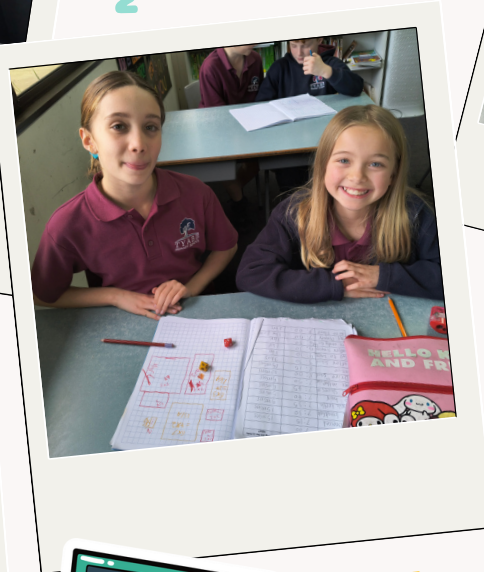

Multiplication

In 4A, we started the term with some fun new maths games to introduce our unit on Multiplication. We played 'Get out of my House' and 'Land Grab' to practise our multiplication skills.

We also started 'Speedy Maths' which is where students get 3 minutes to complete as many multiplication facts as they can. It is a great way to improve automatic recall and strengthen multiplication skills when solving challenging problems!

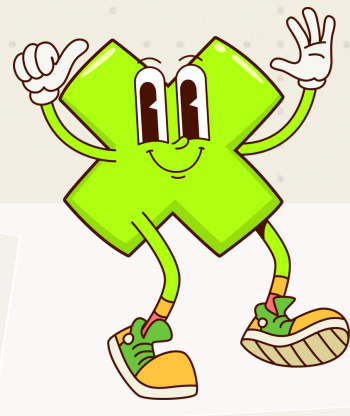

$$\begin{array}{c} 5 \times 1 = \\ 1 \quad 3 \quad 2 \\ 2 \end{array}$$

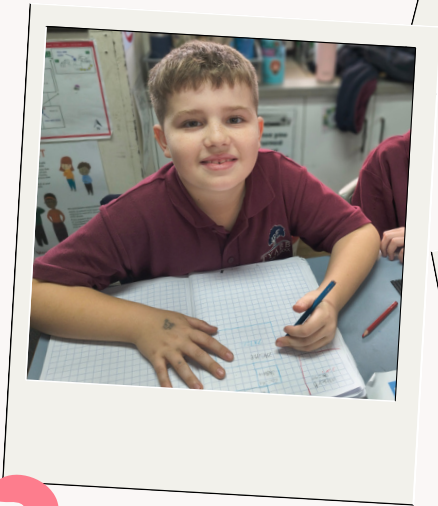

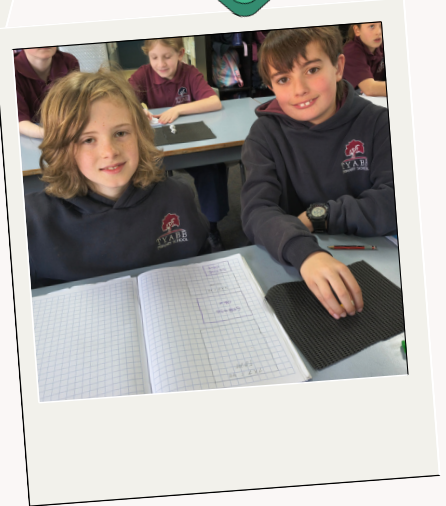

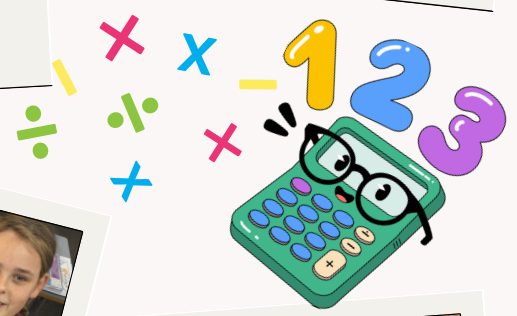

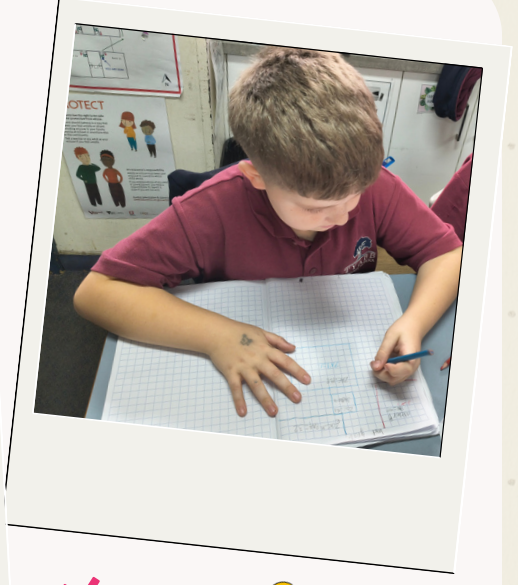

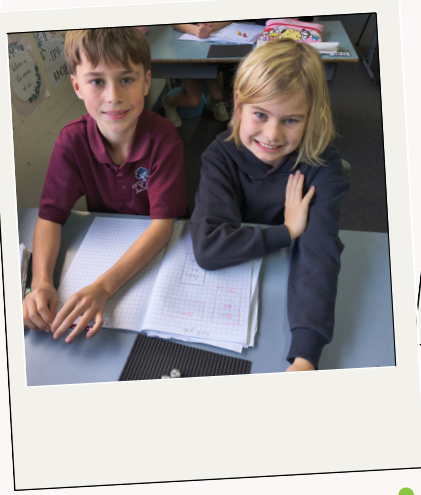

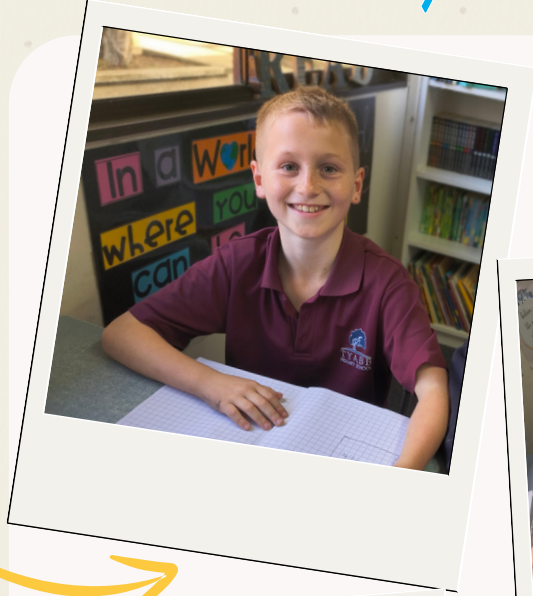

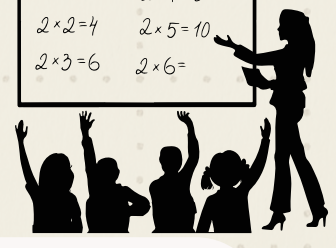

$$2 \times 2$$

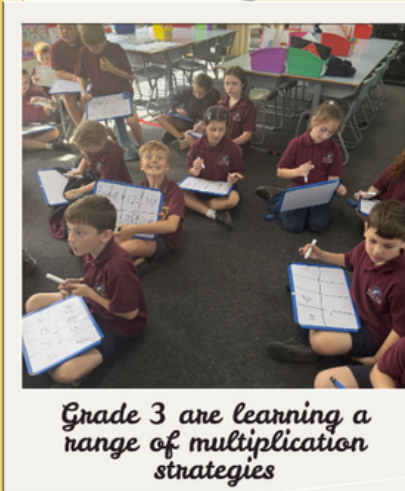

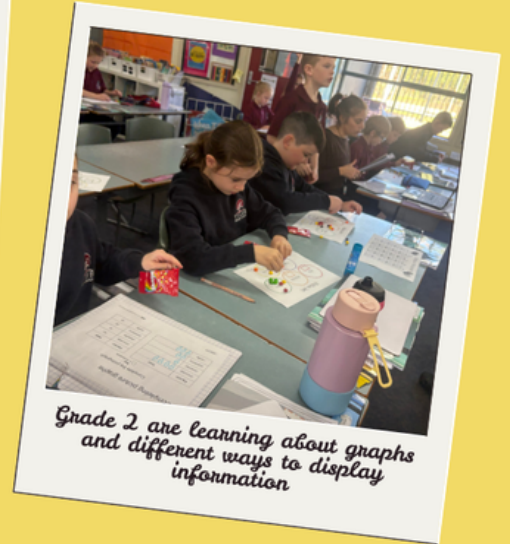

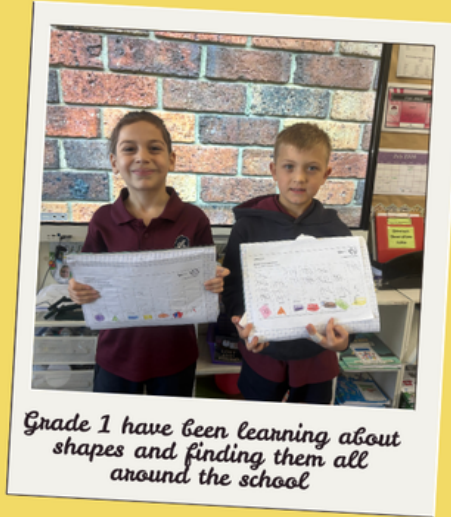

$2 \times 1 = 2$	$2 \times 4 = 8$
$2 \times 2 = 4$	$2 \times 5 = 10$
$2 \times 3 = 6$	$2 \times 6 = 12$

CURRICULUM CORNER MATHS

Everyone is excited to be back in the classroom getting stuck into some fun maths to start the term.

Elevate Speech Pathology
ON-SITE SPEECH PATHOLOGY SERVICES AT TYABB PRIMARY SCHOOL
Supporting communication, confidence and connection – right where your child learns!

We are excited to be supporting Tyabb Primary School to offer on-site speech pathology support during school hours. This service provides families with a convenient, familiar and supportive way to access speech pathology without needing to travel in clinic.

Who is this for?
On-site speech pathology may support your child. We can support difficulty with:

- speech sounds or clarity
- language, understanding or expression
- social communication or interaction
- confidence in communication
- amongst other more niche areas

Otherwise, we can complete an assessment to determine how we can help!

How does it work?

- Sessions are delivered at school, during the school day
- Therapy occurs in a familiar, supportive environment
- Sessions are individualised and child-centred
- We work collaboratively with families and the school
- Goals are designed to support communication across learning and everyday interactions

Funding options
Families can access this service through:

- **NDIS funding (self-managed or plan-managed)**
- **Private funding**
- **Tyabb PS will not be funding this service**

Not sure which option applies to your child? We're always happy to talk this through with you.

Why on-site support?

- No travel or after-school appointments
- Skills are practised where they're used every day
- Supports carry over into the classroom and playground
- Less pressure on family routines

Save your spot!
We would love to support your child at Tyabb Primary School! Please email Kris (Kristine.Grinsted@education.vic.gov.au) AND our admin team (admin@elevatespeechpathology.com) to show your interest!

Guiding Children's Growth

Your OSHC. ROCKETEERS

Welcome back to **Term 3**! We hope everyone had a wonderful, relaxing holiday break and enjoyed spending time with family and friends. It has been fantastic to welcome all our children back to OSHC, and we're excited for another fun-filled term together.

This week, we celebrated all things **Bluey**! The children had a fantastic time creating Bluey-inspired crafts, exploring their creativity, and playing some of Bluey's favourite games. There were plenty of laughs, teamwork, and imaginative play throughout the week.

Next Week Get ready for a week of festive fun! We'll be celebrating with Christmas themed crafts, games, activities, and plenty of holiday cheer. We can't wait to bring a little Christmas magic to the middle of winter!

As always, thank you for your ongoing support. We look forward to sharing another exciting term with all of our OSHC families!

Have a great week,
Emma and Jacqui.

2026 Circus Quirkus Shows

Circus Quirkus is a one-hour, animal-free, contemporary take on your favourite, traditional circuses of ages past, with an eclectic and entertaining mix of Circus acts from all over the world.

Suitable for all ages and accessible to people with diverse abilities and backgrounds, to those who require a more flexible and inclusive environment, and to those facing hardship and without the opportunity to access live theatre.

Enjoy a relaxed theatre experience with a casual attitude toward audience noise and movement, where everyone is welcome and free to be themselves without restriction or judgement.

**Featuring moving and flashing lights, and upbeat, sometimes dramatic music.*
