Tyabb Primary acknowledges the Bunurung People, the traditional owners of the land on which we meet, learn and play and pay our respect to the Elders past, present and emerging.

PRINCIPAL'S REPORT

Ella Tipping

Parent Opinion Survey

This Monday our Parent Opinion Survey opens up and we would love to hear the voices of as many families as possible. We ask that you share your insights around what you believe are our strengths and if there are areas you would like us to dig deeper into and reflect on to continue to build on the quality work we do each and everyday. Information, including the link and pin code to complete the survey will be sent via Sentral next week.

Principal's Day

Ms Grinsted, Mrs Earl and myself all felt a truck load of love on Friday last week for Principal's Day. From 100s of high 5s, freshly picked fruit and flowers and the most amazing Oak Trees from students, we truly are the luckiest and most grateful Prins in town!

Tyabb Problem Solving Engineers

I had to share this one, with all of the rain this week it has been a muddy and hard to use yard. However we had some amazing plumbing problem solvers, led by Tyler, at hand to support channeling a significant amount of water into a drain. Thanks boys for thinking swiftly and safely.

...from little things, big things grow...

PARENT INFORMATION

Breakfast Club is Going Strong!

We are now three weeks into Breakfast Club and have been absolutely blown away by the support and enthusiasm from our students! It has been wonderful to see so many smiling faces joining us for breakfast on Monday and Friday mornings.

As Breakfast Club continues to grow, we would love a few more helping hands! If you are a parent or carer who can spare around 30 minutes on a Monday or Friday morning, please come and have a chat with Mrs Haddad or Mrs Matthews.

We are also looking for anyone who may be interested in learning how Breakfast Club operates and potentially helping to oversee a morning in the future. We'd be very happy to show you the ropes!

Breakfast Club has been such a lovely way to get to know our students, build connections and be part of our school community. The feedback from our teachers has been overwhelmingly positive, and so far it has been filled with lots of positives, smiles and great memories.

So, if you've been thinking that you'd like to get a little more involved in our school community, perhaps Breakfast Club is your calling! We'd love to have you join us. 

Mrs.Haddad.

On Monday 17th August we encourage children to wear a splash of orange to help raise awareness during Bullying No Way Week. It could be an orange t-shirt, socks, hair ribbon, hat, wristband or just a small splash of orange. We appreciate your support.

Thank you

WELFARE

CYBER SAFETY FOR CHILDREN

These tips will help you stay safe online

Explore together – ask your mum, dad, carer or a trusted adult to play new games or apps with you at first.

Stay close by – when you use a phone, tablet or computer by yourself, make sure your mum, dad or carer is nearby so you can get help if you need it.

Bonus tip – don't use your device alone in your bedroom.

Ask before you download, install or buy anything – check with your mum, dad or carer first.

Keep your personal information private – don't give out your address, which school you go to, phone number or passwords. Find out more.

Check your privacy settings and talk about what to share – make your online accounts private and talk to your mum, dad or carer about the kinds of photos and information it is OK for you to share online.

Find out more in The eSafety Guide.

Cyberbullying – if you receive a mean message, or a message that is mean about someone else, try not to respond and don't forward it.

Tell an adult you trust about it and read our tips on what to do.

If you see something online you don't like – show your mum, dad, carer or a trusted adult immediately. Find out more.

If someone you don't know sends you a message or you receive a message that makes you feel uncomfortable or unsafe – tell your mum, dad, carer or an adult you trust straight away. Find out more.

Only 'friend' or add people you know in real life – remember that not everyone online is who they say they are, so don't accept friend requests or followers you don't know.

Don't meet up with online friends – It is best to keep 'online friends' online, so if you do chat to other kids in online games don't meet up with them in person.

WELFARE

You may have heard on media that the Government is launching a new campaign called 'Lets Stop Bullying'. This is to address an increase in school and online bullying. As you would all be aware, Tyabb PS is very strong in its stance of reacting quickly to bullying at school.

We are unfortunately unable to monitor any online bullying that is occurring out of school hours, however we are beginning to feel the effects of this in some cohorts through the school.

With the launching of the new campaign, this is a timely message to all parents to ensure any online platforms your child is using is set to safe use with parental guidance at all times.

Kids messenger seems to be an issue with students, making group chats that are either excluding other students and/or messaging in the group about other students in the school.

Your child needs your support to deal with social media. If you could please take the time to remind your child of the importance of proper online usage and also check what platforms they are using or what they are saying when online. Our children are very savvy with technology, hence the importance of regular checking and reminding to children how to access online platforms safely.

In 2025, the minimum age for using social media platforms in Australia is 16 years of age. This took effect on December 10. Restricted platforms include: Facebook, Instagram, Snapchat, TikTok, X (Twitter), Reddit, YouTube, Kick, Threads and Twitch. This has been made law to protect our children.

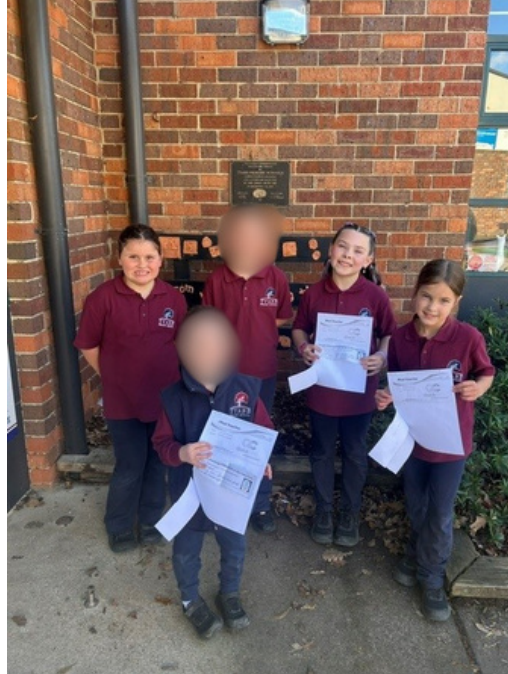

The eSafety Commissioner (<https://www.esafety.gov.au>) is an excellent resource for families in giving information as to the latest support available to families. Take a few minutes to access this platform and read through the resources available to families when faced with online issues.

Monday 17 August to Friday 21 August 2026 is Bullying No Way Week – Tyabb PS is recognising this week by delivering a range of lessons throughout the week that focus on skills and strategies that students may need when facing bullying. We are registered with the upcoming Kids largest anti-bullying lesson and look forward to further educating our students with ways they can help themselves and each other, when they are feeling overwhelmed.

Together we can help our children be safe.

TYABB PRIMARY SCHOOL AND
THE INDIGENOUS LITERACY
FOUNDATION PRESENT

GREAT BOOK SWAP

Swap. Donate.
Make a difference.

Tyabb Primary School is proud to support the Indigenous Literacy Foundation (ILF) and the wonderful work they do with remote Aboriginal and Torres Strait Islander communities. The ILF helps communities create, illustrate and publish books in the languages children speak at home, ensuring they have access to stories that reflect their culture, language and identity.

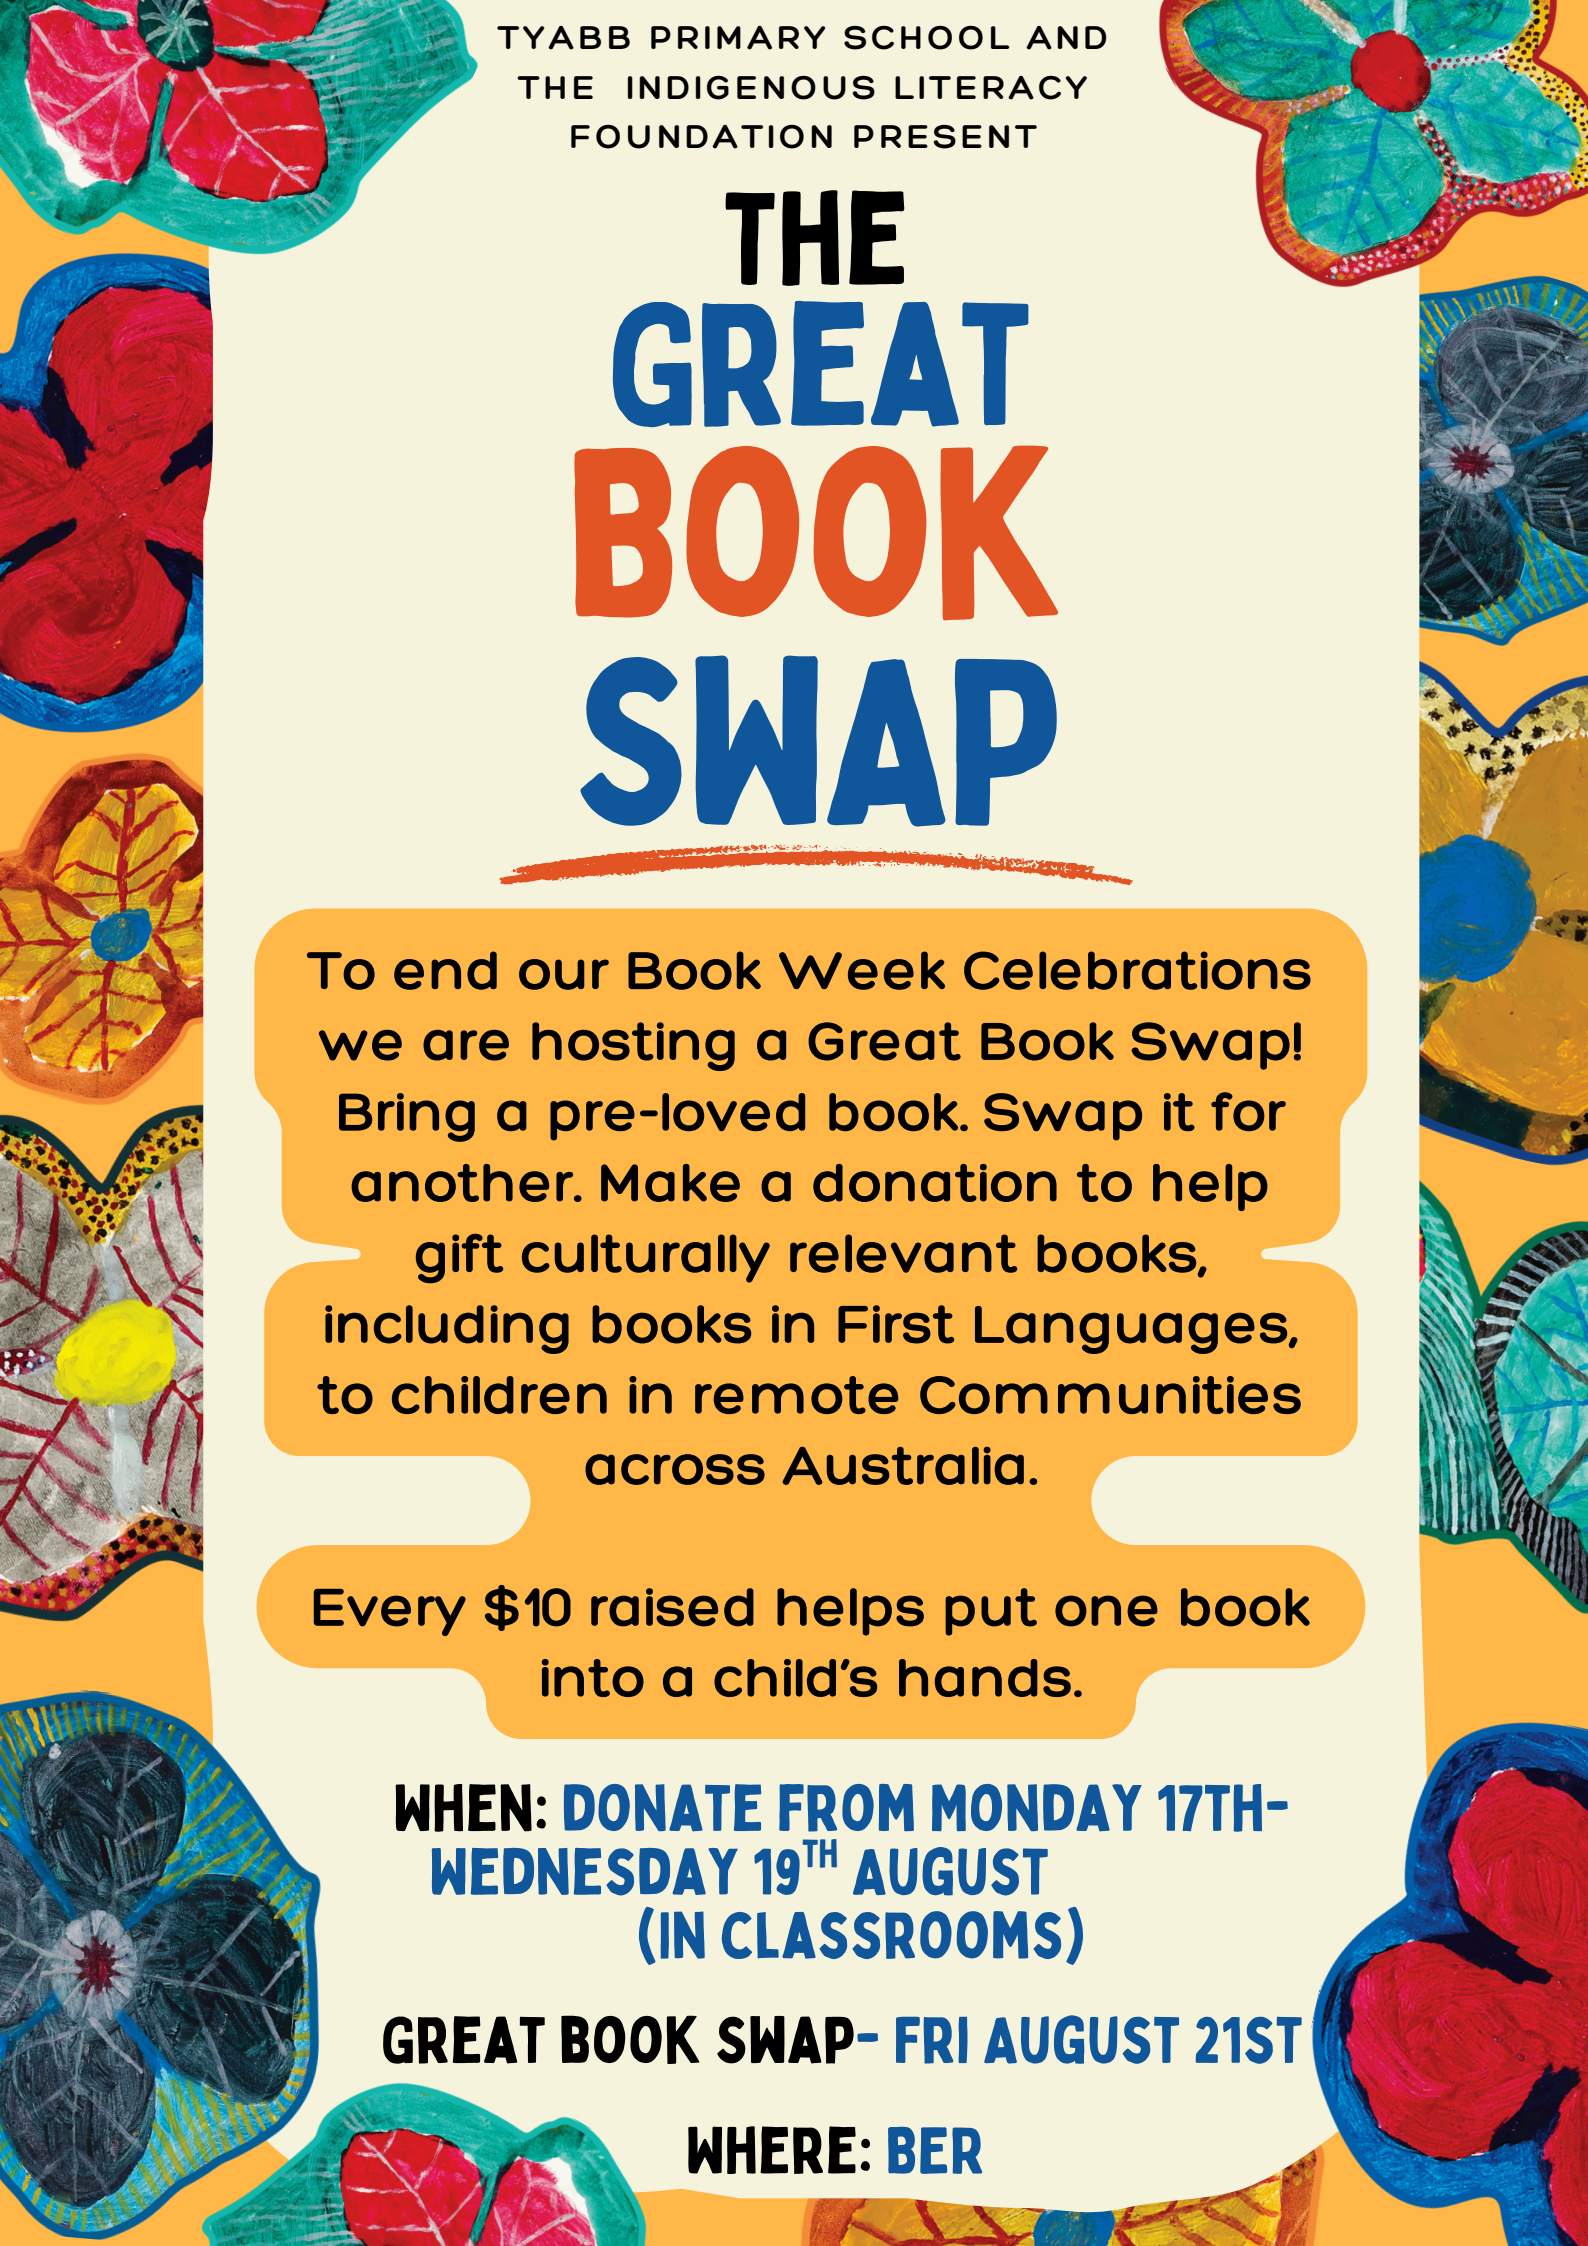

To celebrate Book Week and our love of reading, we are holding a Great Book Swap!

From Monday to Wednesday during Book Week, students are invited to donate any good-quality books they no longer read. These books will become part of our Great Book Swap.

On Friday 21st August, students can choose a "new-to-them" book to take home in exchange for a gold coin donation, with all proceeds going to the Indigenous Literacy Foundation.

We encourage everyone to get involved by donating a book, discovering a new story and helping make a difference. Together, we can celebrate the joy of reading while supporting Indigenous children and remote communities to access books that reflect their languages, cultures and lived experiences.

Check out the link for more details or to donate directly.
<https://greatbookswap.org.au/>

TYABB PRIMARY SCHOOL AND
THE INDIGENOUS LITERACY
FOUNDATION PRESENT

THE GREAT BOOK SWAP

To end our Book Week Celebrations we are hosting a Great Book Swap! Bring a pre-loved book. Swap it for another. Make a donation to help gift culturally relevant books, including books in First Languages, to children in remote Communities across Australia.

Every \$10 raised helps put one book into a child's hands.

INQUIRY- LIVING THINGS

Posters

We are so close to finishing our Living Things posters, which we have been working on in Literacy and Inquiry lessons! We can't wait to show them off to our classroom visitors soon.

Swim Week!

This week we have been travelling back and forth to the Somerville Pool. We aren't a fan of the swim caps but are having a good time nonetheless.

CURRICULUM CORNER

Division Winter Teams

Congratulations to our Division teams who played at the start of this term. We had students from Grade 5 and 6 compete in AFL 9s Boys, Teeball Girls and Soccer Girls. All teams should be very proud of their efforts on how they competed and represented Tyabb Primary School.

House Athletics

On the 30th of July we had all students from Grade 4, 5 and 6 compete in our annual House Athletics held at Mornington Athletics Track. It was a cold and wet day at times with the sun shining, come the end of the day, thankfully. Students competed in different track and field events, earning the opportunity to represent themselves and Tyabb Primary School at District Athletics which will be held on September 3rd at Mornington Athletics Track.

Thank you to all parents and families who came down to support our students and a big thank you to the teachers for their efforts on running an event for the day.

CURRICULUM CORNER

...from little things, big things grow...

ROTARY STEM

Inter-school Challenge

What is the Rotary STEM Inter-school Challenge?

Each year the Rotary Club of Somerville and Tyabb run an Inter-school Activity Challenge (ISAC) where schools compete against each other to complete a minor engineering challenge. The competition ran on Thursday 6th August.

Each local school can enter 2 teams of 4 students from grades 5 and 6. Tyabb PS took along 9 students and had a year 5 team; Ella, Chantal, Riley and Tanner. A year 6 team; Leah, Flynn, Tyson and Harry. Elijah was our emergency participant and came along as photographer.

The challenge this year was to create a weight bearing bridge from playing cards, popsicle sticks, staples, double sided tape, thumb tacks, push pins and string.

How long did students have to build and where was the challenge held?

The students had an hour of build time on competition day before each bridge went through weight testing. The bridge that could hold the greatest weight without breaking, or sagging and touching the based board won!

The competition was held at Bluescope Steel's Hastings Administration building and our judges were, a local Police Constable from Hastings, a Bluescope Project Engineer and the Rotary Regional Director who was also a primary school Principal from Emerald.

Much thanks to Sarah Pludra, our parent helper on the day who helped to transport the students from school.

How our Tyabb teams went

So much time and effort went into our practise sessions. I was super proud of the design and construction techniques that both of our teams came up with. Each team created a time schedule, listing the jobs in order so that every team member knew exactly what they needed to be doing during the hour build time. Both Tyabb teams were so well rehearsed that we had spare time left to focus on aesthetics, as this was going to decide the ultimate winner if there was a draw in terms of weight held. Unfortunately, we didn't place in the top 3 positions, but our Year 5 team built a bridge holding just over 5.5kgs. Year 6 nearly reached 7kgs and I think we were unlucky not to win the best looking bridge title. It was stunning in my opinion! Check out the photos and see the bridges on display in the Science room foyer when you next attend Science.

Well done Tyabb students, Mrs Palmer.

Elevate Speech Pathology

ON-SITE SPEECH PATHOLOGY SERVICES AT TYABB PRIMARY SCHOOL
Supporting communication, confidence and connection – right where your child learns!

We are excited to be supporting Tyabb Primary School to offer on-site speech pathology support during school hours. This service provides families with a convenient, familiar and supportive way to access speech pathology without needing to travel in clinic.

Who is this for?
On-site speech pathology may support your child. We can support difficulty with:

- speech sounds or clarity
- language, understanding or expression
- social communication or interaction
- confidence in communication
- amongst other more niche areas

Otherwise, we can complete an assessment to determine how we can help!

How does it work?

- Sessions are delivered at school, during the school day
- Therapy occurs in a familiar, supportive environment
- Sessions are individualised and child-centred
- We work collaboratively with families and the school
- Goals are designed to support communication across learning and everyday interactions

Save your spot!
We would love to support your child at Tyabb Primary School! Please email Kris (Kristine.Grinsted@education.vic.gov.au) **AND** our admin team (admin@elevatespeechpathology.com) to show your interest!

Funding options
Families can access this service through:

- **NDIS funding (self-managed or plan-managed)**
- **Private funding**
- **Tyabb PS will not be funding this service**

Not sure which option applies to your child? We're always happy to talk this through with you.

Why on-site support?

- No travel or after-school appointments
- Skills are practised where they're used every day
- Supports carry over into the classroom and playground
- Less pressure on family routines

Outside School Hours Care Newsletter

13/08/2026

Tyabb Primary School

BIG ART Week

What a wonderful week we have had celebrating Big art Week. The children have been busy exploring their creativity, experimenting with different materials, and most importantly, having lots of fun creating together.

This week's theme was Jungle Week, and our rooms have been transformed into a colourful jungle full of exciting creatures. The children enjoyed lots of painting and creating, bringing their jungle animals to life with their own wonderful ideas.

One of the highlights was making squishy paper puppets. The children loved cutting, sticking, scrunching and decorating their creations, using their imaginations to make their very own jungle friends. Our jungle was aging monkeys, lizards and colourful toucans. The children were so proud to see their artwork displayed around the room, creating a fun and vibrant jungle atmosphere.

It has been fantastic to see the children getting involved, sharing ideas and enjoying the process of creating. There have been lots of smiles, messy hands and very imaginative masterpieces.

Have a great week!
Emma and Jacqui.
